

I Want a Lifetime with You

Chapter 6

This guy is mad! He must be really mad!

“Fu Chengyan!” Shi Nuan was getting annoyed now. “Didn’t you hear me? I don’t want to marry you! I don’t know you, and I don’t love you!”

“Who do you love then? Fu Xicheng? Well, he’s your brother-in-law now.” Fu Chengyan exposed the truth mercilessly. “You aren’t thinking of getting with him again, are you?” He rubbed her chin with his thumb as he awaited her answer. “Well?”

Shi Nuan swatted his hand away. “What does that have to do with you? Why must you marry me? Can’t you change your target?”

“You’re the first woman who doesn’t repulse me.”

“What?” Shi Nuan was stunned.

Fu Chengyan pursed his lips before he let Shi Nuan go. The woman took this chance to put some distance between them. She wanted to feel safe, even if for a bit.

Fu Chengyan smiled at her response. “It’s simple. You pounced on me last night, and I wasn’t repulsed by your touch.”

Fu Chengyan narrowed his eyes. “Why don’t we make a deal?”

Shi Nuan said nothing. Fu Chengyan turned around and sat on the sofa. "I need a wife, and you fit the description."

"You're insane." Who does he think he is? Not repulsed by me? "You should see a doctor if you have a condition, Mr. Fu."

"You don't have to give me an answer right now, Ms. Shi. I'll give you time to think about it." Fu Chengyan called someone in the meantime. A moment later, Zhou Zheng came in with a bag. "I have done as you requested, sir. Here are Ms. Shi's clothes."

Fu Chengyan lifted his chin, wordlessly telling Zhou Zheng to give it to Shi Nuan. She hesitated for a moment before taking the bag and going into the bathroom.

Surprisingly, the clothes fitted her perfectly, as if they had been custom made for her. Even the lingerie was the perfect size. As Shi Nuan looked at her reflection, she kept calling Fu Chengyan a pervert quietly, but her face suddenly fell.

She had never expected her boyfriend to hook up with her sister during her stint overseas. She was the victim here, but everyone was saying she was a homewrecker. Even her mother was on her sister's side. Shi Nuan turned on the faucet and splashed her face with some water in an attempt to force her tears back.

She had regained her composure before exiting the bathroom, but her reddened eyes sold her out. Fu Chengyan glanced at her, before he looked away quickly. "Call me once you've thought it through, Ms. Shi."

He handed her a name card, while she looked at him in doubt.

Fu Chengyan put it in her hand. "Don't say no to a kind offer."

"Kind offer?" You must have a hidden agenda!

Shi Nuan stared at the name on the card, and when she saw his title, it took her by surprise. “You—”

Fu Chengyan played with her fringe, stunning her. The man took the chance to leave. Before he did, he said, “I await your good news.” Shi Nuan looked at the leaving man in a daze.

Fu Chengyan! No wonder his name sounded familiar.

Fu Chengyan was the most powerful entity in Jiangcheng. The leader of Jiangcheng Four was elusive, but Second Master Fu and Third Master Li took the city by storm.

No wonder he doesn't care about Fu Xicheng. Xicheng and the Fu family are probably insignificant to him.

Shi Nuan lowered her head and gripped the name card tightly. Fu Chengyan's name had now occupied her mind, and was impossible to erase.

Why does a powerful man like him want to help someone infamous like me? Shi Nuan couldn't understand it, but she didn't dwell on it. After putting the card in her bag, she took a deep breath and left.

After her departure, Zhou Zheng turned a corner, appearing from the shadows. He looked at the leaving woman before calling Fu Chengyan. “Ms. Shi has left, sir.”
