

# Chapter 5142

Speaking of this, he said with a firm expression:

“As soon as the poison in everyone’s body is solved,”

“Then we will organize everyone to ask their opinions if they are willing to resist the organization,”

“Then we will use this as a stronghold and fight the organization to the end;”

“If they tend to escape from the organization’s control,”

“Then we will leave Cyprus overnight and flee for a global scattering!”

“There are so many people fleeing at once, even if the organization wants to hunt them down,”

“I’m afraid it’s difficult to chase them over,”

“As long as everyone escapes to be able to remain as anonymous as possible,”

“I believe that there must be some people who can survive and live freely!”

After that, he looked around at the crowd and said impassionedly,

“Think about it, our ancestors fought their way from the dead to the Cavalry,”

“And have not been able to regain their freedom for hundreds of years,”

“And this bug in the new antidote is our best chance,”

“And it’s a great opportunity that will be fleeting!”

“Once they find out about the bug, then we don’t stand a chance!”

“Do you all really want our children and grandchildren to be forever shackled by this unbreakable poison as well?”

The short-haired man’s words caused the crowd around him to leap forward a bit.

One of them clenched his fist and said with clenched teeth:

“If we don’t seize this opportunity, our future generations will be controlled by this poison for hundreds of years!”

“Since this is a once-in-a-lifetime opportunity, we have to seize it no matter what!”

After saying that, he looked at the short-haired man and said firmly,

“Just say the word on how to do it, my brother, this life, from now on is at your command!”

“Yes, the Right flag chief, we all listen to your command!”

The others have also taken a stand at one time or another.

The short-haired man said with relief, “Good! Since we are all willing to put up a fight,”

“Then we will first set a plan, the top priority right now,”

“Is absolutely not to let that envoy know that there is a problem with this antidote,”

‘So later when he finds us a separate meeting, we must unify the caliber,’

“Say that no problems were found as well as any abnormalities,”

“So that he will definitely let the next batch of people come over to test the medicine,”

“What we have to do is to seize the time before they are brought here,”

“It is to tell them about these situations before, so that they are also the same as us, do not reveal any clues!”

Saying that he gave a slight beating, and continued:

“In addition, I guess that envoy can not always be here,”

“Waiting for all of us Cavalry Guards to test the medicine,”

“And after the Cavalry Guards more than thirty people in charge at all levels to test the medicine,”

“He will definitely distribute the medicine to us,”

“So that we can give our respective men to distribute the medicine,”

“So after we go back, we have to tell the respective men in advance. “

The people immediately nodded and said, “No problem! We all listen to you!”

The short-haired man added: “Later on, while the other two groups are testing the medicine one after another,”

“I have to go down to the mine to meet with a few elders of the dead soldiers and tell them about this,”

“So that they can fight alongside us! We are all from the dead soldiers,”

‘They have not even had the chance to see the sunlight so far,”

“I believe that this once-in-a-lifetime opportunity, they will definitely grasp it with all their might!”

According to his plan, everyone would first take care of the other 20-odd Cavalry guards,”

“Then split up to take care of the other Cavalry guards under their respective command,”

“And finally mobilize the dead soldiers, so that it would be effortless to take the entire copper mine.

However, these people did not know that all the contents of their discussion had entered Charlie’s ears word by word.

The corner of his mouth wiped a smile of appreciation,
