## Chapter 1932

There is a snake head who likes Ying Ming's kung fu and wants Ying Ming to go abroad with him.

Ying Ming is naturally very willing.

When everything was ready and it was time to go to sea, Kraig caught up again.

He chased him all the way from Kyoto to this border town. The hard work during the period is self-evident. The crimes that Ying Ming committed in Kyoto, the people who harmed him, although some were guilty and deserved death, some were also innocent. .

He is already ten murderers, so Kraig has to take Ying Ming back.

In that border town, Kraig surrounded Ying Ming with three floors inside and three floors outside.

Seeing such a battle, Ying Ming had even retreated, because he didn't want to implicate his sister, who was sixteen years old and could support herself.

If he took his sister along the way, it would really ruin her life.

However, just when Ying Ming was about to raise his hand to surrender, the snakehead beside Ying Ming suddenly said, “Mingzi, have you ever thought about your sister?”

Ying Ming looked at the snake head: “What do you mean?”

“Your sister was born so wise, if you die, your sister will fall into my hands immediately, and I’ll play with her naturally. When I get tired of your sister, I’ll use This ship, transporting her to Africa, I can still sell it for a good price...”

Ying Ming said angrily, “You...do you think I dare not kill you!”

“Dare!” The snake head shrugged and smiled: “You kill me, you still can’t escape, you are still caught by those people, and then you will

The younger sister is still a single person, the snakeheads of this generation, big and small, no less than a dozen...”

Ying Ming’s numb bones were pinched by the snake’s head.

“What do you want!” Ying Ming asked.

“Crush! You and I are wearing the same pair now, we can only rush now! If we can rush out, we can all live! With your skills...”

Ying Ming shook his head: “I’ve seen Kraig’s skills, but I can’t beat him! He’s a more ruthless character than me! I can’t beat him!”

“You can’t rush through. You are no longer his opponent if you fight alone with him, not to mention that he has brought so many people! But we have our weapons.” Snake said.

“What weapon?” Ying Ming asked.

“Have you seen the twins?” Snake asked.

It was a fisherman not far away. The twins were looked after by their mother and left the scene little by little after Kraig cleared the scene.

“It’s too late, but it’s too late!” said the snakehead.

As soon as Snake's voice fell, Ying Ming suddenly ran wildly, rushed to the woman like a madman, and hugged a child in one hand.

The child burst into tears: "Mom, mom..."

"Don't come here! As long as anyone dares to come near me, I will kill them!" Ying Ming held a child in one hand.

Kraig on the opposite side: "..."

After a long pause, he asked, "What do you want?"

Ying Ming looked at Kraig viciously: "Let me go! Let me go abroad! I want to leave this country! I will take my sister abroad and never come back!"

Kraig immediately agreed: "Okay! I'll let you go.

, but you let the child go! "

"Fart!" Ying Ming's hideous face

Looking at Kraig: "If I let the child go, you will shoot me to death immediately!"

Kraig: "You...don't mess around!"

Ying Ming said: "I will take the children away until we are safe, and I am putting the children in a small boat and bringing them back. Otherwise..."

As soon as he said it, he made a gesture to strangle the child.

"No..." the child's mother howled miserably.

She 'normally' knelt beside Kraig and cried out, "Please, don't provoke him, meet his conditions, don't let him hurt my child, don't!"

The two children who were kidnapped by Ying Ming also cried heartbreakingly.

"Mom, I want mom..."

“I want my mother, you bad guy, let me go...”

The two children cried and cried.

Kraig couldn't say a word.

Ying Ming!

## Chapter 1933

He must be caught! Not to mention that what happened to Ying Ming might be very unfair, but the crimes he committed have already had a lot of consequences!

The existence of Ying Ming has threatened the stable life of the people of Kyoto.

But, how can he catch him at this moment?

Look at the two poor helpless children.

Look at the crying heartbroken mother.

Kraig raised his hand helplessly and said to his subordinate, “Let him go!”

Ying Ming immediately got on the motorboat.

The motorboat departed instantly.

The sound of the motorboat whizzed, and it drove out dozens of meters at once.

And Kraig was not a vegetarian either, he followed Ying Ming unhurriedly all the way.

Four hours later, what Kraig saw floating on the sea were two corpses.

