

When His Eyes Opened by Simple Silence Chapter 1986

“Avery, don’t you think Jun was a little kid? According to my mother-in-law, Jun liked to fight when he was a child. My parents said that I was a little princess when I was a child...”

Avery really didn’t expect such a contrast.

“Kara is a combination of me and Jun! It’s reasonable to be reasonable, but she is too impatient.” Tammy said, took a banana from the fruit plate, and peeled it slowly, “Shea, last time my mother-in-law fell and hurt her waist. It seems that she can’t be tired anymore. You can send Maria to the nursery near your home.”

Shea nodded: “I have already sent to the nursery. Every day Crying at school, crying after school...but the teacher said that she didn’t cry so much when she was in school.”

“It’s like this with children. After a while, she’ll get used to school life.” Tammy comforted.

“Shea, when did your mother-in-law fall? Did she fall seriously?” Avery was completely unaware of this.

“What happened after you and Elliot went to Yonroeville. You’ve been in the hospital for a week!” Tammy said, “but don’t worry, auntie has been discharged from the hospital now, so it must be less serious.”

Avery frowned deeply, “Shea, I’ll go back with you later, and I’ll go see your mother-in-law.”

Shea: “Okay.”

“How is Brother Wesley’s work? Is it going well?” Avery realized that Wesley cared too little about his friends.

Every time Avery looked for Wesley, she only contacted him when she needed his help.

Shea said, “I don’t know if his work is going well... Every time I ask him if he is working hard, he always says that he won’t tell me bad news. I really miss it. If you can make money yourself, you don’t have to work as hard as Wesley.”

Tammy patted Shea’s head: “You really feel sorry for your husband. If you really don’t want him to work, you can tell him. When the two of you got married, Elliot should have given their family a large sum of money, right?”

Tammy knew that Elliot could not be mentioned, and did not deliberately say anything about Elliot, but Elliot had already penetrated their lives.

“My brother gave me a sum of money, and asked me not to give it to my parents-in-law, nor to Wesley.” Shea said truthfully, “The money is in my hands, I want Wesley to help me save it, but Wesley doesn’t want to.”

“You don’t even listen to your brother’s words. He asked you to take it yourself, so you can take it yourself... Even if Wesley treats you well, you can’t keep the money for him.” Tammy said. She was a little anxious after hearing her words, “I’ll give you a safe the other day, and you can store your valuables in the safe. You just need to remember the password of the safe.”

“But I believe Wesley, just like believing in my brother.” In Shea’s clear eyes, there was persistence that belongs to her.

Avery: “Tammy, every couple’s situation is different. Love should always be like her and Wesley.”

Tammy: “I’m afraid that Wesley will fail Shea in the future.”

Avery: “If Wesley dares to fail Shea in the future, it belongs to Shea. I will definitely help Shea to get it back. Since they are in love and harmony now, we don’t have to worry too much.”

After lunch, the three went to Wesley’s house together to visit Wesley’s mother.

Wesley’s mother still needs bed rest, but there is no problem getting out of bed.

“Avery, when such a big thing happened in your family, I’m really touched that you can still come to see me.” Sandra said, “I’m fine now, I hope you can find Elliot’s whereabouts soon. Wesley told me that Shea always wiped away her tears secretly, Shea was anxious, and Wesley was anxious too.”

Avery wanted to say something, but suddenly the phone in her bag rang.

When His Eyes Opened by Simple Silence Chapter 1987

Avery took out her mobile phone and saw that it was a call from Bridgedale.

She immediately exited the room and answered the phone.

“Excuse me, are you Miss Avery?”

Avery: "I am. Who are you?"

"I am Ms. Wanda's lawyer. Where are you now? Are you heard about Ms. Wanda's death?"

Avery: "I heard, what's the matter?"

Wanda's lawyer: "Ms. Wanda said before she died that if she died, then the murderer must be you. I don't know if you have anything to say."

Avery: "It's ridiculous, even if I'm not a student. As for the law, I also know that whoever advocates will give evidence. She said that I killed her. Do you have any evidence? Besides, Wanda is in Bridgedale, and I am in Aryadelle, how did I kill her?"

Wanda's lawyer: "Although you are in Aryadelle, you can buy a murderer and kill someone."

Avery: "If you can't produce evidence to prove that I bought a murderer, I can sue you for libel. I'll give you a week, if you can't produce any evidence, then you can wait for the receipt. Lawyer's letter."

Wanda's lawyer: "Miss Tate, since I dare to call you and say this, it is naturally because I have evidence in my hand...Miss Tate, as far as I know, your child is in Bridgedale, you should come to Bridgedale as soon as possible, otherwise, if this incident becomes serious, it may affect your child."

Avery hung up the phone.

Tammy came out, saw her face was cold, and immediately asked with concern: "Avery, whose phone is it? Could it be that Wanda has come back to life?"

Avery shook her head: "If she die, she will die, and if she die, she will come back to life. It's only in TV dramas."

"That's good!" Tammy breathed a sigh of relief, "Who called you?"

"Wanda's lawyer." Avery said this, and quickly adjusted her emotions, "Wanda told her lawyer that if she died, then the murderer must be me. So her lawyer will sue me on her behalf. I have to go to Bridgedale to deal with this matter."

