Chapter 2471

Avery: “What’s wrong? Am I wrong?”

“People are all villains!” Nick repeatedly emphasized to her, “Avery, no matter how well you brag about me, you can’t cover up this fact.”

“But Elliot is not a villain.” Avery refuted him.

“Elliot has not been in touch with us for a long time. He disdains to be with us. Among us brothers, he is the most capable, so we always take the initiative to contact him. This is the truth that we have always been in touch.” Nick said, “I know you must be worried about Elliot when you call me. If you want to do something for him, then call him and remind him not to act rashly. At the same time, find him support, understand? The phone call, you’re calling me is useless.”

Avery guessed Nick’s words several times, then hung up the phone.

“Avery hung up the phone without even saying a word.” Nick looked at the hung up call and murmured, “What a heartless woman!”

After a pause, he murmured again: “Just now didn’t I say anything? What did I say to her just now? Hey! I’m old and useless!”

Nick muttered, found the place where the call recording was stored, clicked on the call just now, and listened to it from the beginning.

When he heard Avery’s long words of praise, Nick felt ashamed and even wanted to find a hole in the ground to drill.

This woman, Avery, was really glib, and she’s becoming more and more dishonest!

Wasn’t it just to trick him and ask him to help Elliot? He even made up nonsense with his eyes open. How could he bear to praise him like this?

Aryadelle.

After Avery finished talking on the phone with Nick, her nerves tensed up, and she immediately came out of the bedroom.

Nick asked her to find reinforcements and go to Yonroeville, which meant that Elliot was in danger in Yonroeville!

She quickly came down from the stairs, and Mrs. Cooper heard the hurried footsteps and came over immediately.

“Avery, what’s the matter?” Mrs. Cooper asked.

“Elliot is in danger, I want to send someone to Yonroeville to protect him.” Avery plans to discuss with Mike and Ben to see how to deploy.

“What’s wrong?” Mike heard her voice and came out of the toy room on the first floor, “What’s wrong with Elliot?”

Avery: “Mike, I called Nick just now, and Nick asked me to find support for Elliot...”

“Don’t worry. Even if you send support there, you have to contact Yonroeville first...unless we buy weapons in Yonroeville...”

Mike’s brain has gone out The scene of the battle in Yonroeville.

This was what Avery was very afraid of.

Whenever weapons were used, there were bound to be casualties.

If Elliot made a mistake, it would be too late to regret it.

“Mom, has Elliot been kidnapped?” Hayden walked out of the toy room, followed by Robert.

Looking at the two sons, Avery calmed down a little:

“No. He’s fine now. But if he continues to investigate, he may be in danger.”

“Mom, you stay at home, I’m going to Yonroeville.”

Hayden was afraid his mother ran to Yonroeville in a hurry, fearing that his

mother would be in danger, so Hayden stepped forward, "I'll save him."

Mike and Avery were stunned.

Hayden and Elliot used to be at odds, but now, Hayden was willing to go to Yonroeville to save Elliot.