Two small corpses.

In fact, Ying Ming didn't intend to kill the two children at first, he just wanted to take the two children to go abroad smoothly, but Ying Ming never expected that two good children would bite.

The girl doll kept crying, kept crying, crying and shouting, "Brother, I'm afraid."

The boy doll was extremely angry: "You bad guy, let go of my sister, I'll go with you alone! If you don't let me go, I'll bite you!"

The four-year-old boy did what he said, he turned his head and bit Chao Yingming's wrist.

Don't look at the four-year-old child, the teeth haven't changed yet, but the bite is very ruthless. The child bit off the flesh on Ying Ming's hand and neck.

Ying Ming frowned in pain.

Originally in a very bad mood, Ying Ming, whose patience had reached a critical point, became completely beastly after being bitten by the little boy. He lifted the little boy above his head and threw him viciously on the floor of the motorboat. superior.

The little boy was thrown, and he only breathed out in an instant.

"Brother, brother..." The little girl cried heartily, seeing her brother being thrown on the ground

Not moving, the little girl became more and more fearful and brave. She even followed her brother's way and bit Ying Ming's other arm and neck without hesitation.

Bite hard, you won't let go.

He was so ruthless that he bit off a piece of meat from Ying Ming's neck.

Ying Ming was in pain again, and directly threw the little girl onto the boat.

"Bang!" The little girl first groaned, and then fell to the ground. Like her brother, she was only out of breath.

And Ying Ming still couldn't understand the hatred.

He raised his fierce boots again and kicked the two children lying on the ground. He didn't know until the child didn't respond any more that two more lives were destroyed in his hands.

Ying Ming was already numb.

If anyone dared to stop him again, he would still be so vicious.

right!

he has become a

A downright, extremely ruthless desperado.

in this world

, Except for his sister Yingzi, he Yingming doesn't care about anything anymore!

The younger sister was stunned: "Brother, they are only four or five years old."

Not to mention heroic, even the snake head was stunned: "This..."

Ying Ming sneered and ordered the snake head: "Drive the boat fast, take my sister and me to a safe place, and give me all the money you have! Otherwise..."

The snake head stammered immediately: "Give it, I will give it!"

Ying Ming sneered: "Okay! Very good!"

He said, "Open the way!"

The ship drove away quickly.

On this side, by the time Kraig saw the two corpses floating on the boat, Ying Ming, Snaketou and his sister had already left.

When he saw the two corpses, Kraig vented angrily: "Ying Ming, I must bring you back!"

## Chapter 1934

Kraig went abroad, not entirely to hunt down Ying Ming, but it just happened that he was leveling the frontier in those years.

Then there are some remnants abroad that he wants to clear.

So when I went abroad, I thought of getting rid of Ying Ming as well. However, what Kraig never expected was that Ying Ming was so prosperous abroad. It was because Ying Ming became more and more Getting more and more demented, burning, killing and looting is never soft.

Even if it is weak and innocent, he will not let it go.

Ying Ming's creed is: "You are weak! Even if I don't slaughter you, there will be other strong people who will slaughter you. Instead of letting other strong people slaughter you to strengthen them, it is better for me to slaughter you and strengthen myself!"

"Are you saying I'm ruthless?"

"I used to be a loving person, and I also had a warm family, but my mother was driven crazy, and my sister was only ten years old, and she was sent to the bed of a six or seven-year-old old man as a gift by a predator of the weak. , Is there anyone in this world more pitiful than my sister?"

“I’ve had enough of human suffering!”

“I’d rather become a murderer, and I don’t want my sister to suffer like that again!”

“! Just kill everything!”

This is Ying Ming’s creed.

And it was completely impossible for her to go to school again, the 16-year-old girl Yingzi, who was nurtured by her brother in a life of displacement with her brother, gradually became cold.

hard.

Now, more than ten years later, Yingzi is a thirty-year-old girl.

She has also become, no different from any cold-blooded and ruthless killer in this world.

Back then, when she and her brother were out in the world for a while, someone in the capital city in China once contacted Ying Ming, hoping that he could bring some people back and give Ying Ming a good position.

Ying Ming was even moved.

But at that time, the ghost of Kraig caught up again, Jun Jing is really a persevering person, he just kept biting Ying Ming.

