

YOU ARE MINE (ENGLISH) - Chapter 801 A STRANGE FEELING

'Brittany frowned and said in a cold voice

"Norman

though you are a patient now

I might also hurt you. Please don't be so rude to me. Otherwise

I would make you regret it."

"I asked you to leave just now. But you didn't. So I think you agree with me to do

something to you

" He was in a good mood. Now he even started joking.'

'When Brittany was not here

he felt pain because he couldn't help himself

focusing on his wounds. But when she showed up in front of her

all he could think about was her

her anger

her smile

her frowning

everything about her. He was so distracted that he could not feel the pain even the

wounds might open again.'

"Why are you so shameless? Let me go now. Or I would force you to."

Brittany

growled.'

"What do you want to force me to do? Norman laughed and asked her.'

"I..." she found no word to reply to him. She could do nothing but fixed her

beautiful eyes filled with anger on him.'

802 YOU ARE MINE (ENGLISH) - WATCHING HIM SECRETLY

'After he left

Brittany was left alone in the room and a half-naked man on the monitor.'

'Brittany flushed immediately

though it was not the first time for her to see this. When she thought of that hug

she felt so shameful.'

'She saw men coming and going out of his room. Because the computer was far away from his room she could not hear what they were talking about clearly. Brittany felt a little boring suddenly. She then poured a cup of coffee and ate some food to take a rest.'

'After getting full she returned to the sofa with a warm milk cup in her hands.'

'Unexpectedly at the moment Norman walked out of the bathroom without any cloth on him.'

'She was so shocked that she vomited all the milk out on the computer screen. She

immediately wiped them away with a piece of tissue.'

'As she moved her fingers on the computer screen her heart was trembling.'

803 YOU ARE MINE (ENGLISH) - HE SOUNDED LIKE A DEMON

'In her plan after she got these pictures she would turn off the monitor system immediately. But at the moment she didn't want to do that. She thought she must be addicted to it.'

'When she was about to turn off the computer she saw the housekeeper knocking the door with a man.'

'The man was badly injured. His body was covered with blood.'

'Who was this man?'

""Sir

they sent him here.""

""Bring him in.""

'The door was opened. The housekeeper took the man into Norman's room.'

""He kept wandering around the residence. Such a tricky man. It took us quite a

while to finally catch him. We lost a man this time.""

'Norman was wearing a coat at the moment. The coat covered the wound on his

back. At the moment
he was sitting on the sofa casually
stretching his arms
hanging his body on the back of the sofa.'
'He crossed his legs elegantly and said in a casual voice
"Kill a man? Wow
quite impressed."
'He sounded like the demon from hell.'

804 YOU ARE MINE (ENGLISH) - DON'T MOVE

'After getting into the car
Brittany immediately stopped crying. She looked into the mirror to take
care of her
makeup.'
'Luckily
the makeup on her face was still neat.'
""Edie
where do you want to go today?" Brittany asked Edie in a cheerful
voice.'
""What? But you are so sad just now. Right?" Edie asked in reply and
laughed out.'
'Hearing this

Brittany smiled and leaned against Edie
"You are so smart. You must know my trick
right? I just want you to spend more time with me these days. If I don't
say that
Stuart would not agree with me to take you out."
""I would regret tonight
""
""Edie
please. You are my best sister. Let's go to the yoga hall to do some
exercise. Then
we could eat some food and go shopping in the afternoon."
""We've been shopping for several days. Don't you feel tired?""
805 YOU ARE MINE (ENGLISH) - CALL YOUR HUSBAND NOW
'Brittany looked around and then walked out

with a smiley face. Then she said
"I want to exchange the hostage with you. And I can ensure your safety. I
can
assure you would get out here safely."
"Who are you? Why should I trust you?"
"Brittany
from L.N. Brittany Yates. Stuart Yates and Aaron Yates are my brothers.
If you
held me as your hostage
I would ask my man to pick me up. And then I would let you go. Deal?"
"Really? Are you really Brittany Yates?" hearing these words
the gangster was overwhelmed by joy. He saw the possibility of
surviving.'
'However
he was still suspecting. After all
Brittany was seldom exposed to the public. Seldom people knew her.'
'Therefore

the gangster still clenched the assistant's neck and said
"Do you know her? Is she telling the truth? Are you familiar with her?"
"I don't know whether she was Brittany or not. But I see.... I see she
walked with
Mrs. Yates
Edie."
'Everyone knew only Stuart got married.'
806 YOU ARE MINE (ENGLISH) - DON'T BE SCARED
'At the moment
people suddenly talked outside loudly. They made a way in the middle.
Stuart
walked to them fast
'
'Seeing Stuart

the gangster was filled with joy. He immediately dragged Edie to him
and clenched
her neck. Then he pointed the gun at Edie's head and laughed out
"Stuart

I never expected you could come here today. Maybe God is really helping me. So impressive."

