

YOU ARE MINE (ENGLISH) - Chapter 541 I&#39;VE MADE A  
BREAKTHROUGH

'She held her hands back. But Stuart could still see her disappointment on her face.

She tried to force a smile.'

'Looking at her back

Stuart held fist more tightly.'

'When she walked into the store

all the sales woman greeted

"Hi

Mrs. CEO."

"Hi

" She said in a gentle voice.'

'Eddie looked friendly. But she also felt uncomfortable when she thought these

saleswomen might call Hicks "Mrs. CEO" after a few days.'

'The manager asked Stuart

"Mr. CEO

same requirement?"

"What is a requirement?" Eddie was puzzled while looking at Stuart.'

"The dress needs to cover Mrs. CEO's arms

back

shoulder

breast

and knees. Don't you remember?"

'The manager got confused. Because he never heard such a requirement before

he specially wrote a report to Dior's headquarter in France. Therefore most gowns in this quarter were designed based on Stuart's unique demand.'

'Eddie smiled

"No. Give me whatever you have. It is autumn now. Give me a coat."

542 YOU ARE MINE (ENGLISH) - IT IS MY DUTY

'No one dared to interview Stuart because he was powerful. They didn't even dare

to take his pictures. All of them pointed their microphone towards Edie and started asking them sharp questions.'

"Miss Lara

could you share your ways to approach the president of L.N as a normal girl?"

"Miss Lara

have you got yourself pregnant to force the president to marry you?"

"Miss Lara

as the adopted daughter of the Greg's

you caused the old Greg's death. Miss Greg was also put in prison because of you.

Could you tell us what really happened?"

"Miss Lara

please tell us the truth. Our source told us you hadn't held your wedding with Mr.

CEO because you had an affair with his younger brother

is it true?"

"Miss Lara

was it Mr. Stuart that was the reason why you got a role in The White Love

Song?"

"Miss Lara

our resource said Zoe Anna was replaced because she offended you.

Could you

share your opinion on hidden rules and bullying incidents in the

entertainment

industry?"

"..."

543 YOU ARE MINE (ENGLISH) - IT SOUNDED LIKE BEGGING

"So you believe me

right" Edie was surprised. She couldn't believe it for a moment. She doesn't expect

that this man will be going to save from the humiliation.'

"Though I want to divorce you

I won't hurt you. I don't know what kind of girl you are. But...I believe you are a good girl. Otherwise I won't fall in love with you before. If you're bad based on other's judgment would I be going to marry you?"

'He stared at Edie with his purely black eyes. He wanted to tell her how deeply he loved her until now but he chose this way to protect her.'

'He wanted to tell her. But he couldn't tell her everything. Not until he will know the identity of the person behind Hicks.'

'Edie stared at him back. She wanted to tell him that he loves him so much and she misses the old Stuart. Her heart started beating faster and faster.'

'It took quite a while for her to make a smile. Her smile was light but beautiful.'

#### 544 YOU ARE MINE (ENGLISH) - I LOSE EVERYTHING

'When hearing the voice Hicks couldn't help herself trembling.'

'She immediately turned her back to him and covered her face with her purse. As she was about to leave Aaron stopped her.'

"Baby don't hide your face. I really want to confirm whether you are that girl or not. Don't worry and I've always been nice to my ex."

'He buckled Hick's wrists and moved her hands from her face.'

'Hicks shouted out

"Getaway. Asshole don't come near me

"

"Oh

it is really you. It's been quite a long time since we dated each other.  
About three  
years ago  
right? Do you still remember? The luxury cruise ship  
gorgeous view of the sea  
our feelings for each other  
our endless sex.... your moan on every touch that I made into your body  
""

'Aaron's words got more and dirtier. Hicks was pissed off. She blushed.'

""Shut your mouth up  
your asshole.""

'Hicks couldn't bear his torture. She raised her hand  
wanting to slap him. But before she touched his face

Aaron already caught her hand.'

