

The Amazing Son In Law Chapter 3678

When everyone heard it, they naturally agreed.

They all know Charlie and his low-key, since Charlie won't let it out, everyone will naturally not rebel.

Charlie looked at Lord Banks, and said: "The matter of giving way to Zara banks is still to be announced to the outside world, otherwise I am worried that she will not be able to establish her prestige in the Banks Family."

Lord Banks nodded quickly and said: "That's that! Today, I am now Mr. Wade's parents are confessing spiritually, and I will officially announce this to the public tomorrow! Let Zara take over!"

"Okay." Charlie nodded in satisfaction, and said: "After the agreement is signed, the news is announced, and the transfer of rights is completed, I will arrange for someone to take you to Madagascar. As long as you cooperate, what should you bring to Madagascar and what to bring? Anyone, as long as you don't be too exaggerated, I won't interfere. You can hurry up and get people prepared."

Lord Banks said with excitement: "Thank you Mr. Wade! Thank you Mr. Wade! I want to bring my housekeeper, so that he can prepare the supplies and team for Madagascar..."

At this time, Bank's Butler, who was waiting for Lord Banks's triumph at the Banks Family, could not have imagined that his master had made up his mind to take him to Madagascar.

And Charlie said to Lord Banks at this time: "The Wanlongdian and Banks Family people kneeled like this first, and our ancestor worship ceremony will continue as usual later."

Lord Banks hurriedly said, "Then I will let everyone prepare!"

Charlie nodded, seeing Helena who was difficult to integrate in the crowd and surroundings, and said to Lord Wade: "By the way, don't forget to arrange the Concorde in the afternoon to send Helena back to China."

Lord wade said immediately: "Don't worry Charlie, I have already arranged the plane and can take off at any time."

At this time, Helena plucked up the courage to walk to Charlie, and said respectfully: "Thank you so much about my business, Mr. wade!"

Seeing that she seemed to have something to say, Charlie said: "Helena, don't worry, since I said to help you regain the throne, I will definitely honor my promise."

Helena breathed a sigh of relief immediately, nodded in gratitude and said, "Thank you, Mr. wade!"

After speaking, Helena hesitated again and again, still speaking: "Mr. wade...I just received a message from Northern Europe, things may have changed over there..."

Charlie frowned and asked, "What news?"

Helena said: "It is said that yesterday Olivia and the representatives of the Rothschild family talked about late at night. They have reached a preliminary marriage agreement and are preparing to formally announce at 10 o'clock in the morning local time today that Olivia will News of marrying a member of the Rothschild family, and the wedding time is scheduled for tomorrow night!"

Charlie asked in surprise: "The Rothschild family? Is that Olivia dating someone from the Rothschild family?"

Helena opened the mouth and said: "As far as I know, Olivia has no boyfriend... and the Nordic royal family and the Rothschilds did not have any intersection before... so this thing is a bit sudden."

Charlie couldn't help frowning when he heard the Rothschild family.

Although he always knew that the Rothschild family was a mortal enemy with his father, and believed that the Rothschild family was probably behind the murder of their parents, he never had the opportunity to have any direct contact with Rothschild.

The only people who have a little connection with the Rothschild family are Walter Horowitz and his father Steve Hogwitz, who were locked up in the kennel.

The Hogwitz family is said to be a distant relative of the Rothschild family.

The distant relatives are so far away that the two of them have been missing in Aurous Hill for so long, and no one from the Rothschild family ever came to look for them.

It can be seen that families like Hogwitz are simply poor relatives who stay away from the Rothschilds.
