

## Chapter 331 Bumping into Ouyang Yanran

The rest of the members of Bei Tian Society were so shocked that their eyes nearly popped out of their heads.

All of them were Gu Ze's subordinates and they had followed him for many years. They considered themselves as the people who understood Gu Ze best, maybe even better than Gu Hanxing did. They knew how scary Gu Ze's skills were, and he was a rather well-known fighter in the Heavenly Realm. Many would tremble in fear at the mention of his name.

In the end, such a formidable fighter in the Heavenly Realm could not even handle a punch from the woman in front of them. The point was, their punches just met halfway in the air and her punch had yet to land on his body. How terrifying were the skills of the woman!

At that moment, they had even started to suspect that she was some sort of supernatural being instead of a human.

As a matter of fact, women were born naturally with a disadvantage compared to men in the field of martial arts. Therefore, the process to reach the Heavenly Realm would be much more difficult for women.

Now, not only had the woman achieved the Heavenly Realm, her skills were much better than Gu Ze. Most importantly, she looked like she was just over twenty years old. Even if she had started her cultivation from the moment she was just a fetus, it was unlikely she could even achieve such

## Chapter 331 Bumping into Ouyang Yanran

a level.

“Y-Y-You...” Gu Ze no longer appeared domineering and confident. Right now, shockness and fear were all that were left in his eyes. “Are you a human or a ghost?”

His self-confidence and arrogance had totally shattered under Qing Shu’s punch. What was more, he could sense that she had not even exerted all her available strength and just barely exerted half of her skills!

How scary was that!

His mind was blown as the woman looked very young. He knew there were many good fighters in this world and there was always going to be someone better than him. However, he had never come across or heard about a lady having such formidable skills at such a young age.

At first, he thought Lin Wenjing was unusual enough. Now, it seemed like the woman in red standing in front of him was even more unusual than Lin Wenjing by a hundred times!

He could not understand how people like them came into existence in this world.

Of course, Qing Shu would not answer this question of his. Instead, she spoke nonchalantly, “Remember what I’ve said. Don’t mess with the people around Lin Wenjing. Otherwise, I will do more than just injuring you on my next visit.”

## Chapter 331 Bumping into Ouyang Yanran

After she finished saying that, she turned around and left Bei Tian Society carefreely as no one dared to stop her.

Drawing in a deep breath, Gu Ze tried to appease the chaotic energy in his body. As Qing Shu's punch earlier had not hurt his bones or muscles, he was able to recover very soon.

However, he knew the woman could easily hurt him with her skills if she wanted to. What was more, she could kill him at any minute.

When his subordinates who stood behind him saw that his face was darkened and he remained silent, they didn't dare to make a noise out of fear that he would be irritated.

Gu Ze's mind ran fast as he tried to recall the identity of the woman. Had he ever come across someone with such formidable skills at such a young age and was related to Lin Wenjing?

After mulling over it for a long time, he failed to come up with anything. Among all his acquaintances, he had never even heard about such a person. That was to say, the force behind the woman must be very powerful and she was not one who he could afford to offend.

Usually, the poor would go for knowledge in books, and the rich would go for martial arts. None of the highly-skilled fighters were poor as they were only able to achieve their status with the help of immense fortune. Judging from the formidable skills of the woman, he was sure she was

## Chapter 331 Bumping into Ouyang Yanran

extremely wealthy and powerful, and even more so than the Bei Tian Society!

Indeed, the world was not as simple as he thought, and there were hidden talents everywhere.

Right now, the point which baffled him the most was the relationship between the woman and Lin Wenjing.

Were they friends or relatives?

After thinking about it, he reckoned they were most probably just friends and were not very close to each other. Perhaps the woman had owed Lin Wenjing a favor under certain circumstances, and because of that, she was protecting his family.

Or could it be that Lin Wenjing and the woman came from the same organization?

That did not seem likely. If they were from the same organization, Lin Wenjing would have already attained the Heavenly Realm long ago. He would not have to remain as the son-in-law who married into the Chu family for so long.

Regardless, he was adamant in seeking his revenge. He was no longer himself if he gave that up!

Since the woman in red had given him a warning, it meant that she would stay in close proximity to Lin Wenjing's wife to protect her for the time being. Right now, it was not a good time for him to do anything.

## Chapter 331 Bumping into Ouyang Yanran

The best way to go was to seek his revenge directly on Lin Wenjing. After killing him, he could still deal with the people around him.

“Miss Qing, you’re getting more and more powerful. Even Gu Ze could not handle a punch from you,” commented Master Grim with great admiration and reverence.

The first time he met Qing Shu, she was still a little girl. As the years passed, Qing Shu had grown into a gorgeous lady with unpredictably strong skills.

Qing Shu said calmly, “Gu Ze is a great opponent, and I’m sure Wenjing would learn a lot by fighting with him.”

Slightly worried, Master Grim added, “After all, Gu Ze is an experienced fighter in the Heavenly Realm, and from what I’ve heard, he has already achieved the mid-tier. Meanwhile, the young master has just made the breakthrough to the Heavenly Realm. Would he be defeated by Gu Ze?”

“You don’t have to worry about that. That is the kind of stress that Wenjing needs in order to unleash the potential in him,” said Qing Shu.

In the blink of an eye, several days had passed. Over the past few days, Lin Wenjing had stayed close to Chu Ling in case Gu Ze came and messed with Chu Ling and did something unscrupulous. If Gu Ze did the work himself, the bodyguards would have no means to stop him. They would not even have time to give Lin Wenjing a call.

## Chapter 331 Bumping into Ouyang Yanran

Fortunately, Gu Ze did not appear over the past few days and this made him relax substantially. He reckoned Gu Ze would not come and look for their trouble anymore.

In fact, it did come across his mind that Miss Qing might have already visited Gu Ze and warned him against messing with them. Perhaps he did not mess with them out of fear.

After pondering it over, he thought it was likely.

At the same time, the Ouyang family had continued to invite him over for dinner or some sorts of gathering these few days, but Lin Wenjing had rejected them all. Now that he knew what the Ouyang family was trying to do, there was no way he would have the guts to visit them.

However, life was full of coincidences. The harder you tried to avoid someone, the easier you would bump into that person.

Ling Wenjing bumped into Ouyang Yanran on his way back from sending Chu Ling to work today.

Ouyang Yanran was evidently stunned when she caught sight of him. Her face immediately fell and became resentful before she turned around and left.

Lin Wenjing shrugged. He never had a favorable opinion of her in the first place. To be honest, he had faced enough problems because of women and he could no longer handle another blow from Ouyang Yanran as it would only add to his existing

## Chapter 331 Bumping into Ouyang Yanran

troubles.

Hence, he too directly left.

Before he had even taken two steps, he suddenly heard dogs barking along with Ouyang Yanran's panicked voice and screams. "Ouch!"

Immediately, Lin Wenjing turned around and looked in her direction. Some stray dogs were running out from an alley and barking at Ouyang Yanran. Obviously, she was very afraid of dogs and she took a few steps back in fear. In the fit of panic, she had sprained her ankle and fell to the ground.

The eyes of the stray dogs were bloodred as they drooled all over their mouths. They were a menacing sight, and they were about to pounce on Ouyang Yanran.

A furrow formed in between Lin Wenjing's eyebrows as he witnessed the scene. If anything bad happened to her in his presence, he would have a hard time explaining the event to the Ouyang family even though Ouyang Yanran was not related to him in any way.

Moreover, it would be a waste if scars were left on the body of such a beautiful lady like her.

He immediately dashed toward her and drove the stray dogs away by giving them a few kicks.

"Are you alright?" Lin Wenjing turned around and asked Ouyang Yanran.

### Chapter 331 Bumping into Ouyang Yanran

Coincidentally, she was wearing a dress today and she was sitting on the ground. From the angle where he stood, he caught sight of a scene which he was not supposed to see.

In an instant, he felt he was about to have a nosebleed.

## Chapter 332 Don't Worry, I've Seen Nothing

Lin Wenjing was stunned because of the coincidence.

It never occurred to him that a woman as aloof as Ouyang Yanran would wear undergarments with cartoons on it.

This went so much against her image.

Noticing the direction in which he was looking, Ouyang Yanran's face turned red at once. Angry and frustrated, she immediately crossed her legs and threw a piece of rock which she had picked up from the ground at Lin Wenjing's face as she cursed, "What a gangster you are! Shut your sinful eyes now!"

Still in a daze, Lin Wenjing had not managed to avoid the rock despite being a highly-skilled fighter in the Heavenly Realm. With a thump, the rock hit his forehead.

Only then did he come to his senses. He quickly shut his eyes and turned away to avoid the impropriety.

However, he could not brush off the image in his mind no matter how hard he tried as it was too mind-blowing. He never expected that Ouyang Yanran would be one to wear such cute undergarments.

"*Cough! Cough!*" He quickly coughed twice and reassured her solemnly, "Don't worry, I didn't see anything."

## Chapter 332 Don't Worry, I've Seen Nothing

When she heard him, her face went scarlet immediately and she wanted so badly to kill him right then and there!

A lump came into her throat as she felt distressed and ashamed. Throughout her life, she had never been taken advantage of by someone else in this way. Even her boyfriend of three years had only held her hands. Other than that, they had never had any other intimate interactions, and he had never even seen her in her underwear before.

Now, Lin Wenjing had caught sight of that and it was simply too embarrassing for her. She desperately wanted the ground to open and swallow her up.

She tried to get up but it was too painful as she had sprained her ankle in the fit of panic earlier. In just a few minutes, her leg had already become swollen and she would feel extreme pain whenever she moved.

