

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2554

Girl: "You... what do you mean?"

Christopher said calmly: "First Take you out of this place and go to the police! They are breaking the law by doing this!" The

girl shook her head and smiled miserably: "Why do you want to save me? You are a stranger, you don't know...you go quickly. "

Seeing that his daughter has been insulted like this, but still thinking of letting him escape, Christopher has a very warm feeling in his heart.

To be honest, this girl looks nothing like her sister.

The voice, if you listen carefully now, is not like the voice of her sister Galia.

The only similarity is the name.

This girl is also called Galia.

"You have the same name as your sister. It's fate, since I saw you being bullied, I can't just sit back and watch. Let's not say who is right and who is wrong between you, they beat you in the street like this and let you down Kneeling is their fault." Christopher said righteously.

Girl: "..."

She hesitated and didn't go.

"What else do you have to miss?" Christopher was puzzled.

He even wanted to say in his heart, although this is a mountainous area, but now that the Internet is so developed, you are not so old that you don't even know how to do it, right?

If you are asked to kneel, you will kneel, and if you are asked to kowtow, you will kowtow?

Why so dirty?

But Christopher said nothing.

Just when he was thinking of another way to take the girl away, there were already people around him and the girl.

"Wild man! You've been here for a long time to help this unscrupulous thing!"

"If you want to go to the police, you should report it! If you call the police, I will see if the police will help you or not! A person who is disobedient to his own mother, she should go to jail! We, as her mother's family, teach her a lesson for her, what's wrong!"

"Get up! Wild man, do you want to be beaten together!"

Christopher pulled the girl behind him, he looked at the group of villagers calmly.

To be honest, with his outstretched hand, it is no problem for him to deal with these villagers by himself.

However, he also went out to find his sister, and Christopher didn't want to make things worse unless he had to.

What's more, he is now a director of the Fu Group, and his every move will bring a lot of influence and volatility to the Fu Group. The fourth master treats him so highly and is so kind to him, he can't live up to the fourth master.

So at this time, even if he could personally deal with the villagers, he would not take it lightly.

However, Christopher was not afraid of them either.

The big deal, he thought, was pulling the girl away. Always get away.

"I tell you! Don't think that the mountains are high and the emperor is far away. In the mountain village, there is so much information now, and everyone has a mobile phone. As long as you hit someone, even if you run into the virgin forest, you can still find you!

I heard it, you They are relatives, right?

Cousins? Cousins

? Let alone cousins

, even real parents can't beat their own children like this!

You are all legally responsible for beating people like this in broad daylight.

What's more. ..."

Christopher looked at the people present. He was about to beat the brother and sister of the girl behind him just now, but Christopher said that he did not dare to move.

Christopher looked at the middle-aged and elderly woman standing in the crowd with mixed expressions on her face: "Auntie, is it your daughter who was beaten?" The

middle-aged and elderly woman: "..."

At this moment, her The expressions are complicated.

Can't tell if she's angry, or what? In short, the face is not good-looking.

"Do you think there is anyone in this world who is closest to you than your daughter? You find someone to beat your daughter like this. If something goes wrong, you won't feel bad?" Christopher thought to himself, and he was too A person with a younger sister.

The disappearance of my sister made my uncle and aunt almost ill.

Chapter 2555

Not to

mention uncles and aunts, even his parents are heartbroken.

He couldn't understand, how could the aunt in front of him not feel sorry for his daughter being beaten?

As soon as his words came out, he saw the old lady trembling all over, and tears flowed out involuntarily.

Obviously, the old lady was distressed when her nephew and niece beat her daughter.

However, the old lady said something to her daughter: "Do you know now that you are wrong? Don't you apologize like your cousin?"

Christopher: "..."

The girl behind her gave a miserable smile, Then he staggered to where he was now.

"Mom." She called out in a hoarse voice.

Her face was pale, her hair was messy, and her hair was covered in blood stains with the sludge, and her scalp was bald in many places.

Mother: "..."

"I was beaten like this by your nephew and niece, are you satisfied? Are you happy? Mom, I really admire you, you are a good person, and you love your family with all your heart and soul in this life. Niece, you have a very good reputation in the whole village of your mother's family. You are the best aunt in your mother's village.

Congratulations, mother."

"Damn, how can you talk to my aunt! You What an unfilial thing! Wolf thing! You think your mother has no support, right? Don't worry! Our nephews and nieces are more conscientious than your own daughters! Damn!" The sumo wrestler began to scold again stand up.

The girl looked at the sumo wrestler with desolate eyes: "Since you and your younger brother feel so sorry for your aunt, I hope you will continue to feel sorry for your aunt, I am an unfilial daughter, I am not worthy of your aunt as a daughter, or you fight on the spot Kill me.

Okay?" The

sumo wrestler was speechless when asked.

She didn't dare to kill someone.

The girl looked at her mother again: "Since you don't want to kill me, I won't bother you in front of you anymore. You are so lucky to have your own nephew and niece who love you so much. You are a good person with

good rewards.

I... I will not disgust you in front of you. In the

future, I will not come back. I will never see you again

."

After speaking, the girl looked at Christopher: "I don't know what you do. , it looks like you are a migrant worker. Even if you are a personal trafficker, I will follow you. Are you willing to let me follow you?"

In the future, I don't care if you treat me like a cow or a horse.

Take me away?

Give it to me Just eat it in one bite."

Christopher heard the incomparable sourness in his heart.

He is not usually such a soft-hearted person, but when he thinks that his own sister is still living abroad, Christopher's heart is very good.

Without thinking about it, he said, "Okay, I'll take you away."

"Let's go." The girl said weakly.

Christopher took the girl and walked out of the crowd.

The mother behind him: "Hey..."

Immediately afterwards, some villagers commented: "You are a mother like this! You are really in a daze! In the world as an aunt, it is right to love your parents' nephews and nieces, and that's not true. Like you, you called your mother's nephew and niece, and beat your own daughter."

"You are also a mother!"

"You have given the name of a good aunt in front of your parents' family, but in our village, you are a bad mother-in-law!"

" People unite to kill them!"

These voices were behind Christopher and the girl who was holding hands, and they could hear them very clearly.

The girl didn't even look back.

When they were hundreds of meters away, they heard a miserable cry behind them: "My daughter, don't go..." The

girl paused.

Christopher took advantage of the situation and asked her: "What the hell is going on here, can you tell me?"
