

Chapter 1137 – 1142 of Punished by His Love Novel

Chapter 1137

“Suzi, Suzi?” Arron asked on the phone.

Suzi said in a slightly pale tone: “Arron, if Sister Shan leaves from Kraig, she is totally helpless. She likes our only one, and the only one also likes her very much.”

After exhaling a long breath, Suzi continued: “When I was calculated by Lanita, Sister Shan helped me deal with Lanita so wholeheartedly. I can’t help but remember this feeling.”

“Arron, I will go to Kraig’s place now and ask where Sister Shan has gone? I took her to my mother, so she and my mother can be a company.”

Here Arron replied: “Go, I will send Christopher to pick you up now.”

“Well, good.”

After closing the line, Suzi said to Galia and Rayna heavily: “Sister Shan...something happened!”

Galia and Rayna opened their mouths wide.

The two people who just joked about Dalia's possibility of being pregnant were all sulking.

"Kraig, it's too much!"

"How can he do this!"

"Looking at the person who looks like a person, very stable, and very respectable, how can you say that you change the hostess when you change the hostess?"

"Men are all sc*m!"

Seeing that two good girlfriends beat all the men to death with one stick, Suzi didn't refute anything. She only said: "Kraig's phone can't get through, Kraig's phone can't get through, and Sister Shan's phone can't get through. I can't get through, I can only go to Kraig's residence now and ask where Sister Shan is."

"Let's go together!" Galia said.

"I'll go too!" Rayna suddenly folded his hips: "If you want to deal with women like tigresses, you two should stay behind and I will take the lead! My little shrew's name is not for nothing! "

The two girlfriends suddenly laughed.

Half an hour later, Christopher came to pick up Suzi, and the three of them drove to Kraig's leisure villa on the mountainside.

As the car passed by Shen's only nursery school, Christopher reminded: "Madam, let's pick up Miss Du and don't know what to come back. Do you want to pick up the little princess now?"

"Yes." Suzi said.

Anyway, the car is too big to be squeezed and you can sit down.

After picking up Lilly, Lilly asked: "Mom, where are we going?"

"Go and pick you up Aunt Shanshan." Suzi said.

Lilly immediately jumped up happily: "I like Aunt Shanshan the most, Mom, I especially want Aunt Shanshan to give me a baby sister. Mom, I know Aunt Shanshan wants a child very much."

The six-year-old kid is very smart.

She is particularly able to understand what the adults are thinking.

Lilly had known for a long time that Aunt Shanshan wanted a child.

Therefore, when she came back from Gasing Island, she would give her auntie a pop animal doll.

Suzi took the opportunity to ask: "When we see Auntie Shanshan, take Aunt Shanshan back and live with your grandma. Do you like it?"

"Of course I like it! This way, grandma will have companions." Lilly smiled happily.

While smiling, she suddenly asked: "Didn't Aunt Shanshan live with Uncle Jun? Why did you pick her up?"

Suzi's heart dimmed: "Because of your Uncle Jun's house, a new mistress has arrived..."

Shen Only: "..."

She was suddenly silent, dull.

The car continued to drive.

After half an hour, they came to Kraig's leisure villa.

Get out of the car and ring the doorbell.

When Elma indoors heard the doorbell, she was overjoyed.

She thought Kraig came back without the key.

She hurriedly pressed the button to open the outer door.

Before long, three or four people came in the yard, all women.

Elma waited in his heart, then came to the hallway and looked out the door:
"You are..."

"We are here to drive you away, you bad woman!" Lilly suddenly raised his head and said fiercely.

Chapter 1138

Elma: "..."

Not to mention Elma, even Suzi, even Galia and Rayna were restrained by Lilly's domineering behavior.

In the two minutes since entering the door and walking here, Suzi, Galia, Rayna, and the three of them took turns to say to Lilly: "Little lady, if there is a fierce aunt coming out, you will..."

"I'm hiding behind you." Lilly said very well-behaved.

