Chapter 249I

Siena hurriedly walked to the yellow dog, touched the yellow dog's body, it was already cold.

She suddenly thought of her mother-in-law's appearance when she died, and the tears couldn't stop streaming down.

In the building, Lucas was woken up.

He was wearing a thin shirt and opened the door with a sleepy face. Seeing the scene in the yard, his eyes suddenly became cold and cold.

He started raising the dog when he was 6 years old.

Unexpectedly, within a day after arriving at Hogan's house, the dog was poisoned to death.

Main building, living room.

Master Hogan's face was sullen, his eyes could not hide the look of exhaustion.

Mrs. Hogan looked at everything in front of her with disgust.

"I ordered someone to poison it to death! It's just a wild dog! It's a worthless thing. What are you trying to do now that you are so

angry?” Mrs. Hogan looked at Lucas, and said contemptuously, “Before I ordered someone to poison your dog, I discussed it with your father. Our Hogan family does not allow this kind of wild dog!”

“It’s my pet, not a wild dog!” Lucas clenched his fists tightly, hatred burst out from his eyes.

“Lucas, your dog kept barking yesterday, what if it bites someone one day? If you like keeping pets, I’ll give you a docile pet dog

as compensation, how about it?” Looking at the dead body of the yellow dog that was carried in, Mr. Hogan felt very unlucky, “I’ll

let someone carry this dog and bury it!”

“Don’t touch my dog!” Lucas’s eyes were scarlet, and he gritted his teeth tightly as he looked at his father, “If you hadn’t begged

me to go back to your house, I would never have come back with you! Since you dislike my dog so much, why didn’t you tell me

yesterday?! I will never forgive you!”

Lucas said, and hugging the yellow dog corpse he strode away.

“Younb Master, wait for me!” Siena hurriedly ran out. Facing the wind and snow, the two headed west all the way.

After walking a certain distance, Lucas realized that Siena had been following him.

Lucas: “Why are you following me? I won’t go back to Hogan’s house!”

“Young master, if you don’t go back, I won’t go back either.” Siena’s eyes were red, and her nasal voice was a little heavy, “They went too far.”

“You cry, why?” Lucas watched her tears welling in her eyes, her emotions were infected, as if something was stuck in her throat and felt very uncomfortable.

“My mother-in-law died the day before yesterday.” Siena paused when she said this, “Young Master, if you don’t mind, you can bury your dog next to my mother-in-law.”

Lucas: “Is your mother-in-law’s grave far away?”

“Not far.” Siena led him to the cemetery, “Let your dog protect my mother-in-law from now on.”

Lucas: “...”

Siena: “Master, if you don’t go back to Hogan’s house in the future, then where are you going? They said your mother is getting married. Do you have a place to go?”

Lucas’s face became gloomy again.

“If you don’t mind, you can go to my place first. There will be a blizzard today, if you don’t find a place to stay, you will freeze to

death.” Siena looked at the thin windbreaker on his body and reminded him kindly.

Lucas did not answer. At this moment, many thoughts flashed through his mind.

He had lived in a daze until now, thinking that no matter how bad life was, it would never be worse than before. Unexpectedly, reality gave him a hard blow.

If he just left the Hogan family like this, he would not be reconciled.

In the afternoon, after burying the dog, Siena took Lucas to her rented house.

The weather was bad today, it was only after 5:00 p.m., and it was completely dark.

Siena gave up her room to Lucas, while she went to her mother-in-law’s room to rest.

The next morning, after cooking the noodles, she went to call Lucas for breakfast, but found that there was no one in the room.

Lucas had left.
