

## WHEN HIS EYES OPENED

### Chapter 2238

“Mom, do you know Sasha Johnstone, right?” Hayden looked into his mother’s eyes and asked.

Avery tensed up, with a layer of hatred on her face: “Of course I know! It’s her who tricked me and your father into the basement!”

“Norah bought her, so she did such a thing. I think She may know Haze’s whereabouts, so she has been sending people to look for her.” Hayden explained everything one by one, “Sasha Johnstone is a very smart woman, she received a large amount of favors from Norah. After she escaped from Yonroeville, she bought a fake identity to live.”

“Have you found Sasha Johnstone?” Avery’s heart was beating violently.

Hayden shook his head: “I only found her boyfriend. She used a fake identity to make friends with her boyfriend.”

“Hayden, you are amazing. How did you find Sasha Johnstone? She used a fake identity, and you can find her all.” Avery admired his son’s means and ability from the bottom of her heart.

No wonder his son would say that Elliot is not strong enough.

Avery doesn’t think Elliot’s strength was not good, but Hayden’s mind was more flexible and his thinking was more divergent.

“I found her by her looks. After she escaped from Yonroeville, she went to a dance hall in the country named Carinovelle to sell alcohol. Before the people I sent out to find her, she ran away overnight. Her reaction ability is particularly strong, not too So I can catch her.”

“People like her who have been in a criminal gang must have stronger psychological quality and reflexes than ordinary people. I have met her before, and I think she is a very complicated person. It feels like she may really not know Haze’s whereabouts, if she knew, she should have told me.”

“Mom, they don’t have a word of truth in their mouths.” Hayden said indifferently, “No matter what they do or say, it is for their own survival.”

Avery: “But Sasha Johnstone wanted me to help her before. Euthanasia.”

“If she wants to die, she can die. Why does she want to be euthanized? Is it because she is afraid of pain!” Hayden sarcastically.

Hayden’s words made Avery not know how to refute.

“Her boyfriend told you that Haze was sold to a wealthy family. Are there any other clues?” Avery’s mood was not as desperate as before.

If Haze was really sold to a wealthy family, then there is a high probability that Haze would still be alive.

Hayden shook his head: “Her boyfriend doesn’t know much. Sasha Johnstone just told him something vaguely. I don’t know who the rich man is and what his nationality is. “

“Hayden, thank you for doing so much in secret. When your father had an accident, you silently helped a lot.” Avery was so moved that she hugged her son.

Hayden was not used to his mother holding him like this, so he said, “Mom, I said I would look for my sister, and I definitely won’t let it go.”

Hayden let go of his mother and said bluntly, “I’m a little hungry, let’s go eat!”

Avery: "You must tell me the news. I really want to get her back, but I paid a very painful price to your father before, which made me a little scared..."

"Don't be afraid, mom. Be careful in the future. It's over." Hayden comforted Avery, "If you have anything to do in the future, you can also tell me. This way, when you are in danger, I can find you as soon as possible."

## WHEN HIS EYES OPENED

### Chapter 2239

Unexpectedly, the phone can be dialed. But no one answered.

"Young master Jones, we can call the police to check the location of her mobile phone." The bodyguard gave him some advice.

Emilio: "Yeah. That's what I mean too."

Norah was his sister, and the police would definitely help him find it.

Unexpectedly, things were far simpler and easier than he imagined.

He just provided her identity certificate and the parent-child relationship certificate between Norah and Travis, and the police immediately helped her find Norah's mobile phone location.

The location showed that Norah's cell phone signal appeared in a remote and backward mountainous area.

After getting the precise location information, Emilio took the bodyguard and went to find someone in person.

"She's brave enough to go to that kind of wilderness!" the bodyguard said and laughed.

“We came to Aryadelle to find her, which probably scared her.” Emilio leaned back in the seat and closed her eyes, “but her phone is on, I suspect something might have happened to her. Otherwise, she wouldn’t keep turning it on. She was smarter and more shrewd than me. My dad told me that if Norah’s gender was a man, he would like Norah more.”

“Young master Jones, Your father is always saying angry words. Norah is a b\*tch, no matter how good she is, your father will not give her the family property. You can rest assured!” The bodyguard said.

Emilio responded.

After nearly four hours of running around, Emilio finally came to the foot of the mountain where Norah was.

“Young master Jones, why don’t you wait below and let’s go up to find her?” The bodyguard was afraid that Emilio would not be able to climb up, so he spoke.

Emilio wanted to catch Norah himself. So after a brief hesitation, he took a step forward.

He has the location information of Norah’s mobile phone on his mobile phone. If he goes to look for it, he should be able to find Norah’s location soon.

“Young master Jones, be careful! This mountain road is too steep! It looks like a wild mountain!” The bodyguard said.

“Norah can climb up and live on it, what’s so scary about me!” Emilio encouraged himself.

After about half an hour, they climbed to the mountainside.

They found the small broken house where Norah lived. The door of the shabby house was left open.

Two bodyguards stood at the door and shouted a few times, but there was no response from the door.

Emilio gave them a look and let them rush in.
