Chapter 131 - Her Reason And True Feeling

When they were talking, they suddenly heard the waitress knocking on the door before finally she entered the VIP room and left after placing their order on the table.

"How is it? Do you like this place?" even though Xiao Tian had guessed that she liked it, but he wanted to hear it from her mouth. It's just hearing from her mouth directly could make him satisfied and thought that his efforts to bring her to Couple Café were not in vain.

"Yes. I like this place," Lin Xing Xue replied, "How did you know this place?"

"Oh! When big sister Yun was helping me find a place for my offline shop. I coincidentally saw this place. That's why I want to bring you here. It's just I was busy lately. That's why I can only bring you here today" Xiao Tian had no choice but to lie to her because it was impossible to tell her that he came to Couple Café with his mother.

"Oh! Is that so?" when Lin Xing Xue learned that Xiao Tian found this place when he was with Yun Xin Er, jealousy could be seen in her eyes. At that time, Lin Xing Xue thought that Xiao Tian came to Couple Café with Yun Xin Er. That was why she suddenly wanted to know what he did with Yun Xin Er in this place "Did you come here with Miss Yun?"

"Yes. I came to this place with her" once again; Xiao Tian lied to her. He decided to lie because he wanted to tell her that there were many women who could he take as a girlfriend right now. And since he has become a well-known person, coupled with his handsome face, any ladies would be in line to become his girlfriend.

Xiao Tian wanted to tell her that if she didn't make up her mind soon, he would stop loving her and move on to the other girls. Even though his strategy was risky, but he needed to do that. Xiao Tian knew that she was in love with him, but until now, she was still unable to make up her mind. She even refused every time he tried to help her.

"Do you like her?" Lin Xing Xue asked while lowering her head. Actually, she didn't want to ask this question because she was afraid of his answer. At that time, her heart was beating faster, and she kept playing her fingers while hoping that he would say no.

"I'm not sure about it, but whenever I was with her, I felt relaxed as if all the burden on my shoulders was lifted. Well, from this point, I can assume that maybe I like her," Xiao Tian decided to continue lying. He wanted to know what she would do after he said that. But if the situation turns worst, he will tell the truth to her.

Lin Xing Xue bit her lower lip and clenched her fists before she drew a deep breath and exhaled it as fully as she could, "It's good! You're good-looking young man, and Miss Yun is pretty lady. I think you two will make a great couple if you and Miss Yun become lovers."

Although she was smiling but deep inside her heart, she felt as if someone was stabbing her heart with a knife. She even couldn't make her voice as natural as possible, making her voice sound sorrowful.

She wanted to rise from his lap and sit next to him, but Xiao Tian suddenly wrapped his hands around her waist, making her unable to move from his embrace. "Tian...."

"Where are you going?" Xiao Tian thought that his plan was failed, and if he didn't prevent her from leaving, everything will start from the beginning again. "Little Xue, I still don't know whether I like big sister Yun or not, but what I know is I like you. I love you, little Xue, and this is not a lie."

"Tian....but....but.....our age difference is too big, and I still have a daughter that I wish to take back from my ex-husband" Lin Xing Xue wanted to let him know that there were many things that she wanted to do "Tian, I love you too. I have fallen in love with you since you helped me from the thugs in the past but....but..... I don't know what I should do. I also want us to become lovers, but what should I do if my daughter doesn't like you later?"

Lin Xing Xue touched his cheeks and looked at him sadly, "She means the world to me. She is the reason why I can still stand alone in this cruel world. Even though I'm in love with you, but if my daughter doesn't like you later, I have no choice but to stop loving you. Tian, she is everything to me. She is my only family in this world. Tian, if you want us to become lovers, you have to make my daughter accept you. In two months, I will take my daughter back, so I need to think about my daughter too. Tian, I hope you understand me."

"Alright," Xiao Tian had guessed that her daughter was the reason why she still hasn't accepted him as her lover, but he couldn't do anything about it. "I will help you take your daughter back."

"No. I will tak—" before Lin Xing Xue had finished her words, Xiao Tian put his right index finger on her lips.

"Let me help you" Xiao Tian's black eyes were locked into her eyes.

Seeing the seriousness in his eyes, Lin Xing Xue opened her mouth and said, "Alright."

"Good! I will definitely help you take your daughter back," Xiao Tian said as he smiled.

"Tian, I love you" Lin Xing Xue embraced him and voiced out the words that she wanted to say from a long time ago "I love you."

"I love you too, little Xue," even though they still haven't become lovers, but Xiao Tian was delighted because he was able to make her express her true feelings. All he has to do right now was to help Lin Xing Xue get her daughter back and make her daughter accept his relationship with her.

Lin Xing Xue stopped hugging him and looked into his eyes, "Thank you, Tian."

After saying that, she kissed his lips for about five seconds, a soft kiss filled with a love from her heart.

"Tian, you have to wait if you want us to become lovers" Lin Xing Xue placed her head on his shoulders and made a circle on his chest with her right index finger "But....but if you want to.....to...do it. I'm....I'm fine.....with...with... it"

When she said that, each word that came out of her mouth was getting smaller and smaller. However, because she was resting her head on his shoulders, Xiao Tian was able to hear her words clearly.

"Oh! Is that so? Let's do it here" Xiao Tian didn't say it seriously. He was only joking and wanted to know her reaction after he said that.

"What?" Lin Xing Xue said in surprise. She was shocked after hearing his words. She didn't expect that Xiao Tian wanted to do it in the VIP room. "Tian, I'm afraid. If...if you want to do it, let's do it at my home."

"Hahaha," Xiao Tian, who was seeing her complicated face, laughed loudly. He didn't expect that she would believe his words easily. Even if he wants to do it with her, there was no way that he will have sex with her in the VIP room because, in his view, the first time is essential. "Little Xue, I'm joking. Hahaha"

"Hateful!" Lin Xing Xue hit Xiao Tian's chest gently before placing her head on his shoulders again

"Ahh, what a pity! I should have taken a photo of your expression earlier and set it as wallpaper on my smartphone so that I can see your cute expression whenever I have a bad day. I'm sure my bad day will immediately brighten if I see your expression earlier" Xiao Tian really wished that he could repeat time so that he could take a picture of her expression earlier. Her expression when she was afraid was so cute in his eyes. It was a pity that he didn't take a photo of her face because if he asks her to make these expressions again, he was sure that her expression would be different from earlier.

"Tian, stop it!" Lin Xing Xue's face turned red, and she kept hitting his chest gently.

"But, do you really want to do it with me today?" even though Xiao would love to have sex with her, but he didn't want to force her. He also had no idea why she suddenly told him that she was okay if he wants to have sex with her. To be honest, Xiao Tian was shocked after hearing her words. He could hardly believe it because, in his view, he has to wait at least until she gets her daughter back.

"Yes. I'm fine if you want to do it with me" Lin Xing Xue wrapped her hands around his neck and gently kissed his neck, "But, you have to wait until we get to my place. I want our first time in my place."

"Ah! Is that so? Let' get out of this place and go to your home, right now" once again Xiao Tian was joking around.

"Hey! Not now." Lin Xing Xue pointed her index finger at the food and drinks on the table, "We even haven't touched the food and drinks."

"Alright, alright" Xiao Tian then grabbed a fork and took a slice of chicken meat "Here, eat this"

Upon seeing that, Lin Xing Xue opened her little mouth to eat the chicken meat, "Ahh."

"How is it? Is it tasty?" Xiao Tian, who was seeing her face, asked happily. Xiao Tian was happy because today, his relationship with Lin Xing Xue was going smoothly.

"Yes. It's delicious," Lin Xing Xue said as she nodded her head. She then took a fork and fed him a slice of chicken meat, too, "You should try too."

"Alright," Xiao Tian smiled before eating it.

"Yes. this chicken meat is delicious, but" Xiao Tian touched her chin and continued, "not as delicious as you, little Xue."

"Hey! I'm not a food, you know" Lin Xing Xue pretended to be angry

"But, for me, you are a fo—" but before Xiao Tian had finished his words, he was interrupted by Lin Xing Xue.

"Stop with your sweet words and let's just eat the food," Lin Xing Xue said as she smiled.

The corner of his lips twitched after hearing her words, but he nodded his head and said, "Un. Fine. Anything for my love."

"Good" Lin Xing Xue smiled happily

Then they ate the food and drinks before going back to her home.

Chapter 132 - One Sheep, Two Sheeps, Three Sheeps, Four Sheeps, Shit!

8-10 minutes

After they reached her house, Xiao Tian immediately came out of his car and opened the car door for her, "Please watch your step, my beautiful lady."