'Seeing his wife being held in his hands

Stuart's eyes turned extremely cold.'

'He squinted deeply and said in a brutal voice.'

"Don't you dare to hurt her a little bit. Otherwise I will kill you immediately."

'Hearing this threaten

the gangster didn't get mad. On the contrary

he laughed out

"They are important to me

attaching great importance to my safety. I would never hurt your wife and sister.

Impossible. Where's my car?"

"Underground. This is the key

"Stuart rolled his eyes slightly and threw Norman's car key to him.'

'Certainly

the gangster didn't catch it by himself. He asked Brittany to take it.'

807 YOU ARE MINE (ENGLISH) - IT IS DANGEROUS

'The gangster's face changed immediately. He wiped his face and slapped Brittany

immediately.'

'Brittany was thrown onto the car hard.'

"Bitch. You have no right to talk to me now."

'Edie immediately moved to Brittany and asked her in a worried voice

"Brittany

are you okay?"

'Brittany's little face got to swallow. She spat her blood out and raised her head and

said

"You want to fuck woman

right? Okay

I can do this. Come on

do me."

"Brittany

what the hell are you talking about
" Edie widened her eyes in shock and stared at her.'
'Brittany frowned and said quickly in a low voice

"He would never let us go. I can get more time. Stuart would come here to save us.

If I didn't ask you to go shopping with me
you would not be trapped in danger. I have no one behind. But you have Stuart. He
is still waiting for you."

""But....""

""Shut up. It is just a man. I am not scared of him.""

'Brittany clenched her teeth
trying to be determined.'

808 YOU ARE MINE (ENGLISH) - HOLD ON

""Why are you coming out? Stuart would arrive in one minute. He would ensure
your safety...""

'Norman said in a low voice.'

""But...you are in danger.""

'Brittany suppressed her lips and said these words without any
hesitation.'

'She was so shocked that she said these words out.'

'Both froze for a moment.'

'Seeing this
the gangster looked so angry.'

""Come to me. Come on. What the hell are you talking about?""

""The gun is in my pocket.""

'Brittany said in a low voice and then passed by him. When she stood in
front of

Norman and blocked the gangster's vision

Norman got enough time to get the gun out of her pocket.'

'When Brittany felt Norman's already gotten the gun out
she took a relief.'

'At the moment

another car drove towards them. The gangster became nervous immediately.'

'Stuart came without anyone else.'

'Stuart got out of the car and squinted slightly. Seeing Edie being controlled by the

man

his heart was burning.'

""Let them go. I would let you go. No policeman is here.""

809 YOU ARE MINE (ENGLISH) - HE DIDN'T DARE TO DIE

'Norman was then sent to the nearest hospital. The wound on his leg was not so

serious. But two wounds next to his heart was opened again.'

'Norman climbed under the plate of the car all the way for four hours.

Certainly

his wounds on his back would be opened.'

'When Stuart told Brittany that all these were Norman's plan Brittany looked lost. She stood on the bench in silence. She didn't want to say a

word at the moment

,

'As seconds went by

the surgery lasting for two hours finally came to an end.'

'Brittany immediately rushed to the doctor to ask about Norman's condition.'

""He's lost too much blood. We've done immediate transfusion for him.

But he is

still in danger. We need to do more inspection and observation on him in the

CPU.""

'Norman was pulled out of the operating room.'

'His face looked so pale. His long eagle-like eyes were closed tightly as if he was

in deep sleeping.'

'Brittany tumbled towards the CPU. She changed sterile and walked into the CPU.'

810 YOU ARE MINE (ENGLISH) - DON'T YOU WANT TO LOOK AT ME?

'Unexpectedly

Brittany really came back after less than half of an hour.'

'She came back with a group of doctors.'

""If you fail to save this man

I will castrate you

" Brittany said in a calm and stable voice. At the moment she has become a tough woman.'

'Men behind her nodded nervously immediately. Then they rushed into the CPU.'

'Stuart then slowly walked into Stuart's ward with two bags of fruits in his hands.

She's already had them washed by the nurse.'