She was making great effort to stand up, and as soon as she shifted her weight onto her right leg, an excruciating pain spread to her whole body. With a yell, she fell to the ground once more. Her bottom, which had already hurt a great deal from the previous fall, felt so painful that she was on the verge of breaking into tears.

All the while, she had always been a tough lady with an aloof character. She treated everyone with indifference and was rather sensitive about her reputation, and she had never experienced such an embarrassing situation in her life before today.

Chapter 332 Don't Worry, I've Seen Nothing

She could picture how haggard and flustered she must look right now.

As Lin Wenjing heard the thump of her fall again, he could not help but ask, "Hey, are you alright? Do you need my help to get up?"

Ouyang Yanran was annoyed when she heard him. She rebuked irritably and bashfully, "I don't need your help! Go away!"

*Fine. She is being ungrateful and repaying my kindness with vice.*

After all, Lin Wenjing had already done everything that he could. Since she wanted him to leave, he felt it pointless to stay.

At the sight of him getting ready to leave, Ouyang Yanran was enraged and gritted her teeth. She cursed him deep down inside for countless times, *How ungentlemanly! He should not consider himself a man at all!*

Her boyfriend was the best as he treated her very gently.

After Lin Wenjing had walked some distance away, the stray dogs which were driven back into the alley returned to Ouyang Yanran once again. The dogs were staring at her with their eyes filled with viciousness, looking extremely scary.

Again, her face went blanched. She was especially afraid of dogs ever since she was little. Now, she was quivering with fear.

## Chapter 332 Don't Worry, I've Seen Nothing

She quickly picked up some stones from the ground and tossed them at the dogs as she shouted, "Go away! Go away!"

However, this very action of hers irritated the stray dogs even more as they started to pounce on her.

This time around, she got even more panicked as she screamed. Her body was trembling vigorously.

Lin Wenjing who stood not far away caught sight of the stir. With resignation, he shook his head and heaved out a sigh. He considered himself as having a bad day because he had encountered such an incident. If he had known, he would not have taken this route so that he could avoid bumping into her.

However, as Ouyang Yanran was facing a difficult situation, he simply could not leave her alone and was forced to go back and help her.

His figure went blurry before vanishing into thin air on the spot and he appeared in front of Ouyang Yanran the next second. With a snort, he exuded a domineering air at once. The stray dogs were startled by his presence and they quickly scrambled off after letting out a hoot.

Of course they would scramble because he was giving off a very terrifying aura now. Not to mention scaring away some stray dogs, even tigers and lions would quickly run off at the sight of him. Otherwise, they would end up dying.

At the sight of the stray dogs running off, Ouyang

## Chapter 332 Don't Worry, I've Seen Nothing

Yanran was evidently stupefied. She only loosened up after a while as she panted heavily. She was deeply shaken by the scenario earlier as she felt like she had briefly visited hell and had just returned to the world.

At the sight of her pale face, Lin Wenjing was puzzled as to the reason why she would be startled to such an extent by just a few stray dogs.

He said crossly, "I think you should call your family to have them send over some bodyguards to take you back home."

Ouyang Yanran came back to her senses. The way she looked at Lin Wenjing became complicated as there were some traces of gratitude in her eyes. No matter how unreasonable and obstinate she was, she was aware that he had saved her twice.

"Could you please help me get up first?" she asked through gritted teeth very awkwardly.

She held her head low as she did not even dare to look him in the eyes.

She requested it not because she had a crush on him. Instead, it was because she really could not stand up on her own and she had to rely on his strength. Also, it was a bit too late for her to give a call to her bodyguards. Moreover, she had fallen on the road where passers-by were walking past them time and again. The more people that saw her, the more embarrassing it was. So, she could only ask for his help.

## Chapter 332 Don't Worry, I've Seen Nothing

At the sight of her face, Lin Wenjing chuckled as he teased her. "Didn't you ask me to go away just now? Why are you asking me for help now?"

"Hey!" Ouyang Yanran was livid upon hearing his words. She had always been the dream girl of many. All the guys around her tried their best to flatter her and please her, and they would not irritate her under any circumstances. As for Lin Wenjing, he was actually daring enough to make fun of her despite not being very good-looking!

"In that case, go away now!" reproached Ouyang Yanran angrily.

"Sure. You said it. I'm leaving and you're welcomed to wait as long as you like. But I would like to remind you that there are plenty of ants and centipedes here which might crawl onto your body soon." Lin Wenjing deliberately frightened her as he felt obligated to curb her temper and unruliness.

As expected, Ouyang Yanran's face immediately went pale in fear after listening to his words. Quivering, she immediately shouted, "Stop! Don't go!"

He ignored her on purpose as he waited for her to turn around.

As expected, she did turn around and pleaded, "Please don't go...sob..."

The moment she turned around, she was greeted by the sight of Lin Wenjing bending at his waist

## Chapter 332 Don't Worry, I've Seen Nothing

and staring at her with a half-smile on his face. She immediately became exasperated as she realized he was just pulling her legs.

That was simply unforgivable! Throughout her life, all the guys around her busied themselves trying hard to please her. None of them was daring enough to tease her!

Lin Wenjing was unpardonable!

He definitely could not call himself a man!

## Chapter 333 Dirty Rogue

As astute a man as Lin Wenjing, he already knew what Ouyang Yanran was thinking by just taking one look at her face. In between laughter, he asked, "What's going on, Miss Ouyang?"

She was feeling distressed as a lump was growing in her throat. He was still making fun of her despite the fact that she was already in such a miserable state. She had no idea why her father and her grandfather would allow her to marry such a man!

"Hey!" Ouyang Yanran failed to suppress her emotions. Her eyes became red-rimmed and she broke into tears.

He was dumbfounded at once. He was merely making fun of her and had harbored no other intentions. Why was she crying? How weak was that?

However, he was a man who could not withstand the sight of a woman crying. He immediately said, "Okay, okay. I will help you get up. Why are you even crying? I was just joking. Couldn't you tell?"

Upon listening to his words, Ouyang Yanran felt even more wronged and angry. She had never been irritated in this way before. At that moment, she smacked Lin Wenjing's extended hands away and reproached furiously, "Go away! I don't need your help. You are so annoying, you're a Pigsy!"

Lin Wenjing was left speechless. Several passersby who walked past them looked in their direction as they noticed the commotion. They

## Chapter 333 Dirty Rogue

were pointing their fingers at him and busy commenting as they were under the impression that Lin Wenjing was bullying Ouyang Yanran. Scratching his head, he quickly offered, "I was just joking. Well, the ground is dirty and there are really some ants coming your way now. You wouldn't be happy when they start crawling all over you."

"You dirty rogue!" cursed Ouyang Yanran.

Lin Wenjing looked perplexed as he had no idea why he had suddenly become a rogue. Wasn't he helping her out of kindness? Soon, he figured out what she meant. It turned out she had misunderstood and thought he was saying that the ants would crawl onto her bottom. He was really wrongly blamed for that and he did not mean to take liberties with her at all.

However, after thinking her words through, he realized there was nothing wrong with what she said. As she was sitting on the ground in her dress, if the ants were indeed crawling onto her, they could be deemed as molesting her.

"*Cough! Cough!*" Lin Wenjing quickly coughed drily twice and clarified, "You've misunderstood me. I didn't mean it that way. Well, please stand up now. Someone is watching you and I wouldn't want them to think that I was bullying you."

Ouyang Yanran had forgotten all about manners as she glared at him and cursed, "There's no misunderstanding. You've indeed bullied me! When I go back home, I am going to tell my grandfather all about how you've bullied me and

## Chapter 333 Dirty Rogue

molested me!”

At that juncture, Lin Wenjing was bewildered. What was going on? When had he even molested her?

“Hey, could you please be reasonable? When have I molested you? I’ve never even touched you from the beginning until now,” retorted Lin Wenjing crossly.

“I don’t care. Anyway, you’ve indeed molested me!”

He was annoyed. Ouyang Yanran was simply being too irrational and unreasonable. Although he had helped her, he was accused by her in return. “Fine. In that case, just stay on the ground as long as you wish. I’m not going to help you anymore.”

She felt slightly fearful when she saw that he was really going to leave. But being a stubborn person, she gritted her teeth and refused to implore him for help anymore.

Suddenly, she felt her skin itch as some ants were crawling onto her. She shrieked in fear and instinctively tugged at Lin Wenjing’s shirt as she lunged toward him. “*Argh!!!!*The ants!!”

As Lin Wenjing was about to leave, he nearly lost his balance when his shirt was pulled by her. Luckily, he had quick reflexes and he managed to stabilize himself in an instant to avoid throwing himself upon her body. Otherwise, he would never be able to clear his name in the future!

Pulling the corner of his shirt, Ouyang Yanran tried

## Chapter 333 Dirty Rogue

to stand up but the sprain on her right ankle was simply too severe. She felt an intense pain shoot up her body as soon as she exerted a slight force on her leg. She was about to fall to the ground again but Lin Wenjing managed to get hold of her waist in time and pulled her into his arms.

The next second, the beautiful woman fell into his embrace. Lin Wenjing could detect the subtle scent exclusive to young ladies from her body. What was more, as both of them were wearing thin clothing, and because their bodies were pressing tightly against each other, Lin Wenjing could feel Ouyang Yanran's attractive body. His heart started racing fast.

As Ouyang Yanran was a clean freak, she was extremely afraid of insects, rats and snakes. Coupled with the fact that her right leg was injured, she kept herself close to Lin Wenjing without any distance in between them.

