

## YOU ARE MINE (ENGLISH) - Chapter 861 DO I LOOK BEAUTIFUL?

'Then

Edie turned around. Because she had perceived a baby she didn't dare to wear a high heel or run fast. She was so excited. She wished that

she could stand in front of Stuart immediately. But she had to move slowly. After

several minutes

she finally stood at the door of the kitchen. Looking at the back of the man

her heart beat faster and faster.'

""Stuart.""

""What? Hungry? Want to eat something early?" Stuart turned towards her slowly.

At the moment he saw her

he froze slightly.'

'She looked quite different.'

'Quite different.'

'She looked like a pure cat before.'

'Now she was as beautiful as a vampire.'

'His eyes turned dark.'

""Darling? Do I look beautiful? Do you like it?" Edie asked her excitedly.'

'Stuart said in a light voice

""Come here. Let me have a close look at you.""

'Edie walked to her

placing her hands on his hands.'

'Suddenly

the man stepped towards her.'

'At the moment

they stood so close to each other.'

'He immediately pressed his lips on her lips.'

'Deep kiss.'

## 862 YOU ARE MINE (ENGLISH) - I AM PREGNANT

'Hearing his words

Edie rolled her eyes without saying a word.'

'At the moment  
Stuart sounded relatively stable and serious. She realized that the man  
was telling  
her what he really felt for her.'  
'Such a cold joke.'

'Eddie frowned and said  
"You might really diss me. You just feel embarrassed to tell me."  
"Indeed. I would feel embarrassed. But how could I do it? I've fallen in  
love with  
you. You don't need to look pretty or sexy. You can even be bad at sex. I  
don't care.  
I would love you all the time. I would love you forever. You are the one I  
fall in  
love with."  
'Then  
Stuart kissed on her forehead. His voice sounded really sweet.'  
'Feeling his breath approaching her

Eddie's heart beat faster and faster.'  
'Quite a shame.'  
'Eddie flushed again. She might be angry or shy.'  
"I need to go now."  
'Apparently  
she couldn't stay in the kitchen for one more moment. It'd be better for  
her to leave  
now.'  
863 YOU ARE MINE (ENGLISH) - JASON'S MOTHER

"I am Scarlet Yvette. What's up?" Scarlet looked at the young man and  
asked him  
in a confusing voice.'  
"Our lady wants to meet you. Please get in the car."  
'The man got out of the car and opened the door for Scarlet  
inviting her in.'  
'Inside the car  
Scarlet saw a woman. Quite elegant. She wore a hat

with black veils covering her face  
and looked quite mysterious.'  
'She could only see her side face. She was old. But Scarlet could say she  
must be  
so fabulous when she was young.'  
'Scarlet thought she might know who this woman was.'  
'Therefore  
she patted on Edie's small hands and said

"Dear  
I might need to talk to her for a while. Take care of yourself. I would go  
home  
soon."  
"But..."  
'Edie felt the coldness of the old woman. She thought she might hurt  
Scarlet. After  
the car door was opened  
she didn't even throw an eye on Scarlet. She didn't think it was a good  
idea to leave  
Scarlet with her.'  
864 YOU ARE MINE (ENGLISH) - IT WAS SO DIFFICULT  
'Scarlet lowered her head. Grace couldn't see the expression on her face.  
She didn't  
know what she was thinking about at the moment.'  
'When Grace was about to continue  
Scarlet suddenly took a deep breath and straightened her body

fixing her cold clear  
beautiful eyes on the old woman sitting on the opposite of her.'  
"I agree."  
'After Scarlet said these two words out  
she almost ran out of all her energy. At the moment  
she looked incredibly pale.'  
"Really? Are you really willing to do this for me?" Grace was thrilled.'  
"Yes. But...what if he refused?"  
"Impossible. It depends on you. If you have the heart to push him away  
he would definitely leave."  
'Had the heart to push him away....'

'These words sounded so brutal for her at the moment.'

""Okay.""

'Scarlet replied in a slight voice.'

""Would you regret it?""

865 YOU ARE MINE (ENGLISH) - SHE REFLECTED

'When Scarlet said the last sentence out

she felt relieved. Actually

she didn't think God could really help her. But after the confession

she really felt happier and more relaxing.'

