

The Mafia Bosses Broken Queen chapter 2

Kaycie's POV

Kaycie POV I shut the door to my room after I left the boys downstairs talking . I am sure Todd is going to tell Brett . I really wish the whole situation would just go away . I still have a lot of work to do in my room to get it in order . I change into my pajamas and look at myself in the mirror . I am 5'3 " with dark sandy blonde hair with red highlights mixed in it . I have dark emerald green eyes with hazel specks in them . I am nicely tanned and I know I have a nice body with curves in the right places according to my cousin Todd . I still don't think that though thanks to him .

All I see is someone that needs to drop a few pounds . I walk over to my bed and lay down . I knew that Brett had two roommates but I had no idea that they would be so handsome . Felipe has dark brown hair and light brown eyes . He looks to be 5'9 " and obviously works out from what I could see with him wearing that form fitting shirt . Darryn is freaking gorgeous . He has to be 6'6 " with wavy golden blonde hair that he keeps in a longer style . He has the most beautiful pale ocean blue eyes . He definitely works out considering he was shirtless when I walked up . His eight pack out on full display with his perfect olive – colored skin . He looks like he just walked out of a G Q magazine . He is definitely Italian as his last name implies . I know he and Brett have been best friends since kindergarten . I wonder if his family is part of the mafia .

My best friend's family was mafia so I am aware of how they treat their women . I sigh because I know I have no chance with him . I know these three went to school together and I knew that Brett was a bad boy and kind of a player in high school . S o I can guess the other two are the same . The last thing I need right now is another guy like the last one . (He wasn't in the mafia but he was the son of the gang leader .) I lay down and wish I was good enough for him to be interested in me , but I

know that this will not be the case . Plus I would just get hurt again and I don't want Brett to lose a friend . I fell asleep that night thinking of a pair of pale ocean blue eyes . I wake up the next morning and walk down the stairs to the kitchen . Apparently , I am the first one awake so I make some coffee . I rummage through the fridge and find stuff to cook for breakfast . I start making waffles , bacon , and some scrambled eggs . I have just finished loading plates with all the food and placing everything on the kitchen table when I hear footsteps . I turn around expecting it to be Brett . My eyes widen when I see Darryn standing there . That's when I realize I am in my pajamas and I don't have one of my hoodies to cover my body . I stand there in a dark blue tank top and a pair of black pajama pants .

I know I need to get to my room and grab a hoodie but Darryn is standing in my escape route . He is standing there in a pair of sweatpants that hang low on his hips . His treasure trail in plain view . Damn , he is gorgeous ! I want to run my hands up and down that chest . I hear someone else making their way down the stairs and I am able to squeeze by him and make my way up the other set of stairs to my room for a hoodie . I shut my door once I made it into my room and collapsed on my bed . Tears start to well up in my eyes . He saw my body , which I am sure disgusted him . My tears start to fall and I quickly wipe them away . I pull on my hoodie and head back downstairs to join the guys for breakfast .

I can't look at Darryn and I sit down by Todd . I can feel Darryn looking at me but I can't bring myself to look at him and see the disgust in his eyes . We finish breakfast and I go to help Todd pack his stuff . He has to head back today . I wish he could stay longer but I know he needs to get back to school and work . After we say good – bye to Todd I head up to my room . I am not paying attention when I run into a hard body . I almost fall back when two strong muscular arms grab my waist and keep me from landing on my ass . I look up to see Darryn standing there . Great , why is he the one that I keep running into and embarrassing myself in front of ? Karma must hate me . ” Sorry , I wasn't paying

attention . ” I apologize . ” No worries , I couldn't let my Tesoro fall now could I. ” He tells me with a smile . I give him a small smile and quickly finish walking to my room . I shut the door and slide down to the floor . I don't know why he affects me as he does . I have never had a guy affect me like this . I pick myself up off the floor and get some clothes to wear for the day . I head towards my bathroom to wash away the horrific events of the morning .