545 YOU ARE MINE (ENGLISH) - CRAZY LIKE A DOG

'Guards standing asides finally noticed what happened.'

'The guard talking to Hicks just now walked to them

"Mr. Yates

could you change the place. If you kill her here  
we should handle the consequences. This a public place  
and your image as a Yates member would be a big hindrance  
think about it  
""

""Do you know me?" Aaron touched his nose and showed a wired smile.'

'The guard answered while trembling

"Mr. Anderson already told us to serve Mr. Yates and your brother...""

'Actually

before the party

Todd already told the guards to pay close attention to Aaron. Todd was  
worried that

Aaron would do something terrible again at the party. Todd even  
thought that he

would make another problem for Stuart.'

'And he was right. Aaron was really going to kill a girl here.'

'Aaron looked at Hicks struggling in his hands

"all right then. Lucky for you. Darling

make sure you can do something to fight against me. I don't mind killing you next

time if you want that."

546 YOU ARE MINE (ENGLISH) - I DON'T WANT TO CRY

'Eddie blushed. She increased the strength of his hand on purpose.'

'Aaron felt pain. But he didn't make any sound.'

'Eddie immediately stopped

"you need to see a doctor. Don't get infected."

"Okay

" he said

fixing his eyes on Eddie.'

'She was concentrating on dressing the wound

trying to be as careful as she could to avoid hurting Aaron.'

'Several wisps of her hair fell down. She tried to hold them back

but the hair kept falling down.'

'Aaron couldn't stand this anymore. He helped her hold her hair behind her ear.'

'Eddie raised her eyes and looked at her. He smiled

"I know you are touched. Don't. I am a bad guy. I just want to be a good man

occasionally. You should remember that I am not really good

and my own family often humiliates me for being unfilial."

'Eddie couldn't help herself laugh out

"I prefer you to be a good guy forever. You would have lots of friends around. And

you can find someone who will be going to take care of you for the rest of your life

547 YOU ARE MINE (ENGLISH) - STUART ALREADY FORGOTTEN

HER

'Eddie trembled and opened her eyes. She looked excited.'

'It really worked.'

'Aaron was surprised. He could say she's suppressed for quite a while.'

"Eddie

you say bad words."

"Oh  
I forget."

"I like it." Aaron burst into laughter  
"do you want to go on? You can continue to express your words  
and I won't mind it  
"

'Eddie nodded. She yelled hard  
"Stuart  
you are an asshole. I would torture you hard after you restore your  
memory. I will  
punish you a little to relieve the pain you caused me in times when you  
forgot me."

"Mom  
grandpa. Please get along with each other there. Protect me when I  
needed more  
strength  
"

"Scarlet  
don't forget to be happy. Whatever your burdens this time  
best friend  
remember it will surpass later on  
"

"Aaron  
all your dream could come true. Aaron  
I wish your happiness  
"

'Finally  
she ran out of energy. And tears were gradually falling from her eyes.  
She let go of  
all the pain she had hidden for so many days.'

548 YOU ARE MINE (ENGLISH) - DON'T WASTE OUR TIME

'The road back to downtown was so long. It was in autumn. It was quite  
cold at  
night. She walked and thinking of anyone that could come to give her a  
drive  
,

'Scarlet was not a good choice. If she knew this she might rush back to the villa and fight with Hicks.'  
'Aaron just sent her back. She couldn't ask him for more help because she's afraid it will create another hatred between Stuart and him.'  
'Donald... he hadn't recovered from the shadow. Perhaps he was exhausted now.  
She should not bother him at this point.'  
'\*\*\*'

'Edie couldn't think of anyone.'  
'Finally she had no choice but to stop a taxi. She found a hotel and took a rest.'  
'She lay on the bed but she couldn't fall into sleep.'  
'She started talking to her baby.'  
"Little one tomorrow Mom will be going to make a big decision"  
"Tears stream down from her eyes."  
549 YOU ARE MINE (ENGLISH) - I AM LOOKING FORWARD TO HER REACTION  
'Edie stared at the agreement blankly.'