“Hey, that’s right, children can’t participate in the affairs of adults, you know!”
Rayna said to Shen Only.

Lilly nodded: “I know.”

Walking from the outer gate to here, the little thing has always been behaving like a little lady.

When the door of the outer room of the hallway hadn’t been opened, the little thing was still standing behind the three people. How could she rush to the front in the blink of an eye.

Even straight to the point, he scolded the woman in front of him as a bad woman.

My goodness!

More fierce than the little shrew Rayna!

It is more chili than the little chili.

“The only one!” Suzi scolded.

“Mom, don’t worry about it!” Lilly, akimbo, one leg tilted, and his chin tilted up, looking at Elma with enthusiasm!

Elma was really exasperated by the short arms and legs in front of him, and she babbled for a long time.

“You...you, you, you! Whose little bunny are you!”

Lilly: “You bad woman! Why are you in my Aunt Shanshan’s house! Are you a thief? You must be a thief!”

Elma: “You are the thief! I’m Kraig’s wife! Fiancee! In the future, Mingzhong will marry! Who is Dalia! That woman is a mistress! Inferior goods! Specialized in bed climbing! s3x toys!”

“You... keep your mouth clean!” Suzi suddenly became angry.

Elma looked up and down at Suzi and rolled his eyes: “Suzi, right?”

Suzi: “Do you know me?”

“What I said! No matter how the smell is the same, the same stuff as Dalia! There are you two, and this little one, no matter how you look at it, they are all cheap stuff! Get out! Get out of me right away ! If I don’t get rid of, I will...”

Elma didn’t finish saying a word, and Lilly had already started.

She was short and flexible, and her small head unexpectedly pushed towards Elma’s knee.

“Aw...” Elma fell on his back.

There was a thud.

Here, Shen sole rode Elma’s body very quickly, and without saying anything, he started to hook Elma’s nostrils with his fingers.

Huh!

This action made Galia and Rayna look silly.

How can such a small kid be beaten so much?

“Hurry up! Aunt Rayna, Aunt Galia, you two hold the badass woman’s arm so I can pick her big nostrils!” Lilly has already begun to give orders to the three followers behind him.

No, it’s two attendants.

The little things are very refined.

She doesn’t call her mother.

The two and Ban suddenly reacted, and each of them pressed Elma’s arm.

Suzi: “...”

This is... a beating?

What are they here for?

Come and pick up sister Shan, okay?

Why haven’t you seen where Sister Shan is, this...has been fighting?

And it was started by his six-year-old daughter?

Seeing the four women rolling on the ground, Suzi had a big head.

How did she raise such a girl?

The girl was invincible all over the kindergarten at the age of three.

Fighting is commonplace for Shen Only.

However, the only ones Shen used to fight were the children who bullied her.

Chapter 1139

Why this time, the little friends are so tough that even adults dare to fight, and they will give orders.

The most important thing is that these two girlfriends who took down the stage listened to their daughter's orders so much.

God!

At this moment, Suzi looked stupid.

On the ground, the four women tumbling must be Elma at a loss.

She didn't even think that she had been hit by a six-year-old baby girl, and when her head was stunned, her nostrils were hooked up by her fingers.

That's called a pain.

It hurts.

Elma was in pain like a lamb: "Baa, baa," wailed.

She was about to raise her hand to blow up the little turtle grandson. Her two hands were already held by the two women.

The two women still used their feet, stepping on one of her legs.

The whole of Europe, the whole world, and the bloody bars in Europe, she walked sideways. As a result, here, in this place she called her own home, she was forced by three women. On the ground.

The three women punched and kicked her with their three free hands.

At the same time, Shen Only's child hooked his nostrils more and more.

Hooking the nostrils, but Shen's only kid's killer.

She pulled Elma's nostrils with her two little fingers very flexibly, just like two big trumpet tubes, and a bit like pig noses.

Huh!

Shen Only laughed while hitting.

