

# The Charismatic Charlie Wade Chapter 2480

## Chapter 2480

A gray-haired old man in a Tang suit took the lead and ran over quickly.

Behind, more than a dozen men with extraordinary auras followed closely, everyone's expression was solemn, and there was a little panic that was hard to conceal.

Everyone hurried to the door of the presidential suite, headed by the white-haired old man hurriedly asked: "What's the matter?!"

The assistant said in a panic, "The boss didn't respond when I rang the doorbell, and no one answered the call, but the phone kept ringing inside."

One of them asked, "The last time you saw boss, what was the boss doing?"

The assistant hurriedly said, "The boss said he was going to take a bath..."

The man asked again, "Could it be that the boss fell asleep while taking a bath?"

The assistant shook his head: "I don't know too well, but based on my understanding of the boss, he probably won't!"

There are some things the assistant can't say too clearly.

For example, he knew very well that Shoude liked Zeena very much.

Every time Zeena came to see him quietly, he would wait very excitedly for Zeena to appear.

Sometimes, in order to find a better state, he even arranges for himself to prepare some drugs to help.

So, for that reason, he should not fall asleep at this time.

At this time, the gray-haired old man said solemnly, "Even if the boss falls asleep in the bath, it is easy to have an accident without staring at it. Let's break in!"

The assistant also nodded quickly.

Want to know what happened to Shoude, breaking the door is the only way.

So, he immediately said to the old man: "Harvey, you decide everything!"

Old Harvey nodded, and when he was about to sink the inner strength of his body to his right leg, he kicked out suddenly, and the double door made of pure copper was kicked open!

Immediately, he took the lead and rushed in.

Shoude's presidential suite is very large, with an area of more than 400 square meters, and even has its own indoor swimming pool, which can be said to be extremely luxurious.

Therefore, a bunch of people rushed in, struggling to find every corner, and then everyone met and came to a conclusion that shocked them: Shoude is missing!

What!!!

Not missing.

The world is, he has evaporated!

Harvey, who was originally very immortal, is now panicking to death, his face is covered with wrinkles caused by tension.

As he paced back and forth in the living room, he said eagerly: "This...what the hell is going on? We have been paying attention to the elevator entrance and stairway, and we can be sure that the boss never left at all, and We didn't hear any unusual movement, why did the boss disappear?"

The assistant blurted out and asked, "Elder Harvey, do you want to... do you want to send someone to look downstairs? Can he accidentally fall down?"

Hearing this, Harvey immediately rushed to the balcony, leaned on the luxurious railing and looked down. While watching, he said, "There is nothing unusual below, it must not be a fall."

Someone couldn't help but muttered, "He didn't go down, and he's not in the room. Has he gone up?"

"Up?" Hearing this, Old Harvey frowned and said, "Upstairs is the rooftop, and you can't get up from the room. It's even more impossible... Can he just fly away?"

"This...this is too weird..." Someone said in a flustered manner, "Even if you f@rt, it will leave a little smell. How could a big living person suddenly say that he disappeared? Disappeared?!"

After reading around, the assistant said: "The boss's clothes are still there, and the bathrobe is missing. If he left quietly, he would at least change into his clothes. Could he be kidnapped?!"