'She turned around and stepped out of the church. The sky outside was

bright. But

she didn't feel the warmth. She felt so depressed. Her world was not

dimmed and

despair.'

'When Scarlet returned back home

it had been six o'clock in the evening. Jason was not in Scarlet's house.

At the

moment

he was looking for Scarlet everywhere.'

'Edie told her Jason had used all resources to look for her. He really swept the city.'

'Hearing these words

Scarlet froze. Her eyes were dry. She didn't feel a drop of tear.'

'After quite a while

she reflected.'

""I see... Okay. I come here to pack my stuff. I need to go home now.""

'Hearing her words

Edie felt something wrong with her. She frowned slightly and grabbed

her hands.

She wanted to stop her. Scarlet's hands were so cold

scarily cold.'

YOU ARE MINE (ENGLISH) - Chapter 866 SO BRUTAL TO HIM

"I've spent a long time preparing these for you. Quite a romantic atmosphere. Do you want to destroy it now? How about sitting down enjoying the moment? I haven't eaten anything. I think you must also be hungry right? I made it myself. Taste it."

'She made a happy smile. Quite warm warmer than the candlelight.'

'He couldn't help himself. His heart started trembling.'

'Though he knew he should be mad at her he should teach her a lesson and he finally held all his words back. He could not say a word hurting her.'

'The smile on her face calmed him down completely.'

'She was smiling. She was smiling so happily. He didn't want to destroy that.'

'However looking at that smile he had a feeling that everything at the moment was nothing more than a fragile dream. It would break down the next moment. It would disappear soon.'

'Jason didn't say a word. He sat down on the opposite of her in silence.'

"Taste my red wine. We both love wine. We should have a taste of it."

867 YOU ARE MINE (ENGLISH) - HE HATED HER SO MUCH

'She didn't cry out. She couldn't show any expression on her face. She should pretend to be cold. Therefore she fixed her cold eyes on him without saying a word.'

'Jason's heart was broken totally. She didn't say a word. She fell into silence.'

'He loosened her but he didn't move his hands away. Instead

he moved his hands down stopping on her slim neck.'

'Then he held her neck feeling the blood flowing under her thin skin.'

'If he applied some force  
he would kill the woman in front of him immediately.'  
"Scarlet  
I really want to kill you."  
'Hearing his words  
Scarlet closed her eyes slowly. She was willing to be killed by him.'  
'Besides  
he was such a powerful man. He could escape from this. She didn't have  
to worry  
about anything.'  
"Go ahead."

'She didn't care. She didn't want to live in this world anymore. It was  
good to be  
killed by the man she loved.'  
'At the moment  
she couldn't see his face. But she could feel his eyes fixing on her. His  
eyes were  
filled with hatred.'

868 YOU ARE MINE (ENGLISH) - I WANT HER

'When Jason opened his eyes  
he felt such a headache. Looking around  
he froze. He didn't know this place.'  
'He recalled everything that happened before he got drunk. His heart  
was aching  
harder  
and harder.'

'He still remembered he saw Scarlet when he got drunk.'  
'Did she really look for him? Did she still love him? Did she come to take  
him  
home?'

'When thinking about this  
he immediately rushed out of the room. He didn't even wear his shoes  
on. He didn't  
have any idea where he was.'

"Scarlet..."

'When he called this name

he saw his own mother.'  
'Seeing her  
Jason couldn't help himself frowning deeply  
"Mother...why are you here? Where is Scarlet?"  
"Why do you still care about that bitch? She keeps torturing you. You  
almost got  
gastric perforation. Do you have any idea?" Grace said in an angry voice.'  
'Hearing these words

Jason immediately realized Scarlet never came to him this morning. It  
was nothing  
more than his illusion.'  
'Scarlet couldn't come to him.'  
869 YOU ARE MINE (ENGLISH) - IT MIGHT BE DIFFICULT FOR HIM  
TO GIVE UP  
"She never hurt me. I am willing to do all those things for her."  
"Bastard  
" Grace was so angry that she couldn't help herself trembling  
"I don't know whether your parents love each other. But I am sure you  
are my son.  
You are my only son  
my dearest boy. I've spent a lot on you. I didn't mean to let you live with  
that  
woman in that small house. I don't need to support myself when I am  
old. But what  
about you? Do you really need no one when you get old?"