Xiao Tian reached out his right hand to help her get out of the car and smiled as if he was dating a lady from a member of the royal family.

"Hehe. Tian, sometimes you're so romantic" Lin Xing Xue took his hands and got out of the car.

"Alright, you have arrived at your home safely" after kissing her forehead, Xiao Tian turned around and was about to leave, but he suddenly felt that Lin Xing Xue pulled his shirt.

"Why did you want to leave?" Lin Xing Xue was surprised when she knew that he wanted to leave. She thought the moment they reached her home, he would push her down but she was wrong. Not only he didn't do that, but he even wanted to leave.

Even though Lin Xing Xue was happy with this because his action proved that Xiao Tian truly loved her and didn't just want her body, but at the same time, she was a little disappointed. Her heart has been beating faster since they left Couple Café and she kept thinking about what will happen when they reach her home. For this reason, she felt that she wasn't attractive anymore when she saw Xiao Tian wanted to leave.

"Little Xue, I love you. I really do." Xiao Tian said in a soft voice. His face was full of love when he said that, "Even though I want to do it but it seems you're not yourself today. I don't want to force you to do it with me. I want your body and heart, not just your body."

"Let's get inside. I will make tea for you" without waiting for his answer, Lin Xing Xue grabbed his hands and dragged him to the living room, "Sit here."

Xiao Tian sat on the couch and turned on the TV "Why did she bring me into her house? Didn't she realize that she was inviting a wolf into her cave?"

Actually, Xiao Tian had tried his best to hold back because he knew it would be dangerous to spend time alone with her after remembering their conversation at Couple Café earlier. That was why he wanted to leave immediately but failed because Lin Xing Xue pulled his shirt and wanted him to drink tea in her home.

On the way to her home, Xiao Tian wavered whether to eat her tonight or not, but after they arrived at her house, Xiao Tian decided to immediately leave and eat her next time. Now that he was in her home, he was wavering again. His desire to have sex with her suddenly appeared within him, and the beast inside him tried to take over his body again.

"One sheep, two sheeps, three sheeps, four sheeps, shit! I can't do this" Xiao Tian tried to push away his dirty thoughts but failed. Not only failed but his dirty mind became bigger and stronger than before. "I don't want to make her think that I only desire her body, not her heart."

"Oh! You're watching TV?" with tea on her hands, Lin Xing Xue walked closer to him and placed it on the table. After that, she sat next to him and watched TV too

"Kya.." Lin Xing Xue was surprised because, after a second, she sat on the couch, Xiao Tian suddenly grabbed her by the waist and put her on his lap, "Bad boy!"

'Shit! My hands moved on its own. The beast inside me starts to take over my body again.'

Actually, Xiao Tian was also surprised. He didn't know why he suddenly put her on his lap. It was as if his hands have their own mind.

"Eh! Little Xue, you just realize it? I'm indeed a bad boy. A handsome bad boy!" there was no way Xiao Tian would tell her that his hands moved on its own because he was sure that she would not believe it. That was why he used his trump card, and those were his sweet words, "I'm sure many men will become a bad boy when they are near a pretty mature lady like you so you can't blame me because I'm not the one who is wrong here; instead, you have to blame your body for being too beautiful in my eyes."

"Sigh! I wonder why this mouth always knows how to answer everything" Lin Xing Xue rubbed Xiao Tian's lips with her right thumb gently and looked at his lips intently.

As she was rubbing his lips, Lin Xing Xue suddenly remembered that the lips she was rubbing now were the lips that always kissed her. Lin Xing Xue's body suddenly turned hot, and her desire to kiss his lips arose within her, but she still tried her best to hold herself. However, it was only last for three seconds before she was unable to hold back anymore and kissed his lips.

'Little Xue, stop it! Now is the most dangerous moment for me. The beast inside me has almost completely taken over my body, so don't do anything right now.'

Xiao Tian was surprised when she suddenly rubbed his lips but he did nothing and let her do what she wanted. However, the moment she kissed his lips, he suddenly wanted to push her down and eat her, "Eh! What is this, little Xue? Why did you suddenly kiss me?"

"Thank you for all the happiness you have given me until now" Lin Xing Xue wrapped her slender hands around his neck and leaned her head on his right shoulder, "I'm so happy to have you in my life."

"I'm also happy to have you in my life." Xiao Tian said in a soft loving voice before wrapping his hands around her waist.

"Thank you, Tian" Lin Xing Xue mused

While his right hand was still on her waist, Xiao Tian stroked her hair with his left hand and said, "I love you, little Xue."

"I love you too, Tian" Lin Xing voiced out her true feelings, the words she had hidden deep in her heart all this time, the words that she wanted to say from two months ago, from the moment he helped her from the thugs. After saying that, Lin Xing Xue kissed the right side of his neck for two seconds before separating her pink lips from his neck.

'Fuck!'

Xiao Tian widened his eyes when her lips were on his neck. It wasn't because he was surprised, but because she kept doing something that could make the beast inside him get out and take control of his body.

Three seconds after kissing his neck, Lin Xing Xue touched his cheeks and made him face her. Her black pupils were focused on his eyes before working down to his lips. As her eyes were locked on his lips, Lin Xing Xue suddenly started breathing heavily, and her desire to kiss his lips appeared again.

'Hey, hey! What are you going to do? Little Xue, why did you look at my lips like that? And why are you breathing heavily like this?'

Xiao Tian only looked at her while still trying his best to hold back. He did nothing because he was at his limit.

Chu.....

Lin Xing Xue pressed her beautiful pink lips on his lips while her eyes stared into his black eyes.

'Shit!'

Still, Xiao Tian only looked at her and did nothing. Usually, he would immediately try to put his tongue in her mouth but not today because he knew the moment they kiss passionately, his patience would turn into lust.

However, it seemed that heaven wanted to destroy his patience because two seconds after their lips met, Lin Xing Xue tried to put her tongue in his mouth.

But because Xiao Tian still hadn't opened his mouth, Lin Xing Xue looked into his eyes intently, as if she was asking him to open his mouth through her eyes.

Seeing her black pupils and white scleras which were focused on his eyes as if she wanted to devour him entirely, Xiao Tian was wavering whether to open his mouth or push her away. If he opened his mouth, he was sure that he will turn into a beast, but if he didn't open his mouth, he believes that she would ask him regarding why he didn't open his mouth.

Usually, he was the one who started to kiss her normally or passionately. He even kissed her every time he met her. That's why he believed if he didn't open his mouth, she would think he didn't love her as much as he loved her in the past. Because it's weird for a person who always wanted to kiss her passionately suddenly didn't want to.

When he thought of many things in his head, he suddenly felt that her tongue was trying harder to enter his mouth than before.

'Shit! You did it, little Xue. You did it! Don't blame me for what will happen to you later. I have tried to hold myself but you keep trying to wake up the beast inside me. Good! Now the beast has taken over my body, so don't blame me later because I have decided to eat you tonight.'

Xiao Tian slowly opened his mouth to give way for her tongue to enter his mouth. Realizing this, Lin Xing Xue didn't waste her time and immediately put her tongue into his mouth.

As soon as her tongue was inside his mouth, her tongue immediately explored his mouth before looking for his tongue.

Xiao Tian, who let her dominate the kiss, decided to play with her breasts.

"Hmmm" still, even though Xiao Tian was squeezing her breasts, she didn't stop kissing him.

Chapter 133 - Sweet Time At Lin Xing Xue's Home

8-11 minutes

After kissing passionately for several seconds, Xiao Tian broke the kiss. Because it was a little difficult to continue their sexual activities with her sitting on his lap, Xiao Tian put her on his right side.

Lin Xing Xue was shocked by his action. She thought that he wanted to stop what they were doing, but after seeing his eyes, she knew that wasn't the reason. The real reason was that he wanted to do more sexual activities with her. She knew that because after putting her on his right side, Xiao Tian began squeezing her breasts gently. Realizing this, she was happy, and her body suddenly became hot too.

While still breathing heavily, her eyes locked on his face before finally she lowered her sight to his hands which was squeezing her breasts gently. Lin Xing Xue still did nothing and let him do as he wanted. However, the longer she saw his hands squeezing her breasts, the faster her body was controlled by lust.

Her breathing that had almost returned to normal suddenly became faster again, and the lust within her body now could be seen in her eyes. Using her right hand, Lin Xing Xue, who was already filled with lust, rubbed his cock through his trousers.

Xiao Tian stopped what he was doing and looked at her hands for three seconds before he continued playing with her breasts again. But, this time, not only he squeezed her breasts, but he pinched her nipples too.

