

## Chapter 2873

What?

When they saw that, no matter if they were the ministers or the spectators, they all took a cold breath!

'Darryl's power is too scary; he defeated the General with just one move!'

"Who is not afraid to die? Come forward!"  
Darryl protected Ambrose behind him. He held the Heavenly Halberd firmly in his hand as he looked around and spoke coldly.

His voice was not too loud, but it was amplified all over the royal city.

At that moment, the entire royal city was in complete silence.

Sh\*t!

Lord Kenny glared at Darryl; anger boiled in

his heart. He had not seen him for three years, and it seemed like Darryl's power had increased substantially.

At that moment, Lord Kenny wanted to take action, but he had consumed the Nine Yin Spirit Pill and had yet to merge the Evil Spirit Energy completely. Besides, he was the Emperor; it would not look right if he were to attack Darryl.

"How arrogant!"

Cynthia's brows furrowed as she stood up. "Your Majesty, let me take that arrogant person down!"

Lord Kenny had agreed to help her to locate the other Oracles, so he was her friend. At that moment, Darryl had caused chaos at the execution hall; she could not ignore that. According to the rumors of the community, Darryl was someone evil.

It would be a good deed for the community

if she could capture him.

At that moment, at the execution hall!

Darryl laughed coldly when he realized that none of the soldiers from the royal army had dared to approach him. He was about to leave with Ambrose.

"You've harmed someone and want to leave? You are too arrogant and ignorant!"

However, they heard a shout. Darryl paused in his footsteps. He turned around, looked around at Cynthia, and was immediately stunned.

'What a beautiful woman! And the aura on her body is so strong!'

'Who is this woman? I don't think I have seen her before.'

"Who are you? Why did you stop me?"

Darryl was shocked, but he took a deep breath and spoke politely to Cynthia.

"You don't deserve to know my name!"

A few unkind words came out of Cynthia's mouth. After she spoke, her body moved as light as a swan before she aimed her punch at Darryl.

Bang!

At that moment, the air where Cynthia passed froze.

Sh\*t!

Darryl's face changed, and he quickly raised both his hands to meet her attack. He was incredibly furious.

'Sh\*t, that woman is too direct! She did not even bother to introduce herself.'

Darryl could have avoided it, but he was afraid that Cynthia would harm Ambrose. So, he had no choice but to fight back.

Bang!

The two palms hit strongly; everyone heard a loud, shocking sound. The bright shining sky had darkened suddenly. Dust flew around the execution platform.

Darryl moaned and retreated more than ten steps backward.

At that moment, his face had paled. He felt the internal energy in his body boiled.

Sh\*t!

'Who is that woman? She is too scary!'

"Father!"

Ambrose shouted when he saw that. He was extremely worried. At the same time, he wanted to help him, but his internal energy was sealed. He could not use his power.

Darryl smiled and nodded to indicate that he was fine. However, he was on guard

against Cynthia.

What?

Cynthia hovered quietly in the middle of the sky. Her gorgeous face looked calm. However, she was a little shocked as she looked at Darryl in surprise.

"You can meet my punch; you are really powerful. It is no wonder I hear rumors about you everywhere in the community." Cynthia stared at Darryl as she said that coldly. Even her eyes seemed cold.

'That wild person is too powerful; I must not let him escape.'

## Chapter 2874

Sigh!

Darryl took a deep breath. He calmed the messy energy in his abdomen; his heart was incredibly worried.

"Sh\*t, I thought I could take Ambrose away easily, especially with my ability!" Darryl knew Lord Kenny's ability, and he was not bothered by someone like Tobias and the rest of them.

He did not expect an incredibly beautiful lady would appear at the most critical moment, and she would have such scary powers!

Hang on...

When he felt the exceptional aura on Cynthia's body, Darryl remembered something—her aura was very similar to

Yennie. Besides, when they had battled earlier, her power was not only significant, but it was also unique.