"Mother  
I only want her."  
"Fine. From now on  
if you dare to approach her  
I would destroy her. But if you return back to get married to Kris and  
give me  
grandchildren  
I would bring him up for you. From then on  
I would not stop you from doing anything."  
"I could not do this."

'Grace looked towards him in shock. She's made the concession. But he still insisted.'

'''I've fallen in love with her. I couldn't get married to other girls. She was the only girl whom I want to get married to.'''

870 YOU ARE MINE (ENGLISH) - HE IS GETTING MARRIED

'At the airport...'

'When Jason followed Grace to the ticket gate he turned around again. Though he was sure that Scarlet would not show up

he couldn't help but looking forward to her arrival.'

'He was expecting her crazily.'

'But he didn't see her. He was bound to be disappointed.'

'Seeing this

Jason frowned deeply. She said in a cold voice

"Jason

forget her. She would leave you sooner or later.'"

'''I know. She's told me before. If she could not get pregnant in one year she would break up with me. Now she just did this in advance.'''

'''Then why do you still care about her?'''

'''Because she owes me eleven months.'''

'Jason said in a peaceful voice

raising a bitter smile at the corner of his mouth.'

'Eleven months.'

'How could she make up for him?'

'''Let's go. She would come here.''' Grace dragged him towards the ticket gate.'

'Jason turned around slowly and stepped into the gate.'

YOU ARE MINE (ENGLISH) - Chapter 871 IT WAS JASON

'''I think you know the problems. I think it's me. I could not get pregnant.

When I

was in high school

I had to work to earn money to pay for the school fees. Then I was raped one night.

I got pregnant. I got a miscarriage operation and something went wrong. I could not get pregnant anymore. Do you know about this?"

"Why did you get married? Why did you give birth to me and then abandon me? It bothers me that you don't ask anything about my grandmother's death. I don't remember you asking for anything about my college. I have no money to live at school. So I had to come home every day and take care of myself. Now you dare to ask me for money. Have you done anything for me? How dare you ask me for money?"

'Scarlet finally burst out into tears.'

"I..."

872 YOU ARE MINE (ENGLISH) - HE DIDN'T STOP

'Scarlet immediately woke up. She opened her eyes seeing his perfect face. Jason was focusing on kissing her. But he didn't close his eyes.'

'When they saw each other the atmosphere immediately turned strange.'

'She froze. After a while she suddenly moved backward. The water splashed on his clothes.'

'His white shirt stuck on his strong chest.'

"Why....why are you here?" Scarlet asked him in shock'

'Jason stood up. At the moment he looked idling and casual

like a real asshole.'

'He started untying his shirt.'

'From the first button of his shirt.'

'Scarlet could see it. His slender neck

sexy clavicle  
strong chest.'  
'Jason sneered  
"Why couldn't I be here? You are my woman."  
"You..."  
'Scarlet wanted to persuade him. After all  
he was getting married. If they had sex again  
that would be so disgusting.'  
'After all

she was not his bride.'  
'His bride was Kris Morton.'  
'They should not have sex today.'  
873 YOU ARE MINE (ENGLISH) - THE DINNER THEY SHARED  
"You hate me  
so you want to take revenge on me  
right?" Scarlet forced herself to calm down and said.'  
'Jason didn't answer the question directly  
"Maybe. Sit down  
please. Let's talk. We have a lot to talk about."  
'When saying the last sentence

Jason raised the corner of his mouth  
smiling like a demon.'  
'Scarlet sat down on the opposite of him. Jason threw an eye on the  
table and asked  
the waiter.'  
" Marge  
82's  
" Jason said.'  
"Yes  
sir." the waiter immediately left to get the wine.'  
'Scarlet loved wine  
so she knew a lot about the culture of wine. Marge is the wine  
appointed at the  
State Banquet in Britain. It tasted quite smooth. The older the wine was  
the more fragrant it would be.'  
'But they had broken up. This wine might be too much for them.'

