I' m Sorry My Love Novel Chapter 2352 - 2353

Chapter 2352

Hearing this, Shu Mingxia was stunned.

Before he could react, someone had already walked over and forcibly dragged him aside with his arms.

Not long after, the second and third brothers of the Shu family were also dragged out.

“What are you doing, what are you doing!” The three brothers, Shu Ming, Xia, Shuming, Tian, and Shu Minglei, shouted in unison.

“Let go of us! This is our home! My grandfather died inside! Our grandfather!”

“Arron, what are you doing!”

“We called the police! Third brother, call the police, call the police immediately! I don't believe it anymore, now In a society ruled by law, can a robber run amuck?”

Immediately after, the third brother, Shu Minglei, took out his mobile phone and called the police.

The three brothers thought their police actions would be stopped, but no one stopped them.

They reported it to the police very well.

However, it didn't take long for them to discover that it was not a matter of calling the police.

Because Arron just pushed them aside and did not interfere with their other freedoms.

They wanted to go in, but the two Shu family servants guarding the gate didn't let them in.

The three brothers stood outside the door and scolded the housemaid of the Shu family.

“Open your eyes and take a look! We are the eldest young master, the second young master, the third young master!”

One of the two domestic servants who guarded the door said very seriously: “Cousin said that the funeral of the old man is the most important thing these days. The people who came to mourning for the old man are important figures in all aspects. At this time, there is no room for the Shu family to do any shameful things. The

eldest young master, the second young master, the third young master, you should rest for a while.

Since you were young, the old man has remitted tens of millions of assets to you every year, so that you can live a pampered life abroad. Every winter and summer vacation, the old man goes abroad to accompany you, for fear that you will be alone.

His distress to the three of you can be learned from the sun and the moon!

But what about you?

Don't let him die in peace? “

We didn't make a fuss, we just wanted to get rid of those who wanted to harm the Shu family!” “Shu Ming and Xia Qiang are arrogant.

Chaha At this moment, four or five high-end cars drove up from the parking lot outside the gate of Shu's house. A group of cars came down, all of them walked towards the gate of Shu's house with sad expressions on their faces.

“Yu Uncle, Uncle Zhong, Grandpa Kan, you...are you all here? “Shu Ming Xia could see from a long distance that these people are family members of the Shu family.

Moreover, in Nancheng, they all have extraordinary identities.

These people must have learned about the death of the old man for the first time and came to mourning.

“Uncle Yu, please come in...” Shu Mingtian wanted to take advantage of the opportunity to entertain a few distinguished guests and enter the house together

. The three brothers in the family.

The person they called Grandpa Kan spoke rudely: “Humph! A bunch of unhealthy things! I never thought that the grandson of Lao Shu’s family would be so uneducated!

What a shame for the old Shu family!

If it weren’t for the fact that Shaoqin presided over this funeral, no one would attend!

You guys should kneel outside this door and be obedient to the old man! “

“Humph!” “

“Unworthy descendants!” “

“It’s not too big of a deal!” “

“Could it be that your grandfather can’t go to earth for peace of mind!” “

A group of people, everyone has to accuse the three brothers of the Shu family.

After the group of people entered the door, they saw Arron standing inside the door, with a solemn and mighty appearance, just like an emperor.

Let him guard here, no one dares to make trouble.

Everyone respected Arron.

Beside him, standing is Suzi.

Chapter 2353

Both the husband and wife were wearing black clothes with black armbands, and their faces were all solemn and sad.

Every time someone comes, the husband and wife will respectfully bow and express their condolences together.

“Shaoqin, you have worked hard for you. It is also a blessing for the old man to have a cousin like you.”

“Shaoqin, seeing that you took time out of your busy schedule to manage the funeral for the old man, this is enough to show you. With your generosity, let go of your past. With you in charge of the overall situation, we old guys can rest assured.”

“We’re going first, Shaoqin.”

Arron nodded.

After these people entered, a person who looked like a domestic servant came to Arron: “Cousin, the Lingtai has been set up, and the collectors are ready.

In addition, the master and wife, aunt and several young masters The mourning clothes are also prepared according to your instructions.

Arron nodded coldly: “Okay, I understand. Put them all on. Tea and other things are prepared for them, and every once in a while, they will drink some water for their mourners. After all, there are too many guests who come to express their condolences, and I am afraid that they will not be able to bear it. “

Knowing Uncle Biao, Uncle Biao, the Shu family is fortunate to have you here, otherwise it would really be a mess. Hey...” The speaker still didn’t forget to look back at the three brothers who were stunned outside the gate.

Then, they turned around and went in to go to work.

The three brothers were outside, dumbfounded.

They wanted to break in, but they couldn't .

They were standing outside the door, and they were extremely embarrassed. Every

now and then, someone would come in to express

their condolences. Every now and then, someone they knew would talk to the three brothers.

After a long time, the three brothers really felt ashamed to stand outside, so they grabbed the elders who thought they came to express their condolences.

The elder looked at the three brothers tirelessly: "What's the matter?"

This time, it was Shu Minglei, the third eldest who rarely spoke, who spoke: "Grandpa Zhan, my grandfather had a good relationship with you when he was young, and you also looked at our four brothers. The grown-up grandfather, can you tell the illegitimate son of the Fu family and let us in?"

Our three brothers have returned from abroad, and we are very gentlemen.

We will not care about his barbaric behavior. This

is our family's funeral, so let us three brothers go in to organize the funeral?"

"You?" Grandpa Zhan sneered and looked at the three brothers.

"Do you think you have integrity?" The

three brothers' faces turned red.

"The old man himself has admitted his daughter, and the one who feels the most guilt in his life is this daughter. Before he died, his

daughter had to recognize him, but it was destroyed by the three of you.

I think the old man loved you all his life, but it was all in vain. As long as you

are sensible, no matter what, you should deal with these family affairs after the funeral of the old man, right?

You are good!

The old man's bones are lying on the bed, and the three brothers are domineering at home.

I will tell you so!

If it wasn't for Shaoqin to preside over the overall situation!

No one will attend the funeral of the old man!

As long as you are a little careful, just kneel outside! When will the funeral of the old man be finished! Besides, your private affairs are not to be blamed! “

Master Zhan's remarks made the three brothers realize a fact.

Originally, the three brothers wanted to drive out all the crumbs that had penetrated into the Shu family, but not only did they fail to drive them out, but they were also blasted out.

Three brothers, you look at me, I look at you, but there is nothing you can do.

Only at this time did they realize that in Nancheng, Arron was heaven.

“Brother! This surnamed Fu wants to take our Shu family as his own!” The third child, Shu Minglei, said resentfully.

The eldest Shu Mingxia gritted his teeth and said, “He is an illegitimate son, and he just lives on the ancestral property of Nancheng! Since he must forcibly intervene in our Shu family, then I will let him taste, our Shu family is amazing!”

Yu Bi, Shu Mingxia took out his mobile phone and dialed a set of numbers: "Hello..."
