

A Man Like None Other Novel Read Online

Chapter 736

The Arcane Array At that moment, Jared was still trapped inside the spring. He had used everything he could think of in order to escape the arcane array, but all his efforts were futile. The array was simply too powerful. He had stopped attacking the turtle every time it swam past him too.

That was because every time he damaged the animal, the arcane array would hurt him back.

At that point, he was getting really worried.

He had no idea how much time had passed or how Lyanna was doing.

If she had been tainted by Carlos, he would never forgive himself.

After all, he was the one who encouraged her to come.

"Ah!

" he shouted agitatedly.

Die, you stupid turtle!

His fist exploded with golden light before he punched in the direction of the slow-swimming turtle multiple times.

Bam!

Bam!

Bam!

Each punch was more powerful than the last.

Thanks to the immense amount of spiritual energy in the spring, the energy he depleted would return to him quickly whenever he used Focus Technique.

The arcane array on the turtle's back glowed up again when he attacked it.

Golden light was seen before martial energy was shot out in his direction like flying daggers continuously.

Soon, he was covered in wounds.

Blood kept flowing out of his body, yet he gritted his teeth without any intention of stopping.

The rage in his heart was burning too brightly for him to stop.

At that moment, he was acting like a crazed beast.

He had stopped caring about the damage inflicted on his body as he didn't want to get trapped there any longer.

Crack!

Suddenly, a faint sound stunned the crazed Jared and he became calmer.

After he calmed himself down, he noticed a crack was formed on the turtle's shell.

He was overjoyed to see that because he thought he couldn't hurt the turtle at all.

On the contrary, the turtle wasn't invincible.

The power in his fist increased rapidly as he stared at the crack in the turtle's shell.

Sure, he was beaten badly by the martial energy shot out by the arcane array, but he didn't care.

Initially, the turtle wasn't affected by Jared's relentless punches at all; however, it began to shake under his more powerful punches.

It even began to make noises that sounded like cries of pain.

It took Jared more than a dozen of punches to finally crack the turtle's shell into pieces.

The animal let out one last painful cry before rapidly sinking to the bottom.

As the shell with the arcane array broke apart, the golden light that bound him disappeared as well.

You're not getting away from me!

He quickly chased after the turtle when he saw it was trying to escape.

Panic could be seen in the turtle's eyes as it had lost the protection of its shell.

Without the arcane array, it was just food ready to be served on a silver platter—escape was almost impossible.

You used the arcane array to trap me, and now you're trying to run away?

I'm going to use your meat to cook me a nice dish... Jared caught up to the turtle, grabbed its head, and prepared to kill it with one punch.

Without its shell, the turtle would die with that one blow.

However, just as he was about to punch the animal, it let out a whimper.

Then, it opened its mouth and allowed a glittering and translucent thumb-sized bead to escape from its body.

When he saw that, he grabbed the bead and examined it.

He had no idea what it was, but he could tell spiritual energy was emanating from it.