'Is she one of the people that Yennie has been looking for? One of the Nine Saint Oracles?'

Darryl looked at Cynthia and said, "May I know if you are a Nine Saint Oracle?"

"How do you know that?" Cynthia's body trembled; she was curious.

Darryl chuckled inwardly.

A smile appeared on his face; he felt much relieved. "I've met Oracle Yennie. I helped her, and I also agreed to help her to find the other Oracles."

"I might even say that we belong to the same group."

Yennie?

Cynthia did not doubt him when he

mentioned Yennie. She immediately asked, "Where is she?"

"I have some matters to attend to, so I separated with her a day ago," Darryl replied without hesitation.

Cynthia's beautiful brow lifted; she stood there in deep thoughts.

'If he is Yennie's friend, then it is not right for me to attack him.'

Sigh!

Lord Kenny noticed something not right. 'They are now in the same group after the battle?'

"Miss Oracle!"

Tobias, who hid at the side, shouted, "You must not believe Darryl's words. That person is despicable, and he is good at deceiving people. If he is Oracle Yennie's friend, how would he not know where she

is? Or maybe he really did see Oracle Yennie, but he had captured her."

Tobias' face looked hideous when he shouted those words.

Darryl and his son were about to be captured; he must not let it stop.

Cynthia's eyes flickered when she heard that; she felt lost.

'The General's words made sense too.'

Sh\*t!

Darryl's anger burned as he stared coldly at Tobias.

'This person can't differentiate between the right and the wrong; how despicable!'

Then, Darryl shouted at Cynthia, "I am telling the truth—"

However, Cynthia interrupted him before he could finish speaking.

"You are lying to me..."

Cynthia's red lips moved as she shouted. Then, her body lifted as she raised her gentle hands and punched Darryl.

In her heart, she thought of Darryl as the big villain. How would he tell her the truth?

Sigh!

Darryl wanted to cry when he saw Cynthia attacked again, but there were no tears. He did not hesitate to activate his internal energy to the maximum level and went on to greet her attack.

However, Darryl realized that Cynthia's internal energy was stronger than before that, especially her speed—it had doubled.

Bang!

The next second, Cynthia's palm hit Darryl's body. The man felt excruciating pain all

over his body. He vomited blood before he roared, and his body flew backward.

Finally, he landed on the execution platform after he flew more than ten meters backward.

## Chapter 2875

Darryl struggled to stand up. He looked at Cynthia closely; he was shocked.

'She really is an oracle; how strong is she?'

At that moment, Darryl could feel that his abdomen had been injured from the impact. He would have to sit down and meditate if he wanted to heal himself.

However, he did not have the opportunity to do that, given the situation in front of his eyes.

Cynthia looked at Darryl quietly. "Even though I have not managed to locate Yennie and the others during my trip to the Nine Mainland, I would do the community a favor by capturing you, a despicable villain."

Then, Cynthia moved as she walked toward Darryl slowly!

Lord Kenny laughed loudly when he saw that. "Thank you, Oracle, for your assistance!"

Darryl also laughed, albeit bitterly, when he realized that Cynthia was approaching him. He even admired her sexy figure at a close distance. At the same time, he could feel the approach of death...

'Is this fate?'

Ambrose shouted; he wanted to dash forward to help his father, but a few guards stopped him. He roared with all his might as he continued to cry.

'I am to blame for what happened today. But I would never be at peace if I were to cause my father's death.'

"Darryl, your time is up!"

Cynthia had finally arrived in front of Darryl. She spoke coldly with no emotional

changes. At the same time, she lifted her hand and was about to hit Darryl at the top of his head.

Darryl sighed and shut his eyes.

'This is my fate; I shall accept it.'

Bang!

Suddenly, an intense internal energy vibration appeared among the crowd beneath the execution platform. Then, a fiery red shadow fell like a brightly lit meteor and landed in front of Darryl.

Wow!

Everyone there was stunned; they focused their attention on that person.

Sh\*t!

