

Chapter 382

She said it in a very vicious way.

Hearing that, Felicity's pretty face turned red.

He's gone too far!

He actually dared to say such words to William in front of him!

She was about to refute but was pressed down by William.

William gave her a hint with her eyes, and then she would leave it to him.

Sun Tianyu deliberately looked provocatively at William.

It was true that these words were malicious, but they were reasonable.

Everyone in Qena City knew that Felicity's husband used to be a complete softie.

Now, it seemed that he lived up to his name.

Sun Dayu was thinking about using Felicity to vent his son's anger on Sun Richard.

But he didn't expect that William would actually appear. It would be a waste of time to clean up the mess.

Li Nan Feng was really a god-like helper. He was going to beat William again.

At the thought of this, Sun Dayu was in an extremely good mood.

William said to Sun Dayu, "Okay, what do you want me to do?"

Sun Dayu saw that William really dared to agree, and he was in a mess for a while.

He took a few seconds to react and said, "Give that Li Nan Feng a good beating, of course!"

Felicity was so anxious that he stamped his feet, but dared not speak.

Because William had already given her a hint just now.

William smiled. "Okay, let's go."

But Sun Dayu said, "It will be great if you agree, but let's wait for a moment first. There is still a master who is coming. Let's go together later."

Sun Dayu still remembered that Li Nan Feng had said that things would not go beyond three times.

He was afraid that Li Nanfeng would attack them directly if they didn't have a sure enough chance this time.

That would be too much for the loss.

At least, they could wait for Lu Ge to come and then go with him. At last, they had a feeling in their hearts.

"When will you, Lu Ge, come here?" Huang Zhengyin was a little impatient at this time.

He had stayed because he wanted to see how Sun Dayu would ridicule William.

But he didn't expect them to go there again.

If it went on like this, it would naturally involve the matter of Huang Zhengyin's fiasco just now.

He was very unhappy in his heart.

Sun Dayu looked at the time. It was almost 12 o'clock.

He hesitated for a moment and said to Huang Zhengyin ingratiatingly, "Zhengyin, don't be impatient. I'll call Lu Ge right away. He should be here soon."

Only then did Huang Zhengyin reluctantly nod her head.

Just as Sun Dayu was about to take out his phone, a car sped towards him from not too far away, with a beautiful tail wagging in front of him.

Sun Tianyu was happy in his heart. "Could it be that Lu Ge is coming?"

He quickly stepped forward and opened the door respectfully.

However, the person who got out of the car made him stunned.

It was not Lu Ge.

It was Baxter.

Baxter was also stunned when he saw Sun Dayu.

Baxter had been drinking and dreaming before, but after William's help, he was not drunk at all.

He thought for a while and always felt uneasy to let William go to the construction site alone.

So he didn't care about anything else and drove over.

As soon as he got out of the car, he saw Sun Tianyu.

Then he looked into the distance again. "Oh, William is here, so is my sister-in-law."

He was about to greet Sun Tianyu, but he was stopped by Sun Tianyu.

Sun Tianyu said with a hypocritical face, "Dongbai, why are you here? By the way, I have something to ask you. Is that Lu Ge really good at fighting? If he can't, we should go back first."

He was now afraid that Lu Gge would do harm to him if he sought fame.

Hearing this, Baxter's hair stood on end.

William was there!

What did Sun Dayu mean by that!

He said unhappily, "My brother Lu's martial

arts is peerless, how could someone like you know about it? Also, since you don't trust my brother Lu, don't even let me call for you! Do you know how much courage I spent?"

When Sun Dayu heard this, he didn't feel unhappy. On the contrary, he was happy.

Seeing that Baxter's words were so serious, Lu Ge must be really something!

"When I come back later, I'll try to curry favor with him."

Perhaps he would be able to make good use of it in the future.

Just as he was about to ask in detail, he saw Baxter walking toward William and the others.

He hurriedly chased after Dongbai and shouted, "Dongbai, where's the Lu Ge you spoke of? I'll give him a good show of respect when I come over later."

Baxter had already stood in front of William. Hearing Sun Dayu's words, he frowned and couldn't help but say, "Didn't Mr. Lu come a long time ago?"

"He's here?" Sun Dayu was stunned.

Felicity and Huang Zhenyin were also confused.

"When did you get here?"

"Where?"

Why didn't I see her?

Where had he been hiding?

Baxter suddenly bowed slightly to William, then straightened up and said, "Isn't he the Mr. Lu I'm talking about?"

The three people at the scene felt as if they had been struck by lightning!

They looked at William, and their eyes were incredibly unbelievable at the moment.

Was William Lu Ge?

And Lu Ge turned out to be Mr. Lu?

F**k!

What the hell was going on!?

"This boy!"

How could he be a great master?

Sun Dayu's face darkened all of a sudden. He felt that he had been fooled!

"What the hell? This guy is not an expert in any way. How can he be worthy of such a high praise from Baxter?"

"I'm really fucking blind!"

He actually pinned such an important hope on this kind of garbage!

"What's more, I didn't know just now. He even said in front of this guy that he was filial to him!"

