

Chapter 5211

“Aurous Hill?”

The old man asked in surprise, “You mean, my birthplace, in Aurous Hill?”

“Right.” Maria nodded gently and said,

“It seems that you should indeed go to Aurous Hill with me!”

The old man was busy asking, “Miss, I can I go with you?”

“Of course.” Maria nodded and said, “Since your birth door is in the south and it is related to me,”

“Aurous Hill is the most likely place, we will go together,”

“If we can find your birth door, you will be able to live a long life.”

The old man was excited and said reverently under his breath, “Thank you, Miss!”

After saying that, he trembled and was about to kneel down.

Maria quickly got up to hold him and said seriously,

“You don’t need to kneel to me, although this life gate is related to me,”

“It is by no means something I can bring to you,”

“So you still have to go to Aurous Hill to find your own chance encounter,”

“And what I can do for you is perhaps to wish you luck in your search.”

The old man nodded repeatedly and choked up, “Thank you, Miss!”

“If I can find it, it is my fate that I should not die,”

“But if I cannot find it, I have no regrets in my life.”

“Okay.” Maria nodded slightly and smiled, “It’s best if you can have this mentality.”

After saying that, she put away all nine coins and said,

“Get ready, let’s leave for Aurous Hill as soon as possible.”

The old man said, “Miss, you don’t need to hurry, your status is special,”

“I’d better have someone arrange a residence in Aurous Hill first.”

“There is no need to bother.” Maria smiled, “If I remember correctly,”

” Mrs. Larry Qiu’s ancestral home is in Aurous Hill,”

“They should have some properties in Aurous Hill, I’ll ask him to lend a property for a temporary stay.”

The old man suddenly realized, “Brother Larry!”

“I heard him say some years ago that he had more than 5,000 properties all over the world.”

“Since Aurous Hill is his wife’s ancestral home, he should have a lot of properties.

Maria nodded: “Before the Qiu family split, it was truly the richest in the Southern Ocean,”

“And after the split, although the paper data fell a bit,”

“The actual assets are still unmatched in the Southern Ocean.”

After saying that, she said to the old man, “You give him a call,”

“I’ll talk later when you get through, I had a tortuous journey to China this time,”

“I changed a cell phone every place I went, and I lost the last one before coming to Eastcliff.”

“Okay, Miss!” The old man said without thinking, “I’ll call him right now!”

After saying that, he took out his cell phone, found Larry’s number in the address book,

Dialed it, and turned on the speaker at the same time.

Soon, an old man’s voice came from the other end of the phone and said,

“Ethan, you old boy, you haven’t called me for two or three years, right?”

“Why do you have the grace to call me today?”

Ethan laughed, “I’m not going to hide it from you,”

“But I’ve been suffering a lot in the past two to three years,”

“Fighting with the king of hell every day, so I really didn’t have much energy to communicate with you.”

The other party laughed: “Ha ha, it seems that we are all the same,”

“At this age, we are all fighting with the king of hell.”

Ethan said with a smile, “Brother Larry,”

“I am calling you today mainly because I have someone valuable to talk to you about.”

“A valuable person?” Larry asked curiously on the other end of the phone,

“I’m buried up to my hairline, where is there any noble person
