

The Charismatic Charlie Wade Chapter 531 – 535

Chapter 531

Elaine didn't know that Noah and Horiyah had already coveted her assets and the Tomson First-Class villa of her son-in-law Charlie.

She was in Shehlain's house, and she started to rub mahjong with her friends. She didn't go home until dinner time. The four old ladies ordered some KFC takeaways. One of them was holding a family bucket, eating chicken legs and rubbing mahjong. The one that rubs the mahjong is called shiny.

Charlie finished the meal and was eating with his wife and father-in-law. Claire couldn't help complaining when seeing his mother still not coming back, saying: "Dad, you also take care of my mother occasionally, don't keep her all day long to play!"

"Do I care about her?" Jacob snorted, and said, "I don't have the ability to do it. You have to do it. If I could do it to your mother, I won't be here today? Do you know why your grandma prefers your uncle, right? Do I need to tell you?"

Claire asked in surprise, "It's not because of my mother, right?"

"It's because of her!" Jacob sighed and said, "Your grandfather and your grandma didn't allow us to get married at the beginning. If your mother had you before she was unmarried, your grandfather wouldn't compromise. "

Charlie was surprised when he listened. He didn't expect the mother-in-law and the Old Master to run with the ball!

At this time, Jacob said to Claire again: "Actually, your grandma has never liked your mother, and it hasn't changed for more than 20 years."

“Why?” Claire asked puzzledly, “Is there any dissatisfaction, should we not let go of prejudices for more than 20 years?”

Jacob said: “Your grandma said that your mother is a shrew, and she thinks your mother’s family is relatively poor.”

Claire sighed in embarrassment and said, “It’s not good to say, my grandma is not much better than my mother...”

“You’re right.” Jacob nodded and said, “I think the reason why your grandma doesn’t like your mother is because she feels too much like herself...”

Claire rubbed her temples and murmured, “I think what you said makes sense...”

Charlie on the side did not speak, but in his heart he also agreed with Jacob’s words.

The Old Mrs. Willson is the big devil, Elaine is the little devil, and the big devil will get old, so she will be afraid when she sees the little devil. She is afraid that one day she will grow old and the little devil will become the big devil, and then start oppressing her.

Therefore, this is also the fundamental reason why she has been pressing Elaine all the time.

The relationship between Chinese mother-in-law and daughter-in-law is very subtle, but in the final analysis, it is nothing more than one point: the mother-in-law wants to hold the daughter-in-law firmly, and the daughter-in-law desperately wants to get rid of the control of the mother-in-law.

Especially Mrs. Willson, a woman with a particularly strong desire for control, I am afraid that no one can stand it.

At this time, the TV that had been playing Aurous Hill News suddenly interrupted a piece of news.

The host said: “The following is an emergency news. A few days ago, the chairman of Kobayashi Pharmaceutical Co., Ltd., Masao Kobayashi died in an accident in Tokyo. According to Japanese media, the cause of death was that his eldest son, Ichiro, gave

him poison. It shows that Masao Kobayashi took a drug with a strong excitatory effect, which caused the heart to become overloaded and he died of a sudden heart attack.”

Speaking of this, the host said: “Interpol has received news that Ichiro is currently hiding in Aurous Hill, and now the Kobayashi family is offering a reward of 3 billion yen to hunt down Ichiro, so a large number of Japanese killers and gang members have entered. In Aurous Hill, the police are actively hunting down these killers. The general public are requested to be vigilant and call the police immediately if they find suspicious persons!”

When Jacob heard this, he smacked his lips and said, “This Ichiro is really a beast. In order to inherit the family property, he will not let go of his own father!”

Charlie on the side laughed twice.

He wanted to cure his father’s paralysis, so he was a filial son.

Chapter 532

It’s a pity that this son was in his own hands, so this great filial son has now become a beast that everyone spurned.

After two days of fermentation, the death of Masao Kobayashi, the president of Japan’s Kobayashi Pharmaceuticals, has already aroused great concern in Japan.

