

Chapter 804

When Qin Ming found out that Liao Qingxuan's blind date was someone from the Li family, he immediately realised that something was wrong.

This Li Zongbai was imposing and tall, claiming to drive for the boss of a big business, or perhaps he was driving for the Zhao family and working as a bodyguard by the way.

The fact that the other party was so low-profile really surprised Qin Ming.

Liao Qingxuan did not know that this was a very good marriage in front of her ah.

However, when Liao Qingxuan was inside the restaurant, she saw the two shaking hands and fighting thinking that a conflict had arisen, she rushed out.

Before Qin Ming could explain, Liao Qingxuan immediately took Qin Ming's arm and said intimately, "Well, actually we don't need to go on a blind date, Qin Ming is my boyfriend."

"The matchmaking thing, it was all at my mother's request, I'm sorry I didn't have time to tell you in detail, a thousand mistakes are my fault for wasting your time, I'm sorry then."

Liao Qingxuan thought, looking for Qin Ming as a shield, and then apologize with a good attitude, the other party should retreat if they understand things, right?

"Aren't you being nonsensical?" Li Zongbai, however, was very unhappy.

But he was not to Liao Qingxuan, but to Qin Ming.

Where was Li Zongbai not clear about Qin Ming's background?

Those who were familiar with Qin Ming now knew that Qin Ming would either marry Miss Mu or Miss Nie, so how could he marry a dance artist, Liao Qingxuan?

Wasn't this deliberate targeting of his Li family?

Li Zongbai's face was gloomy, since Qin Ming had been dealing with the Li family, he had snatched the woman Li Xinghong liked and humiliated him, even Li Shun had his leg broken by Qin Ming, only yesterday he received news that the Li family's contact with Fang Jiutong had failed, and it was still Qin Ming's shenanigans.

Li Zongbai was instantly annoyed, "Young Qin, are you intentionally targeting me?"

Qin Ming really felt wronged, he felt that things were going to go wrong once he knew Li Zongbai's identity.

Li Zongbai himself might not be very famous in the Li family, but the fact that he could work as a bodyguard and driver for someone from the Zhao family was a recognition of his strength, and it was possible that he had some status and influence in the Li family's direct lineage.

Qin Ming never thought that Principal Liao could find his daughter a man of this level for a blind date.

"This is a misunderstanding." Qin Ming tried to ease the atmosphere, "Listen to me first."

"What's there to say?" Liao Qingxuan was obviously unhappy, Qin Ming wasn't trying to backtrack, was he? He had agreed to be a shield, so don't look at someone driving a big car and get scared, right?

Liao Qingxuan hugged Qin Ming's arm even more intimately, and the touch of that rubbing against his chest made Qin Ming more and more flustered.

She said, "That's how it is, I secretly fell in love, my mother doesn't know, Mr. Li asks you to find someone else."

"He has a few scum on his feet." Li Zongbai was furious to see the two of them acting so intimately, and said excitedly, "Qingxuan, we used to play together when we were kids, have you forgotten?"

Liao Qingxuan frowned and said, "Mr. Li, when I was young, I just treated you like a neighbourhood elder brother. I haven't seen you for so many years, and I don't

know how my mother found you. Besides, my parents divorced early, and I don't remember much about my old home. People, they have to look forward."

"Then he's a scum bag." Li Zongbai said undeterred, "It doesn't matter at all if you don't like me, I'm not a stalker, and I'm all for freedom of love. But to fall in love with a scum, that's not jumping into the fire? Even for Auntie Liao's sake, I can't just ignore it."

Liao Qingxuan's pretty eyes glared at Qin Ming, as if to say, "Look, you've been messing around with women everywhere, and even if you do a favour, you'll be caught in a trap.

Liao Qingxuan stiffened her head and said, "I know, but I just like Qin Ming, what's wrong? What's wrong with that? Do you need to ask me who I like? Even if I were to be his mistress or mistress, it would be none of your business."

The two men were in a cold sweat when they heard such ruinous words.

However, Qin Ming knew that Liao Qingxuan was trying to get out of it, and he was also suffering in his heart.

Qin Ming hurriedly pulled Liao Qingxuan away and said, "Now that the explanation is clear, let's go."

Li Zongbai stormed out, "Wait a minute."

