

The Amazing Son In Law Chapter 3673

Zayne trembled in shock, and quickly said: "Mr. wade, I was wrong! I am willing to be under residential surveillance! Even if I put me under house arrest, I won't have any problem, but don't let me go back to Syria. Enough..."

Charlie had expected that he would be soft, and said lightly: "Since you are willing to accept, after the ancestor worship ceremony is over, you will return to Aurous Hill with me, and I will arrange you properly."

When Zayne heard this, he knelt on the ground, crying and begged: "Mr. wade, please don't send me to the kennel..."

Charlie didn't say a word, but casually glanced at Kairi Elms – Xion's Mom who was standing with Xion.

Seeing Kairi Elms – Xion's Mom's expression was very nervous at this time, Charlie knew that she must still care about Zayne.

After all, she could sacrifice an arm for Zayne and gave him a daughter. She must have true love for him in her heart.

Thinking of this, Charlie sighed softly and said to Zayne: "Okay, I won't send you to the kennel."

After speaking, he looked at Lord Elms (Wilfred) again and said, "Mr. Elms, after Zayne went to Aurous Hill, let the Elms family arrange for someone to put him under residential surveillance."

Lord Elms (Wilfred) did not expect that Charlie handed Zayne to himself, and hurriedly asked him: "Mr. wade, I don't know what your requirements are?"

Charlie said calmly: "After all, he is the biological father of Zara banks and Xion, and since he admits his mistakes in a good manner, I will not deliberately torture him or send him to the kennel."

When Zayne heard Charlie talk about this, his whole body took a breath, and his tears almost couldn't hold back.

Charlie continued at this time: "Just leave him in the villa where you live! Just leave him an underground room. Your family will be responsible for his clothing and food, but I have a few The red line must not be touched."

Lord Elms (Wilfred) hurriedly handed his hands: "Mr. wade, despite your instructions, you must absolutely obey it!"

Charlie said: "First, he must not be allowed to leave the villa for half a step; second, he must not be allowed to have any contact with the outside world except for the Elms family, including Zara banks and Xion."

Lord Elms (Wilfred) immediately said respectfully: "Please don't worry, Mr. wade, take a personal guarantee and will never let him leave the villa or contact the outside world!"

Zayne was also completely relieved at this time.

His relationship with the Elms family has always been pretty good.

Needless to say, Kairi Elms – Xion's Mom's love affairs with Kairi Elms – Xion's Mom back then were also Kairi Elms – Xion's Mom's initiative, so Zayne can't be talked about as a guilty man.

In addition, he is Xion's father and took good care of the Elms family before, so his relationship with the Elms family is actually quite good.

Charlie did not simply want to give Zayne a little sweetness when he handed him over to the Elms family.

The main thing is that he felt that Kairi Elms – Xion's Mom was indeed pitiful, and he had paid a lot for Zayne throughout his life.

When he was a girl, he became Zayne's personal bodyguard, and later crippled him, gave birth to a daughter for him, and raised his flesh and blood by himself. This kind of effort has long surpassed ordinary people.

Therefore, Charlie has the heart to create an opportunity for her.

In the future, Zayne can only be supervised by the Elms family, so Kairi Elms – Xion's Mom will definitely take care of him.

If Zayne is really a Taoist, and after divorcing Deana and being under house arrest in Aurous Hill, he should treat Kairi Elms – Xion's Mom well.

If he figured it out someday and decided to marry Kairi Elms – Xion's Mom and live the two together, then he would definitely let him be free.

Of course, Charlie would never say this, otherwise Zayne might immediately agree to it for freedom.

In this matter, he still has to let him slowly realize it.

When will he fully understand, when will he be free!