Abroad, Kraig is not as comfortable as Ying Ming.

Ying Ming almost killed Kraig, but at a critical moment, he met Arron.

Arron!

That illegitimate child who was a few years younger than Ying Ming, was only eighteen or nineteen years old at the time, but Ying Ming saw it as a more ruthless character than himself.

The first time Yingming saw Arron’s eyes, he knew that Arron was definitely a cold-blooded prairie wolf.

Sure enough, Arron assisted Kraig, and did not leave behind Ying Ming's pursuit.

Finally, Ying Ming, who was standing on the heels of the foreign column, once again fled with his sister.

Back then, if it wasn't for Kraig's serious injuries, and Arron had to estimate Kraig's life or death first, maybe Ying Ming would have died in Arron's hands long ago.

Because Arron's chased by Arron didn't have any pieces left, he wanted money but no money, and no one wanted anyone, so when Yingming contacted the big man in the country who wanted him to go back, the big man didn't care about him anymore.

After a long time, Ying Ming knew that the big man was Kraig's second uncle, Jun Chengyin.

Later, Ying Ming never lived as well as he used to be.

He also tried to return to China, but he couldn't find the opportunity anymore, because, not long after, the capital had completely become Kraig's world. And Kraig's second uncle, Jun Chengyin, was suppressed by Kraig, and he didn't even have time to breathe.

Ying Ming took his younger sister and wandered abroad since then.

Sometimes when the wind is smooth, you can be a pirate at sea for a period of time. Sometimes when she sees her sister's poor health, Ying Ming takes her sister to find a safe place to live a clean life.

However, both brothers and sisters are used to fighting and killing.

If they don't burn, kill, and loot for a day, they feel uncomfortable.

Gradually, Ying Ming missed his mother and wanted to come back and lick some dirt on his mother's grave, but he couldn't come back.

More than ten years have passed, and he has never had the opportunity to return to China.

## **Chapter 1935**

His hatred for Kraig and Arron also increased day by day.

Especially when he heard that Arron became the youngest person in power in the Fu Group and became the king of Nancheng, Ying Ming was even more jealous to the point of blood dripping from his eyes!

Why!

Why can they all become the king of a city, but he Ying Ming has to flee everywhere!

If it wasn't for Arron and Kraig's pursuit and blocking of him back then, Ying Ming might have returned to Kyoto by now, and could have brought the wreckage of his mother to the capital from the old forest in the deep mountains, and buried it well.

But, because of Arron, he Yingming took his sister to run around in vain for so long.

At this moment, Suzi's Yingzi, whose foot was injured by the explosion, was sobbing silently.

Cry like a child.

Only then did Suzi know that Yingzi was older than her, and that Yingzi was in her thirties.

Maybe it's because he has always grown up under the protection of his brother, and the heroic expressions, movements, and all kinds of things in his early thirties are still like a girl.

Probably, this is the reason for not getting married and not having children.

However, Yingzi's face also has wrinkles, vicissitudes, and suffering.

Especially when she was crying and crying.

While crying, she complained to Suzi: "You call my brother a robber, a robber, and a murderer one by one. Do you know that my brother used to have good grades in school! My brother used to work very hard!"

“How can a woman from a wealthy and rich wife among you realize that my brother and I, my mother and our family of three are trampled on like ants in a metropolis like Kyoto!”

“You know, a little girl, a ten-year-old girl, was treated as a dog by her own sister, tied her on a chain and played with her everywhere, do you know how I feel in my heart?”

You do not know!

You can't feel it!

Because you have always been dressed in fine clothes and food, and you have lived a life of a high-class person, you will know that my brother and I, my mother, we almost starved to death?

You never know! “

“You are seven or eight months pregnant, and you can still wear such foreign clothes. All your maternity clothes are tailor-made for you by your husband. They are beautiful and beautiful, and you don't look bloated at all.

But you know me, when I was ten years old, just because I was able to pick up clothes that my sister didn't wear and wear them out, my stomach was excited in the corner by myself, changing all my clothes.

I was even grateful, and wanted to kowtow to my biological father.

You know, that taste has been with me all my life? “

“and!”

Speaking of this, Yingzi's tone suddenly became extremely cold.

