

# Chapter 959

"That's right!" Qin Wenyu added: "Don't try to escape. It's impossible for you to escape to a far foreign country this month. As long as you are on this island, even if you get into the mouse hole, I can. Find you, let alone Jiaxing Island, even if you follow my family Zhengxiong back to Nancheng, I can still get you out, I will tell you this Shanna, you may still have a way to survive on Jiaxing Island, as long as you Dare to follow Zhengxiong to Nancheng, I will make you better off than death!"

Qin Wenyu left the little love nest that Fu Zhengxiong bought for Shanna after he finished speaking.

"No... don't do this to me, my child, my two children..." Shanna sat on the ground, crying very helplessly.

She has no relatives anymore.

She is alone, and the man she loves most in this world is Fu Zhengxiong.

She now has two more relatives, the child in her belly.

She can't just sit and wait for death like this. She is going to find Fu Zhengxiong. She has to fight for the birth of her own child. Even if she is ruined, even if everyone in the world calls her a junior, she has to fight for the rights of her child.

With a stomach of six or seven months, Shanna staggered to the place where Fu Zhengxiong and Qin Wenyu lived, but the domestic helper at the door refused to let her in.

It is also because Jiaxing Island was indeed poor back then, and everyone loved money like life.

Shanna immediately took off the valuable bracelet in her hand and gave it to the domestic helper. The domestic helper often sees Shanna and feels that she is the woman of the big boss anyway. Shanna put it in.

Shanna dragged her pregnant belly to the door slowly, but heard the arguing inside.

"Fu Zhengxiong! Why don't you die! If you play with a woman, you play with a woman, and you still got her pregnant! You are really good!" This is Qin Wenyu's voice, her voice seems to eat Fu Zhengxiong The same.

Fu Zhengxiong also sneered and sneered: "Qin Wenyu! When I first looked for Shanna, but you linked me! You asked in advance that Shanna is the only bloodline left by the Xia family, and Shanna is here. There are still many people on this island who support her. If I chase Shanna, the Pan family will not dare to attack me easily on this island. Did you make this idea?"

"I made it!" Qin Wenyu's tone became more and more annoyed: "I just endured all my shame for your safety and allowed you to find a woman here, but I didn't let you make a child! You! Let me return two children! Fu Zhengxiong, what do you think of me Qin Wenyu? I love you so much! I can safely escape from Gasing Island for you and transfer all the property on Gasing Island for you When I came to Nancheng, I even sacrificed my own and gave you to another woman. Do you know that my heart bleeds when you are with that woman?"

Fu Zhengxiong said guiltily: "I'm sorry Wenyu, I'm sorry, I'm sorry you, I'm sorry our children, I'm sorry for your trust in me, I...I will deal with this matter as soon as possible, I I only love you in this life, and I will never fall in love with others again!"

"Zhengxiong..." Qin Wenyu cried and threw himself into Fu Zhengxiong's arms: "I really swallowed a lot of shame. How can a wife in this world tolerate her man raising a woman outside? Zhengxiong, you have to love me, don't touch that woman from now on! Let her knock out the child in your belly. Zhengxiong..."

"Okay! I must find a way to get her to kill the child." Fu Zhengxiong repeatedly assured Qin Wen.

At this moment, no one would have thought that Shanna was listening outside the door.

Hearing the conversation between Fu Zhengxiong and Qin Wenyu, Shanna's heart fell into the ice cave.

The man she loves.

She has been deceiving her feelings all the time.

Her love turned out to be based on exploiting. The upright wife Qin Wenyu who came to her troubles turned out to be everyone who set up this trap for her, but Qin Wenyu could still pretend to be very innocent and very wronged. .

So what is Shanna?

Does Shanna owe someone?

Shanna did not go in, but stumbled out of the residence of Fu Zhengxiong and Qin Wenyu.

She was walking on the street with no one at night with her pregnant belly. At that moment, her desire to die was very firm.

When Shanna was wandering the street, she met a middle-aged man.

The middle-aged man asked her with concern: "Daughter, you...what's wrong with you? You are pregnant and the month is so old, why don't you go out with the individual?"

## **Chapter 960**

Shanna, whose heart was ashamed, heard someone calling her daughter, and her heart felt like a bowl of hot soup was poured into her heart. At the same time, tears of grievance fell like beads with broken wires.

"Girl, girl, don't cry, what's wrong with you, tell your uncle what you have been wronged." The middle-aged man's tone became milder again.

Shanna said with a dumb voice, "Excuse me, who are you?"

On Jiaxing Island, Shanna had never seen this middle-aged man.

Moreover, she felt that this middle-aged man was extraordinary, and there was a kind of majesty between his brows, just like a man who had just returned from the battlefield.

Shanna did not guess wrong.

The man she met was Elder Shu, who was in the best position back then.

At that time, Father Shu was just over fifty years old.

The Shu family and the Fu family have met for generations, the Fu family has been in business, and the Shu family has been in the army. Although the two companies have no overlapping interests, the relationship has been maintained for hundreds of years.

Until the generation of Mr. Shu, the Fu family first opened up Gasing Island, and at the same time they also earned gold and silver mountains in Gasing Island. Then, the Fu family parted ways with the Pan family, who was supported by them, in order to ensure the wealth of the Fu family. All were transferred to Nancheng, and the Fu family even directly called for Mr. Shu, who was in full swing at the time, to help out.

The arrival of Father Shu made the entire Jiaxing Island even more under the suppression of the Fu family and the Shu family.

The Pan family at that time didn't even dare to let go.

Elder Shu came to Jiaxing Island with Qin Wenyu. He is not very familiar with the people and things here, so he didn't know that Fu Zhengxiong had a young wife in Jiaxing Island, and the little wife was pregnant with seven. Eight months pregnant.

What Elder Shu didn't know was that this little wife was the only little princess who survived the Xia family.

The reason why the old man Shu was so sympathetic to such a young young woman on the street at that time was because he thought of his daughter.

That year, my daughter had just ran away from home.

Elder Shu's heart was hollowed out because he was looking for his daughter.

So at that moment, when he saw a young pregnant woman who was also wandering on the street, Elder Shu suddenly thought that his daughter was also living outside.

That licking love was so deep that he couldn't help but care about Shanna.

And desperate, Shanna didn't know that the old man Shu, who had a father-like face, would be the helper of the Fu family. She only cried and cried silently to tell him what happened to him.

After listening to Shanna's cry, Old Man Shu suddenly became angry:  
"A55hole! This is what that A55hole did. Tell uncle, uncle will call the shots for you!"

Shanna smiled bitterly and shook her head: "Uncle, you can't control this matter. Thank you for your concern for me. Thank you."

"I can't control it!" Elder Shu sneered: "There is nothing I can't control on this Gasing Island! Don't worry, if your uncle says to help you, he will definitely

help you! Tell me, the couple who bullied you Who are the husband and wife! Uncle will get justice for you!"

Shanna looked at Elder Shu dubiously: "Are you...really telling you?"

She knew that on this Gasing Island, the power of the Fu family was greater than the sky. No one can stand the Fu family.

But looking at the middle-aged uncle in front of him, he doesn't seem to be talking big.

Shanna thought in her heart that she would be a horse doctor anyway, so she told Father Shu: "The man I love is Fu Zhengxiong, and the child in my stomach is Fu Zhengxiong, uncle, I love Fu Zhengxiong, I don't blame me , I just want my child to be born. I have no relatives in this world. My parents, brothers and sisters, so many relatives all died because of the turmoil that year. I only want what's in my stomach. Child, can you tell Fu Zhengxiong and his wife that if I keep my child, I...will not bother them anymore, okay?"