'Besides  
their sex was also caused by wine intake. Scarlet was a little frightened.'  
'Soon  
the waiter served the wine. He slowly opened the cork  
then slowly sobered the wine up. Finally  
he poured the wine into two goblets.'  
874 YOU ARE MINE (ENGLISH) - DON'T DOUBT IT  
"I invite Kris to have dinner with us tonight. Have fun. I should check our  
dishes  
now."  
"Okay  
" Jason said and asked Kris  
"Do you want to eat fruits? I can peel some."  
'Kris didn't know how to respond to his gentleness. Hearing these words

she froze.'  
'Jason knocked her head slightly and smiled. Suddenly  
he froze.'  
'He still remembered that he did this to Scarlet before for so many  
times.'  
'He curled his fingers and managed to keep the smile  
"What are you thinking about? I am asking you."  
"You have never been so gentle to me before. You always look so  
serious. You  
always tell me we are nothing more than friends. We would never be  
lovers."  
'Kris said in a cautious voice. She didn't want to irritate him.'  
"Though we could not be lovers  
we still could get married. I know I might be too strict with you before  
but I've changed. I finally realized who is the best choice for me. You are  
the  
perfect choice for me. You are my perfect wife. I am not mistaken.💎💎'

875 YOU ARE MINE (ENGLISH) - THE SLAP

'Meanwhile  
Jason also froze. He came here with anger. However

seeing Scarlet dressing like this  
his mind immediately turned blank.'

""Why are you here?""

'The first one talking was Scarlet. She stared at the man standing in front  
of her in  
astonishment.'

'It had been ten o'clock in the evening. Why was he still here?'

""What is this?" Jason immediately realized she was wearing a wedding  
dress.'

'Hearing his question

Scarlet's face turned pale immediately. She forced herself to calm down  
and said

"You mean this? This is my party dress. I want to try it. I need to change  
clothes

now. Could you please leave my room? Besides

return the key to me.""

""I pay for this hotel. Why should I return the key to you?" Jason raised a  
smile at

the corner of his mouth and turned around  
closing the room hard.'

'The sound of his closing the door frightened her.'

""What do you mean?" Scarlet suddenly realized something wrong.'

YOU ARE MINE (ENGLISH) - Chapter 876 HE GOT LOST

'Hearing these words

Jason also froze slightly. He stared at Kris blankly.'

'Indeed

he's told Kris that he would get married to her this time.'

'But he was doing this now.... what the hell was he doing to this woman.'

'He turned around to look at Scarlet. Scarlet lowered her head  
covering her face with one hand and grabbing his suit with the other  
hand to cover

her naked body.'

'At the moment

she was like a hedgehog  
protecting herself from them.'

'She never did anything wrong. This time it was his fault. He could not throw her away this time.'

""Let me send her to the hospital. Then I would right back to explain everything to you.""

""No. Explain now. Which one do you choose? Me or her?""

'Scarlet or Kris.'

'Clearly

it was so difficult for him to choose at the moment.'

877 YOU ARE MINE (ENGLISH) - DON'T MENTION THAT NAME

'Scarlet waited at the hotel for a moment before Kris arrived. Kris looked quite

busy. She came from the hospital.'

'Jason was so heartbroken that he fell down. He lost his consciousness.

Luckily

he's safe now. But he had not awakened up.'

'Maybe he could not get married tomorrow. The wedding might be delayed for

several days.'

'As for how long

it depended on when Jason woke up.'

'When Kris told Scarlet these things

Scarlet held her hands so tightly and took deep breaths. She tried the best not to ask

any question about Jason.'

'Kris didn't tell her any details. She didn't know. She didn't dare to ask.'

'After a brief introduction to the situation

both fell into silence.'

'Dead silence.'

'Finally

Scarlet entangled her fingers and gathered her courage

"You want to tell me something more

right?""

'Hearing her words

Kris stared at her

"I beg you to leave here."

'Hearing her words

Scarlet was not shocked. "I know. I should not have come here. I would go back

tomorrow."