"Ahhhhh" when Xiao Tian was pinching her nipples, Lin Xing Xue stopped rubbing his cock and let out a soft moan. Since she divorced with her ex-husband, Lin Xing Xue had never been in a relationship with a man again because she wanted to focus on making money. In her view, she didn't need a man in her life, and she could also control her lust, but she was wrong.

Since the relationship between Lin Xing Xue and Xiao Tian had gotten closer. Coupled with his gentle attitude, she began to rethink her opinion because every time Xiao Tian treated her gently, her desire to be with him became stronger and stronger.

Not only that, her body, which she thought could be controlled, suddenly longed for his touch after what they had done at his home in the past. For this reason, she was delighted whenever he embraced her, kissed her, held her hands, or when he made her sit on his lap. But, of course, she didn't say it because she was a lady. If she were to say that she longed for his touch, Lin Xing Xue was afraid that he would think that she was a horny lady or something like that.

Because Lin Xing Xue was wearing an off-shoulder dress, her dress dropped slightly when he was squeezing her breasts, allowing him to see almost half of her bare breasts. Due to the beast inside him had taken over his body, his desire to suck and lick her nipples arose within him. For this reason, Xiao Tian grabbed her dress and slowly pulled it down.

Despite knowing what he was doing, Lin Xing Xue still did nothing. She only looked at his face and his hands that grabbed her dress, repeatedly. Actually, Lin Xing Xue also wanted him to play with her bare breasts, but she was too shy to say it. That was why she did nothing when he was pulling down her dress.

Because she was not wearing a bra, Xiao Tian could see her breasts when he pulled down her dress to the waist. Even though he had seen many beautiful breasts in his two lives, Xiao Tian still could not help but gulped when he saw her breasts.

Her breasts, which were in the right size, looked so beautiful in his eyes. Coupled with the erect pink nipples, her breasts looked so delicious in his eyes, making Xiao Tian unable to hold back anymore.

With both of his index fingers playing with her nipples, Xiao Tian locked his eyes on hers as if he wanted to ask her whether he could lick and suck on her breasts or not. Even though he knew that Lin Xing Xue had lost in lust, but he wanted to ask her permission first because he didn't want to do something that she was not ready.

And when he saw Lin Xing Xue nodding her head shyly, Xiao Tian slowly brought his face to her right breast and opened his mouth, ready to lick and suck her right breast.

With his right index finger playing with her left nipple, Xiao Tian squeezed her right breast gently before licking her right nipple.

"Ahhhhh" it had been a long time for a man to lick her nipples and suck on it. That was why she suddenly felt as if electricity running throughout her entire body when Xiao Tian was skillfully licking and sucking her nipples.

Because she wanted to enjoy the pleasure that she hasn't felt for a long time, Lin Xing Xue stopped rubbing Xiao Tian's cock. She tilted her head back and placed her hands behind her body as a support.

"Ahhh....Ahhhh....Ahhh...." due to her body was filled with pleasure and lust. Coupled with they were at her home, Lin Xing Xue didn't hold back her moans and just enjoyed the pleasure.

Hearing her moan which was like a beautiful song in his ears, Xiao Tian bit her right nipple a little hard and pulled on it before letting it go

"Ahhhhhhhhhhhhhh" a loud moan escaped from her little mouth. She didn't expect that Xiao Tian would do something like that to her. She thought that he would only lick her nipples and bit it gently. However, she didn't hate it or more precisely, she loved it. Her lust within her became bigger after what he did, and she suddenly wanted him to do the same thing to her left breast. But of course, she didn't say it and only looked at him lustfully.

As if Xiao Tian knew what she wanted, he brought his face to her left breast and began licking it. Circling her pink nipples with his wet tongue, Xiao Tian's right hand went under her dress and touched her thong.

"Ahhhhh..." Lin Xing Xue fell on the couch when Xiao Tian bit her right nipple and thrust his index finger into her vagina hole through her thong.

Seeing that, Xiao Tian bent forward and continued what he was doing. Xiao Tian stopped playing with her pussy and only licked her breasts because it was difficult to play with her pussy in that position.

And after licking her breasts for several seconds, Xiao Tian stopped and looked at her. As if they knew what they wanted, they opened their mouths at the same time and started to kiss. It was only a gentle kiss at first, but after four seconds, the gentle kiss turned into an intense, erotic kiss in which they exchanged saliva and lewdly wrapped their tongues.

After several seconds, Xiao Tian broke the kiss and looked at her face.

Huft....Huft.....Huft....Huft...

The sound of them breathing heavily could be heard on their ears. Not only that, because the distance between their mouths was only one centimetre, they could feel their hot breath on their faces. And the longer they felt their hot breath, the higher their desire to do another passionate kiss.

As if they understood what they wanted, they opened their mouths and ready for another kissing battle. And even though they were still breathing heavily, they didn't care about it and immediately kissed passionately.

As they were kissing, Lin Xing Xue placed her hands on his shoulders before finally, she started to wring his hair. After several seconds, Xiao Tian broke the kiss before finally, he decided to kiss her forehead, eyes, nose, and her lips again.

But this time he only gave a quick kiss on her lips before working his way down to her neck. When Lin Xing Xue felt his lips on her neck, she tilted her head back to make it easier for him to kiss her neck.

At first, Xiao Tian only kissed her neck gently, but after seeing her attractive neck, Xiao Tian suddenly wanted to leave a mark on her neck so he could tell everyone that her beautiful neck belonged to him alone.

When Lin Xing Xue felt that Xiao Tian was kissing her neck a little hard, she knew what he wanted to do. That's why she was panicked and said, "Tian, not on my neck. Everyone will be able to see it."

Xiao Tian stopped and looked at her. Intending to tease her, Xiao Tian touched her right cheek and said, "Little Xue, if I can't give you a hickey on your neck, where do you want me to give it to you? On your beautiful breasts, stomach, or your thighs?"

Lin Xing Xue was too shy to answer him. For this reason, she turned her head to the other side and said nothing.

Seeing this, Xiao Tian started to smirk and decided to tease her again, "Eh! Why did you turn your head to the other side and not answer me? if you don't answer me, I will give you a hickey on your beautiful neck."

"A....a...anywhere...is...fine. As long as no one can see it" Lin Xing Xue still turned her head and didn't look at him because she was too shy to look at him.

"Then, I will give you a hickey on your beautiful breasts" Xiao Tian brought his face to her left breast and gave a hickey on her breasts.

Chapter 134 - Are You Alright, Little Xue?

9-11 minutes

Before giving her a hickey, Xiao Tian had difficulty deciding where he should give the hickey, in the left or right breast. Because he was unable to choose the best option between two choices, Xiao Tian decided to give hickies on both of her breasts.

Because he wanted to give a hickey on her right breast first, Xiao Tian brought his face to her right breast and kissed it hard

"Mmmmm" when Xiao Tian was giving her a hickey, Lin Xing Xue's body quivered for a second. She had no idea that only by receiving a hickey from a young man, her body would respond like that.

She knew that no man had touched her body for a few years before she had a close relationship with Xiao Tian, but she just couldn't believe that her body responded to everything he did very well as if her body were made only for him.

After giving hickies on her breasts, Xiao Tian made her sit upright and guided her right hand to his cock.

Lin Xing Xue, who didn't expect this, only looked at him for three seconds before finally moving her right hand to rub his cock through his trousers. Because she was the only one who received the pleasure until now, Lin Xing Xue decided to give him pleasure too. But she suddenly thought that rubbing his cock through his trousers would not give him much pleasure. That was why Lin Xing Xue's right hand went under his pants.

However, she had difficulty rubbing his cock. For this reason, Lin Xing Xue wanted to unbutton his trousers to make it easier for her to stroke his cock. With the help of her other hand, Lin Xing Xue tried to unbutton his pants.

"Hmmmmm" due to him kept playing with her nipples when she was trying to unbutton his trousers, Lin Xing Xue spent about five seconds only to unbutton his pants.

ZZTTTTTT...

Lin Xing Xue could hear the sound of zippers when she was unzipping his trousers. Without waiting for another second, Lin Xing Xue's right hand went under his underpants and touched his cock directly.

'It's hot...and....and big.'

Even though she had guessed that his cock was big when she rubbed his cock through his trousers earlier, but when her right hand came in contact with his cock, she was stunned by how big his cock was.

Although she didn't have much experience, she could tell that his cock was huge, even for a mature lady like her.

'I have never had a cock this big before. Will this huge cock fit in my pussy? My ex-husband has the biggest cock that I have ever had, but compared with Tian's cock, my ex-husband's cock size has become average.'