She quickly patted her bottom to get rid of the ants as she was deeply disgusted by them.

However, as she started to wiggle, it got harder and harder for Lin Wenjing to hold onto her.

"Hey, can you please stop hugging me so tightly? My neck is going to be broken by your arms!" he demanded sharply. He was greatly vexed as he would have a hard time clearing his name if he was seen hugging Ouyang Yanran so intimately even though it was on her own accord.

When Ouyang Yanran heard him, she finally came

## Chapter 333 Dirty Rogue

to her senses. She lost her cool and let out a squeal before shoving Lin Wenjing away.

However, she totally forgot that she was injured. By giving him a push, she was also pushing herself away from him at the same time. She hurt her injured leg again and was about to fall to the ground.

At the sight of her clumsiness, Lin Wenjing was speechless. *She really is not too smart with her actions, is she?* Being at his wit's end, he was forced to wrap his arms around her waist to stop her from falling.

"Can you please stop causing me more trouble?" said Lin Wenjing with a darkened face as he had no idea how to deal with her.

Ouyang Yanran knew that she was at fault too. She was in Lin Wenjing's embrace now, and they were very close to each other as she could feel his breath on her. This made her blush and she started having butterflies in her stomach. To be honest, although she and her boyfriend had been in a relationship for years, they had never had such intimate interactions before. Moreover, Lin Wenjing had an attractive body and his arms were strong and firm.

Slightly embarrassed, she countered, "Why're you being so fierce to me? I didn't do it on purpose."

To be frank, Ouyang Yanran was quite a beautiful lady. Although she was only twenty years old, she already looked graceful and attractive. If she had a

## Chapter 333 Dirty Rogue

nicer personality, she would be a rather alluring woman.

Lin Wenjing rolled his eyes and was about to make a retort when a raging howl was heard from somewhere not far away from them. "Hey! What are you doing? How dare you molest my girlfriend? I'm going to kill you!"

A young man with a beautiful face who was dressed in a trendy attire appeared. He was wearing a thick fringe and he looked like one of those pop stars from Korea, and he was holding a bouquet of flowers in his hands. When he caught sight of Ouyang Yanran in Lin Wenjing's embrace, his eyes turned red immediately and they brimmed with fury. Nastily, he tossed the flowers aside and charged toward them in large strides.

He looked intimidating and menacing. Judging from the way he ran, Lin Wenjing could see that he was skilled in martial arts. The way he punched was also fast and forceful. He was surprised to realize that he was a fighter in the Professional Realm and he was not just some nobody.

A layman would never be able to avoid his punch and would definitely get injured once he got hit.

Yet, it was as easy as falling off a log for Lin Wenjing. Effortlessly, he dodged his attack and successfully avoided the punch.

However, the man refused to give up and immediately followed up with a forceful kick. The way he kicked was exceptionally vicious as he had

## Chapter 333 Dirty Rogue

aimed it straight at Lin Wenjing's head. It seemed like he was going after his life.

In an instant, Lin Wenjing's eyes turned cold.

At that moment, Ouyang Yanran came to her senses as she shouted at the top of her lungs, "Binbai, stop that right now!"

Enraged, Lai Binbai did not stop his actions but aimed his kick at Lin Wenjing's head again. There was no way Lin Wenjing would allow him to hurt him. He casually kicked to preempt him, and it landed on Lai Binbai's left leg which caused him to lose his balance. He let out a shriek as he fell to the ground with a thump.

## Chapter 334 Resentment

This time, Lai Binbai suffered a great fall which made his butt hurt so much that his expression was distorted.

Following that, his hatred toward Lin Wenjing grew even more intense. With much difficulty, he got to his feet and said in a wicked tone, "I see you're also a martial arts practitioner. How dare you molest my girl? You must have a death wish!"

As he started flexing his muscles, cracking sounds could be heard from all over his body. Coupled with his face which was imbued with coldness and fury, he looked rather terrifying.

Lin Wenjing frowned slightly as he was annoyed. Just now, he did not treat him too harshly for the sake of Ouyang Yanran. Now, that scoundrel was being unappreciative and continued to challenge him.

After all, Lin Wenjing was a somewhat renowned figure. For him to get physical with a nobody who was merely in the Professional Realm would tarnish his reputation.

Quickly, Ouyang Yanran added, "Lai Binbai, what nonsense are you saying? Stop what you're doing right now! He's my friend. If it wasn't for him, I would have been bitten by the stray dogs."

When Lai Binbai heard her, he could only stop his actions and asked with concern, "What? There were stray dogs? Are you alright now?"

As he was talking, he stretched out his hand,

## Chapter 334 Resentment

wishing to bring her over to his side. However, at that moment, Ouyang Yanran did something which surprised both Lai Binbai and Lin Wenjing. She actually withdrew her hands and did not take Lai Binbai outstretched hands. She shook her head and said, "I'm fine. The stray dogs are gone now."

Lai Binbai's face fell at once and the corner of his mouth twitched vigorously. Clearly, Ouyang Yanran's action had humiliated him as he was her official boyfriend after all. Back then, he had spent a great deal of effort and money in order to pursue her love. Finally, they got into a relationship but she had only allowed him to hold her hands after years of being together. Other than that, they never had any other intimate interactions, not even a smooch on the mouth!

Now, Ouyang Yanran, who had always been reserved and coy, was being so intimate with another guy. Half of her body was actually pressing against the man's body! When he tried to hold her, he actually got rejected by her. It was truly humiliating!

Ouyang Yanran also realized that her earlier action had hurt Lai Binbai. Yet, she was flummoxed as to the reason why she would react in that way.

Come to think of it, Lin Wenjing's demeanor was indirectly attractive to women as it had made Ouyang Yanran put down her guard without her even realizing it. On top of that, she had even developed a sense of security which she had yet to discover.

## Chapter 334 Resentment

“Binbai, please don’t get the wrong idea. There’s nothing going on between us. I sprained my ankle just now, and he was helping me to get up,” explained Ouyang Yanran. As she was naturally aloof, her explanation did not sound very sincere. It even sounded a bit nonchalant.

Even when she had finished explaining, she still had not detached herself from Lin Wenjing’s body. Judging from these circumstances, how could Lai Binbai believe what she said? How could he not be angry?

However, he only gritted his teeth and did not vent out his dissatisfaction. Nodding his head, he put on a strained smile before saying, “Oh, I see. In fact, you don’t have to explain anything. How would I not trust you?”

Ouyang Yanran frowned slightly as she was displeased by Lai Binbai’s attitude. He obviously did not trust her!

As Lin Wenjing was a busy man, he did not feel like getting himself involved in their argument. Without further delay, he made sure Ouyang Yanran could stand stably before letting her go and said, “Ouyang Yanran, since your boyfriend is here, I shall not disturb you two further. I am leaving now.”

Ouyang Yanran nodded and intended to express her gratitude. However, Lin Wenjing didn’t even give her the chance to do so and just turned around and left. She was miffed.

## Chapter 334 Resentment

“Who was that guy? Why haven’t I seen him before?” Lai Binbai walked over to hold Ouyang Yanran and commented with discontent and jealousy.

“His name is Lin Wenjing and he is one my grandfather’s friend,” she explained indifferently with a slight frown on her face. She was unhappy with his attitude as he clearly did not trust her.

Lai Binbai immediately voiced his doubts. “Your grandfather’s friend? That’s unlikely. That man has not even hit thirty years old.”

The frown in between her brows grew deeper as she retorted with annoyance, “Lai Binbai, what are you trying to say? Are you saying that I’m lying? I’ve already explained that there is nothing going on between us and our relationship is not what you think it is!”

Lai Binbai got bitter too in response to her attitude. With a loud snort, he continued, “Ha. It’s not what I think? Please do elaborate what I’ve anticipated it to be. Ouyang Yanran, we’ve been together for three years and the most you’ve allowed me to do is hold your hands. Other than that, we have no other intimate interactions. But just now, you and that guy were hugging each other and your breasts were pressing against his...”

*Smack!*

Ouyang Yanran landed a slap on Lai Binbai’s face as she chastised, “Lai Binbai, you’re such a

## Chapter 334 Resentment

disappointment! We've been together for three years, but it seems like you don't even know me! You even decided not to trust me anymore just because of what happened earlier.”

Lai Binbai's face grew even gloomier after getting slapped by her. The corners of his mouth kept on twitching.

He was already holding a grudge against Ouyang Yanran to begin with as she did not allow him to get too close to her even after being together for so many years. Now, it was her who had betrayed him and got intimate with some other guy, but she was also the one making the complaint against him and even gave him a slap.

After all, he was the campus hunk of his university and there were at least over a hundred women who were interested in him. He could just give out a signal and many of the women would lie down in bed and beg him to spend a night with them!

Ouyang Yanran was slightly taken aback by the expression on Lai Binbai's face. She immediately distanced herself from him and said with caution, “Lai Binbai, what are you trying to do? I am warning you not to do anything improper!”

Lai Binbai was livid deep down inside. He would not hesitate to slap her and break up with her if she was just some other women. However, she was Ouyang Yanran, the beloved daughter of the Ouyang family. As she was powerful, rich, and a very beautiful girl, he could not bear to break up with her. Hence, he could only hold back his anger

## Chapter 334 Resentment

although his blood was boiling. He planned to seek his revenge on her in bed when they got married in the future.