At that moment, Darryl's heart trembled when he saw the alluring figure in front of his eyes. He was dumbfounded!

Laura Hanson?

At that moment, Laura was in a fiery red long dress, and her body looked very alluring. She looked like a fireball from a distance. However, her exquisite yet gorgeous face seemed unfriendly and cold. Her hot and cold aura became the focus of everyone's attention.

"Sect Master Hanson?"

Finally, Lord Kenny snapped back to his senses. He looked at Laura with a conflicted expression. "We have not met for a few years, but you still look as beautiful as ever, Sect Master Hanson. You've come at the right time. Darryl is also your enemy; I shall let you kill him today."

Lord Kenny was smiling when he said that.

Ten years ago, Darryl and Laura's brother, Matteo, had a great feud. Darryl destroyed the Incandescent Sect and caused the

brother and sister duo to venture out into the world. Some people said that Darryl had killed Matteo. One could also say that both parties were hostile toward each other.

Lord Kenny thought that Laura was there to seek her revenge on Darryl.

Wow!

Everyone's focus gathered on Laura; they waited for her response.

Tobias, who was at the side, laughed loudly. He mocked Darryl. "So what if you have strong powers? His Majesty has the Oracle's assistance, and now your enemy is also here. There is no way for you to escape today."

'Such an idiot!'

Darryl laughed gently when he heard that. He retorted coldly, "Who told you that Laura is here to kill me?"

As he spoke, Darryl smiled and looked at Laura. "Dear, you are just in time.

Otherwise, they would most likely kill me!"

Darryl looked so relaxed when he said that.

A month ago, Darryl and Laura had consumed the Chaotic Yin Yang Beads at Empress Nuwa's crystal underground palace. Their lives had been connected since then—they would live and die together. So, how could Laura kill Darryl?

Darryl knew that it was not the time to crack a joke. However, he only wanted to tease Laura when he saw her arrogant and cold face.

## Chapter 2876

'What?'

Everyone there was taken aback. They looked blankly at Laura; they could not understand what had happened.

'Did Darryl address her as Dear? Aren't they enemies?'

At the same time, Ambrose was also stunned.

However, soon, he calmed down. He was aware of his father's fame, which had brought him a slew of close female friends, thanks to his unique charm. If he and Laura admired each other, they might have turned from enemies to friends.

Laura's face flushed bright red, and her body trembled with rage.

Her beautiful face flushed as she locked

her gaze on Darryl. "Stop talking! Shut your stinking mouth! Who is your wife?"

'Damn it! Darryl just took advantage of me in public!'

The unperturbed Darryl smiled cheekily at Laura. "Okay, I understand you are not my wife! Why did you cause such a commotion? Do you really mean to kill me here? Are you sure you can do it?"

'How shameless!'

Laura was enraged, but she had nothing to say in response.

Soon, Laura calmed down and said to Lord Kenny, "I appreciate your kindness, Your Majesty, but I can't let Darryl die now. Your Majesty, please tell your people to retreat, and I will take Darryl with me."

Even though Laura despised Darryl, she had no choice but to ensure his safety because their fates were intertwined.

What?

Cynthia stood by the side with a frown when she heard Laura.

At the same time, Lord Kenny became angry, and he scowled. "Laura, did you say that you wanted to take Darryl with you? Have you forgotten where this is?!"

Lord Kenny glared at her menacingly. "I'm afraid that you don't have the ability to save Darryl!"

'F\*ck! I thought Laura is here to take revenge on Darryl, but it looks like she's here to save him instead.'

Laura was well-known among the cultivators in the New World Continent, but Lord Kenny was unfazed and unconcerned.

Laura remained calm in the face of Lord Kenny's wrath.

Then, Laura glanced at Darryl. "Can you

walk?"

"Of course!" Darryl responded with a smile and then said to Ambrose, "Follow me closely!"

Ambrose nodded.

Laura stopped talking nonsense as her body gathered a powerful aura breath. Then, she confronted Cynthia and challenged her coldly. "Get out of the way!"