""Where have you been?" Stuart asked her in a peaceful voice.'

""I've found the best surgeon all around the world and ask them to fly here last

night. I'm going to pick them up just now. If they fail to recover Norman

I will castrate them immediately. If Norman knows what I've done for him

he would be touched by me.""

'Brittany said in a relaxing voice as if nothing happened to her. Stuart could not see

any expression or emotion on her beautiful face.'

'Hearing these words

Brittany was so shocked.'

811 YOU ARE MINE (ENGLISH) - NEVER THOUGHT ABOUT THAT

'Norman was so weak at the moment. When Brittany pushed him away he was pushed away immediately.'

'The wounds on his back were bleeding.'

'He coughed out.'

'He felt extreme pain was burning him.'

'Seeing this

Brittany freaked out. She walked to him and asked him nervously

"Are you okay? Don't do this to me again.""

""If I say I want to do this again

what would you do?" Norman still sounded so weak. But his voice was so

determined.'

'He raised his head

fixing his eagle-like eyes on her.'

'Hearing these words

Brittany flushed immediately

"Do you want to die today?"

"I don't want to die. All I want is you."

'Then he buckled her hands and forced her into the corner.'

"If you struggled again

I don't mind bleeding to die

" Norman raised the corner of his mouth. Though he was playing dirty he still sounded so reasonable.'

812 YOU ARE MINE (ENGLISH) - BE CAREFUL

'Brittany hesitated for a while.'

'She knew Norman must need an answer from her today. She needed to give him an

answer today.'

'She burst into laughter and said in a casual but determined voice

"I am willing to get married to you. So what? It is impossible for me to give up

L.N."

"Great. All I need is this. I would handle everything else."

'At the moment

Norman's eyes were so deep and scary

fixing on her body. He profoundly looked at her for quite a while.'

'Then he turned around and left

leaving Brittany alone in the garden.'

'It took quite a long time for Brittany to calm herself down. She could not

understand what Norman meant.'

'What did he mean by he would handle everything else?'

'Who would he handle?'

'After standing there for quite a while

she finally recovered to normal. She covered her mouth immediately.
Her lips were
still painful
reminding her how the man will be just now.'
'She really could not resist him in front of him.'

813 YOU ARE MINE (ENGLISH) - HE DOESN'T WANT TO SEE YOU

'Bang...'

'Bang...'

'Bang ...'

'Space was filled with intense light. Brittany frowned hard. She felt pain.
She didn't

know how long her legs were tied.'

'She tried to adjust herself to the light. Then she looked around. It was a
large

empty factory. It was at midnight. It was dark out of the window.'

'Behind the intense light were sitting several men. Brittany could not see
their face

clearly. She asked them immediately

"Who are you? Why do you kidnap me? What do you want? I can give
you

everything you want."

"You would die soon. We want to teach you a lesson today

""

"Couldn't you tell me the reason? I would feel so wrong if you don't tell
me."

Brittany said in a calm voice. She sounded so relaxing
without any fear in her voice.'

'She could hear their anger from their voice. But they didn't sound brutal.
She

thought they would not kill her.'

814 YOU ARE MINE (ENGLISH) - HE ALMOST DIED

'Standing in the wind

Brittany couldn't help herself trembling. She moved her lips and heard
her own

voice

"Okay. Where are you? I would be right there."

"No. I can pick you up. Tell me about your location."

'Then the housekeeper hung the phone up and drove to pick up Brittany.'

'After Brittany got into the car the housekeeper fell into silence. He didn't tell her where he wanted to take her.

Finally

he parked at the door of the hospital.'

"Why are we here?"

"Norman is here."

'Hearing this

Brittany was a little shocked. Her pupils shrunk immediately and stared at the

housekeeper in shock

"Why?"

"Since he decided to seek after you

he applied to quite the job. But his job is so special and confidential.

Therefore

most governors didn't agree with the application but Norman insisted it.

To achieve

this

he even uses his family. But it didn't go smoothly. After he returned back to A

he was attacked. He was shot on the back. He almost died."

815 YOU ARE MINE (ENGLISH) - SO EMBARRASSED

'Norman closed his eyes painfully

immersing himself into the darkness. He had been used to the loneliness darkness

and pain. He was so familiar with this. He thought he could handle this because he

had been standing this for many years. However

at the moment

he suddenly broke down.'

'He felt so empty at the bottom of the heart.'

'Before meeting with Brittany
he always knew what he wanted. He always fought for something
for his family
for Arther and for something else. He knew he should move forwards
bravely.'