'Party B...Stuart'  
'These words burned her eyes. She wanted to burst into tears but she held back her tears and won't give Hicks the satisfaction to feel happy seeing her suffer.'  
'Finally she closed her eyes painfully and put the pen down  
"Sorry I won't sign the agreement. I made up my mind. I refuse to divorce Stuart"  
"She firmly said without batting an eyelid."  
"What the hell? Edie. What the hell do you want? We've spent lots of time

preparing the agreement. Accept it. Stuart already forgot you. Stop tangling with

Stuart. He clearly doesn't want you to stay in his life move on and give his freedom

'''

'Hicks stood up

madly and screamed. She wanted to slap Edie right now; however she can't do it in front of Stuart's lawyer.'

'Edie raised the head and stared at her indifferently

"I couldn't give you my husband. I would fight for him. I will lose everything if

you marry him. What...what could I do after that?'"

550 YOU ARE MINE (ENGLISH) - HOW DID SHE LEARN TO COOK?

'All doors were pulled down at the end placed on the lawn.'

'Apparently

Hicks knew she couldn't stop Bette so she asked Stuart for help.'

'When Stuart arrived with Hicks and saw those doors his face changed.'

'''Where's the vice director?'''

'Stuart asked coldly'

'''In the living room

" Mr. Sampson answered.'

'At the same time

Edie looked at the villa without a door blankly.'

'''Mom

actually

we don't have to do this. The doors....'''

'''Don't worry. I would handle all these.'''

'Edie suddenly realized the style of women in the Yates. All of them were determined while protecting what they wanted to protect.'''

'Both Bette and Brittany were this kind of woman.'  
'Stuart walked into the living room.'  
'Edie raised his head  
seeing his eyes  
angry and scary.'  
'Her heart started trembling.'  
'But then she saw Hicks holding Stuart's arm tightly. She felt jealous of her.'  
'Bette started talking.'  
"'Who's she? I don't like her. Clear her out.'"  
551 YOU ARE MINE (ENGLISH) - DON'T LET HER IN AGAIN

'Edie was excited when seeing this. She thought Stuart would kick her out again today. Apparently Stuart didn't do this because of Bette even though Edie was satisfied.'  
'She pulled the dish to Stuart  
"Eat some soup. You always have a stomachache. The soup would warm your stomach. These are all your favorite."  
"Eat."  
'Stuart said. Then he got a piece of meat into the mouth.'  
"'Delicious?" Edie asked him nervously. Her face turned red. Her eyes were shining. The girl in front of Stuart looked incredibly cute at the moment.'  
"'Not bad. Stuart hid his fondness for her in the eyes and said.'  
'Edie started screaming out happily at the bottom of the heart  
"I am so glad you like it. Tell me whatever you want to eat. I could cook them for you."  
"

'Bette thought Stuart would piss her off today. But he didn't say any more words.  
Bette was relieved.'  
'Looking at the smile of Edie's face  
Bette was satisfied. Edie's smile was impressive like her mother's.'  
552 YOU ARE MINE (ENGLISH) - DON'T BE TOO GREEDY

"If you are his wife  
I won't do anything. I would love to accept you. But you are not. Edie is  
his wife.

You couldn't do this. You are destroying his family. Have you realized  
this?"

'Hicks almost laughed out.'

'Bette had no right to judge others. She also cheated on her  
husband—the shame of  
this woman.'

'But she couldn't say it out. Stuart would get angry if she says it out.'

'But it was a fact. She was the woman that ruined the Lynch's.'

'But since Bette already did this to her

Hicks didn't mind making it worse.'

'No matter how she begged her

Bette won't help her anymore.'

"Interesting. Are you destroying the family? You are better than me at  
such a

thing. Stuart might learn from you. You just want to hide those dirty  
things."

'Hicks didn't hide her ironic smile. She directly exposed Bette's scar.'