But she was trembling all over, she gritted her teeth and asked Suzi: “You know, do you know what it's like for a ten-year-old child to be carried to the bed by an old sexist in his sixties or seventies?”

You do not know!

You do not know!

You never know! “

“So! After that, when I grew up, when I could kill myself with a knife, as long as I saw a man who abandoned his wife and daughter, I would kill him without mercy!”

“I want to kill all the men in this world who abandoned their wives and daughters!”

Hearing Yingzi’s tragic remarks about her past, Suzi knew that Yingzi had always been aggrieved.

Perhaps, Yingzi regarded her as a friend.

Suzi calmly patted Yingzi’s back and said gently, “Okay, stop crying, let me tell you something...”

### Chapter 1936

Yingzi was stunned for a moment: “What’s the matter?”

Suzi smiled: “We are the two of us.”

Yingzi: “Huh?”

“When you were telling me about your past, you said it several times inadvertently. You want to kill all the people with the surname Shen in the world, including me?”

Yingzi: “...”

To be honest, she had a good impression of Suzi.

Don't look at Suzi's pregnant belly, which makes it inconvenient to move, but the calmness, composure, and tenacity shown by the stretcher are all admired by Yingzi.

Yingzi also heard from her brother Ying Ming that Suzi was also very hard back then.

Yingzi was even envious in her heart. She was also someone who had suffered in her youth, but Suzi met a good man who loved her and loved her.

And what about her beauty?

follow forever

Brother wanders.

Never tasted the taste of being loved.

Seeing that Yingzi didn't answer, Suzi helped his stomach and chuckled lightly: “Actually, my real surname is not Shen, my biological father's surname is Lin, you at least know who your father is since you were young, but I was born after birth. I don't even know who my biological father is.”

Yingzi: “You... are you so bitter?”

She knew that Suzi was suffering, but she didn't expect that Suzi didn't even know who his father was.

Suzi looked at Yingzi.

In Yingzi's eyes, there is obvious sympathy for her.

Obviously, this is not a girl who was ruthless and mean-spirited from birth.

Yingzi is compassionate.

Suzi was thinking in her heart, as long as she could have one-thousandth of her life, she didn't want to die here, at Ying Ming's hands.

The husband is still waiting for her to go back.

Six-year-old Shen Wei must have his mother to accompany him to grow up, so that his personality will not be flawed.

There is also the baby in the womb, which is about to be born. Suzi doesn't even know whether the baby is a boy or a girl. This child has not seen the busy light of this world.

Suzi didn't want to die.

Death is just a way out of nothing, just a last way to protect Shaoqin and Shen.

If, Suzi thought, if he could find a breakthrough point in this 30-year-old girl named Yingzi, then it would be a silver lining.

Thinking of this, she shrugged, sighed, and smiled faintly: "Not only did I not know who my own father was when I was born, I am not as lucky as you, and there is someone who can protect you all the time. brother."

"When I was a child, I was only seven or eight years old. I was once exchanged by a husband and wife for their children to experience life for a week. In fact, the husband and wife wanted me to make a fuss. Want to publicize the compassion of their husband and wife outside."

"They originally thought that I came from the countryside and must be dirty, smelly and sloppy, so they found a lot of people who wanted to see my sloppy appearance first, and then through the careful care of their husband and wife, they would clean me up. So, I was thinking of getting me dirty on purpose."

"What else?" Yingzi's eyes widened.

Suzi: "Of course! You have lived in a big city since you were a child, and everyone's quality is not very bad, just like your stepmother, if it wasn't for the company's situation, she might still be able to speak to you, but I The couple I met wanted to use me as a face-to-face teaching material everywhere to show their love."

"Later, they saw that I was clean, not sloppy at all, and could play the piano. The husband and wife became angry and beat me so hard that I broke three ribs."

Yingzi: "..."

When he said this, Suzi's expression was very calm.

## Chapter 1937

Not even sad.

After all, that couple and their daughter were punished accordingly.

And she has long since emerged from that shadow.

But, I was still shocked when I heard these heroic gestures.

Although Yingzi was poor when she was a child, she had no new clothes to wear and often couldn't eat, but she did have her mother's love, her brother's protection, and a thousand dollars from her father every month.

