

When His Eyes Opened Read Novel Chapter 3069

Novel Chapter 3069 -Hayden finally realized that Joanna was not joking with him.

“Who told you to do this?” Hayden’s voice was a little cold.

Joanna had always been well-behaved and obedient, Hayden thought that she left this time and proposed to break up, it must be ordered by others.

“No one asked me to do this. It’s because I feel that the gap between us is too big. Even if we are together now, we will not be happy in the future.” Joanna explained, “Hayden, there must be many women who are better than me by your side. You try to get in touch with others more, and you will find that I am really ordinary and really not suitable to stand by your side.”

“Nonsense!” Hayden yelled angrily, “Where are you now? I can’t make it clear on the phone. Come back and we’ll talk face to face.”

“I won’t go back.” Joanna didn’t even think about it, and rejected Hayden, “I plan to study abroad, and I won’t go back in the near future. You are all so good, and I want to improve myself.”

“Can’t you study and improve yourself when you’re with me?” Hayden asked back.

Joanna: “But even if I improve, I won’t be able to rise to the level where I can match you.”

“Why do you have such thoughts? That’s not what you told me before!” Hayden felt abandoned.

Just because he was too good, he was abandoned.

Why?

“Hayden, I’m sorry. I know that I disrupted your plan by doing this, but I really don’t have the courage to continue to be with you.” Joanna said, her voice choked up.

Hayden was very angry and hung up the phone.

Harry entered the office with his lunch and saw his solemn expression, so he asked, “Boss, what’s wrong?”

Hayden: “Joanna unilaterally broke up with me. It was originally scheduled to meet with both parents tomorrow, but she unilaterally canceled it.”

Harry put the lunch on the table, puzzled: "Why is she like this? Doesn't she like you very much?"

"She said she wasn't good enough for me. If she felt that she wasn't good enough for me, she would hide from me. Am I that scary?" Hayden's self-confidence was frustrated.

Harry comforted: "Boss, this is definitely not your problem. Ms. Picard is a very optimistic person, why is she in such a bad mood? Since she insists on breaking up, you just follow her! She will definitely regret it in the future."

Hayden: "My parents already regard her as their daughter-in-law, I don't know how to tell them."

Harry: "Boss, don't say it. What you said seems to be that you abandoned her. Tomorrow's parents will meet, as usual. Take her parents over and let her parents know that Joanna made the decision, so that there will be no doubt that it is your problem."

the next day.

Both parents sat down in the reserved private room.

"Hayden, where's Joanna? Why are you here alone?" Avery saw his son coming alone, so she asked.

Hayden sat down beside his mother, and then looked at Joanna's parents.

Hayden: "Uncle and aunt, did Joanna tell you about her decision?"

Mrs. Picard and Mr. Picard shook their heads: "What decision did she make?"

After finishing speaking, Mrs. Picard took out her mobile phone from her bag and saw the message from Joanna.

Mrs. Picard was shocked after reading the news: "What's going on, Joanna said that she won't come, that she wants to break up with you."

Hayden: "Not only did she want to break up with me, she also gave up the custody of her two children. Uncle, aunt, I picked you up today to clarify this matter in person. I hope you can ask her the reason. And, for the sake of the child, I am willing to give her a chance. As long as she returns to Aryadelle now, I can pretend that nothing happened."
