

Chapter 5107

Two hours after going to the Middle East,

Charlie's Concorde landed in Damascus, the capital of Syria.

Joseph and several core members of Cataclysmic Front were already waiting at the airport.

When Charlie got off the plane, Joseph hurriedly stepped forward and said respectfully:

"Mr. Wade, my subordinates thought you would go directly to the United States from Norway,"

"I didn't expect you to make a special detour to come to Syria so far,"

"And the preparations were a bit hasty. If I had known that you were coming,"

"Your subordinates would have made arrangements as soon as possible."

Charlie said with a smile:

"The seven people you brought back still have enough deadly poison in their bodies."

“If they are not relieved, these seven people will die within a few days.”

After finishing speaking, Charlie asked him, “Have those seven people settled down?”

“They’re settled.” Joseph said: “In order to avoid any accidents,”

“I left Walter behind and asked him to take a few five-star generals to guard those people.”

“Okay.” Charlie nodded and said, “The situation of these people is different from that of May 47.”

“When they were in Bergen, they already confessed to me something related to that mysterious organization.”

“Later, you call Inspector Li and May 47 together,”

“And then dig deeper into the clues to see if there is any New discovery.”

Joseph immediately said respectfully: “Okay, Mr. Wade,”

“When we arrive at the base, the subordinate will arrange it immediately.”

Afterward, Joseph asked again: "By the way, Mr. Wade, how long do you plan to stay in Syria this time?"

"Would you like your subordinates to arrange accommodation for you in advance?"

"No." Charlie said with a smile, "I'm here to deal with business,"

"And I'll go back to the United States after a casual visit,"

"And I just took this opportunity to meet the old acquaintances."

Joseph said: "Mr. Wade, there are quite a few of your old acquaintances here."

"Commander Hamid happens to be at the base."

"He has been talking about you, but I haven't told him that you are coming."

Charlie asked curiously: "Why has he come to the base of Cataclysmic Front?"

Joseph explained: "He has been here more frequently recently."

"In addition to cooperation and exchanges, he mainly wants to learn some experience from Cataclysmic Front."

“Although we started the overall construction of infrastructure relatively late,”

“Our infrastructure scale and propulsion efficiency are much higher than his.”

Then, Joseph said again: “Mr. Wade, let’s set off now, this time you have to work hard to land in Damascus,”

“If you come back in two months, we will put into use our own runway,”

“And there is no need to transit in Damascus, just land directly on the runway of the base.”

Charlie nodded, and asked him curiously:

“The plane bypasses the customs and lands directly at the base,”

“What is the attitude of the authorities?”

Joseph explained: “The subordinate has already said hello.”

“If it’s just people entering and leaving the country,”

“Damascus basically turns a blind eye and closes one eye.”

“There is no need to go through customs.”

Speaking of this, Joseph added: “Actually, the current situation here is still very complicated.”

“Damascus can’t manage all borders at all. In the past,”

“The entry and exit of opposition personnel and materials was like a game,”

“So now Damascus basically doesn’t care. Besides, Damascus, the whole side here is very friendly to us.”

“After all, we are here to mediate the struggle between the two forces in the country.”

“It is rare for everyone to cease-fire now.”

“Everyone wants to not attack each other. Many things are just a formality; “

“In addition, there is a more important point.”

“Damascus is very clear that we only want to find a place to live in Syria,”

“And we don’t want to seek any benefits from Syria.”

“Unlike other countries, they only see the oil resources here.”

“So they are more willing to maintain this kind of cooperative relationship with us.”

“That’s good.” Charlie was relieved when he heard this.

Once an organization like Cataclysmic Front wants to become bigger and stronger,

It will not be welcomed no matter which country it is in.

Now that it can take root in Syria,

It can be regarded as a solution to the urgent need for development and growth.

It is precisely because of the complicated internal situation here that,

It gave Cataclysmic Front a chance to develop with peace of mind.

However, Charlie was also very clear in his heart.

It is not a long-term solution to live under the fence.

In the future, we must find a way to actually buy a piece of land so that,

Cataclysmic Front can build a permanent base without any worries.

Afterward, Charlie, Joseph, and others boarded the helicopter of the Cataclysmic Fronta together.

The five helicopters took off almost at the same time and flew towards the Cataclysmic Front base.

After an hour's flight, the helicopters arrived over the base.

It can be seen from the air that the base of Cataclysmic Front is currently a huge construction site,

Full of buildings under construction and dusty transport vehicles.

On the east side of the base, there is an airstrip that has already taken shape.

Seeing the construction of the entire base in full swing, Charlie couldn't help feeling relieved.

The Cataclysmic Fronta is currently his most powerful strike force besides himself,

And it will have a very important effect on every step he takes in the future,

Especially in the contest with that mysterious organization, which has far-reaching significance.

Therefore, he hopes that the strength of Cataclysmic Front will continue to grow and improve,

And his goal for the first stage of the development of Cataclysmic Front's overall strength,

Is to be able to compete with all the dead soldiers of that mysterious organization.

As for the mysterious lord, Charlie planned to keep it to himself.

The helicopter landed slowly in the core area in the center of the base.

On the south side of the core area, there is a cubic building.

This building is about 20 meters high. At the bottom is a huge hollow that is transparent from north to south,

And a track that is much narrower than normal train tracks passes through it.

It can be seen from the opening that inside the building is a huge lifting device made of steel frames,

With a steel cable as thick as a baby's arm hanging in the middle.