Due to how big his cock was, Lin Xing Xue could not help but compare his cock with her ex-husband's cock, which ended up with Xiao Tian's win by a considerable margin. Lin Xing Xue wondered how could a young man like him have a huge cock, but she immediately pushed that thought away and concentrated on stroking his cock.

As she was giving him a handjob, Lin Xing Xue suddenly noticed the pre-cum on the tip of his cock. While trying her best not to lick his cock immediately, Lin Xing Xue used her right palm to play with it. The longer she played with the tip of his cock, the faster his pre-cum came out of his cock. Soon, her palm and fingers were wet due to his pre-cum.

"Ahhhhh," even though the way she moved her hands could not be categorized as skillful, Xiao Tian could tell that she was trying her best to give him pleasure. And with his body, which was filled with lust, her handjob felt good to him, making him decide to stop playing with her breasts and only enjoy her handjob.

When Xiao Tian stopped playing with her breasts, Lin Xing Xue was able to do better in giving him a handjob because the lust within her body was decreasing. However, the longer she gave him a handjob, the lust within her body began increasing again.

Her love juice began dripping faster, and suddenly, a wild thought popped up on her mind. The idea of licking his cock while playing with her own vagina appeared in her mind. With that sudden thought, Lin Xing Xue started breathing heavily and also moving her hands faster and faster.

Her dark pupils were locked on his cock, and unconsciously she opened her little mouth.

Realizing this, Xiao Tian started to smirk and said, "Little Xue, do you want to get a taste of my cock?"

DUK...

Lin Xing Xue's heart beat hard for a second after hearing his words. She stopped stroking his huge cock and looked at him.

Upon seeing her lustful expression and her mouth, which was being opened slightly, coupled with a little saliva on the corner of her mouth, Lin Xing Xue was like the goddess of lust in his eyes. Her pretty face, her lustful expression, and her beautiful lips looked so perfect in his eyes. Xiao Tian felt that the longer he stared at her face, the more he thought that his soul was absorbed by her.

Because he was unable to hold back anymore, Xiao Tian brought his face closer to her face and immediately kissed her pretty pink lips.

"HmMMM," to his surprise, the moment Xiao Tian kissed her lips, Lin Xing Xue started stroking his cock again, making him almost unable to kiss her.

Intending to return the favor, Xiao Tian touched her vagina through her thong with his left hand. At first, Xiao Tian moved his middle finger in vertical, but due to how wet her thong was, Xiao Tian decided to thrust his middle finger into her vagina through her thong.

Due to his action, Lin Xing Xue broke the kiss and stopped what she was doing. Two seconds later, Lin Xing Xue began stroking his huge cock again. Her dark eyes were looking at his face, and his cock repeatedly as if she wanted to suck his cock immediately.

Xiao Tian knew what she wanted, but he did nothing and not say a single word too because he wished to see if she dares to ask him or not. Seeing her beautiful lips, Xiao Tian suddenly desired to bit her lips. That was why he dragged her face closer to his face.

Huft...Huft....Huft....

Their lips were so close to each other, and they look at each other's eyes too. Xiao Tian stared into her eyes for two seconds before looking down to her nose, and finally, his sigh landed on her beautiful, pink lips.

Lin Xing Xue, who was stroking his cock, had guessed what he wanted to do. But she did nothing and only focused on giving him a handjob. However, because he still hasn't bitten her lips and only looked at it, Lin Xing Xue moved her hands faster and gulped. Deep inside her, she really wanted him to immediately bit her lower lip, but of course, she didn't say it.

And finally, after two more seconds, Xiao Tian opened his mouth and was ready to bit her lips.

"HmMMMMMM," Lin Xing Xue half closed her eyes to enjoy his gentle bit. The feeling of his teeth pressing against her lower lip was so good to her body.

Even though there was no mark on her lips because he bit gently, Xiao Tian was satisfied. Actually, he wanted to bit harder, but he was afraid that it could destroy the good moment because not all women like it.

However, because he couldn't mark her lips with a bite, Xiao Tian decided to mark her little mouth with other things. Thinking about this, Xiao Tian grabbed her hand to stop what she was doing, which made Lin Xing Xue surprised.

Xiao Tian then rose from the couch and stood in front of her, "Little Xue, can you use your mouth?"

Even though Lin Xing Xue was happy because what she wanted to do from earlier was about to happen, but she didn't show it on her face. She only looked at his face before lowering her sight to his cock, which was moving on its own.

After opening her mouth as wide as possible, Lin Xing Xue brought her face closer to his cock and put the tip of his cock into her little mouth. Because it had been a long time for her to taste and smell cock again, Lin Xing Xue almost had an orgasm when she was giving him a blowjob.

At that time, Lin Xing Xue tried her best not to touch her pussy because she wanted to focus on giving him pleasure. But it was only last for five seconds before finally her right hand moved on its own and began playing with her pussy.

"Ah...It feels good, little Xue" the feeling of her tongue moving in a circle on the tip of his cock was so good to Xiao Tian. Coupled with some time, she pushed her tongue on the tip of his cock made the feeling even more fabulous. Due to this, Xiao Tian touched her head and wanted to thrust his cock deeper and treat her mouth as if it was her pussy.

As if Lin Xing Xue understood what he wanted, she held his cock and moved her head forward, trying to take his cock deeper into her mouth. But due to how big his cock was, the moment his cock entered her throat, Lin Xing Xue couldn't help but gag. That was why she pulled out his cock of her mouth and coughed.

Seeing this, Xiao Tian kissed her forehead and said, "Are you alright, little Xue?"

"I'm fine," Lin Xing Xue replied. "Wait a minute after that; we will continue again."

"Un" Xiao Tian smiled while nodding his head.

Chapter 135 - Little Xue, Can You Open Your Mouth?

9-11 minutes

After a few seconds, Lin Xing Xue's breath returned to normal, and without saying anything beforehand, Lin Xing Xue held his cock and put it into her mouth again. Her sudden action enormously surprised him, but after seeing his smile as if giving her a sign that he was only surprised, Lin Xing Xue continued what she was doing.

Even though she knew that she was unable to put his cock deep inside her mouth, Lin Xing Xue still tried her best to give him a blowjob. She just hoped it was enough to provide him with pleasure.

And although Xiao Tian didn't say a single word, Lin Xing Xue understood that he wanted to deep-throat her. For this reason, she wavered whether she should try to do that again or not. But seeing how big his cock was, Lin Xing Xue knew if she were to try deep-throating again, she would gag like before.

As she was giving him a blowjob, Lin Xing Xue looked at Xiao Tian. She wanted to know whether he enjoyed it or not. And when she saw his face filled with pleasure, Lin Xing Xue was happy because she thought that she was doing an excellent job in giving him pleasure.

Xiao Tian, on the other hand, wanted to put his cock deeper into her mouth. The longer she gave him a blowjob, the bigger his desire to do that. But Xiao Tian knew that he could not do that and he didn't want to force his way on her too.

Due to him still hasn't cum even after she gave him a blowjob for several minutes, Lin Xing Xue pulled out his cock of her mouth. She then placed his huge cock on her face and began sniffing his cock. Her long slender fingers still held his cock and slowly, she stuck out her pink tongue to lick his cock.

At that time, Lin Xing Xue looked like a demon in Xiao Tian's eyes. Her lustful face, when she was sniffing his cock, coupled with the sensation of her tongue licking his cock, was too much for him to bear. His breathing became more substantial, and his desire to rape her little mouth had reached its limit.

Still, Xiao Tian did nothing and only lifted his head to look at the ceiling, hoping that he could push away his desire. It will be his first time to have sex with her, so Xiao Tian didn't want to destroy it because he wanted to have sex with her again in the future. That was why he wanted to make good memories for her.

Lin Xing Xue, on the other hand, didn't know what was on his mind. She only wanted to enjoy sniffing his cock and feeling it on her face. It had been a long time for her to smell and feel the cock again. In the past, whenever she felt horny, she only pleased herself with her fingers. For this reason, Lin Xing Xue now looked like a slut after feeling and sniffing a real cock.

Even though Lin Xing Xue only sniffed and licked his cock on the same spot, Xiao Tian still felt aroused. That was why pre-cum came out of the tip of his cock, which immediately fell on her cheeks. But to his surprise, Lin Xing Xue smiled and looked so happy.

Using her index finger, Lin Xing Xue touched her cheeks to take his pre-cum before finally, she licked it. She then raised her head slightly and looked at him. She didn't know why, but she suddenly wanted to show him through her face what she liked the taste of his pre-cum.