'Bette was pissed off.'

553 YOU ARE MINE (ENGLISH) - JOANNA'S LIES

'Luckily all employees have already left the company now. No one would  
see their

president being blocked at the door of his office. It looked really an  
award.'

'Mr. Bates forced a bitter smile

"Madam Bette asked us to break your leg if you refuse. She's already  
called the

doctor for you."

'Stuart got angrier.'

'He knew her. She would do this. She dared to do this.'

'She got in the way in his plan.'

'But Stuart didn't get angry inside. At least  
now he could pretend to be forced to stay with Edie.'

"Okay."

'Mr. Bates took relief. He's too old to get involved in their fight.'

'After getting in the car

Mr. Bates continued

,

""Madam Bette also said she would pick you up from now on  
6 o'clock pm. She will break your leg if you refuse.""

""What else did she say? "Stuart felt a headache.'

'Mr. Bates swallowed saliva and went on

"She asked you to sleep with your wife  
otherwise...."

""Break my leg again? Stuart raised his eyebrows.'

'How many legs did he have?'

'Mr. Bates smiled bitterly

"Yes...."

554 YOU ARE MINE (ENGLISH) - 554 CHAPTER 554: DO YOU HAVE  
ANY EVIDENCE?

'Joanna kept describing their dirty affair. She wanted to humiliate Edie in  
front of  
the public eyes.'

""Do you have any evidence?""

""It is said you are in deep love with your husband. How do you feel after  
finding  
their affair?""

""Do you have words to tell Mrs. Yates?""

'The reporters kept asking. All of them wished to find more.'

""Evidence? The best evidence is the hospital certificate. My husband  
locked me in

a bughouse in the United States. And he told others I had some  
problems in

mentality so that no one would trust what I said. But I am totally okay.

This is the

doctor's statement.""

""Indeed

I deeply love my husband. But he's been too brutal to me. He did this to  
me just for

a married woman. I've already filed an action for divorce. I would sue Donald Lynch."  
"As for Edie

she would be punished sooner or later."

'Ivan's face turned. Edie was still upstairs.'

'She couldn't see this.'

'At the same time

Edie's phone was ringing off the hook.'

555 YOU ARE MINE (ENGLISH) - A ROMANTIC STORY

'Edie stopped. If Aaron didn't drag her she couldn't move a step.'

'She couldn't understand a word of their conversation.'

'She was dragged into the car. She wanted to check the news on the phone. But

Ivan took her phone away.'

"What happened? What are those reporters talking about?" Edie's voice was

trembling

,

'Aaron looked dignified. He had no enough time to explain to her

"We should leave here now

to hide yourself. I would tell you everything."

'He stepped on the accelerator and drove away

,

'Then

he took the pad out and showed Edie the news.'

'Joanna appeared and held a news conference in the name of Bella's Group.'

'As those reporters got bored with those business reports

Joanna appeared and showed them the hospital statement. She told everyone at

present about what her husband did.'

'Joanna said she found her husband's affair with Edie. Donald locked her in the

bughouse and abused her in mentality.'

556 YOU ARE MINE (ENGLISH) - SHE STILL LOVED STUART

""Die? What a foolish story." Aaron wanted to make Edie laugh out.'

'Edie looked at her. She wanted to kick him

"I don't think so. I believe that's love.""

""Whatever. What about this? You can make me fall in love with you now. And

then you ask me after sixteen years whether I still love you

"He raised eyebrows and smiled at her.'

'Though he looked like he was joking

he was telling her his love for her.'

'Edie smiled

"don't. I don't deserve it. Actually

I have been wondering for a long time. Do you really like a woman?

When we first

met each other

you showed me your pictures with Stuart on the bed and naked....""

""What....""

'Aaron suddenly coughed hard.'

""Shit. Edie

what the hell are you thinking about? I am bisexual. I like women.

Okay?" Aaron

shouted at her.'