Cynthia stared expressionlessly at Laura. "So, you are on the same boat with that wicked man? How dare you do as you pleased in the Royal City?"

She laughed.

Then, Cynthia zoomed straight toward Laura.

As an Oracle, the conceited Cynthia had not wanted to start a fight with Laura, but she had to keep her word to Lord Kenny

and assist him.

'She's so powerful!'

Laura trembled as she saw Cynthia approached her swiftly. Her beautiful face was solemn.

At the same time, Darryl yelled, "Dear, she is one of the powerful Nine Saint Oracles! Be careful!" Then, he took a deep breath and adjusted his internal energy discreetly.

"Shut up!" Laura blushed as she screamed.

Darryl had not stopped taking advantage of her, even when they were in such a dire situation.

Laura tapped her toes on the ground as she launched into mid-air and fought Cynthia fiercely.

Everyone present was fascinated by the sight of the two gorgeous fighters—one was the Nine Saint Oracle, and the other

was a goddess from the cultivators' world. Their charming figures attracted the men's attention; it was a visual feast.

## Chapter 2877

Even Darryl stole a few glances at them.

Darryl took advantage of when the two women were fighting in mid-air to secretly urged his internal energy in the energy field to heal his injuries.

In the blink of an eye, Laura and Cynthia had exchanged more than a dozen moves. Laura, who had seemed quite confident in the beginning, had gradually lost her foothold. She was not weak, but it was unfortunate that she had to face the formidable Nine Saint Oracle.

Laura got more frightened by the minute. Her face muscles tensed as anxiety took the best of her.

She thought she could rescue Darryl easily, but the powerful opponent she had to face

proved otherwise.

Lord Kenny laughed.

He was extremely excited to see how the situation had progressed as he shouted enthusiastically, "Oracle, you are invincible, indeed. I will reward you handsomely after you catch Laura!"

Cynthia did not respond to Lord Kenny but sped up.

Laura could not hold out against Cynthia any longer. She shouted at Darryl anxiously, "Darryl! Come and help me!"

Her opponent was way too powerful, so Laura had to join hands with Darryl.

"Alright, Dear!"

Darryl responded by propelling into the air with the Heavenly Halberd in his hand. He had managed to recover some of his internal energy.

As Darryl and Laura unleashed their energy, the sky looked like it was about to shatter. They had the Chaotic Yin Yang Beads; the Yin and Yang complemented each other and produced magnificent power after they joined forces.

The two raised their hands, and a terrifying force immediately formed in mid-air, creating a dazzling ball of light that headed toward Cynthia.

Oh...

Lord Kenny and everyone there were shocked to see that.

'What technique did they use? It's so powerful!'

Cynthia quivered. Before she could think more about it, she raised her hand quickly and deployed a protective shield in front of her. At the same time, she was shocked.

'That...that seems to be the power of the

Chaotic Yin Yang Beads. Aren't they with the Ancient Goddess Nuwa? How did they—

As one of the Nine Saint Oracles, Cynthia knew that the aura unleashed by Darryl and Laura was the same as the power contained within the Chaotic Yin Yang Beads.

Boom!

Before Cynthia could figure out what had happened, the ball of light hit the protective shield instantly. Cynthia groaned, and her beautiful face turned extremely pale when she was sent flying backward.

She had failed to resist the blow even though she was one of the Nine Saint Oracles!

Since Cynthia was severely injured, Darryl took the opportunity to grab Ambrose swiftly and flew toward the Royal City with

Laura following closely behind him.

In the blink of an eye, the three of them had disappeared from everyone's sight.

Thump!

Lord Kenny slapped his palm on the dragon's throne in a rage and sprang up to his feet. Laura had managed to rescue Darryl and Ambrose in broad daylight and embarrassed the New World Royal. Of course, Lord Kenny was pissed!

"Assemble the Royal Army and pursue them!" Lord Kenny issued an order in a shrill voice.