She really didn't expect that Suzi was more miserable than her when she was a child.

Suzi glanced at it, exhaled and laughed again: "This is not enough, there is something even more unbearable, that is, the daughter of that couple gathered a lot of people at school and bullied me, and they went to Shit was spilled on my head, on my body, and it stinks all over me, and I vomited a good chance along the way."

Yingzi: "..."

After a pause, she suddenly patted Suzi: "Suzi..."

“At that time, I didn’t dare to go home, and I didn’t dare to be known by my parents, so I tried my best to wash by the river by myself.”

“The same night I was kicked and my ribs were broken, I endured the pain alone and walked more than ten miles before returning home.”

“Actually, these are nothing, the main thing is my biological father...”

When it comes to his biological father, it is really the pain of Suzi’s life.

“When I was eleven years old, my adoptive father died of illness, and my mother was not in good health. People in our rural areas also gossip that I was not born by my adoptive father. In order to give me a good learning environment, my mother put I was sent to live with my dad.”

“But, my father never recognized me as his daughter.”

Having said that, Suzi looked at Yingzi again: “I’m not the same as you, your family is your parents, your stepmother and you both know that you are your father’s daughter, they just hide it from your younger sister, don’t want to She was hurt.”

“But what about me?”

Suzi smiled sadly, with tears in his eyes: “The whole family knows that I am Jarod’s biological daughter, only I don’t know. They let me age from twelve to twenty.

, and always live in the thoughts of gratitude, inferiority, and indebtedness. Therefore, when my sister committed a crime and they framed me and made me take the blame, I felt that I owed them and should pay it back. “

“Mass!” Yingzi raised her hand and thumped on the sofa’s help, slamming the wooden sofa into a few small pits.

Suzi shook his head, shaking the tears in his eyes, and continued: “My biological father never told me that I was her biological daughter. Never told me.

Until one day, his other daughter became seriously ill.

When he needed me to donate an important part of my body to his other daughter, he told me that I was his biological daughter.

Yingzi, if it were you, how would you feel? “

Yingzi: “...”

The misery in the world is relative.

Yingzi knew that Suzi was suffering, but she did not expect that Suzi was so bitter. She suddenly felt that she was not the most pitiful, at least, she did not receive any substantial loss, and her brother also gave her a savage bite. Nasty.

“So Yingzi, you are not the most miserable girl. I am your companion. We are all miserable women.” Suzi looked at Yingzi with a smile.

Yingzi nodded and burst into tears: “Well.”

When Suzi was about to say something to Yingzi, he suddenly heard movement inside the room.

A room inside was closed to Pan Haoyang.

“What are you doing! Don’t understand any crooked thoughts! Otherwise, I’ll shoot you in the head with one shot!” The shadow of the weak side was shown just now, but suddenly, like a she-wolf, he snarled.

Suzi’s heart suddenly twitched.

She was afraid that Yingzi would not really blow Pan Haoyang’s head off.

But when he heard the room, Pan Haoyang sighed: “It turns out that you are all so bitter, so bitter.”

## Chapter 1938

Suzi + Yingzi: "..."

"Suzi..." Pan Haoyang in the room sighed, "I, like Yingzi, only know your suffering, but I don't know how bitter you are. I have always thought that I may be the most suffering in the world. I have been abandoned by my mother since I was born. I never knew who my father was. My adoptive parents and adoptive mothers always gave me a cold face.

I think, why is my life so hard!

But, I found that I am not suffering at all.

My adoptive parents just didn't pay much attention to me, but they didn't abuse me, they gave me food and clothing, and my brothers loved me very much.

but I....."

Pan Haoyang said half of what he said and didn't say any more.

He just laughed, and the voice was a kind of relieved laughter.

Perhaps, he suddenly figured it out.

Who will take revenge?

Who in this world is not born to suffer?

There are really few people who are really smooth sailing.

Whether it is Pan Haoyang, Ying Ming, Yingzi, Arron, Suzi, all of them are like this.

Including his own mother Shanna's life, it was ups and downs, and it was much more bitter than sweet.

Therefore, Pan Haoyang didn't want to blame anyone anymore.

He chuckled lightly, his voice was very low, very soft, and said with a thick, male voice: "If you want to kill me, just kill me, I don't care anymore."