But realizing that Xiao Tian was looking at the ceiling, Lin Xing Xue suddenly thought that she was too focused on pleasuring herself and not him. Due to this, Lin Xing Xue put his cock into her little mouth again and began licking the tip of his cock.

This time, she didn't intend just to lick his cock but play with his scrotum too. That was why she grabbed his scrotum and began playing with it gently. And after several seconds, Lin Xing Xue pulled out his cock of her mouth, but she still used her tongue to lick the tip of his cock.

As she licked his cock, Lin Xing Xue's right hand was playing with his scrotum while her left hand was grabbing his cock to make it easier for her to lick his cock. Her black eyes were focused on his pink glans while her tongue kept licking his urethral opening.

Lin Xing Xue kept licking his urethral opening with her pink tongue before slowly working her way down to his scrotum. Lin Xing Xue didn't immediately suck his scrotum, but she placed it on her face and began sniffing again.

Feeling this, Xiao Tian lowered his head and looked at her. He didn't know why she liked sniffing his cock. Even though Xiao Tian was curious but he didn't ask her about it and only enjoyed what she was doing. For him, seeing her lewd face while serving him was more than enough.

Lin Xing Xue, who was sniffing his testicles for several seconds, slowly opened her mouth. She stuck out her tongue and licked his testicles for five seconds before finally, she put one of his testicles into her mouth and sucked it.

"It feels good" Xiao Tian exclaimed when she suddenly sucked his testicles.

Hearing his words, Lin Xing Xue was happy. That was why she used her left hand to stroke his cock so that she could give him more pleasure. And what she did was right when she heard that he was about to cum.

"Little Xue, I'm cumming... I'm cumming" after several minutes receiving pleasure from Lin Xing Xue, Xiao Tian was unable to hold back anymore and felt like he was about to cum.

At that time, Lin Xing Xue wavered whether she let him cum in her little mouth or not. That was why she stopped sucking his testicles and looked at him as if she wanted to ask his opinion about it.

As if Xiao Tian understood that she was asking his opinion, Xiao Tian immediately said, "Little Xue, open your mouth. I want to cum in your mouth."

Lin Xing Xue quickly did what she was told and put the tip of his cock into her mouth while her left hand was still stroking his cock to make him faster in releasing his sperm.

Spurt...Spurt....Spurt....

Lin Xing Xue stopped stroking his cock when she felt that his sperm had come out of his cock. But she didn't immediately pull out his cock because she knew that there was still sperm left in his testicles. Once again, Lin Xing Xue wavered with what she should do next, should she drink his sperm or not. For this reason, Lin Xing Xue was still closing her mouth after pulling out his cock of her mouth.

Xiao Tian then touched her cheeks and said, "Little Xue, open your mouth and let me see the sperm in your mouth."

Hearing his words, Lin Xing Xue was shocked and looked at him. When she was still having trouble deciding whether to drink his sperm or not, Xiao Tian suddenly wanted her to show him the sperm in her mouth.

Xiao Tian then kissed her forehead and said, "Little Xue, open your mouth. I want to see it."

Xiao Tian knew that she was wavering whether to open her mouth or not. But at that time, Xiao Tian really wanted to see his sperm in her little mouth. That was why he asked her to open her mouth again.

With a doubt that could be seen in her eyes, Lin Xing Xue opened her mouth slightly. But that was still not enough to make Xiao Tian able to see the sperm in her mouth. After looking at him for five seconds, Lin Xing Xue finally decided to do what she was told.

"Good! You look so beautiful now, little Xue" Xiao Tian was happy when she decided to open her mouth wider. Actually, he would not force her if she refuses to open her mouth earlier, but when she did what she was told, Xiao Tian was thrilled, making him smile from ear to ear.

"Little Xue, can you drink it and let me know whether you like the taste of my sperm or not?" with the shy attitude of her who had returned, Xiao Tian guessed that she would not do that. But he thought it wouldn't hurt to try asking her to drink his sperm.

To his surprise, Lin Xing Xue lowered her head and drank his sperm. However, she kept silent and didn't tell him whether she liked the taste of his sperm or not.

Knowing that, Xiao Tian squatted down and made her face him, "How is it, little Xue? Did my sperm taste good?"

Lin Xing Xue, who was shy after hearing his question, decided not to look at him. She kept trying to avoid his gaze so that she didn't need to answer his question.

Seeing this, Xiao Tian decided not to ask her more question. Because she had given him pleasure, Xiao Tian wanted to return the favour. That was why he tried to pull her dress to the waist so that he could lick her pussy.

However, because she was sitting on the couch, Xiao Tian could not do that. He could only look at her as if asking her to raise her hips slightly so that he could pull her dress to the waist.

Lin Xing Xue understood what he wanted. That was why she raised her hips slightly to make it easier for him to lift her dress.

Realizing this, Xiao Tian didn't waste his time and immediately raised her dress to the waist. Soon, Xiao Tian saw her wet thong and her love juice dripping into her thighs. Using his hands, Xiao Tian spread her thighs wider to make him have a better view of her secret place. After looking at her secret spot for three seconds, Xiao Tian stuck his tongue and began licking her pussy through her wet thong.

Chapter 136 - Don't Be Shy

6-7 minutes

"Ahhhhhhh" Lin Xing Xue's rose-coloured lips gently opened, letting out a lovely moan. And her delicate body quivered when Xiao Tian licked her vagina through her thong.

The sight of good-looking young man licking her wet pussy through her thong made her body hotter. Her gaze never separated from his face, or rather, never separated from his tongue which was licking her wet pussy skillfully.

Lin Xing Xue had no idea that the first person to lick her pussy after she divorced with her ex-husband was a handsome young man. And what made Lin Xing Xue almost unable to believe what she saw was that the young man was none other than her neighbour and he was even younger than her by ten years.

But she was pleased by this because it meant that her 29 years old body was still attractive for a handsome young man like him.

While Lin Xing Xue was looking at him lustfully, Xiao Tian, on the other hand, kept licking her vagina through her thong. The scent of her wet pussy and the sight of her thong clinging tightly to her vagina made Xiao Tian felt aroused.

At that time, Xiao Tian tried his best not to put his cock in her pussy because he wanted to know the taste of her pussy and her love juice first. Due to her pussy was stuck firmly to her wet thong, Xiao Tian was able to see the shape of her vagina clearly, even though he still hasn't taken off her thong.

And when he noticed her clitoris through her wet thong, Xiao Tian suddenly desired to suck it. For this reason, he licked her clitoris through her wet thong before finally putting it into his mouth and sucking it.

"Ahhhhhh" even though Xiao Tian didn't suck her clitoris directly, but due to her wet thong clung tightly to her clitoris, Lin Xing Xue felt as if Xiao Tian was licking her clitoris directly.

Because of his action, Lin Xing Xue fell on the backrest of the couch. Now that her back leaned against the backrest of the sofa, Lin Xing Xue was able to use her hands freely. That was why she grabbed her legs and spread it as wide as she could.

Xiao Tian was surprised by this, but he was pleased because he didn't need to keep spreading her legs while licking and sucking her pussy or clitoris anymore. Without waiting for another second, Xiao Tian used his hands to slide her thong to the other side so that he could get a taste of her pussy directly.

'Beautiful! Her pussy is beautiful.'

When Xiao Tian saw her pink pussy, Xiao Tian could not help but praised it.

"Tian, please don't stare at my pussy like that" when Lin Xing Xue was about to play with her breasts, she suddenly felt that Xiao Tian stopped sucking her clitoris. For this reason, she lowered her head and looked at him.

And when Lin Xing Xue found out that he was staring at her pussy intently, Lin Xing Xue was embarrassed, so she immediately covered her pussy with her right hand.

Seeing this, Xiao Tian stood up and kissed her forehead, "Don't be shy. Little Xue, your pussy is beautiful."

Even though Lin Xing Xue was happy hearing those words from the mouth of a young man, but she was afraid that her pussy was not good enough for him. She was already in her last twenty, and she believed that Xiao Tian had seen many young girl pussies in their teenage years. That was why Lin Xing Xue immediately covered her pussy when she knew that he looked at her secret place intently. Not only was she embarrassed, but she was afraid he would compare her pussy to the vagina of young women in their teens.

"Little Xue, can you let me see your beautiful pussy again?" with his left hand, Xiao Tian tried to remove her right hand from her pussy.

"But...but it's embarrassing if you look at my pussy like that" even though she said that, Lin Xing Xue didn't try to resist when Xiao Tian removed her hand from her pussy.

"Don't be shy. Little Xue, your pussy is beautiful. Your pussy is like the pussy of a young woman in her teens." After kissing her forehead and her eyes, Xiao Tian squatted down to see her pussy again.