Darryl and Laura could discharge such a powerful force together and defeat the Nine Saint Oracle. However, Lord Kenny believed that Darryl, who was injured, could not run far!

"Yes, Your Majesty!"

In an instant, hundreds of civil and military

officials shouted in unison in their earth-shattering voices. Soon, tens of thousands of soldiers from the Royal Army assembled quickly. They marched out of the Royal City and pursued in the direction where Darryl had fled.

"Your Majesty, the Nine Saint Oracle seems to be severely injured." Someone from the hundreds of civil and military officials reported.

In an instant, all eyes were focused on Cynthia. They noticed that her beautiful face was ashen and she was very weak.

Lord Kenny's eyes flickered, and he said in a tone that lacked any concern, "Take the Nine Saint Oracle back to the palace for a rest. Make sure she is well taken care of and caters to all her needs."

Lord Kenny was not as sincere as he looked. In fact, he felt rather gloomy.

## Chapter 2878

Initially, Lord Kenny had been worried about dealing with Cynthia because she was such a powerful and unrivaled Nine Saint Oracle. His opportunity to get rid of Cynthia came when she was seriously injured.

Two palace maids stepped forward and helped Cynthia to leave.

On the other side...

Laura was with Darryl and Ambrose, and they had been flying for half an hour. Finally, they landed in a valley after ensuring that they had gotten rid of the Royal Army.

"Father!"

As soon as his feet touched the ground, Ambrose cried, "Are you really together

with Senior Auntie?" Matteo was Ambrose's master, and therefore, Laura was his senior auntie.

Darryl smiled cheekily; he was about to speak when Laura cut him off.

"Ambrose, don't listen to his nonsense!" Laura said coldly as she scowled at Darryl. "Your dad has never spoken decently his whole life!"

Darryl was amused when he saw Laura's frustration.

The woman bit her lips and said to Ambrose, "I have something to do, so I'll get going now."

She had not wanted to save Darryl. Therefore, she could not wait to part with the father and son duo.

After that, Laura went to Darryl's side and whispered, "Darryl, I have nothing to do with you except for the Chaotic Yin Yang

Beads in us. I'll never let you off if you speak nonsense again in the future."

Laura walked away quickly after she said that.

Darryl let out a long sigh as he watched Laura leave. Then, he looked at Ambrose, smiled, and asked, "Ambrose, how do you feel?"

"I'm fine, Father!" Ambrose said as he shook his head.

However, the younger man looked weak.

Ambrose's internal energy was sealed when he was sent to prison, and he had not eaten anything for a day. However, he was not troubled by the suffering.

Darryl was relieved as well as distressed when he heard Ambrose's response.

'My boy has grown up.'

Darryl released Ambrose's acupoints and

told him to meditate to recover his strength. At the same time, he stood by his side and protected him.

"Father!"

Ambrose sat cross-legged and was about to meditate so that he could heal himself. Suddenly, he thought of something and said anxiously, "I've made a huge mistake, and it has affected my mother. You have to find a way to save her."

'What?'

Darryl looked shocked. Then, he frowned and said, "Don't worry. Nothing will happen to your mother."

Darryl felt guilty when he thought of Monica. She had suffered all her life because of him, and he had done nothing to help her.

...

Meanwhile, in the New World Palace...

Lord Kenny sat in the secret chamber behind the Blessed Palace. He seemed to have some mixed feelings. The secret chamber was the Emperor's cultivation room, and it was a forbidden area in the palace. Most people would not be able to get into the room.

Lord Kenny sent a message to Hansel Gondor, the King of the Dead's envoy. He wanted to inform Hansel about the situation with the Nine Saint Oracle. After that, Lord Kenny waited patiently in the secret chamber.

Hansel had told him that he would be there immediately after he received any news.

Buzz!

After he waited for a few minutes, Lord Kenny sensed an evil aura that crept in from outside the secret chamber. Then, the door inched open, and Hansel, dressed in a

black robe, slowly walked into the room.