"Look at you ugly. You ugly boy, how can you be as beautiful as my Aunt Shanshan's toes? Today I want to hook your nostrils into a big horn!"

"Eh...I'm working hard! Hard!" Lilly used all the strength of breastfeeding.

She wanted to use all her strength, so she put her other small fist against Elma's chin and pressed it hard, so as to save herself more strength, so that Elma's chin could not be opened. Not to mention, she also bit her tongue passively.

"Wow..." Elma cried dully.

Her hair, her face, her ears.

Pulled, torn, torn and torn by three women.

In almost ten minutes, Elma, who was so arrogant and arrogant, even Arron dared to be beaten, his nose was bruised and his face was swollen, and his hair was torn in bunches.

The two domestic helpers laughed.

But no one stepped forward to help Elma.

The two domestic servants are not yet familiar with the new mistress, but think that the mistress is like a she-wolf, both rape and vicious.

It's better than the previous mistress.

Gentle and graceful, they have always been polite and respectful to their domestic helpers.

It's a pity that good people are not rewarded.

Such a beautiful and gentle woman was driven away by this female robber.

Isn't it irritating?

So at this moment, none of the domestic helpers helped Elma.

They were very happy in their hearts.

Suzi, who didn't do anything, stood aside coldly and watched all this.

She didn't sympathize with Elma at all.

She only yelled calmly: "You three shrews, can you stop fighting?"

"How come I know you three like this!"

She has forgotten that there is also her own daughter!

At this time, the only kid Shen was tired from hooking one hand. She wanted to change her hand. She pressed the small fist against Elma's chin and opened it.

“Aw...you ba5tards, ba5tards, dare to beat the old lady, don't you want to die! Maid, maid, hurry up and beat them away, are you two dead?” Elma Enduring the pain of the tongue, roared.

She just yelled twice, and was stunned by Shen Only's fist.

“Oh...” Now, the bite of the tongue hurts even more.

Suzi: “...”

At this moment, an extremely harsh voice suddenly came from behind:
“What's the matter!”

Chapter 1140

Everyone stopped.

Suzi looked back, and behind him was Kraig with a beard and sc*mbag and an extremely dull complexion.

God!

Didn't see you for half a month, why did Kraig change like this?

He should be a very dressy, gentle-spoken, calm personality, so that you can't guess his mind, he looks very peaceful on the surface, but he is actually a very capable man.

But now?

He looked like a sloppy man.

It looks like a sloppy man, but listening to that voice makes it cold and creepy.

It's like just walking out of an ice hole.

Suzi couldn't help but tremble.

The three people who had just beaten Elma on the ground also stopped in shock.

However, Lilly saw that there was a father behind Uncle Jun at a glance.

Lilly suddenly became excited, she awoke Elma's nostrils for the last time, and pulled it vigorously.

Pulling Elma's nostrils a full five centimeters in size, he bounced back fiercely.

"Aw...you little dead boy!" Elma howled and yelled.

Lilly ran to his father quickly, slid, and climbed onto his father.

Arron held Lilly, who looked back at Elma with a triumphant expression.

At this time, Rayna and Galia also got up from Elma. The two of them ran behind Suzi in an instant. Although Suzi did not participate in the beating, both Rayna and Galia knew that at this time, Suzi Keep them safe.

Only Elma was left on the ground.

She braced herself to get up with the pain all over her body.

The three people stared at the three people grinning.

At this time, Galia and Rayna suddenly couldn't help laughing: "Hahaha..."

Suzi, who had been sullen, couldn't help but laughed.

Shen Zhilong, who was held in his father's arms, smiled even more, and his entire body trembled.

Elma roared like crazy: "Kraig, are you dead! The three of them beat me, and the four of them! The four of them ran into the house to beat me, regardless of whether they were indiscriminate or indiscriminate!"

Kraig looked at Elma with decadent and impatient eyes, without saying a word.

Elma: "Kraig!"