878 YOU ARE MINE (ENGLISH) - HE LOST PART OF HIS MEMORY

'After the doctor left

the ward fell into silence immediately. Kris still didn't want to get rid of his hands.

She just let him grab her hands all the time.'

'Then she started talking

"Jason

you still remember her in your dream. Why couldn't you look at me? You don't

even throw an eye on me."

'At the moment

Jason couldn't hear any words from her. He was still in his dream. Scarlet left

farther and farther. He might fail to catch up with her.'

'He cried out anxiously.'

""No. Don't leave me.""

'Hearing his voice

even Kris was shocked.'

'Jason kept moving his fingers and begging her not to leave him.'

'Kris grabbed his hands tightly

"I am here. I am right here. I would not leave you. Don't worry.""

""Scarlet

don't leave me

please

""

'When he said the last sentence

Kris froze immediately.'

'Tears poured out from her eyes.'

'Jason was calling Scarlet.'

'The doctor made a mistake. Jason needed them to mention Scarlet.  
Because he  
never forgot that woman.'

'Nothing worked.'

879 YOU ARE MINE (ENGLISH) - NO MATTER WHAT HAPPENED

'Finally

Jason has no choice but to hang up the call. Edie looked towards Stuart  
and curled

her lips

confusingly

"What the hell is happening between them? Jason told me he'd  
forgotten a lot of  
things between them. How could this happen?"

'Hearing her words

Stuart squinted

"Do you remember Hick?"

'Hearing his question

Edie stared at the man in front of her unsatisfactorily

"We are talking about Scarlet. Why do you suddenly mention her so  
suddenly? She

likes you. How could I forget her?"

'Seeing Edie getting angry

Stuart couldn't help himself shaking his head helplessly

"Do you remember that she's been hypothesized? After being  
hypothesized

she mistook herself as Marina."

"You mean Jason had also been hypothesized? So he believed that he  
likes Kris.

That was why he decided to get married to her. You meant he had also  
forgotten a

lot of things?" Edie widened her eyes.'

"Holy crap. I need to call Jason right now."

880 YOU ARE MINE (ENGLISH) - WHY COULD YOU DO THIS TO ME?

'At the same time

Grace felt ill at ease.'

'Kris just called her. She repeated what Jason said to her just now. Grace

immediately got a strange point in Jason's words. At the moment she was so worried. He might get awake soon. Therefore she immediately asked her guards to get Jason.'

'On the way Jason went to the airport two cars suddenly chased him and got in his way.'

""Sir

please go home with us. Mrs. William's order. Please don't make it difficult for us.""

'The men inside the car shouted out.'

'Jason squinted. His eyes got darker than the sky at night. He didn't answer. He just

kept driving without slowing down a little bit.'

""What could we do now? The road is so narrow. If we really go ahead of his car

he might be thrown in danger.""

""Just follow him and seize the chance. No matter what we should take him back

" men in two cars called each other and determined the plan.'

'They could not stop Jason. Jason could not get rid of them.'

YOU ARE MINE (ENGLISH) - Chapter 881 I CAN GIVE YOU ONE YEAR

""Mother

please. We are true love. I've never thought about getting married before I met her.

I never wanted to get married to other women. The only one that I want is her.

Mother

I beg you to help me out.""

'Hearing these words

Grace turned around. She didn't dare to look at the determination on his face.'

'She took a deep breath

trying the best to control her tears. Then

she said. "Fine. Don't push me. Apparently

I have no other choice. I have to agree. But you should promise me something.""

"What?"

"I can give you one year. If she still could not get pregnant

you should come back to get married and have a baby with your wife.

Besides

you should never ever contact her again."

"Mother...."

882 YOU ARE MINE (ENGLISH) - LOVING HER

'He looked towards Scarlet's assistant

"What happened to her these days?"

"She didn't look well for half of a month ago. She kept working day and night. Work extra time every day. When she feels tired she will sleep in her office room. Today is not the first time she lost her consciousness. She faded out before

in her office room. But she didn't come to the hospital. She didn't think she has any

problem. She thought she just didn't get enough sleep. She didn't eat anything these

few days. I want her to see a doctor. But she said she needed to go to France. After

she returned back

she looked worse. Her face turned pale. She looked more exhausted...."

