

# When His Eyes Opened by Simple Silence

## Chapter 1038

Nathan's face was flushed with anger, "Your uncle is my son.

has slipped into his mouth, and he is about to yell out! At this moment, Zion bumped him with his elbow.

"Mr. Foster, my father has a bad temper.

You should stop arguing with him.

If you keep arguing, I'm afraid he will attack you.

My father doesn't have any other skills, so he's good at fighting.

Zion kindly reminded Cole, "If you don't believe me, go back and ask your father."  
Cole felt anxious.

Now he doesn't have Elliot's backing, so he doesn't dare to confront others outside.

Otherwise, if you are beaten, you can only endure it yourself.

Cole came out of the sales department angrily, took out his mobile phone, and called his father

When Henry heard that his son was bullied by the former driver of the Foster family, his blood surged! wait! I'll meet him now!" Henry finished and hung up.

Cole returned to the sales department and watched in humiliation as Nathan swiped his card to buy the house he liked.

After Nathan successfully signed the contract, Henry rushed to the scene.

"Dad, it's him." Cole pointed at Nathan, and said angrily, "He bought the house we were looking for yesterday." Henry looked at Nathan with his stern eyes.

Nathan held the house purchase contract, showing off his strength and saying: "Henry, didn't you expect that I can have today?"

Henry recognized him, and his face suddenly turned into pale: "You are Nathan white? Where did you get so much money? You robbed the bank?!"

"Hahahaha! I'm laughing to death! How much money can I get for robbing a bank? I'm better than robbing a bank now!" Nathan seemed to want to God.

Seeing him so rampant, Henry felt extremely painful in his heart.

Nathan was a driver of the Foster family in the past. He was paid several thousand dollars a month, but now he dares to clamor here!

It's really turning around!

He don't know what shit luck this old b\*stard has had! He had never heard of him before, but he actually made a windfall!

Seeing Henry holding his head and saying nothing, Nathan was greatly satisfied.

"Henry, if I remember correctly, you beat me back then!" Nathan handed the house purchase contract to his son, and then walked up to Henry arrogantly.

“Yes! I kicked you! You are messing around in my house. of course I will teach you a lesson! Don’t think that you can be lawless now that you are prosperous!” Henry said sharply.

Nathan laughed loudly: “Look, you are frightened. Let’s go have a drink! Tell me how downhearted you are now, and I’ll tell you how good I am now!”

Henry especially wanted to know who he was How did he get rich, so he followed him.

Looking at this scene, Cole felt that the face of the Foster family was lost by his father, so he left in anger!

Tate Industries.

After Avery finished her morning work, she turned on her mobile phone and saw the message from Mike.

–Still haven’t found Adrian. Are you sure he put the red stuff outside the window?

Avery frowned, opened the address book, and found Adrian’s phone and dialed it.

She had to confirm with Adrian again.

It stands to reason that according to their agreement, it should be easy for drones to find Adrian.

As a result, the phone was dialed out, and there was a cold system prompt: [the user you dialed is not in service.]

Her heart clenched and she gasped sharply!

Why does Adrian’s mobile phone stop? Did Nathan stop him?