This time, Lin Xing Xue let him do what he wanted because he kept praising her pussy. Even though she didn't know whether what he said was the truth or he only wanted to make her happy, but hearing it from a handsome young man like him, made her able to get rid of her shyness.

But when she felt his hot breath in her pussy every time he breathed, Lin Xing Xue suddenly wanted him to lick her pussy immediately. Unconsciously, Lin Xing Xue raised her hands and landed it on his head.

Realizing this, Lin Xing Xue was panicked because her action gave him a sign that she wanted him to lick her pussy immediately. A complicated feeling suddenly appeared on her face, and she didn't know what should she do or what she has to say to him. for this reason, Lin Xing Xue pulled back her hands and turned her head to the other side.

Xiao Tian, who was seeing her beautiful pink pussy, suddenly realized that he looked at her pussy for too long. Xiao Tian then began licking her pussy for five seconds before working his way up to her clitoris.

"Ahhhhhhh" Lin Xing Xue cried out seductively. Even though she had guessed that Xiao Tian had a lot of experience with women, but Lin Xing Xue could not help but be surprised by how skilled he was. He knew where to lick and how long he had to lick.

Xiao Tian also knew when he had to bit her clitoris gently or when he had to put his tongue into her vagina as if pleasuring pussy was what he did every day.

While Lin Xing Xue's body was filled with pleasure due to what he was doing, Xiao Tian, on the other hand, had reached his limit. his huge cock kept moving on its own, and the pre-cum never stopped coming out of the tip of his cock. Because of this reason, Xiao Tian stopped licking her pussy and positioned his cock on her vagina entrance.

"Tian, wait!" even though Lin Xing Xue's body was filled with lust, but she still knew when he placed his cook on her pussy. "Let's do it in my bedroom."

Chapter 137 - Let's Head To Your Bedroom

7-8 minutes

"Tian, wait!" even though Lin Xing Xue's body was filled with lust, but she still knew when he placed his cook on her pussy. "Let's do it in my bedroom."

Even though she didn't mind having sex on the couch, but in her view, having sex on the bed was better because in bed, they could do many things and it's more comfortable than on the couch.

"Alright," Xiao Tian stopped what he was doing. And after taking off her dress and his clothes, Xiao Tian grabbed her ass and carried her with her legs hanging on his hands.

Lin Xing Xue immediately wrapped her long slender arm around his neck so that she would not fall. With a smile on her face, Lin Xing Xue said, "Are you going to carry me to my room?"

"Yes." Xiao Tian tried to hold back and did what she wanted. But when he felt his cock pressed against her wet pussy, a wild idea suddenly appeared on Xiao Tian's mind. For this reason, Xiao Tian raised her body higher for a second before finally lowering her body slowly.

"Ahhhhhhh.. So big..." Lin Xing Xue tilted her head back, and a soft moan came out of her small mouth. Lin Xing Xue thought that he would put his cock in her pussy after reaching her room, but she was wrong because his cock was entering her pussy now. Due to his action, she almost had an orgasm.

"So tight," Xiao Tian thought maybe it had been a long time for her to have a cock in her pussy again. That's why her pussy was so tight and not only that, her muscles pussy was even squeezing his cock wildly, making him have to use a little effort only to thrust his cock deeper into her pussy.

"Bad boy! You are really...mmm.... a bad...mmm...boy. You keep...mmm.....bullying me" while trying her best not to let out a moan, Lin Xing Xue pretended to be angry and scolded him. "Are you going to carry me like this?"

"Sorry, my hands slipped" of course, Xiao Tian was lying to her. Even though his reason didn't make sense, he still said it. "But little Xue, your pussy is so tight."

Xiao Tian was surprised by the tightness of her pussy. She already has a daughter, so he thought her pussy would not be too tight, but he was wrong. The tightness of her pussy was at the same level as the women in the early twenty, making him surprise and happy at the same time.

"Stop lying to me. I know you are doing it on purpose" of course Lin Xing Xue knew that he was lying to her. But even though he suddenly put his cock into her pussy, she was unable to get angry at him. "Well, it's...it's been a long time for me to have a cock again so..."

Lin Xing Xue was too shy to tell him that she wanted to have sex with him since they were at the Couple Café. That was why her muscles pussy immediately squeezed his cock wildly the moment his cock entered her pussy.

"So?" Xiao Tian said while teasing her.

Lin Xing Xue didn't answer him because she was too shy to tell him the truth. She leaned her head on his right shoulder and said in a small voice, "Bully!"

"Eh! When did I bully you, little Xue?" even though she said that in a small voice but because she was on his right shoulder, he could still hear what she was saying. Upon hearing her words, his eyes suddenly shone, and he started to smirk.

Because you said that you are being bullied by me, I will bully you for real. Xiao Tian thought to himself.

"Ahhhhhh" Lin Xing Xue let out a soft moan when Xiao Tian suddenly moved her body up and down once, making his cock in and out of her pussy. "Tian, stop bullying me and let's head to my bedroom."

"Little Xue, are you looking forward to it so badly? Why don't we just do it here?" once again, Xiao Tian teased her. But this time, there was a seriousness in his words. If she were to agree to his idea, he would immediately fuck her there. Even though the distance between the living room and her bedroom was only several seconds, but at that time, he didn't want to waste time even for a second.

"No! Tian, let's head to my room. I... I wanted to do it on my bed" even though she also wanted to continue what they were doing so badly; still, she only wanted to continue if they were on her bed.

"Fine. Let's head to your bedroom and have sex until we are satisfied" Xiao Tian said in her right ear.

"Yes," Lin Xing Xue replied in a small voice.

Xiao Tian was stunned after hearing her words. He didn't expect that she would agree to his idea. Remembering that he will be able to have sex with her until he is satisfied, a smile suddenly appeared on his face. "Alright, let's head to your room."

"Ahhh...Ahh...Ah...." due to his huge cock was still inside her pussy, every time Xiao Tian took a step toward her room, a lovely moan escaped from her mouth.

Xiao Tian, who was at his limit, began to lose himself in lust again. Her soft moans which were like a song in his ears, coupled with her pussy that never stopped squeezing his cock wildly made Xiao Tian want to put her on the floor and fuck her.

Still, Xiao Tian tried to hold back. But because Lin Xing Xue kept moaning seductively, Xiao Tian decided to stop his footsteps.

"Tian, why did yo—Ah...Ah..Ah..." before Lin Xing Xue had finished her words, Xiao Tian moved his waist up and down slowly, "Ah...Tian.... Stop moving your waist...Ah....."

"Little Xue, you keep teasing me with your lovely moans, so I decide to punish you" because he wanted to immediately reach her bedroom and fuck her at the same time, Xiao Tian stopped moving his waist and walked toward her room again. But after two steps, Xiao Tian decided to move his hands so that he could still fuck her while heading toward her bedroom.

"I'm not teasing you with my moan....Ah....Ah... It's because every time you take a step forward, your cock which is inside my vagina also moves...Ah...Ah.... And...Ah....Ah....Ah....please stop moving your hands...Ah....." Lin Xing Xue almost lost her strength to hold his shoulders. That was why she kept asking him to stop moving his hands.

However, Xiao Tian ignored her words, but he decided to move his hands slower.

"Little Xue, open the door" because Xiao Tian was carrying her with both of his hands, he couldn't open the door. Actually, he could do that if he put her down first, but there was no way Xiao Tian wanted to pull out his cock of her pussy only because he could not open the door. That was why he asked her to open the door.

"Ah.....Alright...Ah...." using her left hand, Lin Xing Xue opened the door.

They didn't bother closing the door because there was no one beside them at home.

after putting her on the bed, Xiao Tian said, "Little Xue, we are now in bed so let's have the real battle now."

"Ahh..." because he was on top of her with his cock still inside her pussy, Lin Xing Xue could not help but let out a soft moan before answering him "Un."

Chapter 138 - First Time With Lin Xing Xue

9-12 minutes

Even though Lin Xing Xue had given him permission to move his waist, Xiao Tian still hasn't done anything. He only looked at her lovingly while stroking her hair gently. Xiao Tian had no idea why he did that. Several seconds ago, he wanted to fuck her so badly, but now he wanted to see her face for another few seconds as if his lust was now under his control.

Lin Xing Xue, on the other hand, was surprised when she noticed that Xiao Tian still hasn't moved his waist and only looked at her lovingly. She thought that after she gave him permission, he would immediately move his hips, but she was wrong.

Even though Lin Xing Xue was happy that he treated her gently, but at that time, she wanted him to thrust his cock deep inside her. It had been a long time for her to get a cock inside her pussy again. That was why her body started to itch when he did nothing to her.