"Mr. William

I don't know what happened to her. She didn't want to tell me. But I can say she

might be confronted with something terrible."

'Something terrible...'

'Half a month ago...'

'He left this city and returned back to France. Then

he got engaged. Then

he lost memory.'

'So Scarlet was suffering these days.'

883 YOU ARE MINE (ENGLISH) - YOU PISSED ME OUT

'It was until this moment that he was sure that Scarlet was in deep love with him.

He was wrong. He was always the one that contributed more to their relations.'

'Actually  
when you find the one  
you would not care about what you do for each other. You would not  
care about  
how much you sacrificed for the relationship.'  
'You would not care about anything else.'  
'Jason grabbed the ring tightly. He felt guiltier.'  
'Jason didn't know her enough. Jason had not known enough about her.  
Otherwise  
he would never question her.'  
'Not to mention to say those words to her that night.'  
'Not to mention to humiliate her in the hotel.'  
'He really made mistakes.'  
""Could you.....make another wedding dress?""  
""I don't know. I should ask that studio.""  
""Give me their phone number. Let me make the call.""

'Jason looked quite determined. It was time for him to make an apology  
to Scarlet.'

'But the studio didn't want to receive the order.'

""No. We've had lots of orders now....""

'◆◆◆Ten times of the original price.'"

884 YOU ARE MINE (ENGLISH) - SHE WAS WAITING FOR HIS  
ANSWER

'Hearing her words

Jason squinted. Deep in his eyes was a cold light. But he immediately  
returned to  
normal.'

'It was his instinct. He always got angry when he heard someone hurt  
Scarlet.'

'Jason frowned and asked her

""Did she know I had been hypothesized?""

""I didn't tell her. How could I tell her?""

""But you know she would compete against you

" Jason said in a cold voice.'

'Hearing these words  
Kris burst into laughter  
"Yeah. I know she would not compete against me for you. But she loves  
you. I  
would never be able to smile at her sincerely. Do you really think I could  
tell her  
everything? Jason  
frankly speaking  
are you really able to do so  
if you were me?"'  
'Hearing these words  
Jason immediately fell into silence.'  
'Kris kept talking. She smiled. The smile on her face at the moment  
looked  
ridiculous.'  
885 YOU ARE MINE (ENGLISH) - QUITE CLEVER KIDS

'She lowered her head. Though she didn't want to accept the fact  
it was time for her to force herself to learn to accept this.'  
""Why? What is my problem?""  
'She squatted down embarrassingly  
holding her head tightly.'  
'Looking at her thin body  
Jason felt sorry  
as a friend.'  
'Actually  
she didn't fail. The most important reason was that he didn't love her.  
Nothing was  
more important than love. No one could compare to the woman he  
loved.'  
'Jason pressed the wound on his chest. Blood oozed out  
dropping down on the white floor.'  
'Red blood. So dazzling.'

'When Kris raised her head again  
she saw Jason standing in front of her. Blood kept oozing out from his  
chest.'  
'Lots of blood on the floor.'

'She widened her eyes in shock. She immediately climbed up and rushed to her.'

""Why....why don't you call the doctor?""

""You look really lonely crying here. I am worried about you as a friend. I could not

leave you alone at this moment.""

'He said these words out

out of the responsibility as a man.'

YOU ARE MINE (ENGLISH) - Chapter 886 QUITE ATTRACTIVE

'She didn't hang up. They didn't even know what they were talking about.

When

they could not find any other topic anymore

they could only hear each other's breath.'

'Eddie had a feeling that she was still in crazy love with Stuart.'

'Finally

when Eddie really needed to sleep

she told him

"Time to sleep now.""

""Okay. Don't hang up. I want to hear your sleeping.'

""Okay.""

'Eddie put her mobile phone aside and closed her eyes.'

'As minutes went by

Stuart still felt so sober. Hearing her breath

Stuart thought Eddie might really fall asleep. Therefore

he said in a low voice.'

""I could not sleep now. I have no you around. I could not fall asleep. It is difficult

for me.""

