

The Charismatic Charlie Wade Chapter 2576

Chapter 2576

Meiqing said, "I just measured it and it was 39.2 degrees. I took the anti-fever medicine, but it didn't work."

When Jacob heard that it was more than thirty-nine degrees, he was even more distressed. He proactively bent down and pressed his forehead against Meiqing's forehead. After feeling for a moment, he blurted out: "Your forehead is really hot, or you Go and sit on the sofa first. I'll get you a wet towel."

Meiqing said embarrassedly, "That's really too much trouble for you, Jacob..."

Jacob said solemnly, "Are you still being so polite with me? Do you remember that when I was in college, I had a fever and couldn't go to class in the dormitory? You took the initiative to skip class and came over the wall to the boys' dormitory and took care of me for a day. "

When Meiqing heard this, her expression immediately became extremely ashamed.

She naturally remembered the past that Jacob said.

Because that time, it was far more than just Jacob's illness and fever.

At that time, the two were in love, but the college students at that time were relatively simple, so they only held hands occasionally, or gave a gentle hug on the riverside where no one was there.

Apart from this, there was basically no further development.

But that time when Jacob was seriously ill, Meiqing was really worried, so she sneaked into the boys' dormitory and took care of him in every possible way.

At that time, there were only two of them in the male dormitory. They were originally lovers in love, and suddenly they had such a good opportunity to be alone. Moreover, Meiqing took care of Jacob. Naturally, the two of them were in close contact with each other, so they came and went. Let the atmosphere heat up infinitely.

The two were alone for a few hours in that heart-pounding state. Jacob's body temperature gradually dropped, but the temperature of affection between the two continued to increase.

Jacob was also a passionate young man at the time, so he didn't hold it all at once, so he took advantage of that perfect opportunity to use his body that had just recovered from his illness to take away Meiqing's first time.

Of course, although Meiqing was half pushing and half pulling, but deep down is also completely voluntary.

Although Jacob has nothing to do, he is okay and loves to brag and do, but in his bones, he is actually a boring character.

Now suddenly mentioning the past in a serious manner, just deliberately trying to draw the atmosphere to it.

In his opinion, the best thing is to reproduce the atmosphere in the boys' dormitory back in this villa. That would be great for him.

really!

As soon as he said this, Meiqing's pale complexion suddenly turned ruddy!

After all, Meiqing is a woman. At this time, she was naturally ashamed and intolerable and recalling the past that year, the unforgettable scenes in the depths of her memory, unconsciously surfaced in her own mind.

However, she is embarrassed to give any positive response. After all, this kind of thing is indeed a bit too ambiguous.

Jacob was actually holding back a little bit of badness in his heart. He deliberately brought up the past, just to see Meiqing's embarrassment.

Because in his opinion, the more shy Meiqing is, the more proof that she still loves him deeply in her heart.

Seeing Meiqing not speaking, he hurriedly laughed and asked, “Meiqing, why are you not talking? Did you forget the period when you went to the dormitory to take care of me? Would you like me to help you carefully recall the memories?”

Meiqing was ashamed and anxious, and said hurriedly, “You...didn’t you say to wet the towel for me? Go quickly...”

Chapter 2577

“Oh oh oh!” Although Jacob felt a little disappointed in his heart, he still pretended to be suddenly enlightened, patted his head, and exclaimed, “Oh, look at my brain, patronizing the memory of the past, and forgetting the business upfront.”

After speaking, he hurriedly said again: “Miqing, you sit and wait for me first, I’ll get you a wet towel!”

Meiqing hurriedly said, “There is a bathroom on the first floor. Turn left in front.

“OK!”

Seeing Jacob turned around and went to the bathroom, Meiqing was finally relieved.

In fact, Jacob’s purpose was very clear to her.

To be honest, Jacob is not only her first man but also the man she loves most in her life, so she naturally has some illusions and expectations for Jacob in her heart.

However, after all, she is a woman who has received higher education and has been a decent woman all her life.

She knew that even though Jacob and Elaine had separated, their view of marriage still existed. Based on this, she felt that she could not make a principled error anyway.