Yingzi: "..."

She heard Pan Haoyang's voice before, either roaring or scolding.

But this time, it was Pan Haoyang's most normal voice. His voice was so nice and magnetic.

Moreover, there was a strong sense of grief and melancholy in that tone.

This makes Yingzi feel pity for each other.

She came to the door with a lame leg and said, "Pan Haoyang, you...Are you all right?"

After speaking, Yingzi's face turned red.

She didn't know why she was blushing.

My heart beat suddenly.

Pan Haoyang sneered and said, "I'm fine! Whenever you want to kill me, you can do it. I only have one request, don't hurt Suzi."

"As long as you don't hurt Suzi, even if my surname is Pan, even if I go to the underworld, I will no longer ask you for the account."

"I have never been greedy for money, and I don't care about islands. I have enough to live on the island! So this island is given to Ying Ming! I only have one request, don't hurt Suzi! If you dare to have anything

to do with Suzi Half a point of damage, then see you in the underworld!

At that time, I will be a ghost and tear you two brothers and sisters to shreds! “

Yingzi: “...”

Yingzi didn't feel how cruel Pan Haoyang said, but what she could feel was Pan Haoyang's love for Suzi.

Yingzi is not jealous of Suzi.

But, she also wants a love.

Yingzi is in her thirties this year. She has been living with her brother all the time. She has never thought about her love life.

And this time, when I came to this island, and from the very first contact with Pan Haoyang, Yingzi heard from Pan Haoyang that he didn't want anything, as long as he could have a yard full of flowers and plants, a woman he liked, and his children To live together, to be together for a lifetime, is enough.

Yingzi is also very envious of such a life.

very envious.

She has never been in love.

At this moment, Yingzi's expression was in a trance.

“what happened to you

, Yingzi? “Suzi asked.

Yingzi shook her head: “Nothing.”

“Oh.” Suzi looked at the inner room again. Although they were closed, she could not see Pan Haoyang's situation inside, but Suzi knew that Pan Haoyang could hear everything, so she asked, “Are you alright? Haoyang? “

Pan Haoyang was silent for a long time.

After a long time, he said, "I'm sorry, Suzi."

Suzi really wanted to scold: "I'm sorry, can you get a relationship, you bastard!"

## Chapter 1939

However, Suzi didn't say anything.

At this time, it is not the time to fight with Pan Haoyang, but to stabilize.

Steady the situation and you will be able to survive.

Besides, Pan Haoyang is the son of Shanna's mother no matter what, and Arron's twin brother. Suzi will still care for Pan Haoyang very much.

Especially Pan Haoyang treats Shen Weiyi so well to the core.

Thinking of this, Suzi's heart was relieved a lot.

She said in a calm voice, "It's alright, Hao Yang."

Pan Haoyang: "Suzi..."

Suzi interrupted Pan Haoyang: "You should be less impulsive and take good care of your wounds. After all, it is Shaoqin who has hatred with Ying Ming, not you. I think Ying Ming should not kill you and live a good life in the future."

Needless to say, without waiting for Pan Haoyang to say anything, Suzi said to Yingzi, "I'm going out."

This is the place where Yingzi watched Pan Haoyang. As for the place where Suzi lived, Ying Ming arranged for her separately.

"Okay." Yingzi said.

After complaining to Suzi, and Suzi helping Yingzi treat the wound on her foot, Yingzi felt that her relationship with Suzi was close.  
Unsteady walking.

When the two came out, they happened to meet Ying Ming who was waiting outside.

When looking at Ying Ming again at this time, Suzi felt that Ying Ming's face was not as terrifying as before.

She also smiled at Ying Ming.

Ying Ming: "..."

The whole person was stunned at the moment.

There are countless women he has played with in his life.

Many are killed by playing.

The reason why he killed them after playing is because Ying Ming hates seeing their faces that endure humiliation while kneeling down and begging for mercy.

The appearance of those women made Ying Ming immediately think of Feng Yue, Shen Zishan's wife.

How noble is Feng Yue?

That is the woman who fascinated Shen Zishan, took away her mother's husband, and caused her to lose her mind.

That is a very famous fashion designer in Kyoto.