Under the vigorous propaganda of Kobayashi’s second son, Jiro, Ichiro became the chief culprit who poisoned his biological father and tried to occupy Kobayashi Pharmaceutical.

The whole Japan scolded Ichiro, thinking that he was the most unfilial livestock in Japan..

At the same time, Jiro also increased the reward for killing Ichiro from 1 billion yen to 3 billion.

He now wants to quickly take the position of chairman of Kobayashi Pharmaceutical Co., Ltd., so he must let his brother die quickly, and never let him return to Japan alive.

Jiro also knows very well that his elder brother never intended to kill his father, otherwise he would never be in China and would kill his father remotely. Then, if his father died, he could not take over immediately. Wouldn't it be a waste of money for him? ?

Therefore, he can also guess that the eldest brother is dying now.

After all, Kobayashi Pharmaceutical gave Charlie 10 billion, which is enough to see that Charlie was behind the whole incident.

However, the eldest brother has nothing to do with the wrongdoing. He is not wronged. He is the eldest son succeeding to the throne. What's the matter with himself?

If his second son wanted to counterattack, he had to suppress his eldest son.

Because of this, he couldn't wait to let his eldest brother die in Aurous Hill.

Because if Ichiro could never speak, his position would be more stable.

From his continuous increase in the bounty, it can also be seen that this person is now very eager to kill Ichiro as soon as possible.

So Charlie sent a WeChat to Orvel, asking him to contact Jiro, asking for one billion. If he puts out one billion, he will sell him Ichiro, and if he can't get it, he will escort Ichiro. Back to Tokyo to open a press conference to clarify the reason, and then openly compete with him for the successor of Kobayashi Pharmaceutical.

Charlie's thinking is simple. If Jiro wants to be the chairman, he must cooperate with him. Otherwise, he will let Ichiro trouble him. If the brothers share Kobayashi Pharmaceutical, the loss will be far greater in Billions.

Without saying anything, Mr. Orvel immediately contacted Jiro and told him Charlie's request intact.

Jiro went crazy after hearing this.

Billion?

Kobayashi Pharmaceutical has given Charlie 10 billion for the prescription of that poison!

The ten billion thing was given by Kobayashi Pharmaceutical Co., Ltd. voluntarily at the beginning, and it was his father who was fooled by the other party.

When he think about it, it's d*mn irritating. My father spent 10 billion to buy a poison, and then he ate it himself to death and took his life.

If this transaction were to spread out, it would be the first unjust case in the ages.

Jiro felt that if Charlie wanted to be a person, he should just kill his eldest brother as a reward. He didn't expect this guy to speak up and ask him one billion? When did he open a bank?

Chapter 533

Jiro really hated Charlie crazy.

However, he didn't dare to offend Charlie 10,000 people.

Therefore, he could only bargain with Orvel.

The tone was very religious and said: "Mr. Orvel, can you convey to Mr. Charlie, Kobayashi Pharmaceutical's account is only two to three billion, and many sales channels have not paid us back, and we still owe several billion bank loans are we are under great pressure now!"

Orvel said: "Mr. Charlie is always the same, so don't imagine that you can bargain with Mr. Charlie!"

Jiro begged: "Mr. Orvel, I'm really having a hard time now. If you don't want to do this, you can ask Mr. Charlie to delay me for two months. After two months, I will definitely give the money, but these two months During the time, he must not let my brother show up and speak up, let alone let him return to Japan!"

"Two months..." Orvel thought for a while, and said: "Wait a moment, I will ask Mr. Charlie."

After speaking, he immediately sent Charlie a WeChat, telling him Jiro's request for payment in two months.

Charlie was clearing the dining table. Seeing this WeChat message, he did not hesitate to reply: "Tell him, and then bargain with me, I will talk to his brother, and then I will send his brother back to Japan to grab the property. I ask his brother for 5 billion, and he would agree."

Ichiro is still hiding in the kennel of Orvel. He knows that there are countless people outside who want to kill him, so he is in panic all day long.

In his opinion, he might die one day. So, if Charlie gave him a chance to return to Japan to regain the property, then he would give Charlie the 80% property he robbed. There will be no hesitation.