Although Elaine shamelessly used her body to intervene in her and Jacob's feelings, she was unwilling to do the same thing.

Just as she sighed in her heart, Jacob had already walked over with a wet towel.

Jacob wiped her forehead with a wet towel, and said, "Miqing, I bought you some digestible dinners. After a while, I will help you go back to the room and lie down on the bed. Then I will feed you something. In addition, you have already taken the anti-fever medicine, I believe it will not take long for the fever to go away."

Meiqing nodded: "Thanks for your hard work, Jacob, to be honest, I'm really hungry. I haven't eaten much all day."

Jacob hurriedly said, "Hey, why didn't you tell me earlier? You should have told me as soon as you fell ill. In the end, you are fine. If I didn't ask you on WeChat, you won't tell me the truth!"

Meiqing said, "I don't want to bother you either. I thought I can survive it. I didn't expect it to get worse."

Jacob sighed and said with affection: "If you have something like this in the future, you must notify me as soon as possible. I will definitely come here as soon as possible, okay?!"

Meiqing nodded and said gratefully: "Okay...I see..."

Jacob was satisfied, and said, "By the way, Meiqing, where is your temperature meter? I'll take your temperature again to see if it has improved."

Meiqing nodded, pointed to a thermometer on the coffee table, and said, "Before you came, I wanted to take another test, but I really don't have any strength in my body. I can't shake the mercury thermometer, so, please. Give it a shake..."

Jacob hurriedly reached out and grabbed the thermometer in his hand. While shaking it, he said distressedly: "Hey, I really didn't know that Paul was on a business trip. Otherwise, I must have come to see you a long time ago. You are sick at home. What can I do if there are three long and two short..."

As he said, he handed the thermometer to Meiqing, and said, "Clip it quickly. Next time, I will buy an electronic thermometer to avoid inconvenience for you."

As soon as he finished his speech, he remembered something, and hurriedly changed his words: "Don't buy electronic ones. Electronic ones are not as accurate as mercury. If you can't shake it by yourself, ask me and I will help you."

Meiqing nodded.

She was naturally very pleased with the thoughtfulness of Jacob in her heart, especially when she was sick, she suddenly didn't know where the sense of dependence grew.

So she said with a bit of shyness: "Thank you, Jacob."

Chapter 2578

Jacob smiled and said, "You still have to say thank you to me? Didn't you take care of me like that back then?"

When Meiqing heard this, her face turned red.

She whispered helplessly: "It's all about old and rotten grain, so don't always talk about it..."

“That’s how it works!” Jacob said emotionally, “I won’t forget what happened that day, even if I die. I have wanted to tell you for so many years that I just didn’t have a chance. I finally took a chance. You didn’t let me. Say.....”

Meiqing also said helplessly: “I didn’t let you say...I am...I am...”

Speaking of this, she didn’t know how to continue on this topic, so she sighed and said, “Hey, I just think that if you run to me so late, Elaine will definitely be angry if she finds out. , Or you still go back quickly, lest Elaine will be unhappy.”

When Jacob heard her mention Elaine, he snorted coldly, and said, “Don’t mention that shrew in front of me. If it weren’t for her, how could we two become like now? Maybe we both Already married and have two or three children!”

Meiqing smiled helplessly and said seriously: “Some things are fate, and Elaine may not really be to blame...”

“Of course it’s her!” Jacob said annoyedly, “I hate her as long as I think of you these years!”

After that, Jacob waved his hand and said, “Okay, let’s not mention her anymore. It’s too disappointing to mention her!”

Meiqing said, “I guess if I rest in bed for a while, I should be able to recover slowly. If you have problems at home, you should go back sooner to avoid problems.”

Jacob did not expect that when he arrived at Meiqing’s house, she couldn’t wait to let him go home.

This made him a little bit hurt.

However, he quickly blamed all of this on Elaine, and thought to himself: “Meiqing wants me to go back. It’s definitely not that she doesn’t want to talk to me, but that she is afraid of Elaine bltch! Elaine stinky lady is really is haunting him everywhere!”

Thinking of this, he snorted angrily and said, “I won’t go! I won’t go anywhere until you recover! What about Elaine? I don’t bother to pay attention to her at all. In my mind, she still is not as important as the thermometer in your armpit!”