"I'm so ashamed!"

"Dongbai? Are you kidding me? How can this guy be a master? Stop fooling around!" Sun Tianyu said after holding back for a long time.

After that, Baxter's face immediately turned red. "Sun Tianyu, what do you mean by that? If you don't believe in me or Mr. Lu, don't let me invite him out at night! Do you know how busy my Mr. Lu is? Why do you still care about this shitty thing of yours!"

Sun Dayu was so embarrassed that he did not know what to say.

Baxter saw that Sun Dayu's eyes were still full of disdain, and he felt very depressed.

He felt very sorry for William.

Originally, it had taken a lot of courage to invite William here. At least, Sun Dayu would have offered William up and given him a good speech.

She didn't expect this guy to say such nasty words in front of William.

"Isn't that a slap to Baxter's face?"

Baxter said to William with an apologetic look, "Mr. Lu, I am really sorry. I don't know what happened. Since they don't believe it, let's go. I will send you and your sister-in-law home."

Felicity was still in the clouds and fog. The turning of the gods in this place made her

completely unable to react.

She knew that Baxter had a good relationship with William, but she didn't expect that Baxter respected William so much.

"Is he still my husband?"

However, she still understood that even if William was a highly praised person by Baxter, he was still no match for Li Nan Feng.

So she quickly followed Baxter's words and said, "Okay, let's go back."

But William stopped Felicity and said to Baxter, "Chen, it's none of your business. I didn't know my wife was involved before either. Since she participated, I have no reason to leave. Come on, let's go meet that Li Nan Feng."

Chapter 383

The atmosphere at the scene was extremely awkward.

First, they didn't want William to defeat Li Nanfeng, including Felicity.

Secondly, everyone was also shocked by William's courage.

"He dares to challenge Li Nanfeng on his own initiative."

A newborn calf is not afraid of tigers!

Huang Zhengyin burst into laughter. "Haha, sure. I'd like to see what you're capable of, kid."

Before, Huang Zhengyin wanted to deal with this man seeking fame with his own hands, but now he was no longer able to do it. He wanted to take advantage of Li Nanfeng to teach this guy a lesson.

Let him know that the world of martial arts was not for fun.

Don't think that just because you have been with Brother Tigger for a few days and fought several times, you can think that you are invincible.

This world was much bigger than you could imagine.

The group of people went inside with their own thoughts, and Felicity held William's hand tightly.

She was not worried about Li Nanfeng's warning, but about William.

She would be in danger if she went on this trip.

William, William, why do you like to flaunt your superiority so much?

"Why didn't you ask how powerful Li Nan Feng was just now?"

On the way, William's phone suddenly rang. He looked and found that it was a little goblin.

William thought that the goblin was going to be hungry and in a coma at home.

After all, the both of them did not eat much the entire day.

He picked it up casually and said, "Hey, Xena, what's wrong?"

"Brother-in-law! Why haven't you come back yet? I'm starving to death! Where's the meal I ordered!" Xena's roar came from the other end of the phone.

Even Felicity Maize heard Xena's voice.

Her eyes suddenly became dim.

William pinched Felicity's hand and said,

"Wait a minute, I'll ask."

After he said that, he asked Sun Tianyu behind him with a strange look, "Hey, have you finished the meal I ordered? My sister-in-law is going to fall into a coma due to hunger!"

The atmosphere at the scene was frozen for a second.

Sun Dayu's heart also went dark all of a sudden.

After being reminded by William, he suddenly realized that since William was Mr. Lu, the person who called him to order the meal before was him!

"I didn't expect that there would be a trap!"

"It's lucky that I was so flattering on the phone just now. It's because of this boy!"

"That's incredible!"

"I'm so ashamed!"

Sun Dayu was not happy in his heart, but he could only say with embarrassment on his face, "It should be almost done..."

"Give me a call." After William finished speaking, she continued on the phone, "You hang in there. We'll be there soon."

Felicity suddenly grabbed the phone and said angrily, "Xena, behind your brother-in-law's back, what are you doing! Didn't I tell you to eat vegetables? Well, I'm hungry when I heard the

names of the dishes just now!"

Hearing Felicity's voice, Xena was stunned for five seconds, and then realized that it was William's call.

In an instant, she exploded as well!

"I knew it! Sister just left, so did brother-in-law! I asked him if he was going to go and find you! Now I caught him! Sister, brother-in-law, you're not humans! You've left me alone at home!"

Her words were so well-founded that William did not know how to retort.

After all, the matter was just too coincidental.

Felicity was originally resentful, but he was also stunned by Xena's roar. He said with embarrassment, "Well, leave some for me and your brother-in-law to eat later."

Then he hung up the phone quickly.

The looks in the eyes of several people around changed.

"This is such a family ethics drama."

Huang Zhengyin's face was full of mockery.

It turned out that William was not only a layman who was greedy for delicious food, but also a lust for beauty. She didn't even let her sister-in-law go.

Hee, hee, the taste of food and sex. He was really a complete layman.

How powerful could such a person be?

"I'll be bullied by Li Nanfeng later!"

