

When His Eyes Opened

Chapter 2623

□ □ □

Chapter 2623

We brought gifts for you and your sister.

Maria pouted and accepted the gift.

“Lilly and Siena were sleeping?” Avery lowered her voice.

Wesley nodded.

“Then let’s go out and chat!” Avery was afraid that chatting would wake them up.

If they had known that Siena was sleeping, Avery and Elliot would not have been in a hurry to find her.

“They won’t wake up!” Maria dissatisfied muttered, “They just fell asleep not long ago. They sneaked out to watch the sunrise in the morning and didn’t take me with them! I’m so angry!”

Shea patted her daughter on the shoulder, let her calm down: “Let my sister take you there next time. There’s nothing to be angry about.”

“Oh, so they got up early to watch the sunrise... they’re pretty good at playing!” Avery laughed and sat down on the sofa.

Shea noticed that Elliot's shirt was wet, and immediately said, "Brother, why don't you take a shower? I'll change it for you with Wesley's clothes."

"Husband, go take a shower! Since you're here, I think you definitely don't want to leave for a while." Avery's heart has

completely settled down at this moment.

"Well, then I'll take a shower." Elliot saw Avery guarding the living room, so it could be said that Siena couldn't fly now!

After Elliot went to take a bath, Maria sat next to Avery, complaining to Avery.

"Last night, we clearly agreed that the family went to watch the sunrise together this morning, but neither of them called me."

"The two of them are afraid of disturbing your sleep! Look, Maria, you slept well last night, how beautiful you are today!" Avery

touched her little face, "This is a gift I bought for you and your sister. Since your sister is still awake, you can choose a gift first!"

"Okay, auntie, don't you think I shouldn't be angry?"

"As long as it's sunny, you can watch the sunrise. You will have many, many opportunities to watch the sunrise in the future. So there's no need to be angry."

Avery immediately coaxed Maria.

Originally, Maria was sulking alone in the room, Wesley and Shea took turns to coax her for a long time but failed to coax her well.

“Avery, are you hungry? Do you want to eat?” Wesley asked.

“Don’t bother!” Avery took a bag of snacks from the coffee table, “Just eat some snacks and fruit.”

“I’ll go and see if there is any food in the kitchen.”

Seeing her taking snacks, Wesley knew that Avery must be hungry.

Avery asked Maria: “Maria, your sister’s friend Siena, what do you think of her?”

Maria replied without thinking, “Sister Siena is very nice! We are very happy to play with her. My sister likes her very much. She sleeps with her!”

“The two of them sleep in the same room?” Avery didn’t expect them to be so close after not seeing each other for so many years.

Maria: “Hmm.”

Avery: “Did Siena enjoy playing with her?”

Maria: “Happy! Anyway, I think she is very happy.”

“Did she tell you about her life? I’m more curious about her.” Avery continued to ask Maria.

Maria shook her head: “Sister Siena didn’t talk about her... She mainly listened to my sister. My sister kept talking in front of Sister Siena.”

Avery: “Hahaha!”

After chatting for a while, Elliot came out of the shower.

Wesley had already prepared a simple two dishes and one soup, and called them to eat.

Elliot and Avery sat down at the dining table and began to eat.

Shea asked Wesley to rest.

“You didn’t sleep last night. If you don’t go to sleep again, be careful not to get tired.”

Wesley actually wanted to go to sleep, but he was worried about Siena and Layla’s test results.

“Wesley, go to sleep! Elliot and I just came to see Siena, we won’t do anything to Siena until the result comes out.” Avery assured Wesley.

Wesley: “Then I’ll go to bed for a while.”

After Wesley walked away, Elliot looked down at his clothes: “Honey, Wesley’s clothes are a little tight for me... Will this be okay?

Will I loss my image in front of my daughter?”