Kraig said in a low voice: "Go up and wash! You are too gaffey like this."

"Kraig! They beat me, they beat me!" Elma rushed towards Suzi Rayna and Galia like crazy.

Of the three, Rayna was the best.

Seeing Elma rushing over, Rayna immediately said, "You two get out of the way!"

The little shrew's nature was immediately exposed. She akimbo her hips. Before Elma came to her, Rayna put her head towards her.

"Ao..." Elma yelled.

"Humph!" Rayna looked at Elma condescendingly, "Look at you, such an ugly woman, who wants you!"

Elma: "..."

She suddenly realized something.

Her hair, her nose, her face...

Ouch!

Without waiting for Kraig to say anything, Elma immediately turned and ran to the stairs. She staggered upstairs, staggered to her bedroom, came to the dressing table and looked at herself in the mirror, Elma was stunned. Up.

God!

The embarrassed female ghost in this mirror is the one who has always been known as the invincible little princess?

The woman in the mirror has messy hair, as if she has just been ruined by dozens of men, her hair is like messy grass, and her scalp is missing a pinch everywhere.

There was blood leaking from the scalp, and the blood stains on the hair again.

That's a terror.

Horror is not the most ugly.

The most important thing is her face. One face was beaten by three people, and it swelled into a big face, not to mention, the circles of both eyes were black and purple.

And those big nostrils.

Where are the nostrils?

Chapter 1141

Is it just a trumpet tube?

Anyone with big nostrils can be used as a funnel. These two big nostrils are inserted into her now swollen face, which is ugly.

It's really like a pig.

Gosh!

And the corners of the lips with blood.

And the tongue.

She has never been seen by Kraig like this!

Don't talk about Kraig, just replace it with anyone, and when you see her like this, you will feel disgusted and want to kick her into the air, right?

No wonder those D*mn women were laughing.

"Oh..." Elma let out a stern cry upstairs.

Here, Suzi, Galia and the only four of Shen looked at Kraig innocently.

"Mr. Jun, I'm sorry, this is the only thing today..." Suzi glanced at it only.

Lilly immediately said: "Who made this female thief call me a dead child! She also said that my Aunt Shanshan is dead! Who is she and why is she in my Aunt Shanshan's house! Why did she run up there, Call the police and arrest her, she is a female thief!"

Suzi: "My two friends saw that they were the only one to suffer, so..."

Seeing Kraig kept silent, Suzi stopped explaining.

Anyway, I love it!

Dalia no longer lives here, so she will never be a guest here in the future!

D*mn it!

There is really nothing good about men in the world!

Except his own man!

All fcuking wolves in human skins, sc*mbags!

Suzi looked at Arron and forcibly said, "Arron, let's go!"

Arron: "..."

After Suzi came to Kraig's place, Arron called Kraig's cell phone again after the meeting, but the cell phone was still turned off. He was not at ease.

Kraig is his best brother.

Half a month ago, because of dealing with Mr. Shu, Kraig didn't sleep for several nights after busying himself.

Putting down the phone, Arron drove out of the company to find Kraig in person. The first place he went was the box where his brothers often gather.

Sure enough, Kraig was drunk while drinking alone there.

Can't even drive the car.

Arron drove Kraig back again. As soon as he entered the house, he saw this scene.

At this time, they can only avoid it first.

Arron nodded and said, "Okay."

A few people left Kraig's home.

Until the moment they got out of the gate, when it was time to get in the car, the four of Suzi, Galia, Rayna, and Shen Only laughed suddenly.

Suzi was angry and funny: "You three, do you have shrews like you? Just hit the door!"

Galia lay on the car and smiled: "Eh, look at Elma's ugly heart, she is embarrassed to come down."

Rayna also smiled: "So ugly, Mr. Jun definitely doesn't want her!"

The little dumpling on the side smiled even more, and simply lay on his father's lap.