"Your Excellency!"

## Chapter 2879

Lord Kenny quickly stood up and greeted Hansel politely. "Finally! You're here. Now, the Nine Saint Oracle, who claims to be Cynthia, is in the room at the back. She is recuperating from her injuries. Please tell me what to do next, Envoy!"

"Very well."

Hansel smiled approvingly and said, "You're someone the King of the Dead approves. You haven't let me down."

Hansel's lips raised into a cold sneer. "The Nine Saint Oracle is magnificent. She is a tough one to handle if she is at her peak, but now that she is injured, it's a good opportunity for us to take action!"

"How are you going to deal with her?" Lord Kenny asked curiously.

Hansel shook his head; his eyes narrowed slightly. "I planned to take her to the Ghost World right away, but the King of the Dead disagreed and told us to exercise caution and not make any mistakes. We might risk alerting the other Nine Saint Oracles if we take Cynthia to the Ghost World."

Then, Hansel looked at Lord Kenny with a smile. "I thought about it, and I think it's better to let you decide what to do with her!"

'What?'

Lord Kenny was shocked. "Me? What do I do with her?" Even though Lord Kenny was the Emperor, he merely ruled over ordinary people. Cynthia was from the Godly Region!

Hansel laughed menacingly and explained slowly, "Well, it's simple. All you have to do is defile her, and her skills would be abolished once she is no longer the pure

and innocent Nine Saint Oracle. She would no longer be a threat to the King of the Dead."

Then, Hansel patted Lord Kenny on the shoulder. "You're fortunate to be able to enjoy a great time with a Nine Saint Oracle. I would do it myself, but my evil aura as the King of the Dead's envoy would be exceptionally noticeable. You are different. She will be defenseless since you have the Cumber Evil Amulet with you!"

Hansel handed Lord Kenny a special bottle of pills that could cause drowsiness and left after a few more words.

Err...

Lord Kenny was confused; his brain was buzzing.

Was he supposed to defile one of the Nine Saint Oracles? That was a crazy idea!

Cynthia was a charming woman, and Lord

Kenny was fascinated by her appearance and figure. He would have no regrets, even if he were to die immediately after he had sex with a Nine Saint Oracle.

Lord Kenny smiled menacingly as he thought of the possible great time ahead with Cynthia.

'Don't blame me for this, Cynthia. It's the King of the Dead and his envoy's idea to do this.'

...

On the other side...

Ambrose felt better after he meditated for a while, and he urged Darryl to rescue Monica.

Darryl wanted to give it some more time so that Ambrose could recover fully before he made any other plans. However, he succumbed to Ambrose's pleas.

As the night fell, Darryl asked Ambrose to

hide in a cave before returning to the Royal City by himself.

When he arrived in the Royal City, Darryl snuck into the palace effortlessly. He had been to the New World Palace countless times, and he was very familiar with the routes and surroundings.

Darryl avoided the guards on patrol and hurried toward the Peaceful Cloud Palace where Monica lived.

When he was near the Peaceful Cloud Palace, he saw that it was well-lit from within. He took a deep breath to calm his excited nerves.

'My dear, I'm here to pick you up!'

What?

Just as Darryl felt emotional, he saw a figure approaching from a distance, not far away. That man wore a cold expression on his face; it was Lord Kenny.

'F\*ck! Why is he here?'

Darryl frowned; he thought that something was wrong. Lord Kenny was the Emperor, and a eunuch would notify his arrival to any of the palaces. Surprisingly, he did not have a eunuch with him; that was really suspicious.

Darryl had his doubts about the situation, so he did not act rashly. He hid in the dark hurriedly and observed quietly.

"Your Excellency!"

Lord Kenny arrived at a room entrance and spoke very politely, "How is your injury? I have many treasures in the palace. I can send someone to get them if you need them."

Lord Kenny faked a polite tone, but there was an evil glint in his eyes.