'When he didn't fight for these and started to fight for himself
he lost his direction. He was no longer calm and determined.'

'He ran without a direction.'

'It was the first time for him to lose.'

'So embarrassed.'

816 YOU ARE MINE (ENGLISH) - WHAT SHOULD SHE DO NOW?

'Brittany immediately opened the envelope and started reading the
letter.'

""Brittany

when you read this letter

I've been on the flight to Africa. I've applied for the mission there. I
would live in

Africa for two years. I wish you could live a happy life with Norman after
I return

back after two years. Brittany

I wish you could be happy. Show me your happiness so that I won't
regret the

decision I've made today. ""

'Did Adam leave?'

'The news was so astonishing that she could not think about it more
deeply.'

'What the hell was going on?'

'Brittany rushed out of the room. Her mother and father were sitting in
the living

room downstairs. One was reading the newspaper
and the other one was enjoying the mild.'

'Her mother threw an eye on Brittany and said

"Brittany

pay attention to your appearance. If we've gotten guest here
you would be embarrassing your parents. ""

817 YOU ARE MINE (ENGLISH) - LET'S GET MARRIED

'Brittany asked
"Isn't this a news conference? Why do you make it so romantic?"
"Your father said you might not be able to have a wedding in your
whole life. So
he wants you to experience it."
'Hearing this answer
Brittany was amused.'
'She walked into the room. The floor was covered with roses. On two
sides were
the guests. Now the residence was filled with people. At the time when
Brittany
stepped in
everyone applauded. She even saw kids pouring petals towards her.'

'She saw her father standing on the stage in a black suit. He looked so
handsome
today. He smiled at his daughter and said
"Welcome
my lovely daughter
Brittany Yates."
'The residence was filled with applause immediately.'
'When Brittany walked to his father
his father stretched her hands. Though his father always made things
difficult for
her in daily life
at the moment
she still felt sad because she felt she was about to leave this old man.
She almost
burst into tears.'
818 YOU ARE MINE (ENGLISH) - THE VOW
"Yes."

'Brittany looked at Norman
raising a bright smile at the corner of her mouth. Only the smile at the
moment was
sincere. Only this smile came from the bottom of his heart.'
"Then you can exchange your ring now

as the letters of your marriage. The gold ring represents that you are willing to give your love to each other as the most precious gift."
"The gold would never get rusted or faded which represents that your love would last forever. The circle represents that you would love each other without an ending. Your love would never break off."
"Mr. Norman please repeat my words."
"This is the wedding gift I give you. I want to get married to you love you and protect you. No matter whether I am poor or wealthy

whether the environment is good or bad I would be your loyal husband forever."

"Miss Yates

please repeat my words."

819 YOU ARE MINE (ENGLISH) - BRITTANY WAS DRIVEN CRAZY

"Where can I live today?" Brittany knocked on the door.'

"Your father said you've been married to Norman. It would be best if you left with him. This house is no longer your house."

"..."Brittany was really mad at what her parents have done to her. They were pushing her to death.'

"I have my own apartment. I can live in my apartment alone."

"Your parents have changed the key to your apartment. Even if you have the key you could not open the apartment."

"What?" Brittany was driven crazy. She kicked the door madly and shouted out

" Open the door. Donny! Hera! I want to kill you both. How can you do this to me?

How? Holy crap. Come on right now. Let's fight."

'Hearing these words

Norman was amused. He didn't expect Brittany's parents really did this to Brittany to help him.'

'He walked to Brittany and held her into his arms and said. "Come on. Let's go to visit my grandfather. He really wants to see you."'

"No

I don't want to see him. I know he is a scary man."

820 YOU ARE MINE (ENGLISH) - IT WAS THEIR FATE

'Then

their grandpa put the bracelet in her hands. The bracelet looked the same as that

Arther gave to Edie.'

'This was the letter from Leon's. With this bracelet Brittany could get in and out of Leon's castle randomly. When needed it could also be used as power.'

'Brittany took it immediately

"Thank you very much grandpa."

"Welcome to the family!"

'Hearing his words

Brittany finally realized this grandpa though looked so serious and seldom laughed was reasonable and kind. She finally took relief.'

'After saying these words to Brittany the old man looked towards Norman

fixing his eagle-like eyes on him.'

"Have you finished the mission I've arranged for you? If you dare to delay the work

I would definitely punish you. You deserve it."

"Sir

I've finished them all

" Norman said in a proud voice.'