Suzi pointed to Lilly and said to Rayna and Galia: "My daughter was badly taught by you two little shrews. Lilly, your adult's behavior today is wrong!"

Rayna immediately retorted: "Come on, Sister Suzi, your daughter's sturdy appearance has been trained in the kindergarten, okay, she was taught by us, and we learned about the same as her!"

Lilly said with great pride: "That is!"

Suzi: "You...you are still polite! You can't be an adult in the future!"

Lilly immediately assured his mother: "Mom, I haven't beaten children in a long time. Little friends don't bully me. I won't beat them. I just think Aunt Shanshan is too pitiful... .."

Suzi was startled suddenly.

What are they doing today? Is it okay to come to Dalia? They went back without asking where they were.

She took out Arron's cell phone and called Kraig again. This time Kraig was turned on, and he clicked on: "Hey..."

"I'm asking you! Where did Sister Shan go!" Suzi asked angrily.

Chapter 1142

Where did Sister Shan go?

Kraig was speechless.

He didn't answer Suzi's words and then hung up the phone.

Suzi: "Hey! Hey! You are a sc*mbag! I always thought you were a gentleman and a serious person..."

Knowing that the other party had hung up, Suzi was still angry here.

Arron took the phone and said to Suzi, "Let him sober up first, and when he calms down, I will ask him again."

Suzi: "It can only be this way."

Say yes, a group of people got in the car and drove away from Kraig's leisure villa.

At the other end, Kraig stood on the terrace and watched them leave.

After coming down from the terrace, he went to Elma's room.

Elma didn't realize that Kraig could come in, so she didn't close the door either. When she saw Kraig coming in, Elma blushed.

However, she couldn't see her blushing now.

All of her faces were beaten by the three little girls of Shen Weiyi, Rayna, Galia, like pig liver.

I can't see the blush at all.

Elma immediately covered her face: "You, don't come in, don't let you see me like this!"

Kraig sneered in his heart.

I didn't let him see it, and he saw it too.

The woman in front of me is really ugly!

Especially those big nostrils.

The two big nostrils have shrunk a lot compared to half an hour ago, but at this moment, seeing the swollen and cracked nose looks like a trumpet tube, how ugly and ugly.

This reminded Kraig of Dalia immediately.

That woman never fights with people.

Even if she was dying of being beaten in the early years, she would protect her face from harm.

Comparing the two women, Kraig now looks at Elma, the more disgusting.

He did not expect such a result.

He waited painstakingly for the little swan that contained it. One day, the little swan finally flew back, but his heart changed.

How could this happen?

Kraig walked straight to the bathroom, got a wet towel from inside and came to Elma's face, personally wiped the dirt on her face.

Elma suddenly cried.

She cried and yelled: "Who are those bitches! Who are they, Kraig! You say! They ran to the house to beat me! They were all Dalia's helpers!"

"That D*mn woman! Go and find someone for me. I don't want to smash Dalia's hooves, I won't be Elma!"

"She has occupied my man for so many years, what else does she want!"

"Fly on the branch as a phoenix?"

"I want her to be a dirty chicken when I want her to be a chicken, and I want her to be dirty and sick until she dies!"

"Kraig, go and mobilize people for me!"

Elma looked at Kraig viciously.

When she was angry and spoke, her big nostrils flickered.

Kraig suddenly had an urge to severely tear off her two big nostrils.

He suddenly put the towel in Elma's hand, and then quickly went out.

Kraig hurriedly went downstairs, hurriedly out of the hallway, and hurriedly out of the large courtyard.

"Kraig, you just came back, why are you going..." Elma shouted heartbreakingly behind him.

Kraig didn't answer, let alone looked back.

"Kraig, you come back, you come back to me..."

"Kraig!"

Elma bit his lips so badly.

Kraig walked out of the yard and came to the garage. Regardless of whether he was drinking or not, he got into a car and drove away.

He did not go to the club where he and Arron often went.

He didn't want to let Arron find him.
