

ILLCIT RELATIONSHIP

Chapter 14 - Coffee Shop

The next day in the morning, after Xiao Tian had breakfast, he immediately left to register himself for the piano competition.

Xiao Tian was happy because he could participate in the piano competition even though, he would be using his aunt's money to pay the registration fee.

"Holy hell! I just want to register, but here, I've been waiting for four hours, and the receptionist still hasn't called my registration number." Xiao Tian was annoyed because the receptionist was taking a long time to call out his number.

After two hours later, finally, the receptionist asked him to do his registration and pay for the registration fee.

Thirty minutes later, Xiao Tian filled out all the requirements on the form which were needed of him, to participate in the piano competition.

"Come back again tomorrow at 08:00 am. Don't forget to bring this plate number because if you lose it, you can't participate in this competition," the receptionist stated.

It was already 02:00 pm. Because the worms on his stomach were already doing a concert, Xiao Tian immediately went for lunch.

He walked toward the street vendor because he couldn't afford to buy a portion of delicious food from a restaurant.

"Huft! In my past life, I even spent at least 10.000 yuan every time I ate but now.....Sigh." Xiao Tian sighed after seeing the money on his right hand.

"Well, there is no point in regretting it now. I just need to do my best to become a rich person again."

After choosing which street vendor he will buy his food from, Xiao Tian ordered the cheapest food.

After he had lunch, Xiao Tian immediately left. He wanted to go home and help his mother serve the customers at the coffee shop.

As Xiao Tian walked to his home, he suddenly saw Lin Xing Xue. Lin Xing Xue was serving a customer at that time.

Xiao Tian broke into a smile after seeing Lin Xing Xue work in a well-known cosmetic brand.

As expected of my lover, she is fantastic. Xiao Tian thought to himself.

The cosmetic shop offers a good salary, especially cosmetic shops from well-known brands.

Lin Xing Xue was in her late twenties, but she could, however, work at a renowned cosmetic brand. It means other people still think she looks young and beautiful.

One of the most challenging requirements for working in a cosmetic shop is that the job applicant must have a lovely face and ideal body. If you have many dark spots or pimples on your face, you can only dream about getting a job at a cosmetic shop.

At that time, Xiao Tian wanted to meet Lin Xing Xue and tease her, but after thinking for a while, he suddenly decided against it.

First, Lin Xing Xue was still working. Xiao Tian didn't want to disturb her work because she could get fired, and he didn't want that.

Xiao Tian knew that she was working hard so she can save a lot of money to take her daughter back as soon as possible. Xiao Tian was sure that if she gets fired from the cosmetic shop, she would be despondent.

Second, it was a cosmetic shop. If you ask, where is the problem?

The answer was, of course, Xiao Tian would lose his face if he is in the cosmetics shop. Xiao Tian was sure the clerks would laugh at him the moment he enters the shop.

"Ah, forget it. I can meet little Xue later." Xiao Tian said as he began walking again.

After arriving at his house, Xiao Tian immediately changed his clothes to his mother's clerk shop clothes and started traveling to his mother's coffee shop.

The coffee shop was not far from his house. It was around two hundred meters away from his home.

After walking for a few minutes, Xiao Tian arrived at his mother's shop. The name of the coffee shop was Stars Coffee.

His mother named the shop stars coffee because she wanted her coffee to be like the stars at night, making people who drink it feel calm and relax from the cruel world.

His mother's coffee shop was neither big nor small. It had a modern coffee shop design. When you enter the shop, you can see a yellow light beam surrounded the whole room.

There were several tables and chairs in front of the place where the barista was making coffee. If you turned to the right side after entering the shop, you would see several couches and tables arranged neatly. The customers were free to choose to sit on chairs or couches.

There was also a long chair near a long wall-mounted folding table. From that long chair, you can see people through the window.

"Have you finished registering for the competition?" Ye Xueyin asked after seeing Xiao Tian enter the shop.

"Yes. Tomorrow will be the first day of competition." Xiao Tian said as he walked towards Ye Xueyin.

"It's fine if you don't win in this competition. Just do your best." Ye Xueyin said as she gave him fighting hands sign.

'I'll do my best and surprise you later.' Xiao Tian thought to himself.

"Here, give this coffee to table number 13." Ye Xueyin said.

Xiao Tian immediately took the coffee and headed to the table number 13. When he was at table number 13, he saw a sexy lady wearing branded clothes. However, Xiao Tian couldn't see her face because she was wearing a mask and huge black glasses.

Even though he couldn't see her face, he had a feeling that she was a beautiful lady. After placing the coffee on the table, Xiao Tian smiled and said, "This is your order customer. Please enjoy it."

"Thank you." a beautiful voice could be heard in his ears.

"My pleasure. I'll leave first. If you need anything else, please don't hesitate to ask us." Xiao Tian said before he left.

After he left, the lady took off her mask and huge black glasses.

"Ah... Drinking coffee after hard work is the best!" the lady spoke after drinking the coffee.
