

## Read The Divorced Billionaire Heiress Chapter 2500

The Divorced Billionaire Heiress chapter 2500-Seeing that Selena had accepted the credit card, Eric heaved a sigh of relief. He was a little glad and at ease.

Eric had no other way to make it up to Selena, only this.

Fortunately, Selena also loved money.

Selena smiled and looked up at him. "You really plan to be my sugar daddy? You're quite generous, huh?"

Eric frowned and corrected her with a serious expression.

"I'm not your sugar daddy. Don't make it sound so vulgar. I told you that I won't mistreat you if you're with me."

He did not like that Selena was using such derogatory terms to belittle their relationship.

They were not shameless.

Even if people found out, Eric would admit it frankly.

However, there was no need to deliberately let the world know. 1

Selena blinked. Although she did not understand the difference, she thought that it was probably a more civilized term for this kind of relationship among rich people.

She paused and looked at him.

"If that's the case, let's make it clear. I hope that fewer people know about us."

Eric pursed his lips and nodded. "Okay."

After all, Eric did not want his scandals to spread everywhere.

Selena smiled. "Also, if you have another partner, we'll automatically stop whatever is between us. There's no need to discuss it."

Eric frowned and watched her silently for a few seconds before he said, "Why does it just apply to me? What about you?"

"It applies to me too."

Selena smiled. "I'm not a two-timer."

Eric suddenly remembered what the guy earlier said.

He had always been confident in himself. Even so, he could not stand being mocked by that stranger. Moreover, Selena also said that Eric had better conditions than she did.

Eric seemed to be suffocated. He was upset.

“I’m not a two-timer either.”

Selena smiled and remained silent.

“Okay. Anything else?”

Eric asked.

Selena lowered her eyes. “Also, it’s best if we make an appointment before we meet each other.” i

She did not want Eric to appear out of the blue again, lest someone spotted them together.

After all, someone of Eric’s wealth and status was constantly being watched by others.

Selena did not want to be the center of gossip.

Eric frowned. He was not very happy about this, but it was also not a difficult task.

He just had to inform her in advance.

It was doable.

Eric nodded.

Selena smiled and stretched out her hand. “Okay. Come and hug me!” 1

Eric could not help but smile. He walked over and picked her up easily. She smelled nice, so Eric snuggled his face into her shoulder and took a sniff.

His body’s reaction did not deceive him at all.

As soon as he touched her, his body seemed to be on fire, and he could not control himself.

Of course, Eric did not want to restrain himself either. The two of them quickly got to it.

Eric only let Selena go and rest for a while after her voice turned hoarse and she pushed him away weakly.

This moment was like a dream with the hazy moonlight outside the window.

Downstairs, the bar was still bustling.

Eric could not believe that he actually slept with a woman in such a place.

He would have never imagined it.

Selena wanted to sleep, but the music from downstairs resounded from time to time, so she could not fall asleep at all.

Now, she finally understood why Eric felt that her room was not suitable for living in.

When she was screaming just now, she was thankful that the music downstairs could conceal her voice. However, she was not grateful for it now.

The disadvantages were too obvious.

Eric was patient as he carried her to the bathroom to wash her up.

They got to know each other a lot better the second time they slept together.

Eric was not very attentive and only stuffed her into the quilt before he lay down next to her.

Selena wanted to sleep but could not, so she rolled around in the quilt in frustration.

Eric smiled but did not say anything. He just pinned her down and made love to her again.

The bar did not close until the last person left, so there was no specific closing time.

It usually closes at around 3:00 am.

However, the bar closed at 5:00 am that day.

Selena did not expect her bar to open so late.

She could not get up early in the morning, but she could hear the movements of the man next to her.

Although Eric was careful not to wake her, Selena was not fast asleep.

“Why didn’t you leave yesterday?”

Selena muttered as she turned over and squinted at him.

Eric paused, walked over, sat down, and stroked her hair.

He lowered his voice as he said, “I’m not abandoning you. Now you realize why your room isn’t suitable for sleeping, right? Do you want to move to my place?” 2

Eric coaxed her again.

He thought that after what happened last night, Selena would re-evaluate her decision.

Selena opened her eyes in a daze and saw Eric’s smug expression. He was so close to her, and his hair was still a little messy.

She could not resist reaching out to rub his head, which made his hair messier.

Eric’s face darkened, and he looked at her speechlessly.

Selena giggled.

“You really look like a dog!”

Selena was not fully awake so early in the morning, so she spoke her mind.

Eric looked at her helplessly for a moment. He was a little frustrated, so he gritted his teeth.

“If I wasn’t running late, I would’ve punished you!”

Selena pursed her lips. “I don’t want to move. There are so many outsiders in your villa.”

“They’re servants and won’t say anything. What are you afraid of?”

Eric spoke indifferently.

“But Chance will also misunderstand.”

Selena could not explain such a complicated relationship to Chance.

Chance liked her and would be happy if he knew that Selena would be his stepmother.

1

However, Selena did not intend to be his stepmother.

Eric frowned. He did not think this was a problem.

‘Then we’ll find a reason for you to stay there temporarily. If that doesn’t work, I have other properties too. Do you want to live in the city center, or in the suburbs?’

Eric said it casually and felt that he was very thoughtful.

However, Selena suddenly opened her eyes and stared at him.

“That makes things even more complicated! Forget it. I’ll just make do with it here.”

Eric was inexplicably upset, but he did not say much.

“Okay. Call me if you need anything.”

His voice was gentle. He lowered his head slowly and planted a kiss on her forehead before he stood up and left.

Before he went downstairs, he suddenly thought of something, turned back, and went to the bathroom.

“I need to wash my hands.”

Then he stayed in the bathroom for a few minutes before he slowly left.

The world fell silent again.

Selena fell asleep again after a while.

Since the bar closed late last night, Chaz did not go home and slept in the lounge.

When he woke up early in the morning, he saw Eric, who had disappeared from the bar last night, walk down the stairs in a dignified manner.

Eric was still wearing the same clothes as yesterday, and his hair was a little messy.

His complexion was much better than yesterday, and there was a bright smile on his face.

Chaz was stunned. He did not expect Selena and Eric to progress so quickly!