Beautiful and elegant.

But that night, when Ying Ming insulted Feng Yue in front of Shen Zishan, Feng Yue did not humiliate to death.

Instead, in front of her husband, Ying Ming would do whatever she wanted her to do. She was very obedient, to the point of begging for pity and flattery.

That night, Ying Ming actually didn't plan to kill Feng Yue in the first place.

Only later, he was so disgusted by Feng Yue's appearance.

Therefore, the knife fell, and Feng Yue was killed with one knife.

Later, he got used to burning, killing and looting. Whenever he met such a woman who wagged his tail and begged for mercy, most of him would not leave a living room.

Just because of nausea.

In this world, there are really not many women that Ying Ming likes.

And Suzi, counted as one.

The reason is that Suzi's spirit of not giving in and not backing down attracted Ying Ming.

Just as Yingzi and Pan Haoyang had expected, why didn't Ying Ming look forward to having a warm little family in his life?

He loves himself, he also loves his wife, and has his own children. For Ying Ming, such a warm life can only be a dream.

And it's a daydream.

Very unrealistic daydream.

However, it was different when meeting Suzi.

Although Suzi was pregnant, Yingming didn't dislike Suzi at all. He felt that he was a man with major flaws, so what if Suzi was pregnant?

he likes.

He loves!

He has always liked children, and children are the most innocent little cubs in the world.

Seeing Suzi smiling at himself, Ying Ming said five words gently and reverently: "I...I really love you!"

### Chapter 1940

Hearing Ying Ming say this, Suzi had goosebumps all over his body.

But Suzi held back the bad feeling in his heart, and sneered indifferently: "It doesn't matter, someone like me still loves me, which shows that my old lady is very charming!"

Ying Ming: "..."

I just like her rebellious and unruly character, who would rather die than be afraid.

"Very good." Ying Ming's tone was still gentle.

Suzi: "..."

"Boil a woman, I, Ying Ming, are the best at it, and there are ways to do it, but, if it were you, I would be more patient, and I would make you fall in love with me." Ying Ming said confidently.

"You..." Suzi was stunned by what Ying Ming said!

But Yingzi suddenly said at this time: "Brother! Suzi is a good person!"

Ying Ming sneered: “Yingzi! Don’t forget, we are specifically against good people!”

“She’s really nice, she cured my foot injury, she sympathizes with me, she has the same miserable fate as me, even Suzi suffers more than us, brother.” Yingzi comforted her brother patiently.

Ying Ming suddenly became angry: “No! Why do you think I like her!”

Yingzi: “...”

Ying Ming lowered his voice and said, “Take good care of her! Brother is really like letting her be your sister-in-law. Brother is tired, almost forty, and wants to start a family.”

Yingzi nodded with tears in her eyes: “I see, brother.”

Does your brother want a home too much?

Not too much.

My brother has committed murder and arson all his life, not even a wife, everything is because of her sister.

This night, Yingzi and Suzi slept together.

Although Suzi was younger, at night, Suzi actually got up with a pregnant belly and pulled the quilt for Ying Zi.

“What are you doing!” Yingzi held the gun with great vigilance and suddenly stood upright, and then pointed the black muzzle at Suzi.

Suzi shrugged: “I’m more than eight months pregnant, and I can’t hold back my urine, so I have to get up several times throughout the night. When I see your quilt falling off, I pull it for you. I’m afraid you catch a cold.”

Yingzi’s face suddenly turned red: “Yes... I’m sorry.”

“I don’t blame you.” Suzi laughed: “You lick blood all year round, you may have long forgotten. In fact, there are always more good people than bad people in this world.”

Yingzi: "I... don't know how to get along with people."

Suzi: "Don't you get along well with me, and tell me your story."

Yingzi: "..."

After helping Suzi to go to the toilet, he helped Suzi to sit on the bed, and both of them couldn't sleep.

Yingzi suddenly asked quietly, "Do you miss your father?"

Suzi: "..."

Saying you don't want that is impossible.

It was a love-hate pain.

She has always wanted to ask Jarod: "Don't want me! What are you doing to give birth to me!"

She wanted to ask this sentence ten thousand times.

A hundred thousand times.

She had to ask until Jarod's shoulders fell apart.

