

Chapter 4251

After listening to Philip's voice message, Charlie was surprised in his heart.

If it is really as Philip said, combined with his father's recognition of this man back then,

It is enough to see that Hogan must have very strong overachievements.

And Charlie is also very clear in his heart, his current biggest development constraint is the scarcity of talent.

Although the Cataclysmic Front is strong, but after all, it cannot see the light,

And what the Cataclysmic Front can solve, is the force level problem.

In the future, want to let the Wade family's strength rise,

Force is only a very small part of it, more, is the operation.

In this point, even Charlie himself is far from it.

In the future, the Wade family not only needs a leader to show the course,

But also needs an experienced trader with the safest and most efficient way

To help the Wade family this huge ship sailing more stable, faster, and farther.

Perhaps Hogan is a suitable candidate.

However, Charlie knows very well in his heart that he is not familiar with Hogan and knows very little about his past,

And he is bound to do the same for himself.

It would undoubtedly be a bit abrupt to directly propose an invitation at such a time.

So he planned to take this opportunity to get acquainted with him.

Soon, Hogan and the fellow downstairs began to walk upstairs with the elaborate Cantonese-style rice dishes.

After Hogan had finished his work and filled the long table with food,

He finally stopped his busy work, took off his apron, and came to the opposite side of Charlie and Sara.

After some courtesies, the three of them sat down opposite each other.

Hogan took out a bottle of old yellow wine and said to Charlie,

“Young Master Wade, if you have a taste for it, you might as well have a couple of glasses together.”

Charlie said without thinking, “Yes, Uncle Chen, I will drink some with you.”

Hogan nodded and smiled, opened the yellow wine, and was about to pour it for Charlie,

When Charlie took it over first and smiled,

“Uncle Chen, you are the elder, it is better for me to pour you a drink!”

With that, he poured the wine glass in front of him half full first.

Hogan seemed to be somewhat terrified, stretched out his hands to protect the wine cup all the time,

After Charlie finished pouring, he said gratefully,

"Thank you, Young Master Wade,"

Charlie nodded and asked, "By the way Uncle Chen, are you from Hong Kong Island?"

"No." Hogan shook his head and said, "My ancestors are from Duanzhou, Guangdong Province,"

"My father ran to Hong Kong Island during the war, I was also born in Hong Kong Island,"

"My father relied on the ancestral craft of roasting geese in Hong Kong Island,"

"And took root in Hong Kong Island, and then my family gradually became rich,"

"So they sent me to Europe and then America to study."

Charlie asked curiously, "Then how did you meet my father?"

Hogan said, "I met your father when we were hiking in the United States,"

"We were both students at that time, we just ran into each other when we were hiking during the holidays,"

"Plus we both had almost the same trip planning, so we became friends from then on."

The two of us went to schools far away from each other,"

"But we didn't see much of each other, although we wrote and called often."

"Then later, your father went back to China with your mother, and left me a contact when he left,"

"Hoping that I could go to Eastcliff to find him after graduation,"

"But my heart was attached to the home, so I went back to Hong Kong Island."
