

Chapter 3370

Charlie lightly said, "He almost killed you just now, I saved you back, aren't you going to thank me for saving your life first?"

This government army commander was not a fool, he knew exactly what had happened to him just now.

The moment Walter struck out at him, he knew that he would definitely not survive.

Unexpectedly, he was now saved by this man in front of him.

And. Even Walter, whose strength was superb, was controlled by him.

This shows that this person's strength is far above Walter's.

Thinking about this layer, he hurriedly said to Charlie gratefully, "Master Wade, thank you for saving this life!"

Charlie nodded with a bit of condescension and opened his mouth to ask: "I still don't know what you call yourself?"

The other party was busy saying, "My name is Sayid."

Charlie gave a hint and said, "Sayid, you should be able to see what just happened. Walter has already moved to kill you, he is one of the four battle commanders of the Cataclysmic Front."

"The fact that he dared to kill you proves that the senior management of the Cataclysmic Front has long reached a consensus that sooner or later they will make a move against you."

"So your top priority now is to hurry up and lift the threat of the Cataclysmic Front and save your homeland, if you can handle this matter cleanly, you will become a national hero of your country in the history books!"

After hearing this, Sayid nodded his head without hesitation and said, "Master Wade is right! I can see their true colors completely! I will call our senior management to inform them and let them make a decision immediately!"

Charlie said, "Tell them the situation clearly, and then tell them that you have a solution. You can capture all 15,000 men of the Cataclysmic Front without bloodshed."

Sayid exclaimed, "Master Wade, you really have a solution?"

Charlie nodded, pointed to the bewildered Walter next to him, and said indifferently, "With him. There is definitely no problem."

Sayid said excitedly, "That's really great!"

After saying that, he immediately walked to a corner of the conference room and used the field phone here to call directly to the highest level.

The call was answered, and Sayid then used his national language. On the phone, he reported all the situation here to the leader.

Charlie could not understand what he said, but could hear that he was getting more and more emotional, and a few times even choked out a sob.

After a few minutes, Sayid hung up the phone, looked at Charlie, and said with red eyes, "Master Wade, I have communicated with the high level, and the high level appreciates your help and promises that if you can help us solve the soldiers of the Cataclysmic Front, we are willing to make a permanent truce with Hamid!"

Charlie nodded and said blandly, "In that case, you immediately ask for support from your top brass, send all the soldiers you can, to this place!"

"Okay!" Sayid was so excited that he immediately made another call.

Soon, the government forces dispatched more than 20,000 soldiers from all directions. They came at a fast pace.

And during this period, Charlie still pretended to negotiate with Sayid and Walter, and Victor, the three-star war general who was responsible for picking up Charlie before, knocked on the door several times to ask questions.

But Charlie had Walter send him away, so it did not cause the others of the Cataclysmic Front to be alerted.

A few hours later, Victor knocked on the door again and said nervously, "Commander, the government army has sent many soldiers over again. Are you clear about what's going on?"

Walter, under Charlie's instructions, said, "Master Wade has some doubts about our strength, so we decided to invite him to review our team with the government army, you pass down the order, let all the men of the Cataclysmic Front immediately to the front of the camp to gather in a line, in order to reassure Master Wade."

"To ensure the absolute safety of the review process, everyone's weapons are prohibited to load ammunition. Violators will be locked up for one month and fined two months' salary, got it?"

Victor thought Walter wanted to show Charlie his muscles, this kind of invitation to parade to show muscle behavior, in the international arena can often be seen, said the parade, in fact, is a deterrent, let the other side see their strength, and then go back to weigh properly.

So, this kind of show muscle review link, to ensure that weapons are not loaded ammunition also belongs to the international practice, so Victor did not think much about it, immediately said: "Okay commander, I'll inform down!"

At this moment, Walter's own consciousness was about to collapse.

He naturally knew what Charlie was going to do, once his 15,000 men unloaded their ammunition, wouldn't they be lambs to the slaughter?

But he could not do anything at this time, but only worry and fear in his own consciousness.

At this time, Charlie to Sayid: "Are you ready?"

Sayid said: "Master Wade, I have communicated with all the commanders, a little later on the 15,000 mercenaries of the Front to make a full-scale arrest, then with heavy machine guns, armored vehicles guard, any one dare to resist, all will be killed!"