Lin Xing Xue was wavering whether she should move her body first or not because after looking at his face, Lin Xing Xue knew that Xiao Tian still had no intention of moving his waist. At that time, Lin Xing Xue wondered, how could the lust which controlled him a few seconds ago disappear without a trace?

Because Xiao Tian was only looking at her, Lin Xing Xue decided to tighten her pussy's muscles and squeeze his cock harder. She hoped with this; he understood that she wanted him to move his waist immediately. But her efforts were in vain because Xiao Tian only groaned and still did nothing.

At this moment, Lin Xing Xue guessed that he wanted to tease her again. In her view, he wanted to know whether she would move her body first or not.

Because she was unable to hold back anymore, Lin Xing Xue clenched her pussy again and placed her hands on his back, "Tian..."

"What is it, little Xue?" Xiao Tian knew that the reason she squeezed his cock tighter was to make him thrust his cock inside her. Actually, Xiao Tian also wanted to move his waist, but decided against it because he wanted to know what she would do.

Lin Xing Xue was too shy to tell him what she wanted. That was why she looked at him while loosening and tightening her pussy repeatedly. Her long slender hands also began wrapping around his back tighter, allowing Xiao Tian to feel her breasts even more.

Realizing her actions, Xiao Tian thought that it was time to move his waist. He didn't have the heart to tease her anymore because it could be bad if he kept teasing her.

Without waiting for another second, Xiao Tian began moving his waist.

"Ahhhhhh," a soft moan escaped from Lin Xing Xue's little mouth. Her hands, which embraced Xiao Tian's back, slowly began unwrapping to make him easier to move his waist.

Because Xiao Tian knew that it had been a long time for her to feel the cock in her pussy again, Xiao Tian thrust his cock slowly so that she could get used to it first. Not only that, but by moving slowly, Xiao Tian was able to feel the sensation of her pussy's muscles squeezing his cock very well too, so it was not only good for her but him as well.

"Ah...Ah....Ah...." even though Xiao Tian was moving his hips slowly, but in her view, Xiao Tian made the right decision. His cock was the biggest cock she had even had, coupled with her who hadn't had a cock for a long time; it would take a while before her pussy could handle him moving faster.

When Xiao Tian noticed her fascinating expression as if her mind was on cloud nine, he decided to thrust his cock deeper every time he moved his waist, until finally, the tip of his cock hit her womb repeatedly.

"Ahh....Tian....Ah....It feels good....Ah....Tian...Ah...." Lin Xing Xue's long slender hands clenched the bed sheet while her charming face was swinging to the left and right side. The heavenly pleasure which she felt every time his cock touching her womb could be seen on her face.

It was the first time for her to feel pleasure like this. She liked it, no, she loved it very much to the point she didn't want it to end. This was a feeling she had never felt with her ex-husband before, and she was unable to put it into words.

Actually, she had guessed that something like this would happen when she saw how big Xiao Tian's cock was. At first, she was a little afraid, but now she regretted why she only did it with him now and not two months ago.

At this time, Xiao Tian was delighted because he knew that she loved it so he could tell that in the future, he could have sex with her again. But Xiao Tian was not satisfied with this and wanted to give her more pleasure.

For this reason, he grabbed her left leg and placed it on his shoulder so that he could thrust his cock deeper and play with her body too. When Xiao Tian saw her clitoris and her breasts, which were moving in various directions every time he moved his waist, he had difficulty in choosing between playing with her breasts or clitoris.

But the sight of her beautiful breasts moving in various directions was too much for him to hold back. Coupled with her pink nipples, which were standing mightily, made him decide to play with her breasts.

As Xiao Tian was still controlling his movements, he began squeezing her breasts gently before finally pinching her nipples a little hard, which made Lin Xing Xue moans loudly.

"Ahh...Tian....Ah....Tian....Ah...." between her moans, Lin Xing Xue, was still able to call out his name. At that time, due to his cock kept hitting her womb, all she had in mind was Xiao Tian and his cock. Lin Xing Xue didn't expect that she would feel this heavenly pleasure by having sex with him.

SLICK.....SLICK...SLICK....

Because her pussy was very wet, every time Xiao Tian thrust his cock deep inside her, her pussy gushed love juices, and it made the bedsheet wet.

Thinking that her pussy was now getting used to the size of his cock, Xiao Tian began thrusting his cock faster and deeper.

"Hiii...Ahh....Ah.....Ah....Ah....." when Lin Xing Xue felt that the tip of his cock had entered her womb, her body became weak, her mind went blank, and all she could do was moans and moans.

Her love juices were dripping faster, and even tears fell down her cheeks. However, those were not the tears of sadness but the tears of pleasure, the pleasure which will not be forgotten for the rest of her life.

After several seconds the tip of his cock kept hitting and entering her womb, Lin Xing Xue was unable to hold back anymore, and she felt like she was about to cum. With an unclear voice, Lin Xing Xue said, "Cumming.....Cumming.... I'm cummingggg."

Like he always did, Xiao Tian stopped thrusting his cock to let her have an orgasm first. After she had an orgasm, Xiao Tian kissed her forehead and said, "Little Xue, how is it? Do you like it?"

"itz wz grtzz" Lin Xing Xue wanted to tell him that 'it was great.' But because she was in her weak condition and her mind was still on the cloud nine, she could not say it clearly.

However, even though her words were unclear, Xiao Tian was able to understand that she loved it. When Xiao Tian saw that her body had stopped quivering, he turned her body so that he could fuck her in doggy style.

Lin Xing Xue, who still hasn't recovered her strength, could not do anything when Xiao Tian turned her body. But if she had regained her strength, she would still let him do as he pleases because she knew that he still hasn't cum.

Lin Xing Xue didn't want to be the only one who enjoyed this. That's why despite she was in her weak condition; Lin Xing Xue still tried her best to give him pleasure.

When Xiao Tian noticed her ass hole, he desired to put his cock in her lovely ass hole, but at that time, he could not do that because he didn't know whether she would agree to it or not.

Xiao Tian knew this because, in his past life, some women hate it, saying that it was dirty or something like that. Even though Lin Xing Xue was in her weak state and he could do what he wanted, but Xiao Tian was afraid that after they have sex later, she will hate him if he were to put his cock in her ass hole.

This was the first time he had sex with her, so he didn't want to leave unpleasant memories for her. Even though he was unable to put his cock in her ass hole, Xiao Tian could still play with it. But Xiao Tian didn't give up easily and decided to ask her later, hoping that she would agree to have anal sex with him in the future.

Without waiting for another second, Xiao Tian placed his cock in her vagina entrance and thrust his cock in one go.

"Ahhhhhhh" Lin Xing Xue, who was unable to move her body, could only moan. Her head, which was resting on a pillow, moved following the rhythm of his thrust.

Because they were having sex in doggy style, Xiao Tian, who was thrusting his cock in her vagina, could see her ass hole clearly. For this reason, he suddenly wanted to put this left index and middle fingers in her ass hole.

After taking her love juices and placing it on her ass hole, Xiao Tian immediately thrust his fingers into her ass hole.

"Hiiiiii," Lin Xing Xue gritted her teeth. Actually, she wanted to tell him that it was dirty because she still hasn't cleaned it. But because she was in her weak condition, she couldn't say to him about it.

"So tight" when Xiao Tian put his fingers into her ass hole, her ass hole's muscles were squeezing his fingers wildly. Knowing how tight her ass hole was, Xiao Tian wanted to put his cock in it even more. Inside his head, Xiao Tian made up his mind that he would do anything to have anal sex with her in the future.

"Cumming....Cumming..... I'm coming....." Lin Xing Xue was unable to endure the great pleasure when Xiao Tian was playing with her ass hole and hitting her womb with his huge cock at the same time, making her have an orgasm for the second time.

And not long after that, Xiao Tian felt that he was about to cum. That was why Xiao Tian immediately pulled out his cock and let out his cum on her waist.

After he had an orgasm, Xiao Tian laid down next to her with a smile on his face.

Chapter 139 - What A Perfect Morning!

9-11 minutes

After resting for about five minutes, they continued to have sex again, which ended up with Xiao Tian having another two orgasms while Lin Xing Xue had four times. Xiao Tian decided to stop having sex when he saw Lin Xing Xue's body was no longer had the strength to continue their intimate activities. At that time, they slept in a spooning position, naked.

The next day at 05:10 am

While Xiao Tian was still sleeping deeply, Lin Xing Xue slowly opened her eyes. Her face blossomed into a smile when she noticed Xiao Tian's right hand wrapped around her waist. Lin Xing Xue wanted to immediately get up from the bed and head to the kitchen to prepare breakfast, but when she felt the warmth of his body, she decided against it.