After Felicity hung up the phone, he said to William resentfully, "What the hell is going on? Don't I let you eat vegetables?"

William quickly explained, "It's almost 12 o'clock, isn't it? Didn't you say you were going to eat plain food for a week? It's almost time."

Felicity and snow were stunned and didn't know what to say.

He didn't want the time to be so accurate.

Once a week passed, there would be a lot of fish and meat.

"He really doesn't give me any face."

William saw that his face was not good, so she quickly pinched her little hand and said, "I said I would give you a surprise when I leave. I'll consider you as one of them. Let's go home to eat together later."

Felicity looked better and glared at William.

Sun Dayu, who was standing on the side, felt extremely wronged.

"You're going back to eat?"

"Later, I'll let you go back to the King of Hell Hall to eat your fill!"

A group of people returned to Li Nanfeng's

home with evil intentions.

When Li Nan Feng saw them coming back again, he stood up in an instant.

Felicity and Sun Dayu both took a step back.

They could feel that Li Nanfeng's momentum was completely different from before.

Before that, Li Nan Feng looked indifferent, as if he didn't care about anything at all.

But now, Li Nanfeng looked furious, as if he was going to swallow the whole world at the same time.

"That's right. He's just a normal person. He'll be angry if he's disturbed by others over and over again within a day."

"You dare to come again!" Li Nan Feng said sternly.

He took the initiative to come over to Sun Dayu and the others.

Sun Dayu quickly hid in the back and shouted, "Li Nanfeng, don't be arrogant. We've found another master to fight with you. I tell you, this is a top master. He said that he would trample you underfoot and ravage you!"

Felicity was so angry that his face turned red.

This guy was obviously provoking Li Nan Feng's anger!

Sure enough, Li Nan Feng was furious.

"If I don't give you a lesson, you don't know how ruthless I am, do you? Come on!"

After that, he rushed toward the crowd.

Sun Dayu quickly pushed William and said, "It's him! Come to him!"

William took the opportunity to step out. When he saw Li Nan Feng coming over, his look suddenly became serious.

It was a battle between masters. One could figure out the situation when he saw the moves!

Li Nan Feng was really good at martial arts. It seemed that he was also an External Strength master.

Although William had just entered External Strength not long ago, he was not afraid of masters of the same realm at all.

After all, the "Medicine-changing Healing Scripture" was a divine book that could take away the fortunes of heaven and earth.

The martial arts recorded in it were not ordinary.

Although he had just practiced the first three moves of the Nine Moves of Impermanence, he was confident that he could defeat Li Nanfeng.

While thinking, the wind of Li Nanfeng's fist had completely enveloped William.

William couldn't hide even if she wanted to!

Felicity was so anxious that he cried out.
Baxter's face suddenly turned pale!

He didn't expect that Li Nanfeng was so powerful!

Sun Dayu and Huang Zhengyin looked at each other, their eyes full of mockery.

"I'm going to die like this!"

You don't know the immensity of heaven and earth!

You think too highly of yourself!

It was too late to regret!

Chapter 384

William took a few steps back before she finally stabilized herself under the crowd's watchful eyes.

Li Nan Feng looked at William with a little difference, and his body did not move anymore.

He had already seen that William's skills should not be inferior to his.

Although William had retreated just now, as he retreated, his steps were as smooth as floating clouds and flowing water, not in a panic.

It was as if he was intentionally trying to find out the truth.

Because of that, Li Nan Feng was in high spirits.

"William, you have to be careful. If you can't do it, don't force yourself. I will be sad if you are injured." Felicity couldn't help shouting.

He hoped to use his own worries to exchange for William's a little bit of reason.

William, however, nodded. This time, she took the initiative to rush toward Li Nan Feng.

"Zhengyin, can this kid beat Li Nanfeng?" Sun Dahu was a layman, so he had to ask Huang Zhengyin.

Huang Zhengyin was not in the station, so naturally, he didn't know that William's move just now was to sound him out.

What's more, just now William had ordered a meal and entangled with his sister-in-law.

In Huang Zhengyin's mind, he was already a lecherous pervert from the start to the end.

"Does a rogue want to defeat Li Nanfeng?"

What a big joke!

"You know, Li Nan Feng can even defeat a master like me."

Thinking of this, Huang Zhengyin said jokingly, "I bet that this guy can't last more than twenty seconds in Li Nan Feng's hands."

Sun Dayu was delighted to hear that. "Ha, ha, ha, it's true!"

"What the f*ck? You tricked me into ordering a meal!"

"How dare you be so arrogant in front of me!"

"After a while, I'll see if you can laugh or not!"

Baxter, who was originally extremely worried, suddenly became angry. He looked at Huang Zhengyin and said, "What do you mean by this? Are you looking down on my Mr. Lu?"

"I'm just telling the truth. A piece of trash like him wants to fight with Li Nan Feng? He'll be lucky

if he doesn't die later," Huang Zhengyin said proudly.

Baxter stomped his feet in anger. Suddenly, he said fiercely, "My Mr. Lu is definitely more powerful than you think! If you don't believe me, you can just wait and see!"

