

Chapter 40 Confrontation

Alyssa Graham looked at the girl who spoke the most, walked over quickly and stood in front of her.

The girl saw Alyssa Graham coming over, stopped, and didn't know what to say.

Alyssa Graham said, "Are you sure you want to invite parents?"

The female student was stunned.

Alyssa Graham's voice became louder, "Are you sure you want to invite parents?"

The girl nodded to Alyssa Graham, "Yes, invite parents!"

"OK, let's go see the teacher."

Alyssa Graham turned around and walked to the office firmly.

Alyssa did not hear footsteps following her. She turned around and saw many students hiding in the corner and looking at her.

She relaxed, "What? Nobody is coming? Don't you want to see my parents? Are you playing with me? You are messing with the wrong person. I'm going to pursue my legal rights. her legal rights on this! "

"I...I said it. You are the suspect and you are accusing me? You are the one in the picture. Let's see how you can deny it! "

Alyssa Graham smiled and walked into the distance.

Seeing Alyssa Graham's self-confidence, the people around all followed her.

Moral education division.

The teacher looked at the three female students, and her eyes fell on Alyssa Graham.

"Our school has also been involved in the investigation, and we haven't found out the result yet, so there has been no official news. Did the three of you see what Alyssa Graham had done?"

The teacher of moral education department pushed his glasses and looked at the photo. Finally, his eyes fell on Alyssa Graham. He felt that the girl with the knife in the photo really looked like Alyssa Graham.

But the result has not come out yet and nobody knows whether Alyssa was the girl in the picture.

Nobody answered the teacher's question.

Students all surrounded outside.

The moral education department, where students were usually reluctant to come, became particularly lively with all the students

The teacher of the moral education department was still a little uncomfortable. No one spoke at the moment. The teacher of the moral education department was a little worried and turned to look at the three female students.

"Girls, you are the ones who asked for Alyssa's parents. Since you said this, there must be evidence to prove that Alyssa Graham violated the rules of the school. Look at the photo you said, all we can see is somebody's back. Although the back looks like Alyssa Graham, we can't be sure that it's her. We have to have evidence."

"Teacher, are you deliberately shielding Alyssa Graham because she has rich parents?"

Bang!

The teacher hit the table

And pushed her glasses up.

"What are you talking about? How would I shield Alyssa? Let me ask you, "What's your evidence?"

"Teacher, I think they have identified the woman in the photo as me, so please ask my parents to come! I don't mind."

Alyssa Graham stood upright in front of the teacher.

She was prepared to ask her parents to come anyway.

When the teacher heard Alyssa Graham said so, he had no choice but to invite her parents.

Half an hour later,

Grandpa Graham came.

He heard the whole story,

and looked at Alyssa Graham.

"Grandpa, I didn't do this."

Grandpa Graham heard her and nodded, "Let me take care of this."

"No hurry, Grandpa." Alyssa Graham asked her Grandpa to sit down and looked at the three female classmates with a smile, "Excuse me, who asked you to say that I am the girl in the picture?"

The three girls did not speak and looked at each other.

Seeing that nobody was talking, Alyssa Graham said coldly, "It's OK that you don't talk! Our school is covered with monitoring. I'll go to the monitoring station to see who you had contacted and find the person you three have contacted. At that time, even if you don't want to say it, you can't hide any secrets. "

Two girls stepped back at the same time. The third girl saw the girls stepping back and quickly followed, fearing that she would be left behind.

When the instructor heard Alyssa Graham's words, he really thought it was a good way.

The instructor quickly went to the surveillance.

Emily Cole's face soon appeared in the video.

The three girls knew that they couldn't hide anymore, so all said the name of Emily Cole.

Alyssa Graham also found the surveillance video from a few days ago.

People would find out soon that Emily Cole was also posting photos on the school bulletin board.

Emily Cole knew she couldn't hide, so she came out.

"Yes, I said it. The back in that photo is Alyssa Graham. I'm sure it's Alyssa Graham. Otherwise I can confront Ryan Young. It was Ryan Young who was threatened by the knife. Ryan Young should have a say."

"Whatever!"

Alyssa Graham looked at Emily Cole and made a casual gesture.

Emily Cole looked at the teacher of the moral education department, "Teacher, can you call Ryan Young to confront her?"

"Yes."

Grandpa Graham felt a little uneasy when he heard Ryan Young's name. Although he didn't think that Alyssa did that, once Ryan Young arrived, he would affect his granddaughter. He was worried and held Alyssa.

Alyssa was aware of her Grandpa's tension, looked at him and nodded at him.

Ryan Young was quickly called over. He saw so many people and photos. When he saw Alyssa Graham, he immediately lowered his head.

"Ryan Young, a few days ago you were threatened by someone with a knife at your door. What was the matter? Was it Alyssa Graham who wanted to hurt you with a knife?"

The teacher of the moral education department looked at Ryan Young with a righteous face.

Everyone's eyes were on Ryan Young.

Ryan Young took a look at Alyssa Graham. Thinking of her kicking him last time, he quickly blocked his lower body.

"No, it was not Alyssa Graham. I have nothing to do with Alyssa. Why would she do that to me? This woman looked like Alyssa, but it was not her."

As soon as Ryan Young finished, everyone looked at Emily Cole.

Emily Cole saw everyone staring at her and stepped back.

Before she could speak, Ella Lloyd came in from outside with the investigators.

Everyone looked at the uniformed investigators and stopped talking.

Alyssa looked at the case handler who was invited and laughed at him, "Hello, I'm going to trouble you again this time. Now my classmate slandered me and said that the accident of Ryan Young a few days ago was related to me. Since the person who attacked him last time had been caught. Please tell them, so that I can prove my innocence."

The investigators nodded at Alyssa Graham, "Well, a few days ago, we did receive a report that Ryan Young was in danger, and someone reported Alyssa Graham. We also investigated Alyssa Graham, but that night a woman surrendered herself to us, who is still in the police station and had admitted that she attacked Ryan Young."

"That person was not Alyssa Graham, how could it be? Alyssa Graham almost looked the same as the one in the picture.

"No, it's not. Ryan Young himself said it was not Alyssa Graham. I think these people are just jealous of her. She did well in the competition last time." Watching the scene, the male students couldn't help speaking for Alyssa Graham.

"I think so. In the past, Alyssa's academic performance was not good. According to those girls, nobody is allowed to make progress." The girl next to him also spoke up for Alyssa.

"The investigators said that it was someone else. Why did Emily Cole say that Alyssa Graham attacked Ryan Young?"

(To be continued)