Therefore, he drew in a deep breath and displayed an apologetic smile. On top of that, he gave himself a slap before offering his apology sincerely, "Yanran, I'm so sorry. It's all my fault. I just care too much about you. When I saw you together with another man, my heart felt a prickling pain and I misunderstood you because of that. I hope that you will forgive me."

Ouyang Yanran's heart immediately softened. After all, they had been in a relationship for quite some time and she had feelings for him. Her tone lightened substantially as she said, "Fine. I was acting rashly just now and I'm very sorry for slapping you. However, there is nothing going on between me and Lin Wenjing. You shouldn't be worried about that."

A smile formed on Lai Binbai's face as he nodded in agreement. "I believe you. Let's not fight anymore in the future, alright?"

"Okay."

Gently, Lai Binbai said, "Your leg is injured. Let me send you to the hospital for treatment."

Ouyang Yanran nodded in agreement as she had calmed down a great deal. As Lai Binbai still trusted her, it meant that their relationship was still stable and capable of withstanding challenges.

## Chapter 334 Resentment

Yet, she did not notice the intense maliciousness and rage which flashed through Lai Binbai's eyes when his head was lowered.

## Chapter 335 Lai Binbai Was Not a Decent Man

Over the next few days, Gu Ze still did not come after Lin Wenjing and the entire Bei Tian Society was still and quiet. It was as though Gu Ze had forgotten all about him.

The whole incident had brought even more fame to Lin Wenjing. Many started paying attention to him as they were looking forward to seeing how Gu Ze would mess with Lin Wenjing. However, after more than a week's time had passed, Gu Ze was still biding his time. This did not look like his usual style of handling things at all. Did this mean that Gu Ze was afraid of taking revenge on Lin Wenjing?

This was the hottest topic lately in the martial arts circle as many were talking about it.

Lin Wenjing did not let down his guard as he knew Gu Ze would never let him go just like that. There was only one reason why he was not taking any actions up until now—he was recuperating and building up energy in order to give Lin Wenjing a fatal blow.

Being vigilant all the time, he had also instructed his staff to act more defensive in their business strategy so that Gu Ze would not have any chances to attack them.

On the other hand, the Ouyang family was giving him a headache. Ouyang Xuehai had invited him over for dinner again so that they could discuss business. However, Lin Wenjing knew that his main objective was to play matchmaker for him and Ouyang Yanran. How would he even have the

## Chapter 335 Lai Binbai Was Not a Decent Man

guts to visit them? He felt especially awkward after what had happened that day.

He was almost thirty while Ouyang Yanran was just a twenty-year-old university student. Other than the fact that he could already pass as her uncle, he was also married. On top of that, he had accidentally caught sight of her underwear and had intimate interactions with her that day.

However, he didn't manage to avoid Ouyang Xuehai just because he tried to. After turning down his invitation several times, Ouyang Xuehai decided to pay him a visit directly.

One day, when he was walking out of Purple Jade Building, Ouyang Xuehai stopped him out of nowhere and said with feign dissatisfaction, "Wenjing, you really are a busy man and your whereabouts are really secretive! This time, I finally managed to bump into you. Would you be free to have a meal with me now?"

Lin Wenjing was put in a rather awkward situation. Since Ouyang Xuehai had paid him a visit, it would be disrespectful to turn him down again. Therefore, he could only accept his invitation.

They had a meal at the manor of the Ouyang family. Midway through the meal, Ouyang Yanran had returned home from her university and she was stunned when she caught sight of him. Her face turned cold as she thought Lin Wenjing had not yet given up on her and was still trying to convince her family to get her to marry him.

## Chapter 335 Lai Binbai Was Not a Decent Man

Over the past few days, things between her and Lai Binbai had been heating up and their relationship had become even more stable. He had also started treating her with even more gentleness and endearment, and it was no longer possible for her to leave Lai Binbai to marry Lin Wenjing who was an old-school uncle.

She pulled a long face and looked irritated in front of Lin Wenjing throughout the meal. No matter how hard Ouyang Xuehai and Zhang Guilian tried to give her hints, she pretended that she could not see them. She just wanted Lin Wenjing to give up all hopes on her.

As Ouyang Xuehai could no longer stand her attitude, he urged, "Yanran, don't just sit there quietly. Go and refill some rice for Wenjing."

Pretending that she had not heard him, Ouyang Yanran ignored his words. It was only until Ouyang Xuehai repeated himself angrily did she counter impatiently, "He is already an adult. Can't he take the rice himself? Why do I have to help him?"

"Hey, how could you be so rude?" Ouyang Xuehai was enraged as he felt her attitude embarrassing.

Noticing the strife between them, Lin Wenjing took the initiative to say something. "It's fine. Yanran is right. I am able-bodied and I can refill my own rice. Anyways, I'm already full. Mr. Ouyang, Mrs. Zhang, if there is nothing else, I would like to get going."

Immediately, Ouyang Xuehao put aside his chopsticks and tried to persuade him to stay.

## Chapter 335 Lai Binbai Was Not a Decent Man

Furiously, he scolded his daughter, “Ouyang Yanran, look at how ill-mannered you are! You’re driving Wenjing away. Have you forgotten all the manners I’ve taught you?!”

Ouyang Yanran got annoyed too as she had always been an opinionated one. “Dad, when are you going to stop? I’ve told you many times that I already have a boyfriend and I’m not interested in that uncle. Why are you forcing me to do something I’m not willing to? Am I just a tool to both of you? Do you guys even care about how I feel and my happiness?”

Ouyang Yanran was also feeling very aggrieved and her eyes became red-rimmed as she spoke. She glared at her father with unwillingness written all over your face.

This had put Ouyang Xuehai into a very embarrassing situation. Forcefully, he slammed his chopsticks down on the table and rebuked angrily, “Stop being rebellious!”

Lin Wenjing was feeling stressed out as he watched the scene before him. He should have rejected Ouyang Xuehai’s invitation earlier, and he should not have had a meal at their place.

The way Ouyang Yanran looked at Lin Wenjing was filled with hatred and resentment. She believed he was a hypocrite and an indecent man who was sabotaging her relationship with Lai Binbai.

At that juncture, Lin Wenjing could not help but

Chapter 335 Lai Binbai Was Not a Decent Man

step forward to offer some words. “Mr. Ouyang, please don’t criticize Yanran anymore. She is right. Both of you have to care about her feelings and her happiness. I’m a married man and I’m older than her by about ten years. We’re not going to be happy if we are forced into a relationship.”

“I...” Ouyang Xuehao’s mouth twitched slightly but he found himself unable to answer him.

Right now, he felt really tired. His father, Ouyang Feng, was eager to make Lin Wenjing part of their family by way of marriage. Yet, both Lin Wenjing and Ouyang Yanran were against the idea fervently. It was an arduous task for him to try to force the two together on his own.

Watching her daughter who was looking resolute and disappointed, his heart softened. With resignation, he waved his hand dismissively and said, “Fine, fine. Since both of you have already voiced out your opinions, we will stop forcing you.”

The tensed muscles in Ouyang Yanran’s face immediately relaxed as she was overjoyed. It never occurred to her that Lin Wenjing would stand up for her. It seemed like he was not too bad a guy after all.

Ouyang Xuehai then offered his apology to Lin Wenjing. “Wenjing, so sorry for my daughter’s mischievous behavior.”

Lin Wenjing waved his hand. “Never mind. In fact, I’m impressed by how she dares to show what she loves and what she doesn’t.”

Chapter 335 Lai Binbai Was Not a Decent Man

Ouyang Yanran rolled her eyes disdainfully. *Do I even need your appreciation?*

All she wanted to do now was to see Lai Binbai. She had decided to offer herself to him when the right time came.

She had made the decision after going through careful consideration. After all, they had been together for three years. Other couples would have already spent a lot of nights together, but they still remained in the stage of holding hands. This was rather unfair to Lai Binbai.

Moreover, she supposed her parents would acknowledge Lai Binbai's status more readily after she got pregnant.

As she was mulling it over, her face broke into a blissful smile.

Thereafter, Lin Wenjing stayed on at the Ouyang family's place to have a chat and tea with Ouyang Xuehai. After some time, he was ready to go.

"Yanran, send Wenjing off," instructed Ouyang Xuehai.

Immediately, Ouyang Yanran looked displeased. "Why do I have to send him off? Doesn't he know his way?"

Lin Wenjing chimed in, "That's right, Mr. Ouyang. I don't need Yanran's company. I know the way."

Ouyang Xuehai countered, "That's inappropriate."

Chapter 335 Lai Binbai Was Not a Decent Man

After all, you're our guest."

In the end, under Ouyang Xuehai's command, Ouyang Yanran could only oblige and send Lin Wenjing off no matter how reluctant she was. After all, she had already decided to return to the house as soon as they reached the gates, and she would just let Lin Wenjing walk off on his own.

"Hey, uncle, let me say this upfront. Don't you dare try anything on me as the two of us will never be together. Right now, my relationship with my boyfriend is stable. We will be getting married right after we graduate," said Ouyang Yanran sternly.

Lin Wenjing nodded and said, "Don't worry, I won't. However, you shouldn't trust your boyfriend too much either. I can sense that he is not as decent as he seems. I don't think you should offer yourself to him so soon."

Ouyang Yanran rolled her eyes as she believed Lin Wenjing was purely making scandalous remarks about Lai Binbai. After being together with Lai Binbai for so many years, how could she not have an idea about his character? There was no way he would betray her!

"Hehe, thanks for your reminder. However, Binbai is a gentleman and he would never betray me!" reassured Ouyang Yanran firmly.

Noticing her attitude, Lin Wenjing felt it pointless to comment further.

