

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2722

If it were anyone else, after hearing Christopher's words, maybe he would die if he really couldn't think of it. Christopher also knew that this was serious. But, what about him? He didn't kill, and he didn't set fire.

You deserve it! It's so cruel! Who told you to kill someone first? Since you've made up your mind to drive a little girl to a dead end and force her to die, then you should die first!

"Stop howling in our company, either you go out and die, or go home and wait for the lawyer's letter, and prepare the money for us by the way."
Christopher looked at Lin Dazhou blankly. Lin Dazhou: "Mr. Yan..."

"Personnel, see off!" Christopher was extremely straightforward. Lin Dazhou put his hands on the corner of the table: "No, Yan, Yan, that, Mrs. Yan, I'm sorry, I'm sorry, can you look at us... For the sake of me being your boss, you... You save my life, I beg you."

Galia looked at Lin Dazhou indifferently: "Mr. Lin, I have never asked you to save my life, even when I was at my worst, alone When I cried on the street with my ankles on my back, or when I was desperate to die,

I never asked you to save my life. Not only did I not ask you, but I never went to you to ask you to save my life. I have been treated unfairly, make up for it. I never thought that you were chasing me down to my current company.

I have already had so many people in the company testify for me, I did not cheat, I did not deceive Company, my work ability is very good, but you still insist on me. Have you ever thought about it, you are trying to kill me?

I don't ask you to save my life, I just ask you not to hunt me down, will you agree? "

Lin Dazhou: "..."

"So far I don't understand, why did you let the company do so many things and insist on killing me?" I still say that, did I dig your ancestral graves?
"Speaking of this, Galia was crying.

If Christopher hadn't arrived in time, she would have been killed here today.
People are so vicious

.

It's so vicious that there is no bottom line.

Since it can be so vicious, why do it again?" How about asking for forgiveness?

It's ugly!

"I know I'm wrong, I'll never dare again, I'm old and young, I have two children studying abroad, my wife's health is not very good, IThe reason why I am like this is because I really want to get the order from the Fu Group, but you...you work in the Fu Group, I see that it is really a response, mainly I am afraid that in the future cooperation, you will stumble me.

So, I think I'll be hard-hearted and get rid of you.

In this case, the next cooperation between us and Fu Group will be a good situation for a few years.

I can't let my company's future be ruined in your hands.

And..."

Having said that, Lin Dazhou glanced at Liao Jie, who had been bowing his head and said nothing. From the

beginning to the end, Liao Jie did not look up. No one

could see Liao Jie's expression at this time. What kind of

Lin Dazhou thinks about it now, it was more or less because of Liao Jie's push.

Now it seems that Liao Jie's determination to remove Galia from the Fu Group is no less than his, he seems to be Liao Jie took advantage of it!

"Liao Jie!" Lin Dazhou suddenly shouted: "Why don't you say a word? Don't forget, I didn't know that Galia worked in the Fu Group. I heard you tell me that Galia is in the Fu Group. We only came together because of the work of the Fu Group.

At this time, don't you have anything to say?"

Liao Jie still bowed his head and said nothing.

It was Christopher, who unexpectedly shouted: "Mr. Liao, what about you, look up."

Chapter 2723

Liao Jie shivered.

It's not that he doesn't want to look up.

I dare not.

“Liao Jie!” Christopher suddenly shouted angrily: “Put your head up for me!”

Liao Jie turned his head to look at Cui Yingying, and then secretly looked at Chairman Cui.

“Since you dare to go to our company to be a wild animal, you must have the courage to face all this!” Christopher looked at Liao Jie aggressively: “My wife is easy to bully, but I am not good at bullying!

It’s the first time I’ve grown up to see it. A person from a downstream company, a person who came to our door to beg for stuttering, or threatened someone who lived in the house, are you putting the cart before the horse?

Since you are eating other people’s food, you have to drive them away?”

Liao Jie: “.”

“Raise your head!” Christopher ordered again.

Liao Jie had to raise his head to look at Christopher and Galia.

At this time, everyone sees it. Liao Jie’s blushing was really no different from the color of pig liver.

He is really ugly!

It’s so ugly.

“Yan, Mr. Yan...I...I don’t know...” Halfway through his words, he suddenly felt that he was stupid. Cui Yingying said this, and Lin Dazhou said it. .

Did he say it a third time?

Isn’t this beating your own three big mouths?

"I don't know that Galia has a husband? Or did Galia not tell you?" Christopher asked sarcastically.

Liao Jie: "..."

To be honest, Galia told him and repeatedly stressed to him that she would not pester him, she already had a boyfriend and was about to get married.

But he doesn't believe it.

In Liao Jie's heart, Liao Jie always has a confident cognition.

He is already very good himself, so good that he earns an annual salary of tens of millions, and the girlfriend he talks about is a girlfriend from a famous family in Nancheng.

How many high-quality men like him can be found in the whole country?

When Galia fell in love with him back then, Galia was really cheap!

After breaking up with Galia, Liao Jie thought with his big toe, and he could think it too. Galia will never be able to find a better man than Liao Jie in her life.

Not to mention that he is better than Liao Jie, even if he is the same as him, or even a little worse than him, Galia can't be trusted!

He is so confident!

He originally thought that when he appeared beside Galia as the CEO of the company, Galia would definitely look at him with the eyes of a fan girl, look at him with inferiority and yearning, follow him, and entangle him.

However, Galia did nothing.

He couldn't even see the information they once knew from Galia's eyes.

In Galia's eyes, Liao Jie was an unfamiliar existence, which hit Liao Jie a lot.

Later, Liao Jie saw Galia's calm and capable appearance when handling affairs.

Galia is no longer the Galia she used to be.

In Liao Jie's heart, there was actually a sense of frustration. This frustration made him angry and made him go crazy to dig out Galia's scandals and make them public in the Fu Group.

He planned to do this, he just wanted to watch Galia fail, down, at a loss, and ugly.

He never thought that Galia would take the initiative to admit her previous faults in the Fu Group, and take the initiative to admit her relationship with him. Since then, Liao Jie has become even more passive!

The more passive he was, the more embarrassed he became.

Furious to the end, Liao Jie didn't realize that he was already in a fight with Galia.

He just wants to trample Galia under his feet and let Galia be beaten by everyone like a rat crossing the street, and then at that time, Galia will definitely be crawling under his feet, begging him: "Liao Jie, I like it the most in my life. The man I love the most is you. I know that I don't deserve you. I don't ask you to be my wife. I don't ask you to marry me beautifully. I know I don't have the qualifications.

I just ask that you have pity on me . Let

you be a poor little worm by your side, I love you so much, Liao Jie. Take

me in, okay?
