

## The Amazing Son In Law Chapter 3674

Zayne naturally still couldn't figure out what Charlie meant in his heart.

He only knows that he can basically be free.

Even if it is under residential surveillance by the Elms family in Aurous Hill, it is definitely 18,000 times stronger than Syria.

Therefore, now he is ecstatic, and he wants to go to Aurous Hill as soon as possible.

Zara banks was extremely grateful to Charlie at this time.

Secretly sighed in my heart: "I really didn't expect that Benevolence could actually retaliate with virtue and give the Banks Family a good result far beyond my expectations..."

"Grandpa can leave Yeling Mountain safely, dad can also return to China to spend his old age, and I can officially take over the Banks Family and become the head of the Banks Family..."

"Just when the two warlords of Wanlong Palace were killed with the finger of Grace, I was still thinking that Grandpa would be killed here today..."

"But I didn't expect that Benevolence would still leave him a way out! This is indeed a model of repaying grievances with virtue..."

But Zara banks also knew very well that Charlie's grandfather's life should be to take over the Banks Family better for himself.

After all, most of the shares of the Banks Family belong to the old man, and all the voting rights are also in him. He is the head of the Banks Family and the actual controller of all the Banks Family's properties.

If he died today, then the Banks Family must distribute the inheritance according to the order of inheritance.

Although his father was the eldest son, but Charlie restricted his freedom, and the situation of the second uncle was the same.

Under such circumstances, the Banks Family will lose its backbone and will inevitably fall apart.

Once the family is separated, it is difficult for anyone to gather the Banks Family together again.

However, Charlie used the condition of forgiving his life, in exchange for the old man's willingness, reasonable and legal transfer of all equity and control rights, in this way, Zara banks can easily take over the Banks Family.

Once Zara banks is in power, no one can threaten her as the head of the Patriarch.

If anyone in the Banks Family dares not accept, Zara banks can even drive him out of the Banks Family and the business system of the banks Group directly.

The thought that Charlie helped him so much, Zara banks's inner gratitude has long since been added.

At this moment, there was a pair of eyes in the crowd looking at Charlie with hot eyes.

This person is Helena who has been standing in the crowd behind Charlie.

She didn't expect Charlie to have such a powerful strength, and she didn't expect that Charlie would be able to let Zara banks successfully sit on the throne of Banks Family Patriarch with a few words.

This reminded her of what Charlie had said before, and she not only sighed: "Charlie said that he could let me sit as the Queen of Northern Europe. Originally, I still had some uncertainty in my heart, but now, I am sure that Charlie will be able to do it.!"

At this moment, her heart was full of revenge. She was already looking forward to the moment when she became the queen and trampled Olivia under her feet.

However, Charlie did not pay attention to Helena at this time.

He said to Zayne and Lord Banks: "You two, one of you organized the anti-wade alliance back then, and the other rushed to Yeling Mountain today with Ma Daixiao. The death penalty can be avoided, and the living sin cannot escape, so now you are going to my parents' spirits. Kneel! Kneel until this time tomorrow morning!"

Lord Banks only trembled in his heart, but when he thought of just kneeling for a day and a night without any additional punishment, he felt a lot more at ease.

He also knew very well that Charlie couldn't send himself to Madagascar so quickly, and this kind of punishment was acceptable to him.

Zayne is the same.