### Chapter 335 Lai Binbai Was Not a Decent Man

At that moment, he suddenly heard a chattering sound coming from next door. When he looked in the direction of the sound, he caught sight of a white Mercedes-Benz which was shaking up and down continuously. It seemed like some people were having s\*x inside the car!

And when he looked closer and caught sight of one of the figures inside the car, he was stunned. He couldn't believe what he was seeing. This was just too much of a coincidence!

Chapter 336 The Cat Is Out of the Bag

*That's him!* The figure inside the car which appeared in Lin Wenjing's vision was Ouyang Yanran's boyfriend, Lai Binbai, whom he had just met a few days ago.

Right now, Lai Binbai was on top of a woman inside the car and they were making out.

*Damn, what a coincidence! That's too exciting a sight!*

*Do all youngsters nowadays know the way of having fun so well?*

Lin Wenjing was shocked. After living for twenty-eight years, it was the first time he was witnessing such an incident.

What was more, the window of the Mercedes-Benz was left open. As he had good hearing ability, he could hear their conversation from tens of meters away.

Lin Wenjing looked away and stared at Ouyang Yanran who was brimming with self-confidence. He was left speechless at once. How sad would she be if she were to witness this scene? Would she even start to doubt the existence of love?

Ouyang Yanra was still ignorant of everything. With a snort, she challenged him unhappily, "Why are you wearing such an expression? Do you not believe me? I've been together with Binbai for more than three years and he has never taken advantage of me. He has always prioritized my wish and respected my decision. Do you think a

## Chapter 336 The Cat Is Out of the Bag

gentleman like him would betray me? Moreover, I am very confident of my appearance and I'm sure Binbai would not be interested in other women."

"Are you sure?" Lin Wenjing could not help but doubt at the sight of her determined look as she genuinely believed what she said.

He would not have dared to challenge her if he had not caught Lai Binbai having s\*x with another woman in the car.

Indeed, that rascal named Lai Binbai was too outrageous. Wasn't he worried at all that he might get caught by Ouyang Yanran for doing such a thing near her house?

Ouyang Yanran had yet to discover her boyfriend's deed. With a loud snort, she retorted disdainfully and with self confidence, "Why wouldn't I be sure? Do you think all men in this world are the same as you, who still want to marry another woman despite already having a wife? I really can't understand. Did you put my father and grandfather under some sort of spell? They are desperate to marry me to you, which is weird."

Once again, Lin Wenjing set his sights on the white Mercedes-Benz in the distance which was rocking and said, "Ouyang Yanran, I think you should always leave yourself some leeway when you speak. That little boyfriend of yours is really not a faithful guy, and he will not spend the rest of his life protecting you. Perhaps he is having a good time with another woman right now. So, my advice for you is to break up with him as soon as

possible.”

When she heard him, she let out a derisive chuckle and said, “You’re judging him with your own dirty mindset and you’ve really left a bad impression on me by saying so. After all, you are a chairman of a listed company. I’m surprised to know that you are so petty, and you’ve made such a scandalous remark about my boyfriend. Do you think I would be foolish enough to believe you?”

Lin Wenjing was speechless. He had come across stupid women before, but it was the first time he had encountered one who was this stupid and stubborn. She could not accept opinions from others at all.

So be it. After all, the matter had nothing to do with him and he was lazy to even comment further. With a shrug, he said, “Fine. It’s your life.”

At last, he still could not help but stare at the white Mercedes-Benz as he muttered to himself, “Youngsters nowadays really know how to have fun.”

Following the direction in which he was looking, Ouyang Yanran immediately caught sight of the white Mercedes-Benz which was shaking. She blushed instantaneously.

Although she was still a virgin, she was not a little girl who knew nothing. Judging from what she saw, she knew what was going on inside the car. In fact, many of her classmates liked to do that sort of thing.

## Chapter 336 The Cat Is Out of the Bag

She could not accept such a conduct as she thought it was too shameless. That kind of stuff should be kept private between a couple. It was too shameless for them to do it on the streets as it would be seen by the passersby.

And Lin Wenjing was actually watching the car with so much interest. He was an outright pervert!

She then thought of how Lin Wenjing had taken advantage of her a few days ago and was seized by a sense of disgust as she cursed, "Pervert, you are so shameless!"

Stunned, Lin Wenjing countered, "Me? Shameless?"

Ouyang Yanran took a few steps back to make sure there was some distance between Lin Wenjing and her as she said disdainfully, "Don't you even try to deny it. You were watching what they were doing just now. Dirty rogue, you're so disgusting!"

Lin Wenjing was left wordless. He snapped, "I am not qualified enough to be labelled as shameless. Your boyfriend, Lai Binbai, is the one who's shameless."

"Shut up!" Ouyang Yanran scolded fiercely. "Don't you dare make such a comment about my boyfriend!"

Lin Wenjing sniggered as he pointed at the car which was rocking and countered, "Why can't I make such a comment? If he has the guts to do

## Chapter 336 The Cat Is Out of the Bag

such a thing, he should expect to be called shameless.”

A crease formed in between Ouyang Yanran’s brows. “What nonsense are you talking about, and when has my boyfriend ever done such a thing? You better explain yourself. Otherwise, I could sue you for defamation!”

With a grimace, Lin Wenjing asked, “Are you short-sighted? Can’t you see who’s in the car?”

The car was just located tens of meters away from them and she should be able to see it clearly... Suddenly, Lin Wenjing thought of something and slapped his forehead. He had completely forgotten about one thing.

He was in the Heavenly Realm and he had the vision of an eagle. Because of that, he was able to make out Lai Binbai’s face who was opposite them even though it was nighttime.

It was a different case for Ouyang Yanran. As she was still a layman, there was no way she could see him clearly.

“You’re crazy. I don’t even know what you’re talking about, dirty rogue! I’m going back now as my job is done!” With that, Ouyang Yanran was about to turn around and leave.

Under these circumstances, Lin Wenjing could not sit idly by. No matter what, Ouyang Xuehai had treated him rather nicely. If he had not caught what was going on in the car, it would not be a

## Chapter 336 The Cat Is Out of the Bag

problem at all. But since he had already seen it, he could not let the matter go.

Hence, he stepped forward at once and held Ouyang Yanran's hand before making his way to the white Mercedes-Benz.

Ouyang Yanran reacted strongly and jumped in shock. "Hey, what are you doing? Let go of me now, otherwise I will kick you!"

"Shut up!" As Lin Wenjing was slightly annoyed, he snarled at her and released some energy. Ouyang Yanran felt dizzy and she was deterred from screaming.

But she was still very angry. She planned to make a complaint on Lin Wenjing's behavior to her family members after returning home. She wanted her parents and grandfather to see his true colors!

"Lin Wenjing, I think you should just let me go, or else I'm really going to scream!" warned Ouyang Yanran as she got angry out of embarrassment. As she got closer to the white Mercedes-Benz, she could catch some of the noise coming from the car. Because of that, her face flushed red with embarrassment.

Lin Wenjing let go of her then pointed at the car and said, "Weren't you very confident that your boyfriend wouldn't betray you? Why don't you go over there and check out who's the man inside the car?"

Ouyang Yanran was stunned when she heard him.

## Chapter 336 The Cat Is Out of the Bag

Immediately, her face went pale substantially as she shook her head vigorously. “That’s not possible!”

“Not possible? Why don’t you see it for yourself?”

Right at this moment, the window of the white Mercedes-Benz rolled down completely and the sound coming from inside could be heard even more clearly. The woman inside said, “Binbai, aren’t you worried that your girlfriend will find out what we’re doing?”

“Ha, how would she know? That stupid woman has fallen head over heels in love with me. Say no more, let’s get down to business...”

The moment Ouyang Yanran heard that, her eyes became red-rimmed.

### Chapter 337 The Imploration Made by Ouyang Yanran

By now, no matter how stupid and how blinded by love she was, she had already realized the truth and the fact that Lin Wenjing had not lied to her. Lai Binbai had indeed betrayed her and was doing something unfaithful to her right now!

A lump grew in her throat at once as she was overwhelmed by distress and misery.

It never occurred to her at all that Lai Binbai would commit such an act.

All the promises he had made to her back then turned out to be just a lie. Earlier, she was still firmly denying Lin Wenjing's accusation of him, and she still believed that Lai Binbai was a gentleman who would never betray her. Come to think of it now, she must have looked like an idiot.

Obscene noises made by Lai Binbai and the woman sounded continuously from the car. Ouyang Yanran felt as if her heart was being trampled on brutally and viciously each time she heard the noise. At last, she could no longer bear it and tears began trickling down her face.

Lin Wenjing's heart went out to her as he saw her. Lai Binbai was too outrageous; he was an outright jerk.

Right at this moment, Lai Binbai's head turned to the other side and he caught sight of Lin Wenjing and Ouyang Yanran who were standing outside the car. The expression of his face went through a drastic change as his entire body made a quiver, and he went soft right away.

## Chapter 337 The Imploration Made by Ouyang Yanran

The woman complained with annoyance, “Lai Binbai, what’s going on? Are you done already? I haven’t even started to have fun yet!”

Ouyang Yanran met his gaze and reproached through gritted teeth, “Lai Binbai, how loyal you are to me!”

Lai Binbai came to his senses and he was panic-stricken. Immediately, he begged for mercy. “Yanran, please listen to me. It’s not what you think! Please listen to my explanation!”

However, there was no way she would listen to his explanation. She immediately picked up a piece of stone from the ground and threw it forcefully on his forehead. The stone hit him with a thump and he started screaming in pain. Not caring about anything else, he opened the car door at once, wishing to catch up to Ouyang Yanran to offer his explanation.

