## **I'm Sorry My Love Novel Alternative**

### **Chapter 2778**

Raising his hand and knocking on the door, someone inside said, "Wait a minute!"

Immediately afterwards, he heard the sound of pulling the door handle, and at the same time, what appeared in front of Suzi's eyes was indeed a...a woman who seemed to be from a different world.

"Yan... Galia?" Suzi burst into tears.

The woman in front of her is Galia, definitely Galia.

Although it was a little different, she still had a big appearance, and she recognized Galia at a glance.

Galia also burst into tears: "Sister Suzi..."

Suzi: "..."

In the past, Galia seldom called Sister Suzi, except when they first met, and later called Suzi unceremoniously. Sometimes when only she and Rayna were the three of them, Galia always called her: b!tch.

Calling Rayna: Splash the bag.

Galia was not so polite.

However, it was normal for Galia to become rusty after not seeing each other for a few years.

Suzi raised his hand to wipe away Galia's tears: "Don't cry, tell me quickly, how did you come here all these years, why didn't you contact your family? You have a big difficulty, so you should contact us, you know that We have missed you for so many years, how did we come here!"

Galia put her head on Suzi's shoulder: "Sister Suzi, I know you hurt me the most."

Suzi was startled again.

Why do I always feel that Galia's words are a little greasy?

That Mi Lu, who didn't look like Galia at all, although she pretended to be Galia and often spoke humbly as if she had done something wrong, Suzi didn't think Mi Lu was greasy at all.

Why does she feel that the real Galia in front of her is greasy?

In retrospect, Galia in the past basically didn't say thank you to her.

Even if you say a word occasionally, it's not a good tone.

Galia basically wouldn't be so polite with a little flattering and winking tone, and said thank you to Suzi.

Suzi had a moment, and Shen Wei, who was her skill, was even more puzzled.

Maybe it's a preconceived relationship, Shen Wei only recognized Mi Lu as Galia, and the woman in front of her who looked 70% similar to Aunt Galia, Shen Wei was angry when she saw it.

Not pleasing to the eye.

"Yeah, are you the only one? You've grown so tall, oh, when I left, you were still such a small child?" Galia compared her height and said to Shen Weiyi.

"I'm sorry! I was twelve years old when you left. When I was twelve years old, I was already over 1.6 meters. I haven't grown any longer since my menarche at the age of fourteen. When you left, I'm not much shorter than you, and I often sneak in your clothes, have you forgotten?" Shen Weiyi looked at Galia with a sneer.

Galia's face was slightly embarrassed: "The only one, look, I'm not Auntie... I think I've been gone for four years, and I just want to be intimate with you."

Shen Weiyi: "But I don't want to make out with you."

There were tears in Galia's eyes, and she looked at Suzi awkwardly: "Sister Suzi, I found out that our child is in the rebellious period, so I won't know her in the same way. Sister Suzi, you come in and do it, come in quickly. Whoever is facing you, come in too..."

"Who's there? What's her name, can you call me up?" Shen Weiyi knew that Galia was talking about Pan Mingsai behind her.

Galia smiled indifferently: "Why don't you remember this? Although we didn't meet very often four years ago, I also know that this beauty is Young Master Chu's girlfriend, Mingsai, come in quickly."

Shen Wei, Pan Mingsai: "..."

You two are stupid, you look at me, I look at you.

Pan Mingsai poked Shen Weiyi with his hand, and said in a low voice, "In this round, you lost miserably, hee hee hee."

"Believe it or not, I'll give my Uncle Tianling another girlfriend!" Shen Weiwei gritted his teeth with hatred.

Pan Mingsai quickly shut up.

At this time, a voice suddenly came from behind.

"Yeah, you...why are you here too?" Mi Lu, who had just come out of the elevator with two big bags of gifts in her hand, looked at Yiyi and Mingsai in surprise.

## **Chapter 2779**

Mi Lu didn't even see Galia in the living room.

She just said apologetically: "After I came out of your house, I had nowhere else to go, so I just wanted to see Dad... Dad Yan and Mom Yan, I didn't even think about you coming too.?"

Shen Weiyi and Pan Mingsai did not speak.

"What's the matter with you? Are you not welcome? It's okay if I'm not welcome, I just put down my things and leave, and I didn't buy anything else, just bought something from the supermarket and asked my parents to eat it. ...Father Yan and Mother Yan love to eat." Mi Lu put something on the corner of the door and was about to turn around and leave when a voice behind her stopped her.

"Dad, Mom, who is this, is it our relatives? I don't think we have such relatives in our family?"

Mi Lu suddenly turned back, and then was instantly shocked.

However, after a few seconds of shock, Mi Lu suddenly screamed like crazy: "You damn, goddamn, why did you come to my house, get out of my house, get out of my house! Go away, I'll bite you to death!"

Mi Lu, who had originally planned to leave, suddenly rushed into the living room of Yan's father and Yan's mother at this moment, and then pressed her head against Galia's chest.

It was as if she had a bayonet on her head, and she was going to stab Galia with the bayonet.

Everyone was stunned.

However, Mi Lu's injury was just right, she couldn't exert any strength at the ribs, and she couldn't exert any strength either.

Moreover, Galia looked strong and strong. She only avoided Mi Lu's attack by her family, but Mi Lu lay directly on the ground.

Mi Lu didn't give up, she turned around, and she didn't get up, but her hands hugged Galia's ankles, and then she bit her mouth.

"Ow..." Galiachi screamed in pain.

"Dad, Mom, hurry up and call the police, where is this crazy woman from, Mom and Dad... hurry up and call the police... woo woo woo." Galia's tears of pain fell out.

Yan father and mother Yan came back to their senses.

Especially Galia, she kicked Mi Lu when she raised her foot: "Are you crazy, I won't hold you accountable for what you did to beat my daughter, but you came to beat my daughter, there is no reason for this! "

For a time, the small living room became a mess of porridge.

"Stop!" Suzi roared suddenly: "Mi Lu! You let me go! If you don't let go, I will call the police immediately. It doesn't matter if you are caught, have you ever thought about your child!"

Mi Lu suddenly let go.

She sat on the ground with tears streaming down her face.

Galia also sat down on the sofa, hiding in her mother's arms and crying:  
"Mom, what's the situation? Why was someone hostile to me as soon as I came back? This is because I was born outside and lived for the past few years. Isn't it hard enough? Do you think I've been tortured enough? Who is this crazy woman?"

She seems to know our whole family? "

Luo Jin hugged Galia, and shook her head while crying: "It's okay daughter, it's okay, mom will kick this woman out..."

With that said, Luo Jin looked at Mi Lu: "Get out of here..."

Mi Lu: "Mom..."

"Who's your mother! Get out of here!" Luo Jin went crazy.

As soon as Luo Jin's words fell, Suzi also looked at Mi Lu: "Let's go! I'll call the police if you don't leave! I've left my face now, for your child's sake! Go now!"

Milu was still sitting on the ground.

"Mingsai!" Suzi shouted.

Pan Mingsai responded immediately, "Auntie."

"Drag this woman out! Watch her outside and don't let her in. I and the only one who wants to accompany Galia here, this woman will be handed over to you. If she is still stalking like a mad dog, you should call the police immediately. !"

"Yes, Auntie!"

Pan Mingsai took his aunt's order, and pulled the creaking nest that bent over and dragged Mi Lu to the outside.

Mingsai's health has always been very good, and she is a medical student. She knows where to put it immediately. Although Mi Lu is reluctant to leave Yan's house, Ming Sai dragged Mi Lu out without any effort.

Both of them had already entered the elevator, and Mi Lu's cries could still be heard in the living room.
