Chapter 2519

But thinking of giving up here, Layla felt unwilling.

.....

Thopiavelle.

In a hot pot restaurant.

After Lucas's nightly order came to the table, the two began to eat dinner.

"Young Master, did your father say when he will be back?" Siena said and she was full after eating a little. Siena didn't have a big appetite and didn't eat much at each meal.

"Do you need to find him?" Lucas asked back.

Lucas never paid attention to this issue.

Whether they went out to play or to go home had nothing to do with him.

"I think they're not at home, I feel so relaxed. Don't worry about Mrs. Hogan targeting you, and don't worry about other things

happening." Siena took the plastic gloves and put them on, "Young Master, let me peel the shrimp for you!"

"Do you want to eat?" Seeing Siena put down the bowl and chopsticks, Lucas suddenly lost his appetite.

"I'm full." Siena smiled, "I have a small appetite."

“You’re hungry?” Lucas teased, “You look like bean sprouts.”

“I don’t look like bean sprouts anymore, I look so tall.”

Siena said firmly, “It’s a little shorter than you.”

Siena was indeed not short.

Elliot was tall, Avery was not short, and her parents had good genes, so even if she didn’t eat well, her height would not be affected too much.

At a table not far from them, someone saw Siena’s face.

“F*ck! There’s a girl over there who looks so disgusting! I was scared to death! I thought I saw a girl ghost!” A man with a short hair exclaimed.

Others at the same table looked at Siena one after another.

After seeing the hideous scar on Siena’s face, everyone showed disgusted expressions to varying degrees.

“Which one of you dares to kiss that girl?” Suddenly, someone suggested this wicked game, “I’ll give him \$10,000.”

Several men looked at each other, and finally shook their heads.

“Young Master Gagnon, there’s nothing you dare not to kiss, the main reason is that you’re afraid of having nightmares at night!”

“My girlfriend won’t let me touch other girl. I’m destined to lose this \$10,000.”

“I don’t have a girlfriend, but I’m cowardly! I’m cowardly! Can I drink alcohol!”

“...”

“Look at you cowards! I’ll go and kiss her, and you’ll give me \$10,000!” The man who spoke was the second Young master of the Gagnon family.

The second young master of the Gagnon family was a well-known playboy, and he liked to play this kind of teasing game the most.

“Young Master Gagnon, you are awesome! If you dare to kiss her, our brothers will pool \$10,000 for you right now.” Someone urged.

“Young Master Gagnon, are you really not afraid of kissing that girl and having nightmares at night? Why don’t you think about it again?”

Second Young Master Gagnon drank some wine and now that he was drunk, he only wanted to show off.

“I’m not afraid of anyone, what the h-e-l-l am I afraid of!” Second Young Master Gagnon said, pushed away the chair, and walked towards Siena.

When Siena felt someone appeared in front of her, she thought that person was going to pass by.

As a result, the man stood beside her.

“Hi, hello!” Second Young Master Gagnon looked at Siena’s face up close and greeted with a smile.

“Hello, what can I do for you?” Siena’s heart beat rapidly after being accosted for the first time.

Lucas glanced at Young Master Gagnon, then quietly pushed the bowl and chopsticks aside.

His intuition told him that Young Master Gagnon was here to find fault.

Sure enough, after Siena asked the last sentence, Young Master Gagnon directly kissed Siena’s face!

Siena was so frightened that she turned pale with fright, and screamed out loud!

When Lucas saw this scene, without even thinking about it, he picked up his chair and slammed it hard at Young Master

Gagnon’s body!