But Suzi didn't actually ask Jarod how many times.

She is an adult.

Jarod has already received the punishment he deserves, and Suzi's heart has been extremely cold to his father under the circumstances that he has been subjected to the calculations of his biological father for ten years.

Therefore, Suzi said lightly: "I don't want to, I have no love or hatred for him, and his future life and death have nothing to do with me."

After a pause, she asked Yingzi, "You miss your father very much?"

Yingzi curled up inside me, holding her gun in both hands.

It was as if the gun was the biggest support in her life.

“I have a good memory, do you believe it? I still remember that when I was less than two years old, my father still held me. It was inseparable.

But at that time, his heart was already occupied by the woman named Feng Yue, and Feng Yue was pregnant at that time.

After that, my dad never hugged me again.

Every time you give me living expenses, it's like a charity.

It was as if I had been forced into this world without his consent. “

## Chapter 1941

Speaking of this, Yingzi laughed at herself: “It's as if I owe him what I always owe, not him. I haven't enjoyed my father's love since I was over a year old. I have always longed for my father's love, even if Shen Zishan gave it to me. I love a little bit, and I feel very happy.”

“Actually, many times, I wish it was just a dream.”

“I think, I want to go back to the past, it never happened, I want to be like a rebirth story in a novel!”

“I don't want my daddy to die, I don't want to hate my daddy, I don't want anything. I just want a daddy. I just want a daddy... Who's going to pay me back, my daddy?”

A woman in her thirties, crying like a child.

She seemed very unreasonable. She said it wasn't because she hated her father so much, or how heartless her father had been to her.

She just asked over and over again: “Who will give me back my father?”

Who will give her back her father?

It is often said that unfortunate childhoods take a lifetime to heal.

A happy childhood can heal a person's life.

Man, it is.

Seeing Yingzi crying like tears in her arms, Suzi thought of the only one who was far away in Nancheng.

Everyone in this world seems to be suffering.

Suzi is like this.

Suzi's adoptive father and biological mother are like this.

Including the only one, she didn't have a father in her childhood, and she didn't meet Arron for the first time until she was five years old.

Fortunately, Sanford was the only one to accompany him.

Therefore, although the only childhood was poor, it did not lack love.

The only one has always been physically and mentally healthy and cheerful.

But, what's next?

The child finally got along with his father for two years. They get along very well and are very happy. The child feels that he is the happiest child in the world with the love of his father, mother, grandmother and uncle.

But, the child is only six years old, will he lose his mother?

Absolutely not!

Suzi didn't want to die anymore.

To die is the wrong choice.

She wants to live.

must live!

Even if she has gone through all the hardships and hardships, she will still live!

This kind of heart is getting more and more firm, and her eyes can't help but look in the direction of Nancheng, and she whispers in her heart: "Shaoqin, you have to wait for me, wait for me, you have to find a way to save me, we Husband and wife must have a heart-to-heart, and they must have a heart-to-heart."

She meditated over and over again, and Arron, who was at the far end of Nancheng, actually had telepathy.

Arron is drunk again.

Growing up, he never drank heavily.

But, at grandfather's funeral, Arron drank for two consecutive days.

Arron, who was drowsy after drinking, fell asleep in the mourning hall, fell asleep, he had a dream, and he dreamed that Suzi was calling him.

She asked him to rescue her.

You must save her.

Arron woke up.

A mouthful of bad wine.

"Mr. Fu." The woman kneeling next to Arron was Jin Meitian.

"You...why do you have a stench on your body?" Arron pinched his nose very directly.

Jin Meitian: "..."

It's been a day and a night since she was played by Shen Weiyi and fell into the cesspool. Jin Meitian has also showered countless times, but the stench on her body is still faintly audible.

Jin Meitian felt extremely ashamed.

Fortunately, there was something that made her gratified. His daughter Shen Yiyi didn't come back for a day and a night, and he didn't even ask a question.

Jin Meitian said carefully: “Mr. Fu, that... your daughter she...”

Halfway through her words, Arron’s cell phone rang. He picked it up and pressed the answer button several times before pressing it correctly.

Then, Arron said with a bit of tongue: “You... who are you? Why... why are you calling me?”

At the other end, there was a timid voice: “Dad...”