"D*mn it! Wanda is a poisonous woman. Avery, why don't you go to Bridgedale? You stay in Aryadelle, anyway, Aryadelle and Bridgedale There is no extradition agreement between countries. Before, every time Wanda committed a crime in Aryadelle, didn't she immediately go to Bridgedale to take refuge?" Tammy didn't want Avery to get in any trouble, so she gave her own advice.

“Tammy, I didn’t do anything wrong. I don’t need to hide. Wanda can ask a lawyer to sue me, or I can ask a lawyer to defend me.” Avery has decided to go to Bridgedale to solve this matter, and by the way, she wanted to meet Emilio, “Her lawyer said that there is evidence that I killed the person, but it’s just to scare me. I didn’t participate in the whole process.”

“But you didn’t participate, Hayden and the others may not have participated, right? If it is found out that it was Hayden Wouldn’t what they do... affect them too?” Tammy was suddenly afraid that this matter would make a big difference.

If Elliot was here, Tammy would never worry about them.

But now without Elliot, Avery always feel that there is no one who can support the overall situation.

“Then I’ll go to Bridgedale.” Avery said, “Tammy, you don’t have to worry. Wanda is no longer the high-spirited Wanda we used to be, and we are not what we used to be.”

“Okay, okay! I know no matter what you do. Okay, you will go. Then you can solve the problem with peace of mind. Layla and Robert, we will watch them and you don’t have to worry about them.”

After coming out of Wesley’s house, Avery returned to Foster’s house and simply cleaned up Luggage, went out to the airport.

Listening to what Wanda’s lawyer said, if she doesn’t go to Bridgedale to resolve the matter as soon as possible, they plan to make it bigger.

Otherwise Wanda’s lawyer wouldn’t say that it would affect her child.

.....

In the evening.

The bodyguard picked up Layla from school, and by the way, he told Layla that Your mother went to Bridgedale.

“Why did my mother suddenly go to Bridgedale?” Layla frowned.

The bodyguard: “Wanda is dead.”

Layla: “Ah?! Really? Is this old w*tch really dead?!”

The bodyguard: "Yeah. So your mom went over to deal with a little thing. Come back when it's settled."

"Oh...my mom won't be in danger?" Layla asked.

The bodyguard: "Probably not. She went to Bridgedale. Your brother and your uncle Mike will take care of her."

Layla: "Teacher Larson got off work at one o'clock and she gave me the key to her house, let's go to her house first."

The two of them knew each other well and came to Katalina's rental house.

The bodyguard opened the door and saw a person sitting on the sofa in the living room.

This person, by coincidence, they know each other.

Norah was entrusted by her aunt to come to Katalina's house to see Katalina's life.

Unexpectedly, Layla and Foster family's bodyguard would appear here.

Seeing Norah, Layla turned around and left without thinking.

But the bodyguard held her back.

The bodyguard still haven't figured out if the disappearance of the boss has anything to do with Norah. What if it does?

"Miss Jones, what a coincidence." The bodyguard led Layla, entered the room, and closed the door by the way.

After the two of them came in, Norah became a little uncomfortable.

Norah adjusted several times before finally letting herself pull out a smile.

Norah: "Layla, long time no see."

Layla pretended not to hear, took her schoolbag, and went to the study to do her homework.

Norah saw that Layla was so impolite, and the expression on her face was a little bit unbearable.

“Miss Jones, after my boss’s accident, Layla is like this. You don’t have to care about like a child.” The bodyguard spoke up, leading to Elliot’s disappearance.

“Well, I can understand. I’m also very sad when Elliot’s accident happened. I wanted to come to visit, but I thought that Layla and Avery didn’t welcome me, so I didn’t go there.” Norah said calmly, “By the way, how do you have the key to my cousin’s house? She gave it to you?”

The bodyguard: “Yes. She helps Layla with tuition every night. Doesn’t you know?”

“I thought it was at home.” Norah was very surprised and could not hide her anger, “My cousin has just entered the society, she can be really stupid. She has no defense at all.”

The bodyguard: “Miss Jones, you thinks that Layla and I are bad people for your cousin. Should you guard against us?”

“I didn’t say that.” Norah’s expression turned gloomy, she picked up her bag and strode towards the door.

When the door opened, Norah happened to meet Katalina who was returning from get off work.

“However, what’s the matter with you? You can make up lessons for Layla, why did you let them come to your house? Do you want to cling to Foster’s house for your own benefit?” Norah closed the door behind her, but inside the room, there was still Norah’s voice could be heard.

Norah continued, “The Foster family is no longer the beautiful Foster family it used to be! Elliot is dead, and now the entire Foster family has no leader, but you are so flattering to them, your brain is flooded, right? You said a word of the words I said to you. Didn’t you listen?”

“Cousin, didn’t you say that Elliot just disappeared?” Katalina blushed and retorted in a low voice, “You said he died, but he really died?”

Norah took a deep breath and lowered her voice: “I said he’s dead, he’s dead! You go in immediately and drive them out!”

Norah’s voice was settled, and the door behind her opened—