Huang Zhengyin looked at Baxter with great interest, as if she was looking at a contemptible clown.

Suddenly, an idea came to him and he said to Baxter, "Well, don't you trust this guy very much? Do you dare to make a bet with me? If this guy can hold on to Li Nanfeng for 20 seconds without getting hurt, I will kneel down and call you grandpa!"

Baxter's blood was boiling. "What the hell? Let's do it. I'm not afraid of anyone! If you win, the Ferrari sports car outside will give you a ride!"

Huang Zhengyin felt a sense of comfort when she heard that. "Didn't I get a car out of the blue? Ha, ha, ha."

But Baxter suddenly said, "But what if my Mr. Lu defeats Li Nanfeng? What will you say then?"

Huang Zhengyin was stunned.

The gamble just now was only bet on whether William could hold on for more than 20 seconds.

He really didn't make it clear whether he

would win or not.

However, this kid was the only one who could win?

Unless the sun comes out from the west!

"If he wins, I'll call you grandpa every time I see you! But if he loses, you'll have to call me grandpa every time you see me!" Huang Zhengyin said without any fear.

Baxter's face froze. "This little monkey is really cruel!"

However, he was already in a dilemma. He had to bite the bullet and said, "Let's make a bet! But we all swear to God! I am afraid that you will go back on your word after this!"

Huang Zhengyin sneered. "For people who practice martial arts, the rules are more important than anything else. Will I go back on my word? But forget it, I will follow the customs when betting with you, an ordinary person, in the countryside. What's the big deal even if I swear?"

After they made their vows, Huang Zhengyin continued to watch.

As for Baxter, he was extremely depressed in his heart. He was so hot-blooded just now.

Putting aside the fact that the car had been sent out, did he really have to call her grandpa in the future?

What the f**k!

If worse comes to worst, I'll hide from him every time I see him!

Thinking of this, Baxter began to look at his watch. As he watched the battle progress, he counted down in a low voice.

"One, two, three..."

Huang Zhengyin found it funny.

The ordinary people would always do these meaningless struggles.

The battle situation in the field seemed to be getting more and more intense.

But it was not a tie.

Instead, he fell one-sided.

Li Nanfeng had been suppressing William.

William, on the other hand, had only been hiding the entire time. He had never fought head on.

This made the few people on the scene feel extremely wronged.

As for the two people in the field, their hearts were as clear as a mirror.

Li Nan Feng didn't dare to look down on William anymore.

"This kid is so confident. Until now, he's only attacking and not defending. He's testing me!"

And he didn't suffer any damage at all!
This showed that he was very powerful!

In the twinkling of an eye, Li Nan Feng's punch missed again. He suddenly said to William, "You've tested me enough, haven't you? I'll tell you clearly that I'm going to use these tricks."

William laughed. She didn't expect Li Nan Feng to be an open and straightforward person.

Therefore, he nodded and said, "Okay, let's get started."

Upon hearing this, Li Nan Feng rushed over again and threw a pair of big fists at William like a fierce tiger!

This time, William did not dodge!

He stood still like a pine tree!

Then he also punched at Lin Shanyue and shouted, "Lin Shanyue!"

The first move of the 'Nine Movements of Impermanence!'

Huang Zhengyin laughed as she watched the show. "What a terrible name! Do you really think it's some kind of unique martial arts? And you even name it! You're looking for death!"

William, oh William, it would be fine if you kept running like a coward, but you could barely hold it off for 20 seconds.

"But you are biting off more than you can

chew. You want to fight against Li Nanfeng with your fist!"

I've just had a taste of the pair of fists.

"He absolutely has the power of a fierce tiger. How can a weak scholar like you defeat him?"

The outcome had already been decided!

However, as soon as he finished his words, he heard incredible exclamations coming from the scene!

Li Nan Feng and William were fighting against each other with fists!

William's body trembled and she took a step back!

But Li Nan Feng, because his body was already in the air, after a pair of fists, his body rubbed on the ground and he took five steps back before he stood firm!

Huang Zhengyin's eyes were about to pop out!

He couldn't help but shout, "How is that possible!"

"It's impossible!"

How could Li Nan Feng take a few steps back?!

From the looks of it, William actually won in this pair of fists!

It should be known that William was motionless.

Li Nan Feng, on the other hand, was rushing over.

He already had strength to begin with, and combined with the powerful assault.

If William took a step back, Li Nan Feng would take five steps!

What the f**k!

"There must be something wrong with it!"

"Has Li Nanfeng been tired after fighting with me for too long?"

But it was just five minutes!

Obviously, he should have crushed William with one punch!

As for Felicity, his eyes were closed and he didn't dare to look at them.

After hearing the exclamation, he opened his eyes. Seeing that William was perfectly fine, he breathed a sigh of relief.

Sun Dayu's face changed.

This William actually had some skills!

He could take this punch!

"Will this kid win today?"

That was just too terrifying!

Just as Huang Zhengyin was about to reprimand William for doing something, a mocking voice came from beside her.

