## Chapter 739

Lyanna popped open the red wine, poured the content into two cups, and brought them to Carlos. "If you behave yourself, I'll satisfy you, all right? " She winked at him, making him completely mesmerized by her. "I'll behave myself. I promise..." He nodded eagerly.

"Just drink with me for now and don't touch me, okay?"

"A smug smile appeared on her face when she saw how head over heels he was for her.

"Okay..." He nodded.

After she handed him a glass of wine, he drank it in one go.

She also drank it in one go when she saw that and poured more wine into his cup.

Her plan was to make him very drunk so that she could escape.

However, when Lyanna was planning to let Carlos drink another cup, she suddenly felt her head spinning and her limbs weak.

The cup in her hand fell to the ground.

"Does this... This wine is... There's a problem with this wine..." She was shocked.

It had to be because of the wine that she was abruptly feeling unwell.

"Hahaha!"

I have laced the wine, but I never expect you to drink it voluntarily.

" Carlos stopped pretending and started laughing.

"You... You didn't fall for my Seduction Technique?"

" Lyanna was flabbergasted.

No man, aside from Jared, had ever escaped her when she used those techniques.

"Let me tell you something.

Your seduction technique only works on real men.

However, I'm not a proper man anymore," he said, completely not embarrassed.

In fact, he even looked smug about it.

"Then... Then why did you marry me?"

" She couldn't understand why he would still marry her despite not being a real man anymore.

"That's because you're special.

The negative energy in your body is the best resource for me to reach a higher level of cultivation.

" His lips curved upward.

"Once I absorbed the negative energy in your body, I'll finally reach the level of Martial Arts Grandmaster and become the youngest Martial Arts Grandmaster in the martial arts world!"

" Fear was penetrating every part of her body as she listened to his rambling.

She wanted to escape, but her body refused to move.

Biting her own tongue would guarantee his plan would fail, but again, her body had no more energy to even move.

"Stop resisting and surrender yourself to me.

" Carlos twirled his finger and caused a vortex to form in the air.

It was spinning on top of her head.

Inside the spring, Jared continued to fight against the humanoid monster made of water.

Every time he tore the monster apart, it would reform to its original shape.

No matter what he did, he couldn't really destroy the humanoid monster.

The spiritual energy in his elixir field was rapidly decreasing.

Even though his Focus Technique helped, it wasn't replenishing his energy fast enough.

He knew if he continued to fight like that, he would either be killed or die from exhaustion.

Furthermore, he couldn't afford to mess around any longer as he had no idea what was going on with Lyanna.

"I'm simply a spiritual sense, brat.

I cannot be killed, and you cannot defeat me.

Don't you dare take away my magic sword!

" the humanoid monster warned.

Jared's sweat continued to dissolve in the water as his expression darkened.

If this monster cannot die and will always revive, how am I going to defeat it?

The monster attacked again when he was thinking.

He swiftly dodged the attack and smashed the monster into pieces again.

Like always, the spring water gathered at a spot again to reform.

Every time he punched the monster, the spiritual energy in his elixir field decreased.

If that kept on, his elixir field would dry up and he would be devoid of any spiritual energy.