Meiqing didn't know how to return him at once.

At this time, Jacob checked the time and said hurriedly, "Five minutes, show me the thermometer."

Meiqing took out the thermometer carefully and handed it to Jacob.

Jacob glanced at it, then heaved a sigh of relief, and said, "It is 39 degrees right now. You measured it at 39.2 degrees, right?"

Meiqing nodded.

Jacob said happily, "It has dropped by 0.2 degrees. Although the decline is not large, at least it has begun to decline. I guess, if you lie down and eat something, take a good rest, you should be able to get better. , I will help you upstairs!"

Meiqing hurriedly said, "Or don't toss and lie on the bed and eat. I'll just have a bite here."

When Jacob heard this, he hurriedly waved his hand and said, "How can that work! Are you uncomfortable? Sitting here will only make you feel more uncomfortable the longer you sit. Come, I will take you to bed and put two pillows on your back. You will feel comfortable. As for eating, there is nothing to worry about, I will just feed you!"

Meiqing hesitated for a moment. Seeing Jacob's expression firm, she nodded and said, "Then...that will do it...you can help me to the elevator..."

Jacob was overjoyed and couldn't help but sighed secretly, "Haha, here's an opportunity!"

Chapter 2579

Seeing Meiqing promised to send her to the bedroom, Jacob was so excited that he bloomed.

Ever since Meiqing came back, he has been looking forward to having the opportunity to relive his old dream with her, and today is finally beginning to look forward to.

On weekdays, Meiqing is beautiful and dignified, and very independent. It is not easy to approach such a woman.

But Jacob knew in his heart that no matter how strong a woman's heart was, she would immediately become soft who needed a man's protection as long as she was sick for a lifetime.

At this time, no matter how powerful a woman is, she will remove her defenses.

Jacob graciously helped Meiqing into the elevator of the villa until he reached the third floor.

After Meiqing directed Jacob to send her into the bedroom, she lay on the bed with the help of Jacob.

Jacob graciously helped her put two pillows behind her so that she could comfortably lean against the soft head of the bed.

After Meiqing lay down, she said weakly to Jacob, "Jacob, I'm still very cold. Please help me cover the quilt."

Jacob said earnestly: “Meiqing, you have a high fever right now. It’s definitely not good to be wrapped in a blanket. It is not conducive to dissipating heat. Maybe your body temperature will get higher and higher.”

Meiqing nodded, and said helplessly: “But I really feel very cold now, from head to toe, the whole person has been swaying non-stop, please help me to cover the quilt...”

Jacob sighed and said, “Let’s do it, I’ll cover the quilt for you first to keep you warm, and then I’ll go to the bathroom to put a jar of warm water for you while keeping the water while feeding you something. You’ll take a bath in the bathtub in a while.”

Meiqing asked suspiciously, “Can I take a bath if I have a fever?”

“Of course.” Jacob said: “Fever is actually the most important thing to cool down. Taking a warm bath can quickly help you cool down your body temperature and relieve fatigue to a great extent! Trust me, I won’t harm you.”

What Jacob said is also the truth. Whether it is an adult or a child, taking a bath can effectively lower the body temperature in the case of fever, but it depends on the situation. If the body is too weak, it is naturally inappropriate.

Jacob asked Meiqing to take a bath, on the one hand, out of concern, on the other hand, he also thought that he could draw the distance between the two closer, and even make a final breakthrough.

After all, if a weak woman wants to take a bath, he must help her before and after. In that case, it is definitely the best time to launch a further offensive.

At this time, Meiqing didn’t think too much, she just felt that it was too uncomfortable. She was suffering from the bone-to-shoulder cold that can only be felt when she had a fever, and she was also suffering from various discomforts caused by the high fever. She was very painful. Seems to make some sense, so he nodded and said, “Thank you, Jacob...”

Jacob said diligently: “Oh, you are welcome, you wait, I will put the water for you first.”

After that, Jacob hurried to the bathroom, opened the mixing valve of the bathtub, and tested the water temperature, and found no problem. He quickly got out of the bathroom

and said to Meiqing on the bed: “Meiqing, I’ll feed you first. Eat something, it will make you resistant!”