"Haha, twenty seconds have passed, kneel down and call me grandpa!"

Chapter 385

Huang Zhengyin turned to look.

But he saw Baxter's surprised and proud face.

Baxter was naturally pleasantly surprised.

Previously, he had been completely confident in his intentions.

Because Huang Zhengyin was too trustworthy.

But she didn't expect that William could completely withstand this blow, and even beat the other side five steps back.

It had been twenty seconds since they last saw each other.

He won!

Huang Zhengyin became angry and raised her fist. "F*ck you!"

Baxter was scared. He stepped aside and said angrily, "F**k! How dare you break your promise! You said that as long as I, Mr. Lu, can survive for 20 seconds, I will be your grandfather. Just now, you swore that you wanted your family to have no children!"

Huang Zhengyin's face suddenly became bitter.

What the f**k!

For martial arts practitioners like them, family rules were extremely strict.

It was more important than a person's life to do such a thing.

He had thought that Li Nanfeng could defeat him easily.

He didn't expect that he would lose the bet.

"Do I really have to call this bastard grandpa?"

He was the son of Frederick!

If word of this got out, how would they continue to survive in Qena City?

However, if he broke his promise, it would be against the path of martial dao.

He hesitated for a moment, but in the end, he still forced himself to glare at Sun Tianyu.

Sun Dayu was very clever and quickly said, "I didn't see anything, I didn't hear anything..."

Then, Huang Zhengyin knelt down reluctantly to Baxter and whispered, "Grandpa..."

His voice was as low as a mosquito.

However, Baxter was satisfied.

He couldn't help laughing.

Huang Zhengyin stood up from the ground, and his face was extremely ugly. He said to Baxter

fiercely, "Just you wait!"

Baxter shrank his neck and continued to look at the time.

And then...

"Another twenty seconds passed, and you have to call me grandpa..." Baxter pointed at his watch, and his voice was a little weak.

Her words were like a thunderbolt on a sunny day, which made Huang Zhengyin's face turn red!

What the f**k!

"If calling me grandpa is not enough, you still want me to call you grandpa!"

"It's fine if you don't call me that..." Baxter said with embarrassment.

Because their previous agreement was ambiguous. Baxter saw that Huang Zhengyin was going to eat him up, so he dared not say anything more.

But in his heart, he was muttering to himself, "I'm asking you to act recklessly now."

If William can win later, you will call me grandpa all your life!

It was beautiful to think about it.

However, in Baxter's heart, he also thought so casually.

After all, he just heard from Sun Dahu that Li

Nan Feng was extremely powerful.

And he also saw that William was beaten by the pressure of Li Nan's wind just now.

Victory was very difficult. It was enough to call him grandpa.

With that being said, everyone was stunned.

After William beat back Li Nan Feng with one blow, even Li Nan Feng looked at William in disbelief.

No one knew better than him how powerful William's strike was!

The Sky-approaching Mountain!

This was the name of William's move just now.

It really made Li Nan Feng feel as if a mountain was pressing against his head!

One should know that what Li Nan Feng practiced by himself was the force of fierceness.

He had been in Qena City for almost half a year and hadn't met a match yet.

Not to mention Qena City, the family he stayed in before was also outstanding among the younger generation!

Therefore, Li Nanfeng had always been proud and arrogant.

Even Huang Zhengyin, who boasted that she

was good at martial arts just now, in Li Nan Feng's view, she was not better than him. He could handle it in a few seconds.

He didn't expect that he would meet a master who deserved to go all out!

Thinking of this, Li Nanfeng couldn't help but have a strong desire to fight. He shouted, "Again!"

The two men wrestled with each other again.

However, the current situation was no longer as one-sided as it had been a moment ago.

They were evenly matched.

While William was exchanging punches with Li Nanfeng, her whole body was burning with hot blood.

After he stepped into the External Strength realm, he could only have a true battle with Sirius.

However, the situation at that time was different.

Now it could be regarded as his first time to use the external strength to learn from each other.

William was extremely satisfied with the move just now, which was about to reach the mountain.

He couldn't help marveling at the might of the 'Nine Moves of Impermanence'.

It had been several years since Li Nanfeng

had entered the External Strength Stage.

He hadn't expected that he would be able to defeat Zhang Ruochen with one strike as soon as he stepped into the realm.

Thinking of this, William became even more excited.

In the field, the two were intertwined like a storm. For a while, it was hard to tell who would win.

Huang Zhengyin was at a loss for words when he saw this scene!

He didn't expect that William could really compete with Li Nanfeng for such a long time.

It had been a few minutes.

The two of them did not seem tired at all as they continued to wave their powers around.

No one would admit defeat!

However, Huang Zhengyin felt that this scene made him lose face, so he said coldly, "It's the end of the day. It seems that the two people are difficult to decide the winner..."

Sun Dayu was also shocked and nodded. "Zhengyin is right."

People like him, who had never seen experts fighting before, this scene had given him a new view of the world today.

His strength and impression of William's

strength were completely subverted.

This person was definitely a super master!

At the same time, Sun Dayu's heart was also on tenterhooks.

