

I Want a Lifetime with You

Chapter 450

Fu Chengyan held Shi Nuan's hands tightly in his before turning around to ask Fu Jiayu, "When did you arrive?"

"I just arrived!" Fu Jiayu smiled faintly, feeling that Fu Chengyan had changed for the better since he and Shi Nuan got married.

He doesn't exude his typical chilling cold aura anymore or at least, he doesn't do it in Shi Nuan's presence. Come to think of it, Shi Nuan does have quite an impact on him. No other woman can motivate such a drastic change in him.

"Uncle!"

Upon hearing Fu Chengyan's voice, An abandoned Song Zhenyan immediately and ran towards his uncle. Fu Chengyan smiled and bent down to welcome An with open arms. "Uncle, Mommy says Aunt Nuan is pregnant! Am I going to be the baby's elder sister?"

"Yes. Does An like being an elder sister to the baby?"

"Yes! An loves it! Aunt Nuan, hurry up and give birth to the baby! An wants to be the baby's elder sister! I will take care of the baby!"

Everyone was amused by An's innocent speech; their eyes twinkled with adoration for the little girl.

Fu Chengyan turned his gaze from Cheng An to Shi Nuan with a grin on his face.

Time flew by, and soon, it was the start of February. As the movie White Nights would be premiering in Z Nation, the movie production team had appointed Xinhuang to advertise the movie locally.

Being Fu Chengyan's wife, it was an easy feat for Shi Nuan to lay her hands on the movie premiere tickets. But Fu Chengyan was feeling uneasy about it. He had a premonition that something was about to go horribly wrong.

"Mr. Fu, these are the movie premiere tickets. Xinhuang is only a subsidiary company of Shengyuan, so you have not attended their events all these years. But this time..."

"May wants to go!"

"Mrs. Fu wants to go?" The corners of Zhou Zheng's mouth twitched. "Is Mrs. Fu a fan of Shu Qing?" He asked, recalling that Fu Chengyan had asked him to investigate Shu Qing before. But isn't Mr. Fu overly concerned about his wife's idol? He has even asked me to check the minuscule details about her.

Fu Chengyan cast a cold glance at Zhou Zheng. "Can't May go?"

"Of course she can! But Mr. Fu, aren't you going with her?"

"Yes, I'm not going." The atmosphere will surely be tense if I turn up at the movie premiere. After a second thought, Fu Chengyan added, "Get a few bodyguards to protect May secretly. Do not allow any dangerous figures to be near her."

"Yes, Mr. Fu." Zhou Zheng nodded. "But if you aren't going, why do you ask for three tickets?"

Fu Chengyan cast a displeased glance at Zhou Zheng. "Why do you need to know so much? Why don't you be my boss instead?"

"I apologize, Mr. Fu! It's not my place to ask so much. I just remembered I have to attend to other matters, so please excuse me!" Zhou Zheng suddenly realized how dangerous it was to work for a capricious boss like Fu Chengyan. One will never know when one will step on his toes accidentally. I really envy Jiang Hu from the Prosperous Dynasty. Although he always complains about his lack of career development opportunities, God knows how much I wish to trade jobs with him!

Shi Nuan came out from the lounge groggily and asked, "When did I fall asleep? When did you carry me into the lounge?"

Fu Chengyan swallowed hard at the sight of the pouting Shi Nuan and waved his hands. "Come here!"

Shi Nuan hurried over to his side in anticipation. “What’s up?”

“These are for you!” Fu Chengyan handed three tickets to Shi Nuan, who exclaimed in surprise, “These are the White Nights movie premiere tickets! Even the press conference’s invitation cards are in here! Yan, you are the best!” Shi Nuan grinned widely, causing Fu Chengyan to be bedazzled by the sight of her beaming face.

“Why are there three tickets, though?” Shi Nuan asked suspiciously, “Has Mr. Zhou gotten an extra ticket?”

“No, I asked him for three tickets. You can ask your friends to accompany you to the movie premiere.”

“What about you?” Shi Nuan asked instinctively before nodding affirmatively a second later. “Yes, you are right. It’s not convenient for someone in your position to attend the movie premiere.” Shi Nuan waved the tickets in her hands excitedly. “Yan, I’m so happy!”

“That’s good.”

“Song Rongrong and Su Yian will surely be delighted too!”

After all, only staff, reporters, and sponsors were usually allowed to attend such press conferences and movie premieres. Fans like her had to wait outside the cinema if they hoped to catch a short glimpse of their idols. Not only had Fu Chengyan gotten the movie premiere tickets for her as a surprise, but he had also prepared the tickets for her friends.

Upon seeing how delighted Shi Nuan was, Fu Chengyan was overjoyed. “Whatever it takes to make you happy.”