In a fit of panic, his feet failed to land on the ground and he fell. Lin Wenjing laughed out loud watching the hilarious sight.

“Damn it, it’s you again. You’re the culprit who sabotaged my relationship with Yanran. My surname is not Lai if I don’t kill you!” With a cry, he did a kip-up from the ground and charged toward Lin Wenjing furiously, aiming his ferocious punch at Lin Wenjing’s face.

To be honest, Lai Binbai was rather skilful as the punch he made was extremely forceful. Any other ordinary man who received that punch would

### Chapter 337 The Imploration Made by Ouyang Yanran

definitely end up severely injured. Unfortunately, his opponent was Lin Wenjing. To him, that punch of his was filled with weak points.

Effortlessly, Lin Wenjing kicked out and with a bam, Lai Binbai crashed right into the Mercedes-Benz like a football. The kick had been made with such might that a dent was formed on the car as the aftermath.

Lin Wenjing felt that it was unnecessary to treat a piece of trash like him with any respect.

A substantial amount of blood spurted from Lai Binbai's mouth. Right now, it seemed like his entire body was about to dismember and he could not get up from the ground no matter how hard he tried. The way he looked at Lin Wenjing was laden with shock and fear. Only then did he realize what sort of character he had offended and how scary Lin Wenjing was.

That woman also let out a shriek in fear and she scrambled away before she even dressed herself properly.

After kicking Lai Binbai, Lin Wenjing immediately dashed in the direction where Ouyang Yanran had vanished from his sight. Before long, he had caught sight of her standing at the edge of a bridge, looking like she was about to jump into the river. Taken aback by the sight, he immediately sprinted toward her and held her back from behind. He shouted loudly, "Hey, what are you doing? It's not worth it to end your life over a jerk! Have you even thought about how upset and

## Chapter 337 The Imploration Made by Ouyang Yanran

miserable your family would be if they knew you were dead? Ouyang Yanran, what you are doing now just shows how weak and selfish you are!” Lin Wenjing was really enraged by how outrageous Ouyang Yanran was. Because of a jerk who had betrayed her, she wanted to kill herself. How weak was that? If she were to experience the ordeals he had gone through, she would have killed herself a hundred times already.

Ouyang Yanran started to struggle wildly, trying to break his hold. She was both panicked and angry as she said, “What are you doing? Let go of me now!”

It was only when he had pulled her away from the edge did he let her go. Looking angry, he commented, “Ouyang Yanran, what’s wrong with you? You just tried to kill yourself because of a little setback. Have you ever thought about your family?”

Ouyang Yanran countered, “Are you crazy? Who told you I was trying to kill myself? I was just looking at the view to calm myself down. Is there anything wrong with that?”

“Huh?” Lin Wenjing was surprised. “Well, in that case, you shouldn’t get too close to the edge either. What if you fall off the bridge by accident?”

Ouyang Yanran retorted, “Why would I fall off the bridge for no reason?”

Fine...

Chapter 337 The Imploration Made by Ouyang Yanran

Again, his kindness was not appreciated.

Lin Wenjing then urged, "It's getting late and I think you should head home now. You wouldn't want your family to start worrying about you."

For some unknown reason, Ouyang Yanran felt a sense of emptiness when she heard that he was leaving. There was a strange desire in her heart for him to stay and keep her company.

"Hey, wait a minute!" Ouyang Yanran immediately stopped him from leaving.

Lin Wenjing turned around with a frown and answered slightly impatiently, "What is it this time?"

Ouyang Yanran was livid when she saw the impatience on his face. Despite being in such a deplorable state, Lin Wenjing still had no patience for her, and he did not even take the initiative to stay and keep her company. What an unsympathetic man he was!

"My heart is broken. Aren't you going to at least stay and keep me company like what a man is supposed to do?" complained Ouyang Yanran.

Wearing a bizarre expression, Lin Wenjing stared at her and asked, "I thought you hated me to the core. Why are you asking me to stay and keep you company?"

She was stumped by his question. He was right. She was supposed to hate him. Why did she want

him to stay?

She wanted to appear tough and asked him to leave. However, she could not bring herself to utter such words no matter how hard she tried. Right now, she was in desperate need of company as she felt very depressed and empty. Lin Wenjing was the only one who knew about the matter and hence, they would have something to talk about.

After giving it a thought, she said matter-of-factly, "If it wasn't for you coming over to my place to have dinner, my father wouldn't have asked me to send you off, and I wouldn't have seen what I saw. Therefore, you should bear some responsibility for that!"

Lin Wenjing was stupefied when he heard her far-fetched reason. He had come across many unreasonable women before, but this was his first time encountering one who was this unreasonable. He was fed up with her and he did not feel like wasting more time on her. Showing her a thumbs-up, he complimented, "I'm impressed by how you related the whole matter to me."

With that, he straightaway turned around and left.

Ouyang Yanran got even more flustered when she sensed that he was genuinely angry and was really going to leave her. Immediately, she added, "Hey, hold on! Don't go just yet!"

As Lin Wenjing's pace did not come to a halt, she got even more anxious. She started choking up as

Chapter 337 The Imploration Made by Ouyang Yanran

she pleaded, "Please don't go. I'm really sad right now and I need company. I'm begging you..."

Lin Wenjing stopped walking and turned around. At the sight of Ouyang Yanran who was crying her heart out, his heart softened at once. With resignation, he let out a sigh before muttering, "I must have gotten all the bad luck from my last eight lifetimes to have known you."

## Chapter 338 Reaping Tournament

Ouyang Yanran was overwhelmed with rage when she heard him. After all, she was the daughter of the wealthy Ouyang family and the campus belle who was highly sought after. Many men were keen for a chance to spend time with her in private. Now, not only was Lin Wenjing unwilling to keep her company, he even said that he must have gotten all the bad luck from his previous eight lifetimes to have met her. Was she really that bad?

Surely, it was not because she was not charming enough. Instead, she believed there must be something wrong with his sexual orientation.

Right now, the sky was getting darker and the temperature was gradually dropping. As Ouyang Yanran was just wearing a thin shirt and had just cried her heart out, she started shivering out of coldness as a gust of night breeze blew in her direction.

Noticing her condition, Lin Wenjing removed his own jacket and put it on her before saying, "In my opinion, you shouldn't dwell on this anymore. There are a lot of other decent guys in this world and you shouldn't give up hope just because of Lai Binbai. Well, it's getting late now. You should head home. Have a good night's sleep and you will feel better tomorrow."

Freezing at first, she was stunned when she sensed the warmth from Lin Wenjing's jacket. A warm feeling crept into her heart and she suddenly felt the sight of him become more pleasing to her eyes.

## Chapter 338 Reaping Tournament

“Thanks,” she said softly.

Waving his hands, he said, “You don’t have to thank me. Keep your eyes open and don’t be cheated by jerks in the future.”

She nodded and said, “I’ve got it.”

After having a heart-to-heart talk with him, her mood had lifted a great deal and she did not feel so bad as before. Fortunately, she had yet to offer herself to Lai Binbai, or else she would have suffered a big loss.

Now as she was staring at Lin Wenjing, she could not help but start to think of him as a rather nice guy. What if...

Immediately, she shook her head forcefully in order to brush away this scary idea from her mind. There was no way she would accept a married man who was older than her by so many years.

At that moment, Lin Wenjing’s phone started to ring. He fished it out and found that the call was from Chu Ling, so he walked away to take it. As it turned out, Chu Ling was asking where he had been as he was not home yet despite being so late, and she wanted to invite him to catch a movie.

Of course, Lin Wenjing agreed to go. After chatting for a brief while, he hung up the phone.

“I’ve something else later and I’ve got to go. You should head home and take an early rest. Don’t

## Chapter 338 Reaping Tournament

think about what happened earlier anymore,” urged Lin Wenjing.

Ouyang Yanran stood up and said with slight hesitation, “Huh? Are you leaving so soon? It’s not even nine yet.”

Lin Wenjing told her frankly, “My wife invited me to catch a movie, so I can’t keep you company anymore.”

“Oh...” For some reason, Ouyang Yanran felt a sense of loss after listening to him. Because her heart was broken and he had kept her company for a long while, she had started to develop a favorable opinion of him. She was also becoming more dependent on him without realizing.

After walking away for some tens of meters, Lin Wenjing found that he was still worried about her. He returned to her and said, “You know what? I think I should send you home first. If anything bad happens to you, I will have a hard time explaining to your family.”

If it was before, Ouyang Yanran would definitely have ignored the front part of his words and only caught the latter part. Now, it became the exact opposite. She only caught the front part and had totally ignored the latter part. Once again, she was touched by his gesture and her heart was filled with a sense of warmth.

“Well, thank you,” said Ouyang Yanran in a soft tone.

## Chapter 338 Reaping Tournament

Lin Wenjing nodded secretly as he thought that Ouyang Yanran's bad behaviour could still be corrected, and she was not as unreasonable as he had expected.

Lin Wenjing's pace came to a halt when he and Ouyang Yanran reached the gates of the manor, and he left after bidding her farewell. In a daze, she watched him leave, and she only looked away when his figure had completely vanished from her sight. She suddenly remembered that his jacket was still with her.

Subconsciously, she intended to catch up to him to return him his jacket but she stopped after taking merely two steps ahead. A meaningful grin appeared on her face where sadness and pain should have been. Her gloomy mood was lifted by a great deal.