'He raised a slight smile at the corner of his mouth. Though he sounded helpless

he felt so sweet at the bottom of his heart.'

'Unexpectedly

at the moment

Eddie said on the other side.'

""I could not fall asleep

either."  
'Hearing her voice  
Stuart was a little surprised  
"You haven't fallen into sleep?"

#### 887 YOU ARE MINE (ENGLISH) - HOW VALUABLE LIFE WAS

'However  
Scarlet looked around  
looking at the sky in the distance.'  
"Jason  
don't force me to get married to another man randomly. This is the only  
gift I can  
give you now."  
'Then  
she got rid of his hands  
leaving.'  
'Jason felt his hands get cold in the wind.'  
'Like his heart at the moment.'  
'After Scarlet got out of the playground and ensured that Jason didn't  
follow her

she finally burst into tears.'  
'She took her mobile phone out and dialed that strange number. The guy  
on the  
other side talked to her through a voice synthesizer.'  
'Scarlet didn't know whether it was a man or a woman.'  
"How's everything going?"  
"Done. Give me the stuff."  
"I've given you. But I have the backup. Do you really think you would be  
safe  
after I give that to you?"  
"What..." Scarlet got so angry that her face turned red. But she had  
reached the  
end of her tether.'  
"Don't be pissed off. After you've finished the things I've asked you to  
do last night  
I would let you go. You are not my target."  
888 YOU ARE MINE (ENGLISH) - QUITE PAINFUL

'Stuart sighed helplessly. He held Edie's hands

"Leave them alone. We'd better be silent."

'Then he left with Edie.'

'Scarlet didn't know what to say at all.'

'One hour ago

she was still talking to this man. The conversation was not pleasant. Was that the

last conversation between them?'

'No'

'She didn't like that.'

'He could not do this to her.'

"I don't believe this. It is impossible. I don't believe this.."

'Scarlet kept repeating. But no one answered her. No one told her that this was false.'

'At the moment

the door of the surgery room opened suddenly. The nurse rushed out

"He was bleeding profusely. Get some blood right now."

'Then the door was closed immediately. No one knew what happened inside the room.'

'She wanted to ask a nurse. But the nurse had no time to talk to her. They pushed her away.'

'Scarlet fell onto the ground. She cuddled into a heap hiding into the corner

staring at the world in front of her. She was so scared at the moment.'

'However'

'When he was about to step out of the room

the woman behind him suddenly put her hands around him.'

"Don't go. Stay with me. Live together with me."

'Scarlet finally gathered his courage and said.'

'She didn't dare to open her eyes. She was afraid that this was nothing more than her dream. After she woke up everything might disappear. Jason might die.'

'She didn't want that.'

'As Jason said why didn't she dare to go to church to get married to this man she loved deeply if she dared to go to heaven and hell with him?'

'She didn't care about anything else now.'

'Hearing her words Jason got so excited. He wanted to turn around to hug her.'

'But Scarlet stopped him.'

""Jason

I don't dare to open my eyes. I am afraid this is nothing more than my dream.

Could you be my eyes? Could you? For the rest of my life? ""

""Okay

" the man nodded raising a happy smile at the corner of his mouth.'

'Hearing his answer Scarlet also smiled.'

'Volunteers came to explain the procedure. When they walked to Jason and Scarlet they felt hilarious. Because other couples were standing there only Jason was holding Scarlet all the time.'

""Are you going to get married?""

""No!""

""Yes!""

'Opposite answer.'

'Hearing these words the volunteer burst into laughter

"Marriage is not a game. It would be best if you were sure of it. Do you need more time to think about it?""

"No."

"Yes."

'The opposite answer again.'

'Staring at two adults in front of him  
the volunteer got totally confused

'

'Jason's face changed totally. He squinted  
fixing his eyes on the girl in his arms. Then he said in a cold voice  
"Scarlet

what are you doing?"

'Hearing his questioning

Scarlet almost got choked by her saliva.'

"I am really scared. I am afraid of marriage. Though I agree to get  
married to you

you need to give me time to get prepared

don't you think so? I haven't gotten prepared. Of course

I would panic."