Meiqing nodded weakly and said, “I have a fever, and I don’t seem to have any appetite or taste anymore. Or you can feed me two bites of millet porridge.”

“Okay!” Jacob hurriedly said: “Millet porridge is rich in carbohydrates. This kind of time can replenish energy, and the most important thing is that it also nourishes the stomach. It is most suitable for sick patients. You don’t know, to buy this bowl of millet. I ran to several restaurants.”

Meiqing said touchedly, “Jacob, I made you bother...”

“It should be!” Jacob quickly opened the lunch box containing the millet porridge and took out the soup spoon given by the restaurant. He first took a spoonful by himself, took a bite, and said, “Well, the temperature is right. Come, Meiqing, eat more while it’s hot!”

Chapter 2580

With that, he hurriedly took another spoonful and handed it to Meiqing’s mouth.

Although Meiqing didn’t have any appetite, she thought of having to replenish energy and nutrition when she was sick, so she forced herself to open her mouth and ate a spoonful of millet porridge.

What surprised her was that as soon as this millet porridge entered her abdomen, she felt an extraordinary flow of heat, flowing into the stomach along the esophagus, dissolving in the stomach, and then making her feel the whole body warm.

This warm current is very rare for Meiqing, who has been feeling cold all the time. She felt a lot more comfortable in an instant. She couldn't help but exclaim, "Jacob, this millet porridge is really comfortable to consume!"

Jacob smiled and said, "That is! I don't study all kinds of health knowledge at ordinary times. I already have experience! You used to stay in the United States often, and your lifestyle is probably Westernized. They know to take medicine, but they don't know to drink a bowl of millet porridge. This is the wisdom of our ancestors!"

As he said, he handed the soup spoon to Meiqing's mouth again, and said with a smile, "Meiqing, hurry up and eat two more bites!"

Meiqing nodded. The bite of millet porridge just now made her feel that her whole person's spirit has been restored to a certain extent, so she took another bite without hesitation.

It stands to reason that the effect of this rejuvenation pill is indeed very strong.

A rejuvenating pill can heal people who are dying on the spot, and it is simply a peerless remedy for healing and saving lives.

Therefore, to deal with Meiqing's fever and cold, it is simply an anti-aircraft gun hitting mosquitoes.

However, although the effect of this Pill was very strong, Charlie also deliberately controlled the dosage.

He just scraped off a little bit of powder from a rejuvenating pill and put it into the porridge. The amount of medicine was originally small. Then, when diluted by a bowl of porridge, the effect that can be really eaten with every bite is actually minimal.

But even so, having two mouthfuls of porridge made Meiqing more comfortable.

As a result, her physical and mental state became better and better before she knew it, and her appetite improved. After a while, she drank a bowl of porridge completely.

Seeing that Meiqing had eaten so much porridge, Jacob's complexion improved a lot. He sighed with great relief, "Meiqing, I think your complexion has improved a lot!"

Meiqing asked, "Really? I feel much better myself..."

Jacob laughed and said, "Don't tell me, this millet porridge is effective. As the old saying goes, whole grains are the most nutritious!"

As he said, he thought of the bathtub still filled with water in the bathroom, and hurriedly said, "Miqing, you just finished a bowl of porridge, so you can relax in bed first. I will check if the water is ready. Come and help you in the bath."

Meiqing nodded: "Okay, you go, thank you, Jacob!"

"What are you polite?" Jacob smiled and waved his hand, quickly put down the tableware, and stepped into the bathroom.

As soon as he entered the bathroom, he rubbed his hands in excitement.

I couldn't help feeling: "Oh! It seems that I and Meiqing have been separated for almost thirty years! Thirty years, today I can finally relive the old dream with her!"

Thinking, he strode to the bathtub. At this time, the bathtub was half full. He stretched out his hand to test the temperature of the water. Whether it was hot or cold was just right.

So, he hurriedly turned around and got out of the bathroom, and while walking out, he said happily, "Miqing, the water is ready, you go and soak...er...I...I Go ahead..."