""But...you looked really...intimacy. Have you ever had... sex....""

'Aaron froze totally.'

557 YOU ARE MINE (ENGLISH) - ARE YOU STUPID?

'Aaron didn't get in the villa with her.'

""Where's my mom and Stuart?""

""Mrs. Bette was handling emergency events in the company. Lady Brittany got

back home just now

but she had already left. Mr. Bates and Ivan also left. Mr. Yates was in the bedroom

right now. He also came back just now.""

"Okay. Thank you."

'She knew everyone was busy dealing with her emergency. She couldn't hide behind.'

'Edie pushed to open the bedroom. Unexpectedly she saw Stuart's naked body.'

'She froze staring at his beautiful muscle.'

'The man looked pale. At the moment

he looked fragile and hurtful. His face was covered with a bruise. He hit someone just now.'

'His clothes got wet totally in the rain.'

'Stuart took a glimpse at her and took a washcloth to cover his lower body.'

'He rushed to ask William to treat Edie with justice.'

'He hit William. He forgot to control his anger.'

'If he helped Edie

the man behind would realize what happened. He would know Stuart fake it.'

558 YOU ARE MINE (ENGLISH) - I BELIEVE HER

'Edie made several calls to confirm the efficacy and symptoms of the medicine

before giving them to Stuart.'

'Then she went to the kitchen to cook some soup.'

'The servant wanted to help her. But Edie asked them to go away. Ginger kept

irritating her eyes. Tears kept falling down from her eyes.'

'After half an hour

the ginger soup was ready. She added some sugar and tasted it. It was not bitter.'

'Then she walked to the bed.'

'Stuart closed his eyes.'

'He's already fallen asleep.'

'She walked on the toe and placed the soup on the bedside table. Then she closed

the window.'

'She drew the curtain. She wanted Stuart to sleep tight. But when she turned around

she saw the man staring at her.'

""Wake up?" she was a little shocked.'

""I am not sleeping.""

'He was waiting for her.'

""Eat soup. It's still warm." she took the bowl to him.'

'Stuart didn't refuse her. He ate the soup up.'

'He felt much better in the stomach.'

559 YOU ARE MINE (ENGLISH) - I COULD LEAVE NOW

""Until he kept back your necklace in silence and kept it in the safe.

When I gave

the necklace to Stuart

he went crazy. He didn't want to pretend in front of me. You know how deep I love

him. Even he loves you. I still love him. But he didn't give me any chance.

He

almost got me killed in that bughouse. The doctor kept torturing me with medicine.

Eddie

what do you want to say about this? Who should I blame?""

'Eddie sneered

"you miss the point. You are the one that poisoned him. He wouldn't change if you

didn't do that.""

'Joanna cried out

"yes

I didn't know all these were his plans. He wanted to get married to me to get the

corporation's help to get Hawk Real Estate. Then he would kick me out and marry

you.""

""I gave up everything

everything

for that man. But he tortured me

for you. So I won't let you go. Never."

'Joanna made the most ferocious smile. At the moment she looked scary and crazy. Her laughter that rang around made it even more frightening.'

560 YOU ARE MINE (ENGLISH) - DON'T FORGET ME IF I DIE

'He called William to check if he found the truth.'

""How's it going?""

'He asked directly.'

""I've found a suspicious car. I have asked my men to investigate San Francisco.

We would find the man's partner and something of that man.""

""Kill Joanna first. This is the most important at the moment.""

""Joanna? A little difficult. This is just a start. There must be more.""

""What do you mean?""

""I've sent you the link. I've had my man delete the post. But they would publish

again. You'll understand after reading it.""

'Stuart hung up and opened the link. It was nine pictures posted by a famous

blogger.'

'In the pictures

Aaron held Edie's hands and walked out of the hospital.'

'William deleted it. The PR department was dealing with it.'

'But these pictures would be exposed at the end.'

'Stuart frowned.'

'Such kind of news kept popping out. It was impossible for him to delete all.'