What Orvel received from Charlie, and he immediately shared with Jiro: "Kobayashi, you are now bargaining with Mr. Charlie for one billion, but have you ever thought about it, if Mr. Charlie and your brother Ichiro had a good chat, Send him back to Japan to grab the property, Ichiro may promise to pay Mr. Charlie two billion or three billion in remuneration! By then, you will not lose a billion! As far as I know, you Kobayashi Pharmaceutical is a company with a market value of tens of billions!"

Upon hearing this, Jiro gritted his teeth and said without hesitation: "Mr. Orvel, please tell Mr. Charlie, I agree! I'll go raise money now!"

In fact, although there is not much money in the accounts of Kobayashi Pharmaceutical Company, there are still a lot of deposits in the personal account of Jiro's father, Masao Kobayashi.

This money was supposed to be his father's inheritance, and the two brothers shared it together, but as long as his brother Ichiro died, Kobayashi Pharmaceutical, as well as all the deposits, cash, antiques, and real estate left by his father, belong to him alone.

Therefore, he did not dare to delay any more. After only ten minutes, he transferred the money to Charlie's account, and at the same time called Orvel and said, "Mr. Orvel, the money has been transferred to Mr. Charlie's account. Please let Mr. Charlie check it, and by the way, please send my brother on the road as soon as possible after receiving the money. I hope he will die soon!"

Orvel agreed and said: “Mr. Charlie has always placed the most credibility, don’t worry, as long as the money is received, your brother will be completely resolved and let him evaporate from the world.”

After hanging up the phone, Orvel immediately sent a WeChat message to Charlie and asked: “Mr. Wade, have you received the money from Jiro?”

Charlie replied: “I have.”

Chapter 534

Orvel hurriedly asked, “Do you want me to kill Ichiro now? Then take another video for Jiro to see?”

Charlie replied: “You hide Ichiro, then find someone who can do special effects, shoot a headshot of Ichiro’s fake video and send it to Jiro to make sure he believes his brother is dead.”

Orvel asked in surprise: “Mr. Wade, are you trying to save Ichiro’s life?”

Charlie said: “Yes, keeping Ichiro will be of great use in the future. Maybe someday I can get Kobayashi Pharmaceutical with him, and kill him for a billion. It’s too cheap for Jiro.”

Later, Charlie said again: “In addition, you don’t think about morality in this matter. After all, we and the Japanese have no morality to talk about. On the contrary, the more miserable they can be, the better!”

“I understand!” Orvel hurriedly said: “Don’t worry, I will arrange more manpower to protect Ichiro well!”

.....

At this moment, the Song family mansion.

The large family of the Song family was eating at the restaurant and discussed about Kobayashi Pharmaceutical.

Mr. Song Jimo, after seeing the news of Kobayashi Pharmaceutical, he said: "I always have a feeling that this incident of Kobayashi Pharmaceutical seems to be related to Mr. Wade."

Warnia, who had just picked up a piece of broccoli, suddenly stopped, silently put the broccoli in a bowl, did not eat or speak.

On the side, her cousin Honor said: "Grandpa, I also feel this way. I heard that Masao Kobayashi of Kobayashi Pharmaceuticals took a special medicine to cure the paralysis first, and then died suddenly. And I also heard that at the Aurous Hill traditional medicine Expo, Ichiro asked the genius doctor to have a prescription to treat hemiplegia. I speculate that the medicine that the genius doctor used to cure hemiplegia should be the medicine Charlie gave you."

Grandpa Song said immediately: "Honor, Mr. Wade's name is not something you can call directly!"

Honor hurriedly changed his words: "I'm sorry, Grandpa, I didn't react for a while. I think the medicine given to him should be the same as the medicine Mr. Wade gave you."

Seeing that he changed his tongue quickly and sincerely, Old Mr. Song nodded in approval and exclaimed: "I think so too. Tianqi's medical skills are indeed very good, but he hasn't come back to life and turn decadent into a miraculous point. Only Mr. Wade The magical medicine of China has this effect."

