

The Amazing Son In Law Chapter 3669

When Lord Banks heard this, he couldn't help but shivered, and blurted out: "I'm not going to Syria! I'm not going!"

Charlie said impatiently, "Got his mouth first, and then tie him to the white marble pillar of the archway! Tomorrow, I will pack it away with Zayne!"

When Zayne heard this, he was shocked and hurriedly said: "Dad! Don't go to Syria, that place is a poor mountain nest. Fighting continuously every day is 10,000 times more painful than jail time!"

For Zayne, he was 10,000 people who didn't want to go back.

However, he was also very clear in his heart that no matter how much he begged Charlie, Charlie could not change his mind.

The only way to prevent him from having to return to Syria, there is only one, and that is to quickly let his daughter Zara banks become the head of the Banks Family.

Because Charlie said that once Zara banks becomes Patriarch, Zayne can come back.

Just now, he heard that Charlie wanted his father to give way. The first and only possibility he thought of was that Charlie wanted his daughter Zara banks to sit on the position of Banks Family Patriarch.

But just when he felt that he wanted time to run, he didn't expect that the old man would dare to disobey Charlie's meaning. Isn't this asking for trouble?

Lord Banks was also in a mess at this time.

He used to think that he was also the head of the top domestic family, Charlie said nothing to get him abroad, otherwise if this spreads out, the Wade Family will definitely become the target of public criticism.

However, Charlie wasn't a fool either. He certainly couldn't openly tie Lord Banks himself, so he just let Wanlong Temple take the shot.

A mercenary organization like Wanlongdian dared to fight civil wars in other countries, let alone Lord Banks.

Therefore, Lord Banks was already in a panic at this time.

Zayne was afraid that Lord Banks would annoy Charlie, and finally the boat was done, so he blurted out, "Dad! Don't think that Charlie is joking with you! I have been sent to Syria by him for a long time! Look! I am so f**king skinny now! And not only did he tie me, Shoude was also detained by him in a dog farm, where he lived in a dog cage for several months, and now I have no chance to release it! What if you If you are not convinced, Charlie will definitely send you to Syria. As long as you have the bones of your body, if you are sent to Syria, if you can live for a year or a half, it will be incense!"

After hearing this, Lord Banks only felt his liver trembled.

At this time, he finally figured out that Charlie could even subdue the Wanlong Palace and even dare to kidnap his two sons. It is impossible to just scare him.

If he was sent to Syria, he would be able to escape. He had heard of Hunter (Hamid)'s ability. Even the Wanlong Palace could not attack him, so he would be sent there. With the Banks Family's ability in the nursing home, it is impossible to save myself.

In that case, there is only a dead end waiting for oneself!

At this time, the soldiers of the Wanlong Palace had firmly grasped him with both arms, and one of them took out a towel that he didn't know what to do, and directly put it in his mouth.

At this moment, Lord Banks's face pale in fright, the boss with eyes wide open, desperately said: "Don't tie me! I choose the first one! I choose the first one!"

After all, he looked at Charlie and choked: "Master Wade, I am willing to give up the position of Patriarch to Zara. Please raise your hand and let me go! I will sign all the formalities and move to the Maldives!"

"Return to the Maldives..." Charlie said coldly: "Let you choose you or not. Now the conditions have changed! Don't think about Maldives. There is a country in Africa called Madagascar. Would you like to know about it in advance?!"