“Yes, I’m thrilled!” Shi Nuan ran around the desk and hugged Fu Chengyan tightly before sitting on his lap. After planting a kiss on his cheek, she said, “Yan, you’re so nice to me! Let me reward you with a kiss!”

“Just a kiss?” Fu Chengyan raised his brow. “And only on my cheek?”

“What else do you want?” Shi Nuan glared at Fu Chengyan playfully and blushed furiously as the man pointed at his lips. Wrapping her arms around his neck, she kissed him on his lips shyly.

The movie premiere was scheduled to be at three o'clock in the afternoon. Shi Nuan had arranged with Song Rongrong and Su Yian to attend the movie premiere together. As Shu Qing was a Jiang City citizen, coupled with the fact that the movie was a Hollywood production, countless fans and reporters had turned up, waiting in anticipation for her arrival.

Shi Nuan and her friends were brought into the cinema through the side door. Before they entered the cinema, Shi Nuan swept her gaze over the countless fans of Shu Qing, who were crowding outside the cinema.

Song Rongrong grabbed Shi Nuan's hand excitedly. "Wow, all of them are here to see my idol! Nuan, my idol aged like fine wine. She's getting more beautiful by the years!"

Although Shi Nuan was also fond of Shu Qing, she was skeptical of Song Rongrong's exaggerated claim. "Are you sure she's that perfect?"

"Of course. My idol is great. Furthermore, she acts so well and is acknowledged as a good actress by the professionals in Hollywood. I really think my idol is much better than the pop idols. Don't you think so?"

Shi Nuan and Su Yian exchanged glances with each other, and the latter gave the former a resigned smile.

Song Rongrong put her hands on her hips in annoyance. "What do you mean by that smile? I'm speaking the truth!"

"Fine, fine. You're right."

"But frankly speaking, my brother-in-law is indeed formidable!" Song Rongrong had nothing but praises for Fu Chengyan, ever since he had gotten the movie premiere tickets for them. In fact, the woman even offered to do anything for him to repay his kindness!

Shi Nuan could not help but burst into laughter. "Yan will get big-headed if he hears that. Don't ever let him hear you say such a thing!"

"Why not? I think my brother-in-law has every right to be proud of himself!"

Shi Nuan was dumbfounded, and she quickly decided to change the subject. "Aren't you here to see Shu Qing?"

“Oh yes! My idol!” With that, Song Rongrong pulled Shi Nuan and Su Yian’s hands to enter the cinema.

The organizers had spent a lot of efforts to drum up publicity for the movie. After all, Shu Qing was a prominent figure in the entertainment industry, and the organizers depended on her fame to prop up the box office.

The organizers acted according to Fu Chengyan’s instructions, putting tight security arrangements in place to protect Shi Nuan. In fact, the woman had more security guards following her than Shu Qing!

But Shi Nuan and her friends did not know about the special security arrangements and had assumed that all guests invited to the movie premiere had the same privileges.

As the movie premiere had not started yet, Shi Nuan and her friends were shown to a private room first.

In the room, Song Rongrong drew the curtains and studied the countless fans surrounding the cinema. She could not help but wonder out loud, “Does my idol have so many fans in the country?”

Su Yian was also shocked by the impressive turnout. “Isn’t your idol already fifty years old?”

“She’s only in her forties!” Song Rongrong corrected her. “She’s only over forty years old. But she’s very good at maintaining her beauty and looks like she’s only in her thirties. In fact, I would say that her complexion is even better than mine!”

Shi Nuan and Su Yian could not help but shake their heads simultaneously at their friend’s exaggerated claim.

Almost half an hour later, they heard a commotion coming from the ground floor. Song Rongrong rushed to the window immediately. “My idol has arrived! Nuan, Yian, my idol has arrived! Come over to take a look! She’s gorgeous!”

“Are you sure you can tell that she is gorgeous from such a far distance?” Shi Nuan was amazed to see how excited Song Rongrong was.

“Yes!” Song Rongrong scoffed and tugged at Shi Nuan’s sleeve. “What should I do, Nuan? I’m so nervous now! My legs are almost turning into jelly!”

“Get a hold of yourself! You will be able to see her up close later and will surely faint if you continue to be in such an excitable state!”

“That’s quite true.” Song Rongrong nodded solemnly.

Shi Nuan slapped the back of Song Rongrong’s head gently. “Let’s go outside to take a look. I think the movie premiere is about to start.”

Meanwhile, Shu Qing, decked in a beautiful gown, alighted from the car under the escort of several bodyguards. It was apparent that her popularity did not lose out to that of those trending young idols.

Judging by her elegant beauty and perfect figure, it was hard to believe that the woman was almost fifty years old. Her appearance caused wild shouts of enthusiasm among her fans. “Shu Qing! My goddess!”
