

The Substitute Wife My Poor Husband is a Billionaire
Chapter 490: Defect With The Parachute

. . .

After washing up and getting dressed, Ethan went back to the bedside and stroked Janet's hair.

Then, he leaned forward and kissed her.

Janet squeezed her legs together as the growing sensation made her uncomfortable. She was half naked, revealing her slender back.

"I'm going to the company now."

Ethan smiled, his eyes gleaming with tenderness. He touched Janet's quivering lashes and trailed down her flushed cheeks.

Not long after Ethan left, Janet's phone rang. She was still sleepy.

Ethan hadn't let her rest last night.

Janet was exhausted; her body felt like jelly. She didn't feel like moving out of bed.

But her phone kept ringing and she had no choice but to pick up.

"Hello, who's this?"

Janet mumbled, her eyes still closed.

"Janet, it's me, Lila. Are you free this afternoon?" Lila asked, coming straight to the point.

"Do you want to go skydiving with me? I have an extra ticket." Janet pursed her lips and thought about it.

Ethan had to work overtime today. It would be boring to stay at home all alone.

Besides, Janet had never gone skydiving before. She was thrilled to try it.

"Okay. Send me the address. I'll directly go there in the afternoon."

Janet hung up the phone and slept until noon.

Before meeting Lila, she sent a message to Ethan, informing him that she was going to try skydiving.

But Ethan was busy; he hadn't read the message.

Janet and Lila soon arrived at the club and took a helicopter to the spot.

"Janet, have you tried skydiving before?" Lila asked when she saw the excitement in Janet's eyes.

"No, but I've always wanted to try."

Janet's stomach flipped with excitement and fear as she looked down at the surrounding mountains.

Everything looked tiny from where she was standing. She had never tried skydiving before and couldn't wait to experience it.

Hearing it was Janet's first time, the coach once again enlisted the dos and don'ts. Lila had tried skydiving several times. It was no big deal to her.

Thus, she felt relaxed.

"Is this your parachute? Gosh, it's so beautiful."

Lila sighed as she looked at the heavy parachute equipment in awe. The female coach pointed at the backpack in front of Lila.

"This is your parachute, and that's your friend's."
