

Chapter 5363

When Charlie was about to start alchemy, Mateo also returned to the hotel where he stayed.

Like a thief, he hurried into the hotel lobby, quickly got into the elevator, and slipped back to his room.

As soon as he entered the room, he locked the door and put on the anti-theft buckle.

Then he was still worried, and moved the coffee table into the living room,

And firmly pushed it against the door.

After finishing all this, he couldn't wait to go back to the bedroom,

Pulled up the curtains tightly, and then took out the Blood Dispersing Heart Saving pill from his bosom.

Mateo also knows some superficial alchemy techniques,

So he can tell at a glance that the elixir Charlie gave him is nothing ordinary.

At the very least, the color and fragrance of this pill are much stronger,

Then the pills he refined and the life-sustaining pills were handed down by Taizhen Daozu.

Excited, Mateo couldn't wait to put the pill into his mouth after looking at it carefully.

As soon as the elixir was put into his mouth before he could swallow it,

It turned into a ball of medicinal power and poured into his stomach.

Mateo exclaimed in his heart: "This... the masters have always said that a good medicine should melt in the mouth,"

"And only the medicine that melts in the mouth is the purest medicine."

"I didn't believe it before. Now it seems that the ancestors were not deceiving me!"

As soon as he finished sighing, he felt a burst of powerful medicinal effects rising from his stomach.

The huge energy was like a huge wave coming,

So he immediately got 12 points to deal with it with all his strength!

Fortunately, although the energy is surging, it is very gentle as a whole,

Not like that kind of uncontrollable force that seems to tear people apart at any time.

As an eight-star martial artist, he had already opened up all the eight extraordinary meridians.

These surging medicinal power flowed into the dantian along the eight meridians.

While widening the eight meridians, his stagnant cultivation immediately underwent a qualitative change!

Originally, there seemed to be a vault that could not be broken through by the physical body to enter the dark realm.

He knew that the dark Realm was behind the door of the vault, but he couldn't open the door of the vault at all.

He is like a thief who is deliberately trying to steal the treasury's finances.

He has been wandering outside the treasury for many years,

Trying almost all methods that can be tried, but there is still no progress.

But now, the moment the effect of the Blood Dispersing Heart Saving Pill reached Dantian,

The incomparably strong door of the entire treasury immediately began to crumble in front of him!

Immediately afterward, he felt that the gate of the entire vault had completely disappeared, and the huge wealth in the vault was already in front of him.

Then, he even felt that the treasury seemed to have merged with his dantian,

And the wealth it had guarded for so many years was completely given to him.

At this moment, Mateo was already in tears.

He knows that at this moment, he has successfully completed a breakthrough and entered a new realm!

He felt that his strength had undergone a qualitative change compared to before.

The true energy in his body was more surging, the strength of his limbs was stronger,

And the perception of his five sense organs was also more sensitive.

The whole person is completely all-around and qualitatively improved.

And what he never imagined in his dreams was that all this could be so simple.

At the same time, at this moment, he suddenly realized that Charlie was far stronger than he imagined.

This kind of strength is not reflected in strength, but a huge contrast.

Things that he hasn't been able to solve after so many years of hard work can be solved by others with just a pill.

But the gap between himself and Charlie may be too great.

It was also at this moment that he suddenly felt very grateful for his decision to stay by Charlie's side and do the work of a dog.

If it weren't for this decision, he might not be able to see the wonderful feeling of the Great Perfection in the Ming Realm until his death!

...