He stepped forward and reached out to pull Qin Ming, but he was blocked by Song Ying, and the two of them immediately went toe-to-toe, a bad look like they were going to fight.

Li Zongbai said, "You're not acting, are you? Qingxuan, since you are willing to give up, then I will just give up this blind date. But there's no need for you to deliberately find him as a shield in order to ruin the blind date."

This is being recognized.

Qin Ming didn't mind, and Li Zongbai was quite generous.

However, Liao Qingxuan seemed to be a bit pale, how did it turn out that she was the bad guy?

She simply said, "No, we are just together."

After saying that, Liao Qingxuan stood on tiptoe and kissed Qin Ming with a kiss, and then said, "Now you should understand? Go well and don't see me off."

This act made both Li Zongbai and Song Ying on the side jealous and envious, and their eyes were instantly filled with killing intent.

However, Song Ying was aiming at Liao Qingxuan and Li Zongbai was aiming at Qin Ming.

"Is this true?" Suddenly, a car stopped by the roadside and Principal Liao surprisingly arrived at the entrance of the restaurant at this time.

She had just witnessed this scene of Liao Qingxuan kissing Qin Ming, that was both shocked and angry, Qin Ming was her student!

When Qin Ming saw that Principal Liao had also come, he was so scared that his body trembled, how could this matter have come to this?

Qin Ming was never merciful to his enemies, but he had a natural respect for his own people, especially since he was often taken care of by Principal Liao at school, and now he had become the culprit for picking up her daughter and ruining Liao Qingxuan's blind date.

In the future, if Liao Qingxuan were to say that she likes to be single, would he also be the one who instigated this?

The moment Qin Ming thought of this, he felt a great injustice.

"Mom~!" Liao Qingxuan was also dumbfounded, this kind of thing was not something that could be explained in a few words.

Headmaster Liao came forward in great anger and said, "Qin Ming, what the hell is going on here? When did you two get together?"

"Er, well Principal Liao, listen to me." Qin Ming looked like he was admitting his mistake and said, "It's a long story, but please rest assured that I definitely didn't do anything wrong to you and Sister Xuan."

"That's for sure, you're my student, I know you have principles." Headmaster Liao said, "However, if you like my daughter, just say so, why do you have to be sneaky? How much older is Qingxuan than you? I am angry that you are the ones hiding it from me. It's a good thing, why hide it?"

"?!!!" Qin Ming's entire body was dumbfounded, Principal Liao actually agreed? A second agreement?

With such an unexpected change, he forgot all the words he had prepared for a moment.

Song Ying clenched her fists in anger, her hand was already on her back, her eyes could kill, she had already killed these two mothers and daughters in seconds ten or eight times.

Liao Qingxuan was also surprised and baffled: "Mom, this, this"

Headmaster Liao smilingly said, "All right, the streets are kissing on, this can't be hidden. The fact is that your uncle Li's child came here for nothing. Zongbai ah, it seems that this blind date will not go ahead, it is our Qingxuan who is not blessed"

"No, Auntie Liao Qin Ming he" Li Zongbai was really speechless, he wanted to say that this Qin Ming was a scum ah, but it felt useless to say it.

Li Zongbai's fists were clenched and he said to Qin Ming: "Qin Ming, you are determined to go against my Li family, aren't you? If you tear your face off, I'll see how long you can hold out again?"

After saying that, Li Zongbai drove away.

On the road, Li Zongbai turned on the wireless call while driving.

"Hello? Zongbai? Did you have a good date?"

"Dad, don't mention it, it's a disgrace to be stirred up."

"Who can make our Li family lose face?" On the other end of the phone, a man full of authority spoke in a startled voice.

"Who else could it be? That Qin Ming! Rampaging and shameless." Li Zongbai roared angrily in the atmosphere, "Dad, has the family made a decision yet? Do we continue to compromise with Qin Ming, or do we find a way to get rid of him? I support killing him! This Qin Ming is unruly and unruly, unlike Zhao Zhen and Zhao Songli, he is someone who cannot be compromised."

The other end of the phone was silent for a long time and said, "Three to three, one last vote to go, in my hands."

Li Zongbai said indignantly, "Dad, vote. Our Li family has stood in China for a hundred years, in the land of China, are we still afraid of this Qin Ming? This might also be a good time for our Li family to enter the Huan Yu Century Group. This Qin Ming, cannot be kept."