With that, Mr. Song couldn't help sighing again, and said: "The medicine given by Mr. Wade last time is indeed very effective. I was already a dying person before. After eating, I just feel that my body is much stronger, but It may be that I was too ill before, and now although my life is not in danger, my body is still somewhat languid, I am still old..."

Honor hurriedly said: "Grandpa, or I will go to Mr. Wade again, ask him for a magical medicine, or buy a magical medicine for you! If you can take another magical medicine, believe in your physical condition. There will be great relief!"

Father Song hurriedly waved his hand and said, "It's impossible. Mr. Wade has given medicine to the Song family. We haven't paid him back this favor. If we venture to ask for medicine, it will appear that we are insatiable and greedy. Know yourself!"

Chapter 535

Honor couldn't understand the respect that grandpa showed to Charlie.

Father Song regarded Charlie as a god for the same reason as Tianqi. Both of them were already old men in their twilight years. The more they knew the fate of heaven, the more they were afraid of the fate. To put it bluntly, they were afraid of death.

However, Honor is less than thirty this year. If you tell him that someone can make him live for another five years in the future, he may dismiss it at all, but for the Old Master in his twilight years, if someone can make him live for another five years, That is the true god in his eyes.

Warnia can more or less understand grandpa's psychological thoughts. After all, unlike Honor, she also has a magical medicine given by Charlie, and that magical medicine has been hidden in the car by her, except for herself and Charlie, no one knows.

With that medicine, Warnia felt an unprecedented peace of mind, because she knew that if anything happens to her, as long as the medicine was in her hands, she would have the chance to come back against the wind and survive.

This kind of opportunity, just tell others, no one thinks it's great, because they know that this kind of opportunity can't have anything to do with them.

Honor is the same.

He knows that Charlie's magical medicine is precious. If he can get one, he will definitely use it to cheat the Old Master, and then try to make the Old Master take a higher look at himself. Maybe in the future he can inherit more from the Song family assets, he will not keep the medicine in his hands like Warnia.

It is not that Warnia is not filial to her father. More often, she feels that this medicine represents Charlie's concern for her.

Charlie definitely hoped that she would keep this medicine in her hands. Therefore, deep down in her heart, she didn't want to disappoint Charlie's hope for herself, and she didn't want to use the things Charlie gave her to win grandpa's appreciation.

At this time, Old Master Song suddenly remembered something and blurted out: “By the way, Honor, Warnia, you two will go to the SanityLab Hospital together if there is nothing to do after dinner.”

“SanityLab Hospital?!” Honor asked in amazement: “Grandpa, why are we going there? Is there anything wrong?”

Mr. Song said: “The younger generation of Suhang Wu family came to Aurous Hill. I heard that something happened to a junior in the family, so they rushed over.”

As he said, the Old Master Song said again: “It is Regnar, the eldest son of the Wu family, who is the same as your father, but your father is not in Aurous Hill now. Take a look, after all, our relationship has always been good.”

Honor nodded, and suddenly realized: “I remember, the kid on YouTube who was mad and robbed of sh!t some time ago seems to be a junior from the Wu family, right?”

“Oh, brother...” Warnia put down her chopsticks and said helplessly: “I’m still eating, why are you talking about those disgusting things...”

Honor smiled and said, “I’m sorry, but I’m quick.”

Father Song also watched the video, and his expression suddenly became a little disgusting, so he put down his chopsticks and said, “I heard that the junior from the Wu family has been in the SanityLab Hospital for the past two days. Say hello to Regnar and tell him that your father is not in Aurous Hill, so he can’t come to visit, so that he doesn’t take offense, and by the way, he will also say hello to your father.”

“OK grandpa.” Honor nodded hastily.

The Suhang Wu Family is the first family in the south of the Yangtze River. It is more powerful than the Song family. The Song family can rank in the top five in Aurous Hill, but can’t make it into the top three.

These top-notch big families are actually very close to each other. Generally, whoever arrives at their home court, the host will do their best to entertain and show their sincerity.