"Oh, my God, I forced Felicity to apologize to me in public tomorrow. If William knows this, he will deal with me with that fist. Will I still be alive?"

At the thought of this, Sun Tianyu was in a panic. He thought that tomorrow's things should be discussed at length. It was best that this boy didn't know anything.

Huang Zhengyin was flattered by Sun Dayu. With a little comfort, she couldn't help but say, "I think William is just resisting in a corner. It won't take long..."

Before his voice fell, there was another change on the field!

William found a hole in Li Nanfeng's attack. After dodging it, she turned over and kicked Li Nanfeng out hard!

Huang Zhengyin's tongue almost slipped out of her mouth when she saw this scene!

What the f**k!

"You don't have to do that!"

"I've said everything I want to say!"

His face was burning, but he was constantly comforting himself in his heart. Fortunately, he

only said half of the words and did not say all of it.

But the white voice of Chen Dong, who was playing with him, came from the side. "It won't take too long, grandson?"

Huang Zhengyin was so angry that she was smoking from the seven apertures of her head.

William had a grudge against him!

How could Li Nanfeng be so useless!

"F*ck him!"

After Li Nanfeng was thrown out, he performed a carp flip on the ground and directly got up from the ground.

He was a little out of breath.

It was rare for Li Nan Feng to see such a high-speed fight in the past two years.

However, he kept a sigh of relief in his heart.

"Why did I get kicked just now?"

"I can't accept this!"

He rushed toward William again and roared, "Look at my Sky-shaking Legs!"

With his body soaring in the air, he kicked at William with his leg whip, making a whooshing sound, and then fiercely threw it at William.

William's eyes turned serious, and she used her legs to fight against her legs!

"Lieutenant Water!"

Chapter 386

In the field, Li Nanfeng's leg skill was extremely fierce, like a thunderbolt falling from the sky!

And William, who was lying on the ground, also hit Li Nanfeng with her long legs!

Peng!

A stupefying scene appeared!

He saw that William's leg skills were no longer as fierce and overbearing as before!

However, at the moment when they communicated with each other on their legs, William's legs were like golden snakes and stuck to Li Nan Feng's legs!

He gave it a hard tug!

He actually dented Li Nanfeng's extremely powerful leg whip.

In mid-air, Li Nanfeng was caught off guard and staggered.

However, everyone's exclamations were not over yet!

William's legs were still attached to Li Nanfeng!

William's "Sailor's Water" was really like a

great river!

At first, it was a stream, and its force was soft, which directly removed Li Nanfeng's strength.

Right now, the small stream gathered together. A great river immediately overflowed, producing a wave of surging power!

William's leg was thrown!

He stepped on Li Nanfeng hard on the ground as if he were a torrent of water.

Li Nanfeng was beaten on the ground, and immediately spat out a mouthful of blood!

Everyone present was so shocked that their jaws almost fell to the ground.

A world-shaking great reversal!

No one could expect that William could remove Li Nanfeng's strongest blow so easily and then face the head-on blow!

The sound of Li Nan Feng's leg whip brought by him made several people present tremble with fear.

As for William, not only did she win, but she was also unhurt!

Four or two toss of a thousand pounds!

William stepped on Li Nanfeng's feet, and her heart was also excited!

The second move of the 'Nine Movements of Impermanence!'

"Lieutenant Water!"

If one described the previous approach to the mountain as a large-scale collision, then it would be like a landslide!

Then the water of the soldier was all-pervasive, using a trick to break the force!

These two moves were enough to defeat a master like Li Nanfeng!

Li Nanfeng fell to the ground as if he had completely lost his will to fight.

After spitting out a mouthful of blood, his eyes actually became somewhat dull.

He lay dumbly on the ground and looked up at the sky.

At this moment, the construction site was covered with stars.

This scene made him fond of her more or less.

Once upon a time, someone hugged him like this, touching his head and watching the stars telling stories...

Thinking of this, Li Nan Feng felt a heartache and slowly closed his eyes.

"I have lost..."

Yes, Li Nanfeng admitted defeat.
He was a man of self-knowledge.

From a moment ago until now, in addition to the fact that he had gained the upper hand when William tried to test him at the beginning, William had basically taken control of the situation.

He wanted to use his strength to break the trickery, but he didn't know that William's trickery could no longer be described in words.

Li Nan Feng had done his best, but William did not.

Seeing William's surging blood and arrogant look, Li Nan Feng knew that William's strength was not limited to this!

Therefore, he lost.

He was sincerely convinced by his loss.

After hearing this sentence, Felicity was so excited that he rushed straight over and hugged William tightly.

This was the first time that she had watched William fight at such a close distance.

Although his blood was surging, Felicity's heart was always in his throat.

She was afraid that William would accidentally hurt her.

Now, seeing that William defeated Li Nanfeng with absolute strength, how could Felicity not be

excited!

"This is my husband!"

Before that, most of William's performances in front of Felicity were unparalleled intelligence.

Such an impression made Felicity Maize feel that William was not good at fighting.

However, now the iron-clad fact was telling Felicity and snow that Lu Yewen could defeat the enemy!