Before long, Lin Wenjing met with Chu Ling and they went to catch a movie which was released recently. Thereafter, the two of them had supper before returning home.

Right now, their relationship had already made the breakthrough and they started behaving just like a normal couple. As both of them were young and energetic, they could not hold back their lusts once they were together.

However, Lin Wenjing was always the one who suffered in the end. Because of the physique he had now, Chu Ling could never satisfy his needs.

Noticing his debacle, Chu Ling felt it was all her

## Chapter 338 Reaping Tournament

fault. As she was hugging Lin Wenjing, she suggested, “Wenjing, why don’t you get yourself another wife?”

“What?” He was taken aback by her words. “What nonsense are you talking about?”

She shook her head and continued, “I’m serious. I can’t satisfy your needs on my own as your body is different from an ordinary man. It’s not good for your health to suppress your needs like that.”

Lin Wenjing was stunned and deeply shaken by what she had just said. After a while, he added, “Silly girl, what are you saying? Do you think I am that sort of man who decides everything according to my sexual needs? Stop having wild ideas and just sleep.”

She wanted to comment further but could only give up as he had already fallen asleep and was not responding to her.

He did not doze off right away as he was greatly rattled by what Chu Ling had said. He never expected she would suggest he find another wife, much less for such a ridiculous reason.

Yet, Chu Ling was right too. With his current physique, his stamina was better than normal men by at least ten times, and she indeed could not satisfy his needs. However, what could he do about it? Was he really going to find another wife to solve the problem?

In that case, was there any difference between

him and a studhorse?

Therefore, he quickly dismissed the idea from his mind.

...

“Dad, it’s been so many days already. Why aren’t you killing Lin Wenjing? Don’t you want to seek revenge for me anymore?”

In a villa owned by the Gu family, Gu Hanxing was kneeling down in front of Gu Ze as he implored him while crying his heart out.

His life had been very miserable lately. Ever since his foundation of martial arts was destroyed by Lin Wenjing that day, his skills had regressed by a substantial degree and he was at the threshold of falling back into the Pinnacle Realm. After that, because he had stopped controlling his diet and stopped cultivating, he was now on the verge of falling back into the Professional Realm. This was something he could never accept!

He was baffled as to why his father was not taking any actions to seek revenge on Lin Wenjing even after so many days had passed. This did not sound like his father’s usual style of doing things at all.

He felt miserable and despondent that Lin Wenjing was living carefreely every single day.

Gu Ze let out a heavy sigh. He was desperate to seek revenge on Lin Wenjing too. However, he was

still too traumatized by that punch of Qing Shu that day. Now, he was hesitant to act rashly.

It was quite a tormenting experience for him too!

People were calling him a coward as he did not dare to seek revenge even though his son was bullied. As he was one who cared about his reputation a lot, this was a severe humiliation that he had never before suffered.

“Get up now. When it’s the right time, I will seek revenge on Lin Wenjing,” said Gu Ze.

Wailing, Gu Hanxing pressed on, “Dad, you’ve already said that many times, but you have yet to look for Lin Wenjing until now! Dad, are you afraid of Lin Wenjing? Is that the reason why you are not seeking revenge on him? Not only has he destroyed my foundation of martial arts, he has also humiliated you. Are you going to let him go even though he has done all those things?”

“Bullshit!” Gu Ze was livid as he cursed angrily. “Why would I be afraid of him? I’m just waiting for a chance!”

“What kind of chance?” asked Gu Hanxing immediately.

“A chance which only arises once in a lifetime, naturally.” An idea hit Gu Ze as he was suddenly full of confidence, and the corners of his mouth curled into a meaningful grin.

A glimmer of hope appeared in Gu Hanxing’s eyes.

## Chapter 338 Reaping Tournament

Immediately, he probed, “Dad, what kind of chance is that? Please just tell me now. Don’t keep me in suspense!”

Gu Ze answered, “Do you still remember the annual Reaping Tournament? It’s just around the corner. When the time comes, I will come up with a way to invite him to join the tournament, and when it is ongoing, I will...”

At the moment, he made a motion of slashing his neck.

In an instant, Gu Hanxing was filled with glee. “Yes, yes, exactly. How could I forget about the Reaping Tournament? If he were there, we could kill him just like he was prey! Hahaha...”

Gu Ze started laughing his heart out too.

## Chapter 339 Staying in the Same Room With Tao Sanniang?

Indeed, the Reaping Tournament was just around the corner.

Tao Sanniang sent another invitation to Lin Wenjing and urged him to attend the tournament again as it would be a great chance for him to get to know many outstanding figures. If his network could be expanded, it would be easier for him to get things done in the future.

At first, Lin Wenjing was reluctant to participate in the tournament as he was not very interested in hunting. He would rather spend time to keep Chu Ling company.

But in the end, he changed his mind because of what Master Grim had said.

“Young Master, I think you should participate in the Reaping Tournament this year.”

Lin Wenjing asked, “Why is that so?”

Master Grim said, “A lot of highly-skilled fighters from all over the country are going to participate in the Reaping Tournament this year. Whoever emerges the winner will be given a handsome reward. Most importantly, murder is permitted during the tournament!”

When Lin Wenjing heard him, his interest was piqued. “Is that so? Killing people is actually allowed during the Reaping Tournament this year? Is Grand Skylight Pavilion really that powerful?”

Master Grim shook his head as he clarified, “The

## Chapter 339 Staying in the Same Room With Tao Sanniang?

Grand Skylight Pavilion is not the organizer of the Reaping Tournament this year. The true organizer is another force instead.”

“Which force?” Lin Wenjing pressed on.

Master Grim did not answer his question directly. Being a sharp person, Lin Wenjing immediately understood which force he was referring to. He laughed out loud before saying, “In that case, I really should participate. I reckon Gu Ze will not let go of this opportunity too.”

“I guess so. It’s best for you to be extra careful,” reminded Master Grim sternly.

Previously at the grand opening of Shield Service Group, Tao Sanniang had already paid him a visit to invite him to participate in this so-called Reaping Tournament. However, he did not take it seriously at that time.

In hindsight, he started to see the need to attend the tournament as he would be able to get to know the rest of the highly-skilled fighters.

Time flew by and in the blink of an eye, a week had passed and it was finally the day of the Reaping Tournament.

Over the past week, Lin Wenjing had spent his effort mainly on the newly-established Shield Service Group. As for Purple Jade Studios and Leap Advertising, he had handed them to Wang Yunqian for him to manage.

The skills of Xu Hua and the rest of the bodyguards had improved by leaps and bounds after going through his special training for a considerable time, and they treated Lin Wenjing with more and more respect and admiration. It was not an exaggeration to say that when Lin Wenjing ordered them to go to the east, they would not dare to go to the west. Even if he asked them to eat sh\*t, they would shove it down without hesitation.

Right now, Lin Wenjing had arranged five bodyguards to protect Chu Ling. Among them, two female bodyguards stayed close to her, and the rest of the three male bodyguards followed her from a distance. In the event of anything unusual, they were ordered to give Lin Wenjing a call immediately.

Only under such tight security would Lin Wenjing become comparatively relaxed.

After the week had passed, Tao Sanniang called Lin Wenjing on time. "Hi, Chairman Lin, tomorrow is the day of the Reaping Tournament. Aren't you going to come over here?"

Lin Wenjing said, "Since the tournament will only begin tomorrow, why should I head over to the venue now?"

Tao Sanniang replied with feign grievance, "Come over and keep me company. I've been missing you terribly lately. Also, I am terribly saddened by how cruel you are as you did not even give me a call. *Sob, sob.*"

### Chapter 339 Staying in the Same Room With Tao Sanniang?

As she was talking, she made some sobbing sounds which caused goosebumps to form all over his body.

Among all the women who were interested in him, Lin Wenjing found Tao Sanniang to be the most unbearable. She was a very alluring woman as she was able to trigger the innermost lust in men with simply every word she said. Lin Wenjing had even suspected many times that she was an evil spirit in her previous lifetime!

“In that case, you may continue to be sad. I’m going to hang up,” said Lin Wenjing indifferently.

“Hey, hey! Wait a minute...”

He hung up the phone before she could even finish her words. Immediately, Tao Sanniang gave him another call which he rejected. She then called the third time together with a message saying ‘I have serious business’.

Only then did he accept her call and said, “Just talk about the serious business you have.”

Tao Sanniang was gritting her teeth as she was overwhelmed by rage. With a snort, she demanded in a tone imbued with a hint of discontentment and embarrassment, “Do I really not matter to you even the slightest bit?”

“Tao Sanniang, please stop flirting with me and get straight to the point. I wouldn’t want my wife to get the wrong idea,” snapped Lin Wenjing crossly.

### Chapter 339 Staying in the Same Room With Tao Sanniang?

Tao Sanniang could not figure out why Lin Wenjing was such a tough nut to crack as he was not affected at all by her charm. Was she not alluring enough, or was there something wrong with his sexual orientation?

Yet, she did not dare to speak frivolously and got straight to the point. "Although the Reaping Tournament is held tomorrow, you have to be here by noon today. The real venue of the event is not located in Hua City but in the dense forest at the northern border. So, you have to make the trip here today."

Lin Wenjing had gotten the same information from Master Grim. Irritably, he criticized, "Why can't you speak in this way right from the beginning? You were talking all nonsense just now."

*Chhh...Chhh...* He could hear the sound of Tao Sanniang grinding her teeth over the phone.

Deep down inside, Tao Sanniang called him a robot who was senseless. Then, she told him the address of the gathering site honestly.

