The

mother's relatives and nephews will not work!

Also have to work hard!

Christopher nodded: "That's it, if a mother doesn't protect her daughter, who else will protect her? " Galia's mother nodded with tears in her eyes: "

Well, I'll know it later. By the way, Mr. Yan, my family Galia follows you, so please take care of her more." I am here to thank you. "

You don't need to thank Auntie, I also want to thank Galia. After you get to the place, you still have to work hard on your own." Christopher said.

"Don't worry, I will definitely not fake my academic qualifications this time, and I won't deceive anyone. I think about it, I will take a job during the day, and then after work, I will deliver another evening takeout, and I will also Don't let yourself get too tired, work from eight in the morning to twelve in the night every day. It's a little hard work, but I can still persevere.

I hope I can repay 80,000 in debt within a year!

This is the goal!

I must do my best! Galia said confidently.

Christopher and Galia's mother both looked at Galia with encouraging eyes. Remember that

the matter of Galia's family is over here. , Galia also left a way out. If her mother intends to repair it with them in the future, it is not impossible to go. After

all this was arranged, Galia said goodbye to her mother, and dragged her suitcase to go out with Christopher.

At the gate, there was actually a Several neighbors were waiting for Galia with money in their hands.

Galia looked at the neighbors left and right in confusion: "Second uncle, you...what's your situation? "

"Galia, in fact, we blamed you wrongly together. We are all so close neighbors. We shouldn't step down if there is something wrong with your family. Instead, we should help out. The money is not much, only 5,000 yuan. You can take it and pay off the debt first. "

Galia: "..."

"And mine, and my Galia, you know, my three children are still in school, it's not that I just sold some sticks two days ago, the money It's a bit small, only 1,500 yuan, but one thing is, you take it to pay off the debt first, don't blame my aunt, my aunt used to be the most broken..."

"And my family, this is my family's 3,000 yuan, Galia, when I pay the salary next month, I'll collect some more for you."

"I don't have much here, 500 yuan..."

Galia: "... ..."

For a moment, she burst into tears.

She shook her head with tears in her eyes: "No, no uncle, aunt, second grandmother, fourth uncle, I really don't need it, but I want to thank you, thank you so much, I have your thoughts, and in the future... In the future, when I have paid off the money and come back, I will bring you all kinds of gifts.

I... I will never be the same again this time.

Thank you."

After speaking, Galia respectfully bowed like a big guy.

Sitting in Christopher's car, Galia kept crying on the way back.

Christopher asked her: "Why, still feel wronged?"

Galia smiled: "I... No, I am happy, I suddenly feel that life is really beautiful."

Christopher smiled kindly He said at once, "Yes, although there are nine times out of ten things in life that are unsatisfactory, there are still many good things.

But Galia, there is one bad thing I have to tell you, you have a mental preparation."

Galia was stunned for a moment: "What... What's the matter, Brother Christopher? Isn't it true that you don't have any money on your body, do you need money right now? I'm sorry, Brother Christopher, I... ..I just rejected the help of my neighbors right and left, did I...

I didn't think about it, you may have no money on you."

"It's not about money, you don't rush to pay me back . , pay the bank money first." Christopher said.

"Then... what's that for?" Galia was even more puzzled.

Christopher paused for a while and his tone was desolate: "You can't come with me, because I have to continue to find my sister."

Chapter 2629

Galia sighed easily: "Scared me to death Brother Christopher, I thought it was something else , It doesn't matter, which city you go to find your sister, I will go to which city to deliver food.

I owe you 50,000 yuan. If I hadn't followed you, would we not know when we would meet next time?

I...I There is really nothing else that can be mortgaged, put it with you, if you don't let me follow you, you are not afraid of me... run away?

50,000 yuan!"

Galia felt that in this world, who would Make her owe 50,000 yuan instead of chasing her, and let her go?

Aren't you afraid that she will run away without a trace and never meet him in this life?

Christopher scratched Galia's nose: "Silly girl, you have been working in a big city for more than ten years, and you have seen strong winds and waves. How can you be so stupid?"

Galia really smiled stupidly: "What, what's wrong? Brother Christopher?"

"I've even been here at your house, your household registration is here, your parents and brothers all live here, where can you escape?" Christopher asked with a smile.

"Yeah, I didn't even think about it." Galia suddenly smiled happily: "In this case, I can go to the city I want to go to and settle down by myself, find a stable job, and then deliver food at night?"

Christopher smiled and said, "Of course!"

After a pause, he asked, "Do you...want to go to Nancheng?"

Galia answered without hesitation: "Of course! But Nancheng costs a thousand dollars from here. It is more than a kilometer away, and Nancheng is the largest city in the country. There are many talents there. People like me who have not graduated from junior high school, what can I do in Nancheng?"

Besides, I don't even have an acquaintance in Nancheng, and it may take a long time to get used to it.

Eh, now that I'm in debt, I'm still not going.

When I pay back the money, I will definitely go to Nancheng.

The largest city in the country, the world's fashion magic capital, I must visit it.

But for now, I'll go to the provincial capital first, Brother Christopher.

Within three years, I will stay in the provincial capital and will not move my nest. "

"If I can help you go to Nancheng and find a job in Nancheng, um, I can't say it's decent, it's a solid job, would you...will you go?" Christopher asked.

Galia looked at Christopher in surprise: "You... Brother Christopher, can you help me go to Nancheng?" Do you have acquaintances in Nancheng? Have a way? I really don't see it? "

Christopher said again: "I can help you to find a job in Nancheng. Galia bit her lip, unable to hide her surprise: "

Brother Christopher, when you dealt with my relatives at my house, I found out that you are an extraordinary person. "

You can still be so calm in a foreign country by yourself. This is not something ordinary people can do.

In fact, you are not a small contractor with a dozen people, right? You should be a big contractor who has contracted a big project, right? Saying that, she looked at Christopher's car again: " Although the car you drive is just an ordinary Santana, you are a relatively low-key person. I guessed

right, Christopher?"

At that time, Galia's expression was a little shy and inferior.

That expression is pretty cute.

Christopher suddenly smiled.

Ha ha!

Ordinary Santana!

The car he is driving now cannot be seen by ordinary people in appearance. This is a top-level high-end car.

Enough to be a high-end car comparable to some famous brand cars.

The price is also 25.6 million.

This car was given to him by Fourth Master Fu.

At that time, Fourth Master Fu told him: "Kuan'er, you have been driving me a car for 20 years. Your ability to drive a car is better than mine. Tell me, what kind of car do you want? The world's top class car. You can choose one of the cars you want."

Fourth Master Fu wanted him to choose a supercar worth tens of millions and give it to him.

But Christopher was the first to come and not be arrogant, and he was a person who knew how to advance and retreat very well. Fourth Master is sincere in his heart, and his heart is strict and generous, but he does not dare to ask for the real thing.