Martial arts could be used to bully others!

And at this moment, Felicity's face had also turned slightly red.

She was ashamed and guilty.

He felt extremely sorry for his contempt for William.

He should have been extremely trusting of him.

He didn't have to wait until now for William to win. He was ecstatic.

If he performed well enough, he wouldn't be surprised at this moment, because it was natural for William to win!

"Hubby, you're so great!" Felicity couldn't help but whisper to William.

William smiled slightly.

What else could it be? It was more exciting

than the affirmation of a beauty.

Beside them, Huang Zhengyin's face looked as ugly as it could be!

He had never thought that William would actually win!

"And you win so beautifully!"

He was defeated by Li Nanfeng, and Li Nanfeng was defeated by William.

In other words, he was also a defeated opponent of William!

What the f**k!

At the thought of this, Huang Zhengyin felt as uncomfortable as if he had eaten shit!

He had looked down on William so much before.

From the beginning of William's casual behavior, Huang Zhengyin did not take a good look at William.

He thought that this man was digging for fame, and he didn't want to associate with him at all.

She might even have to teach him a lesson on the spot, so that he could personally remove his mask of hypocrisy.

But now.

William Hao won!

"Can I teach him a lesson?"

He had lost face in front of everyone again!

However, Baxter was so excited that his face turned red. He didn't care about anything else and grabbed Huang Zhengyin's arm, who had a bad look on her face!

"Come on! Call me grandpa! You'll call me grandpa all your life! Call me grandpa every time you see me!"

Huang Zhengyin was depressed at first, but when he heard Baxter's words, he only felt that his blood was boiling.

In addition to his previous injury, he had not recovered yet. Now, he actually spat out a mouthful of blood!

He glared at Baxter angrily. In his heart, he wanted to kill this rascal!

"Didn't you see that I was angry?"

"You're courting death!"

But who was Baxter?

"She's the one who takes advantage of me!"

Now, William was the most powerful person on the scene, and he was on William's side.

What was he afraid of!?

Baxter immediately said, "Who bet with me just now? If you don't fulfill your promise, I will

spread it all over the world tomorrow. Who is afraid of who?"

"F**k!" Huang Zhengyin was so angry that her fist was about to explode!

Shameless scoundrel!

When they made the bet before, even the immortals thought that William would win!

"Perhaps you, Baxter, don't have confidence in yourself!"

"Now, why don't you keep a low profile if you win!"

Don't you understand how to keep a trace of mercy?

"Do you know who I am?"

However, Baxter did not give up. "I don't care. Anyway, I just threw caution to the wind. This is what I deserve, and this is what you deserve to teach me! It makes you look down on me, Mr. Lu! You deserve it!"

Huang Zhengyin's eyes suddenly became gloomy!

He stared at Baxter fiercely and said, "Well! I, Huang Zhengyin, keep my word! In the future, every time I see you, I will call you grandpa! Grandpa! Farewell!"

With these words, he left the construction site without looking back.

He was afraid that if he was a little later, Baxter, the rogue, would have a second look at him.

After Li Nan Feng, who was lying on the ground, gave up, he saw that William did not speak. William was just enjoying the romance of a beautiful woman.

He couldn't help but be disappointed and say: "I lost. If I want to kill, I want to crawl. I'll listen to your orders."

Then, he added in a low voice, "Or, let me leave here now, I have no complaints..."

When Felicity heard this, he was immediately overjoyed.

He didn't expect that Li Nan Feng was still a man!

After hearing this, William suddenly turned to look at Sun Dayu, who was shivering on the side!

Chapter 387

In Li Nan Feng's view, the other side had sent a large number of people to let him leave the construction site, hadn't he?

That was why he said that.

However, while looking at Sun Dayu, William said to Li Nanfeng, "You are not in a hurry to leave. Perhaps, I will let you live here."

"Hmm?" Li Nan Feng was stunned. What did she mean?

"You want me to stay here?"

"I'm a demolition worker!"

If he lived here, he would never be able to work on the work task.

Li Nan Feng also knew about the loss in the test.

Wasn't William sent by the other party to chase him away?

Why did he say such words when he admitted defeat and was about to leave?

He couldn't help feeling curious.

He wanted to know what this extraordinary fellow was going to do next.

Felicity also quickly pulled William and

whispered, "William, what are you doing? Didn't we come here just for..."

But before she could finish, she was stopped by William.

William slowly walked toward Sun Dayu.

At this moment, Sun Dayu's face was full of nervousness and uneasiness.

Seeing William coming over, he couldn't help stepping back a few steps. "You, what are you doing? I tell you, we are on the same side."

William didn't mean to do it at all. She just asked indifferently, "Did you set this trap for my wife?"

How could Sun Dayu admit it? He quickly waved his hand and said, "How could this be arranged by me? It's clear that the vice president of the Medicine Association recommended the management of President Bai in the same way. The fact proves that President Bai is really capable. We didn't misjudge him."

Hearing this, Felicity and Snow rolled their eyes.

This guy was really cunning. He was at ease when the situation took a turn for the worse.

