I am a quadrillionaire chapter 1903-“I didn’t say your family offended me,” David said with a bleak smile.

This kind of smile felt very eerie to Nek.

“S-Since my family didn’t offend you, what is the meaning of this? You are a True Saint, but you are such a bully.” Nek still failed to recognize David.

It was mainly because he did not dare to think about it.

He had regarded the other person as an ant back then while the other person now regarded him as an ant in return.

The gap between the two was so great that they could not be connected at all.

In any case, Nek did not dare to relate the kid he met in the Iridescent Sect with the True Saint in front of him.

‘The Simmons family didn’t offend me, but you did. I told you clearly what I wanted, and I told your right at the beginning. I asked you to come out to die, so naturally, I came to seek revenge from you. As for being a bully, I don’t care what you think. You’re always bullying others anyway.’ “Have I offended you? Why do you want to seek revenge on me? I haven’t even met a lot of True Saints before, so how did I offend you? And I, Nek, am not a fool, so why would I offend a True Saint like you? Do I look like I want to die? If you want to make trouble, just say it, there is no need to make these excuses,” Nek snapped angrily.

He spoke like he had been wronged.

His mind was indeed still in a state of confusion.

He thought his opponent was a Pre-Saint of the same level, which meant he could fight back.

Unexpectedly, as soon as he rushed forward, the other party directly crippled him without saying a word.

Facing such an unreasonable True Saint, Nek also felt helpless.

Now, his Saint’s body had been completely destroyed.

Therefore, even if he survived, it would probably take him a long time to recuperate.

“Nek, take a good look at me. Can’t you recognize me? How long has it been? Is a Saint’s memory so bad?” David asked again.

“I don’t! Do you think I would lie at this point?” Nek retorted.

In order to survive, he had been observing David to try to recall the misunderstanding between the two.

However, Nek was sure that he had never offended or met such a young True Saint before.

Just like he said, he was not an idiot.

So why would he offend a True Saint?

Wouldn’t that be asking for death?

He would move out of the way when he met a True Saint, let alone offend them.

The smile on David’s face disappeared gradually after hearing Nek’s answer.

Since Nek did not remember, then he would not be so long-winded.

This was because David could feel the recuperating True Saint of the Simmons family waking up.

It was possible he would come out soon.

Therefore, David said with a hint of coldness, “Nek, it seems that you are really forgetful. You have forgotten me so quickly, so I have to give you a little hint. Weren’t you acting very arrogant and bad*ss when you were in the Iridescent Sect? You said something like ‘Saints can’t be insulted’.

You’re not strong, but you have such a huge temper. You’re just a Pre-Saint, but you act like you’re a Sacred Saint. Celeste was sent away because of you. You even wanted to use my life to force Celeste into doing something she didn’t want to, remember?”

As David gradually revealed more details, Nek’s pupils began to dilate slowly.

‘The Iridescent Sect?’

He finally thought of the kid who had a close relationship with Celeste.

At that time, he was going to kill him, but he was stopped by a force.

He tried several times, but he still did not succeed.

Later, the reputable elder of the Iridescent Sect appeared and prevented the situation from developing any further.

After recalling carefully and connecting the person in front of him with the figure in his mind, they seemed to be the same person.

I am a quadrillionaire chapter 1904-'H-How is that possible?'

Nek's heart trembled and he wore a look of disbelief on his face.

That kid he encountered in the Iridescent Sect was just a Ruler Ranker.

He was just an ant, and yet the person in front of him right now was a True Saint.

The gap between the two could no longer be described as big.

No one could connect these two people.

"You... You...You a-are..."

Nek was trembling and speechless.

Great fear swept through his whole body.

He finally understood why this person yelled at him to go out to die as soon as he arrived.

If the two were the same person, Nek almost killed the other party back then. Now, he was back to seek revenge. Did Nek have any possibility of surviving?

At this moment, Nek panicked.

He was afraid of death, and he did not want to die.

He had not had enough of the good life in this world.

As a Saint, he had an infinite lifespan.

He still had a long way to go, so he did not want to just die like this.

“Have you finally remembered? Nek, back then you saw me as an ant who could be crushed to death at will, but in my eyes, you’re the ant now. I wonder if you are satisfied with such a huge reversal,” David teased.

“Impossible! This is impossible! How could you be him? I can’t believe it! It’s not real! It’s not real!” Nek shouted hysterically.

He could not accept such a result and he could not wrap his head around this at all.

David had clearly been a Ruler Rank ant.

So, how did he become a True Saint in such a short period of time?

It was totally unreasonable.

“How is it impossible? The universe is so big. How can you, a mere PreSaint ant, understand it? What you understand is just superficial,” David sneered.

“You lied to me! You’re not him at all! I know you’re just pretending to be him. You can’t be the same person.” Nek kept shaking his head.

He had gone a little mad under the great pressure and fear.

Saints and ordinary people were the same while facing death.

When David saw Nek’s reaction, he could not help but sigh internally.

Saints were not that special either.

Except for a longer lifespan, what else did they have?

This was so deplorable.

David could still remember Nek’s arrogant and high-spirited expression back then in the Iridescent Sect.

It was hard to connect Nek at that time with this distraught guy in front of him.

“Nek, you and I didn’t have any enmity, and we didn’t know each other, but you wanted to take action against me and even kill me just for your selfishness. If it wasn’t for the tricks I had at the time, I’m afraid I would have been murdered by you. My purpose for coming here today is simple, and it is to take revenge for that day. Are you ready?” David stared at Nek and said calmly.

These words were like a huge wave of pressure. They directly caused Nek, who had already gone mad, to completely collapse.

“No no no! You can’t kill me! You can’t kill me! I don’t want to die! I don’t want to die! Grandmaster, save me! Grandmaster, save me!” Nek yelled frantically.

He wanted to escape from David’s clutches, but his Saint’s body had been destroyed and he could not move at all.

Therefore, he could not do anything but yell.
