

The Charismatic Charlie Wade Chapter 2486

Chapter 2486

Orvel immediately asked people to open the heavy iron door. As soon as he entered the door, he heard the fighting dogs in the surrounding kennels barking.

Seeing this, Orvel immediately shouted with a cold face: "It's all the fu*king to shut up for Master, whoever dares to bark, I will kill today!"

Amazingly, when Orvel shouted, all the dogs in the kennel stopped without exception.

Orvel was satisfied and said to Charlie, "Master, please here!"

Charlie followed Orvel into the kennel. In the middle, he saw all of Walter's men and Chengfeng's men, Stuart and the four of them.

When Stuart saw Charlie, his eyes looked like a ghost.

Since being imprisoned in the kennel and seeing Walter's fate with his own eyes, Stuart's fear of Charlie has deepened several layers.

He is locked here now, and what is most worried about is how Charlie will send him off next.

In the unlikely event that someone arranges a “set meal” similar to Walter for himself, wouldn’t he be better off in this life? !

What frightened him even more was what if Charlie really let someone raise a group of African hyenas? !

Therefore, he saw Charlie coming over, behind the iron cage, kneeling on the ground and started begging to Charlie: “...Master, please forgive me...We really knew that we were wrong. Please be merciful and go around us...”

Orvel shouted sharply at this time: “You guys are fu*king crooked, I’ll just tie you up and throw you into a dogfight that have been hungry for more than three days!”

Stuart immediately trembled in shock. Like the barking fighting dogs before, he didn’t even dare to say a word for a moment.

Orvel hurriedly said to Charlie: “Master, don’t mind, these new guys don’t understand the rules. Let me train them for a few days. In a few days, they will become honest and convincing. Totally docile.”

Charlie nodded and said indifferently, “These people are extremely sinful and they are of no use value. If they perform well, they will be left with a dog. If they do not perform well, just kill them.”

Orvel said immediately, “OK, Master!”

Stuart was even more frightened when he heard Charlie’s words.

He knew that he had no use value to Charlie now, because he had already recorded a video exposing the crimes of the Su family under Charlie’s persecution. Under this circumstance, it is really possible for Charlie to ask him for his life at any time.

At this time, Orvel took Charlie past the cage of Stuart and the others, pointed to an iron cage not far away, and said, "Master, Walter is in that cage."

Charlie looked in the direction of his fingers, and saw a single hospital bed in the iron cage, and several various medical devices beside.

Walter was lying on the hospital bed extremely weak, his whole body swollen for several laps.

Seeing Charlie coming, he was shocked and scared, and at the same time he hated Charlie.

After all, he is also the pride of the sky. Having suffered such a serious crime these days, the whole person is like falling into the 18th floor of hell, so naturally he is full of hatred for Charlie.

Charlie came to the iron cage, looked at Walter, who was pale and swollen, and asked with concern, "Mr. Walter, how are you feeling okay in the past two days? There is nothing wrong with my subordinates, right?"

Walter roared angrily: "Charlie, you are a total devil!"

Charlie asked curiously: "Oh? I'm the devil? I just want you to taste it. That's the method you used to deal with others. Why am I a devil?"

Walter gritted his teeth and roared: "You better let me out quickly! Otherwise, our Hogwitz family will not let you go! The Rothschilds will not let you go! They will definitely come to Aurous Hill to kill you!"

Charlie smiled slightly and said, "Your Hogwitz family is indeed amazing. I heard that in order to find you, a guy named Steve Hogwitz came here. Are you familiar with this person?"
