Love Has its Will by Selena Lewis Chapter 443

“Eileen, Bella, Rachel, they are all my friends.”

Kadyn had already drunk too much, so he introduced vaguely, “This is Mr. Cassel. Don’t just stand there. Give him a toast.”

Brandon was like the god of death with a cold face. No one dared to toast him. The women froze and did not move.

Kadyn urged again, “What’s wrong with all of you? Why don’t you serve Mr. Cassel?”

Brandon picked up a glass of wine and splashed it on Kadyn’s face. “Are you sober now?”

The wines were all frozen over, so Kadyn was more than sober now.

“You are really ruthless.” Kadyn shivered in cold.

Kadyn wiped his face while Brandon chased away the women in the booth.

At this moment, only Kadyn and Brandon were left in the booth.

“What did Gordon say? What did he propose?” Brandon sat down. There was an unpleasant smell of perfume in the booth. He frowned in disgust.

“What conditions can he offer? Naturally, he obediently agreed to it. This morning, he eagerly sent me the money.”

Kadyn took out his phone screen and showed the message sent by the bank to Brandon.

“Then why did you call me out at midnight?” Brandon was a little angry.

“Aren’t you tired of being a responsible husband every day? I just found an excuse to bring you out to relax,” Kadyn said with an evil smile. “I found so many girls, but you chased them away. You are really disappointing.”

“Is this why you called me out?” Brandon’s face turned gloomy. “Don’t be so annoying next time. Savanna is about to deliver the child. Something may happen at any time.”

Brandon was about to leave.

But suddenly, a weak woman appeared behind him.

Her long black hair reached her waist, and she was wearing a white dress with a pair of walking sticks under her arms.

“Truly a henpecked husband. Eileen, Bella, and Rachel are so beautiful. Why don’t you like them?”

Kadyn mumbled.

Suddenly, his eyes lit up, and he hurriedly introduced, "Your old lover, Winnie. You should like this one."

"Brandon, I finally see you."

Winnie's large eyes were filled with tears. She was so excited that her lips trembled. Brandon widened his eyes in surprise. He was dumbfounded.

"You... Why are you still alive?"

Anyone would feel shocked and complicated when they suddenly saw someone they thought had died.

Winnie threw herself into Brandon's arms and wrapped her arms around his waist tightly, her tears wetting his collar.

Brandon did not move and let her hug him.

Behind him, Kadyn took out his phone and secretly took a photo. He deliberately posted it on his Instagram.

"Mr. Kadyn: 'Tsk tsk tsk, old lovers meeting. So affectionate."

Although it was taken from behind their acquaintances would recognize them.

"Brandon, I almost couldn't come back alive to see you. I almost died."

Winnie cried. She looked up, and tears flowed down her eyes.

She cried as she stepped forward, bringing her lips to the man's mouth and intimately kissing him.

"Winnie, don't do that. I'm married."

As soon as Winnie's lips touched Brandon's, he pushed her away in disgust. Because she was lame,

Winnie almost fell.

Brandon took a step away from her and kept a safe distance from her.

"Brandon, look into my eyes. I don't believe that you don't have any feelings for me."

Winnie said, about to pounce again.

Brandon roared, "Don't come over."

Brandon was surprised to see Winnie again, but he didn't feel anything. He even treated her as a

dreadful beast. He felt if he got closer to her, he would be in great danger.

He had experienced enough suffering with Savanna, and he could no longer disappoint Savanna.

"Winnie, don't go crazy. I have a woman I cherish and want to love. I will never flirt with others."

As he spoke, he took out a handkerchief and wiped his lips several times. This action deeply hurt

Winnie's feelings.

"That sounds moving. You promised to be with me even if you were married, didn't you?" Winnie asked bitterly

Brandon had indeed promised her, but he was young and vigorous at that time, for which he said the wrong thing.

"Winnie, it was my fault back then, but now I only want to live a good life with Savanna."

"What about me? My life has been ruined by you. What right do you have to retreat?"

Winnie shouted crazily and lost control a few times. But soon, she laughed to herself.

"Now that I am like this, none of you will have a good time. Let's go to hell together."

Brandon felt that she was simply like a madman. He did not want to waste any more time and walked out in large strides.

Maybe because of the bar's air conditioner, Brandon suddenly felt very hot. He reached out and

loosened two buttons. He felt like he was burning on a stove.

"Brandon, you are not allowed to leave."

His hand was suddenly grabbed by Winnie.

Brandon was supposed to shake her off in disgust, but strangely, he felt a trace of comfort from the cold touch of Winnie.

He was confused.

When he was stunned, Winnie got an opportunity. She rushed over and hugged him from behind.

"Let go of me," Brandon warned her.

However, Winnie did not let go. She even reached out and boldly stroked his abdominal muscles.

"Brandon, do you feel very hot now? Do you feel that there is a fire burning in your lower abdomen?"

She was right.

Brandon felt hot and uncomfortable. He should have pushed Winnie away, but the woman's touch was like ice sticking to his body, making him feel comfortable.

"What have you done to me?"

Winnie leaned against his back. Her fingers reached to the front, touching and rubbing.

"Before I kissed you just now, I applied a little aphrodisiac on the lipstick. Savanna has been pregnant for a long time. You haven't had sex for a long time, right?"

“Brandon, let me help you,” Winnie said, her fingers sliding down.

In the intense heat, Brandon maintained sober. He angrily pulled away Winnie’s hand and gnashed his teeth. “Winnie, you are courting death.

“Savanna is about to give birth. I will never betray her.”

Winnie sneered, “An eye for an eye. Back then, she used this kind of method to seduce you to bed.”

The aphrodisiac was still working. Brandon gritted his teeth and rudely pushed Winnie to the ground. Then he quickly ran out of the bar.

Winnie was badly hurt from the fall, and after a while, she slowly got up from the ground.

Kadyn sat on the seat and watched her with a smile. “Brandon left. It’s such a good opportunity, Why don’t you chase him?”

“No hurry. I still have more important things to do.” Winnie sat back in her seat and took out her phone.

A moment later, a beeping sound rang out.

“What is more important than having sex with Brandon?” asked Kadyn curiously.

As soon as he finished speaking, Savanna’s dazed voice came from the phone.

“Hello, who is that?”

“I am Winnie.

These words were like a bolt from the blue. Savanna, who was still immersed in her sleep a second ago, completely woke up.

“Winnie, is it really you? You ... are still alive.”