The Grand Skylight Pavilion was not the true force behind the Reaping Tournament this year. They only acted as an agent in both Hua City and Feng City and charged an exorbitant sum for admission fees. They would then bring the participants over to the venue of the Reaping Tournament.

In fact, the Reaping Tournament was held at different places each year. This year, it would be held in the forest at the northern border of Hua

country. As for last year, the tournament was held overseas.

As this was the first time Lin Wenjing was participating in such an event, he thought it to be quite interesting.

This time, he made the trip alone without the company of Master Grim.

First and foremost, it was unnecessary for Master Grim to keep him company. Secondly, Master Grim would need to stay and keep Hua City under control when he was away.

After hanging up on her, Lin Wenjing immediately made his way there.

Shortly after he reached his destination, he spotted Tao Sanniang. She was standing there with several men surrounding her, and her face was filled with impatience.

At the sight of Lin Wenjing, she immediately broke into a surprised smile. She quickly hid it away and approached him.

When the men who were surrounding her noticed her enthusiastic attitude toward such a mediocre-looking man, a slight crease formed in between their brows.

The way they looked at him was also tinged with a trace of hostility and annoyance.

“Wenjing, you’re finally here. I’ve been waiting for

you for such a long time.” Tao Sanniang glided toward him in an alluring and graceful way. Today, she was wearing a modernized cheongsam which perfectly accentuated her attractive figure.

Every man who caught sight of her was infatuated with her.

Even Lin Wenjing was slightly attracted to her at first glance, and his heart started racing somewhat faster. Luckily, he had strong willpower and he returned to normal immediately.

This time, Lin Wenjing traveled lightly and he did not bring any luggage.

On the contrary, Tao Sanniang had brought along with her a huge luggage.

“Are you going for a holiday?” asked Lin Wenjing in puzzlement as he caught sight of her huge luggage.

“Not only my stuff is in there. There are a lot of things that I’ve brought for you too.”

“Why are you bringing things for me?” he asked in bewilderment.

Tao Sanniang snapped back in shock, “Didn’t you know? We’ll be staying in the same room when we reach the northern border.”

Right then, Lin Wenjing was taken aback. Sharing a room with Tao Sanniang? How could he ever do such a thing?

“What are you talking about? When did I ever say that I wanted to stay in the same room as you?”

Lin Wenjing opened his eyes wide and quickly distanced himself from Tao Sanniang. However, his heartbeat started to quicken against his wishes.

What an absolute joke. If he stayed in the same room as a woman like Tao Sanniang, he would never be able to clear his name the moment this news spread. Either way, he was already married. How could he do such a thing?

Besides, with a personality like Tao Sanniang’s, she was sure to cook up some trouble.

Tao Sanniang widened her eyes and said in surprise, “Don’t you know that there are a lot of people participating in this year’s Reaping Tournament? There are not enough rooms at the northern border, and two people must share one room.”

“I still can’t stay in the same room as you. How outrageous would that be?” Lin Wenjing frowned and said. “Stop lying to me. In today’s society, there are hotels and hostels everywhere, and everyone joining the Reaping Tournament is rich. How could they not find hotels to stay in?”

Lin Wenjing quickly retaliated. What kind of society were they living in? How could there be

insufficient rooms for everyone? The organizers couldn't possibly slack out on even this factor of the tournament.

However, Tao Sanniang looked at him as if he were a fool and said, "Lin Wenjing, do you really not understand, or are you simply playing dumb? This Reaping Tournament is being held in the old forest deep in the mountains at the northern border. The location itself is deserted, and all that is there is a simple hotel that the organizer built three months ago. There are a pitifully small number of rooms, and for those who are of lower social status, they would have to share their room with three other people. The fact that the two of us have a room to ourselves means that our treatment is already very preferential!"

Lin Wenjing frowned deeper at that. Was there really such a thing? Rationally, he knew that it was possible, but intuitively, he felt like Tao Sanniang was lying to him.

He was about to speak when the other men came over. When they heard Tao Sanniang's words, they all expressed their anger and jealousy, and the hostility with which they glared at Lin Wenjing became even stronger.

"Sanniang, who is he?" a man with a square face asked Tao Sanniang while looking at Lin Wenjing with a nasty glare.

He was not particularly tall, and he had a height of roughly 1.75 meters. However, his arm span was very wide, and it was somewhere close to 1.9

meters. With his height, this body of his was considered quite advantageous, and he could match up to Lin Wenjing because of it. In modern mixed martial arts, it was considered a figure born for combat.

In other words, if a person like him joined a fighting competition, he would have a natural advantage in his weight class.

Of course, it was impossible for him to join a fighting competition because it would amount to surrendering his status. He was the boss of a company, and the cultivation realm that he had reached was the Pinnacle Realm. He was nicknamed the "Human Tornado".

Even a blind man could see that he liked Tao Sanniang. The fact that Lin Wenjing and Tao Sanniang were so close meant that Lin Wenjing was his rival!

Tao Sanniang smiled sweetly and said, "Ah, he's my boyfriend. When I get to the hotel later, I'm going to stay in the same room as my boyfriend."

As she spoke, she held Lin Wenjing's arm and leaned her head on Lin Wenjing's shoulder, then put on a helpless-looking face.

When the man with the square face saw this scene, his face instantly darkened, and the corners of his mouth started to twitch vigorously.

He had been pursuing Tao Sanniang for a while now, but Tao Sanniang had always been cold to

him. He had originally planned to take advantage of this Reaping Tournament to show his masculinity and charm, and win over Tao Sanniang away in one fell swoop.

This Reaping Tournament was being held in the old forest deep in the mountains. Hundreds of people were participating, but there was only one hotel, and the rooms were in short supply. He was planning on using his connections to share a room with Tao Sanniang. Then, he would definitely be able to conquer her. But now, an unexpected obstacle had appeared all of a sudden, and he was a love rival at that! How could he possibly agree?

“Boyfriend? Tao Sanniang, why haven’t you told me about him?” the man with a square face said in an unhappy tone.

Tao Sanniang laughed, but there was no mirth in her eyes. She said, “Du Xinli, it’s not necessary for me to report the fact that I have a boyfriend to you, right?”

Du Xinli looked even more unhappy as Tao Sanniang hadn’t given him any leeway. However, the person he was really angry at was not Tao Sanniang. Instead, he had transferred all of his hatred to Lin Wenjing.

“How dare you snatch away the woman that I like? Who the hell even are you, huh?” Du Xinli stared at Lin Wenjing coldly, his glare full of threats and hostility.

Lin Wenjing was very annoyed about this. He had

already been misunderstood in this way more than once. If this had happened in Hua City, he would have been more polite. However, he was about to join the Reaping Tournament, and murder was tacitly permitted over there. Therefore, his patience plummeted at once as he didn't want to waste his time on him. He directly cursed, "The hell does it have to do with you? Screw off."

Tao Sanniang widened her eyes in surprise when she heard this, and she looked at Lin Wenjing as if she had just met him for the first time. This was too cool of him!

As for Du Xinli, he was even more infuriated. Blood rushed to his head and he was about to blow a gasket!

The other men who had come with him all started clamoring one by one as they surrounded Lin Wenjing and Tao Sanniang. "Damn, where did this little punk come from? How dare you challenge Du Xinli? You must be sick and tired of living!"

"Why are you wasting time talking to him? Just attack and beat him up!"

"He's just a boy toy, and I'll punch every single one that I see!!"

They all clamored around as they started preparing to attack Lin Wenjing.

Lin Wenjing's expression was cold and he remained still. He wanted to see who dared to touch him first. He wouldn't mind giving that

person a free broken bone.

At that moment, Tao Sanniang stepped forward and yelled loudly, "Hey! What are you doing? Are you really going to beat someone up in front of me? Are you all prepared to go against Grand Skylight Pavilion?!"

They were still very fearful of Tao Sanniang, so when they heard these words, they immediately ceased to act recklessly.

Du Xinli stared at Tao Sanniang intensely and said angrily and with dissatisfaction, "Tao Sanniang, I have been pursuing for so many years, yet you have never been moved by me. Instead, you throw yourself into the arms of some other man. How could you do this to me?!"

Tao Sanniang frowned and said, "Du Xinli, I've told you many times before. I don't feel anything for you, much less actually like you. You are the one who keeps pestering me, and now you even want to beat up my boyfriend. Have you ever respected me?"

Du Xinli's mouth twitched again. He was an extremely patriarchal man. In his opinion, any woman that he liked should obey him. Except for Tao Sanniang, as long as he wanted a woman, there was no one that he couldn't make his own.

Now, Tao Sanniang's actions had finally crossed his bottom line.

"Fine! Just you wait!" Du Xinli's expression was

Chapter 340 The Hell Does It Have To Do With You? Screw Off!

cold. Staring at Lin Wenjing with a threatening and murderous gaze, he said, "Little punk, no one has ever dared to steal a woman that I fancy. You are the first one. I advise you to retreat now. Otherwise, I'm not going to let you off easily during the Reaping Tournament tomorrow!"

At that moment, Du Xinli was exuding a threatening and oppressing aura. Any ordinary person would have been scared a long time ago, but it was completely useless against Lin Wenjing. He felt that Du Xinli was just a clown. He straightaway scoffed, "Idiot."

"How dare you?" Du Xinli was even more annoyed. He clenched his fists and he was so angry that the veins on his face surfaced, and they looked like earthworms that were crawling underneath his skin. It was particularly scary.

"I see how it is! So you're going to challenge me, huh? Just wait and see!"

After that, Du Xinli walked away in a huff.