William did not dwell on this question and continued to ask, "So, are you going to let my wife apologize to you in public tomorrow?"

Sun Dayu shivered all over.

What the f**k!

"What's there to worry about? Come on, I'll do it!"

This William really knew about this matter.

However, at this moment, he was in a dilemma. He had to bite the bullet and said, "President Bai said some misunderstandings to me before, but it's just a small misunderstanding. I don't think there is a need to apologize in public. I'll immediately inform the apology will be cancelled tomorrow."

Hearing this, William's eyes flashed a trace of fierceness, and she asked, "Did you inform them?"

"Ah?" Sun Dayu was stunned. He couldn't wait to slap himself!

In front of William, Sun Tianyu was so nervous that he couldn't be more nervous. That was the reason why he spoke the wrong words.

In normal times, he would not have made such a mistake when he only drank a few words of wine.

However, seeing William's cold eyes, Sun Dayu did not dare to change his words.

"Well, I'm really sorry. I thought I couldn't handle tonight's matter, so I asked my son to inform him during the interval. I'll ask him to

cancel immediately."

But William suddenly waved her hand. "Cancel it, there's no need. The apology will be carried out normally."

Sun Dayu's face froze. "Should it be carried out normally?"

"What's the meaning of this?"

"Could it be that William is still pandering to my words?"

Even Felicity Maize was dumbfounded.

His husband was eager to see him make a fool of himself in public, wasn't he?

But she heard William said lightly, "Well, the apology will be held normally. As for the theme, it is you who apologize to Felicity."

"Hmm?" Sun Dayu was stunned. So it turned out that he was waiting here!

He was a person who valued his dignity very much. How could he apologize to Felicity and snow in public?

With this apology, how could he survive in Qena City!

"Erm, William, everything that happened earlier was just a misunderstanding. Besides, I didn't do anything wrong to President Bai. How would I even be able to come up with an apology?" Sun Dayu tried to explain awkwardly.

Felicity, on the side, was greatly moved.

It turned out that William wanted to save his face.

"I misunderstood him again."

How could he bear to lose face in public...

"You didn't do anything against Felicity? Alright, the apologizing ceremony will continue. If not, think of a few things. Five points, no less than five." William's mouth suddenly curled up.

These words were so overbearing that they didn't allow Sun Dayu to refute them at all!

Sun Dayu was running the hell out of Sun Hao!

What the f**k!

William was being unreasonable!

"I didn't do anything I'm sorry for Felicity. Should I make up a few things that I'm sorry for in public to apologize to her?"

"He's too cruel!"

"I just wanted to make things difficult for her. I didn't do anything to hurt her."

"Now you want me to apologize in public, and it's not less than five o'clock!

"Isn't that forcing us to do so?"

And how could Sun Dayu, the cunning old fox, not know about the trap inside?

If he fabricated this, he would have flirted with Felicity.

This kind of fabricated reason could completely be used as an excuse for William to take revenge again.

What the f**k!

How could he grasp the bottom line of this fabricated fact?

At the thought of this, Sun Dayu felt a headache coming on.

He had eaten salt for half of his life, and this was the first time he had met such an unreasonable person like William.

"He won't forgive me for what I've done!"

At this moment, Felicity and the others on the side burst out laughing.

William was awesome.

In order to save face for himself, he could be said to be extremely black-bellied.

"I can't believe it makes him want to apologize."

However, William, who was so overbearing, was so great!

Love him, love him!

Seeing that Sun Dahu was speechless and speechless, William suddenly smiled and said,

"It's okay not to apologize. I'll let Li Nan Feng continue to live here, and then I'll talk to Mr. Hoo personally about this matter. At that time, it's up to Mr. Hoo to decide."

His words were like a thunderbolt out of a clear sky, blowing Sun Dayu dry inside and out!

Each move was more forceful than the one before!

No wonder this guy didn't let Li Nan Feng move just now. It turned out to be a trap!

If Li Nan Feng continued to live here and Frandick knew this, he would definitely look into the inside story of the contract he signed.

Then he would not be able to survive in the whole Qena City, not to mention the Medicine Association.

Sun Dayu's head started to ache.

Felicity asked curiously, "What's wrong? Didn't he tell Mr. Hoo? I remember that he said in public that he would tell Mr. Hoo? How did you know that? Aren't you too unexpected?"

William smiled slightly and did not answer.

How did he know?

The reason was very simple.

William was Frandick's lifesaver. Frandick's life, Frandick's position as the president, was all given by William!

Even if he had a hundred guts, Frandick did not dare to make things difficult for Felicity.

Not to mention that Felicity asked him to do such dirty work, and the dirty work with Li Nanfeng who was a nail in the iron nail.

Therefore, William knew that it must be Sun Tianyu who took advantage of Frandick's business trip and took the initiative to make the decision.

If it weren't for William who happened to appear tonight and solve this problem, who knew how Sun Dayu would slander Felicity behind the matter.

This kind of person was extremely treacherous, and there was no need to be polite with him.

"I'll count to three. Make your choice." William said indifferently.