'It's still 05:10 am. It doesn't hurt to stay like this for another ten minutes'

Lin Xing Xue turned around to face him. Using her left hand, she rubbed his cheeks gently and looked at him lovingly.

'I have never thought that our relationship would be like this. In the past, we only greeted each other whenever we met but now you have become one of the most important people to me. Tian, now that I've given you my heart and body, I hope you will treasure me forever.'

While still rubbing his cheeks gently, Lin Xing Xue was fascinated by his sleeping face. His black hair which fell perfectly, his shutting eyes, nose, and lips were so perfect in her eyes.

'What a handsome young man! He even still looks handsome when he is sleeping'

Xiao Tian suddenly opened his eyes when he felt someone rubbing his cheeks. When he noticed Lin Xing Xue was looking at him while stroking his cheeks gently, a soft smile spread across his face, "Good morning, little Xue."

After saying that, Xiao Tian kissed her forehead for two seconds.

"Good morning, Tian" Lin Xing Xue's face broke into a smile when she noticed his loving face.

Xiao Tian then grabbed her waist and placed her on his chest, "What a perfect morning!"

"Tian, there is something hard between my thighs" even though Lin Xing Xue had guessed that it was his cock, she still said it.

"Oh! It seems that my little brother had woken up from his slumber." Xiao Tian replied while wrapping his hands around her waist. "Well, it's because I'm embracing a beautiful mature lady, so I think it's normal."

"Pervert!" Lin Xing Xue hit his chest gently. She suddenly remembered what they had done last night, where he kept fucking her until she had no longer strength to move her body. Her face immediately turned red, and love juices began dripping down her thighs.

Due to his cock was pressing against her vagina, Xiao Tian immediately knew that love juices slowly came out of her pussy.

'What? This feeling.....'

Xiao Tian was surprised by how easy her pussy got wet.

'How could it be? Don't tell me; it's because she hasn't felt a cock in a long time?'

At first, Xiao Tian only wanted to cuddle for a few minutes before getting up from the bed, but when he felt her wet pussy, he suddenly desired to have sex with her again, "Little Xue, how about quick sex?"

Lin Xing Xue didn't respond to his question and only leaned her head on his chest. She was also surprised when she noticed that her pussy was wet only by feeling his erect cock. In the past, something like this had never happened, but she suddenly pushed away that thought and blamed Xiao Tian for this.

It was because Xiao Tian gave her great pleasure when they were having sex last night, making her body suddenly become hot just by feeling his erect cock between her thighs.

When Xiao Tian noticed that she didn't answer his question and only made circles on his chest with her index finger, he understood two things. First, she was too shy to answer him, and second, she didn't reject it.

Xiao Tian knew this because since their relationship had gotten closer, she always hid what she wanted. Due to her shyness, Xiao Tian often had difficulty understanding what she wanted. That was why sometimes he hoped that she would tell him what she wanted.

'It's still 05:15 am.'

After looking at the clock, Xiao Tian grabbed her face and made her face him. Xiao Tian didn't immediately kiss her lips but only looked at her.

At this time, even though Lin Xing Xue knew what would happen to them later, she did nothing and looked back at his handsome face. His dark eyes, which were as deep as the night skies, were like a magnet to her, causing her unable to turn her gaze from his eyes.

It was also the same for Xiao Tian. The longer he stared at her face, the bigger his desire to eat her. Xiao Tian's black eyes were locked on her beautiful eyes before finally, his gaze fell on her pretty pink lips. Without waiting for another second, Xiao Tian brought his face closer to her face, and in less than a second, their lips met.

To his surprise, as soon as their lips met, Lin Xing Xue tried to put her tongue in his mouth. Xiao Tian had no idea that she desired to kiss passionately so quickly. But because he didn't want to disappoint her, Xiao Tian opened his mouth, and she immediately put her tongue into his mouth.

As Lin Xing Xue was kissing him passionately, Xiao Tian positioned his cock in her vagina entrance. Because her pussy was already wet, he didn't intend to do foreplay and wanted to put his cock in her pussy immediately.

Lin Xing Xue did nothing when she felt his cock in her vagina entrance because she knew something like this would happen to her. That was why she kept kissing him hungrily as if he did nothing to her.

Because Xiao Tian had difficulty inserting his dick into her vagina, he raised her hips slightly before slowly lowering her body.

"HmMMM," Lin Xing Xue kept kissing him and didn't intend to stop the kiss even though she felt his huge cock slowly entered her pussy. It was as if she could not live without kissing him anymore.

Realizing that she would not move her hips because she busied herself with kissing him, Xiao Tian moved his waist slowly. Because Xiao Tian wanted to make it easier for him to thrust his cock deep inside her, he pushed her hips up and down in rhythm with his thrust.

Even though Xiao Tian moved his hips slowly, but due to the great pleasure, Lin Xing Xue was unable to kiss him anymore and started to moan.

"Ahh...Ah....Ah....Ah...." Lin Xing Xue's small mouth slightly opened, letting out soft moans. Unconsciously Lin Xing Xue began moving her hips on her own.

Because her face was near his right ear, Xiao Tian could hear her soft moans clearly. The longer he listened to her lovely cries, the bigger his desired to move his hips faster.

Xiao Tian knew that she would also love it; for this reason, Xiao Tian decided to move his waist faster and faster.

Not long after that, Lin Xing Xue felt like she was about to cum. With a weak voice, she said, "Cumming...Cumming.... I'm cumminggg."

While waiting for her body to stop quivering, Xiao Tian wrapped his hands around her waist. Seeing her fascinating expression, Xiao Tian could not help but kiss her cheeks gently, "Did you enjoy it, little Xue?"

"Yes. It's great!" because his cock was still going strong in her vagina, Lin Xing Xue knew that he still wanted to have sex with her. "Do you want to change the position?"

"No! Let's continue in this position," Xiao Tian replied. "Little Xue, can I cum inside your pussy?"

Lin Xing Xue was stunned by this. It was not her safe day, so it would be dangerous if he cum in her. Not only that, but she also didn't have birth control pills in her house, so at that time, she didn't know how to reject him.

Upon seeing her complicated face, Xiao Tian understood that it was impossible to cum inside her today. With a smile on his face, he said, "Forget it. It's fine."

Even though he was smiling, Lin Xing Xue knew that he was disappointed and sad.

'Should I let him cum in me and buy a birth control pill later?'

Lin Xing Xue suddenly thought of letting him cum inside her pussy after seeing his sad face. She didn't know why this idea suddenly appeared in her mind.

While Lin Xing Xue thought many things on her heads, Xiao Tian suddenly moved his waist again, causing her to let out many moans.

Even though he could not cum in her pussy, but Xiao Tian was still happy because he could have sex with her without using a condom.

Xiao Tian kept thrusting his cock faster and faster until finally, he reached his limit. Because he knew that he could not cum in her pussy, Xiao Tian immediately raised her hips so that his sperm didn't enter her vagina.

Huft....Huft.....Huft.....

The sound of them breathing heavily could be heard in their ears.

"Tian, let's buy a birth control pill later," although Lin Xing Xue knew that birth control pills did not give her one hundred percent safety from pregnancy, for him, she would do anything, even using birth control pill so that he could cum inside her.

"Really?" Xiao Tian said in surprise. He thought he has to wait until her safe day if he wants to cum inside her. He had no idea that she wanted to buy birth control pills so that he could cum inside her. He was pleasantly surprised by this. "Let's buy lots of birth control pills and have a lot of sex in the future."

Lin Xing Xue's face turned red after hearing his words. She didn't expect that he would say that with a straight face, "Pervert!"

"Hehehe. I'm indeed a pervert. A handsome pervert!" Xiao Tian replied while laughing.

Chapter 140 - Thank You For Giving Me A Wonderful Morning

9-11 minutes

"Little Xue, thank you for giving me a wonderful morning." after saying that, Xiao Tian kissed her forehead. At that time, Lin Xing Xue was still on top of him, with her head resting on his chest. With a dazzling smile on his face, Xiao Tian stroked her hair gently. Xiao Tian loved cuddling like this because with cuddling, not only could he show his love to her, but he was able to feel the warmth of her body too.

"Pervert!" of course, Lin Xing Xue knew what he meant by a wonderful morning. She just didn't expect that he really said that. "Tian, do you want to take a shower now or later?"

"Little Xue, how about we take a bath together?" Xiao Tian didn't have a dirty thought and only desired to take a shower with her, but it seemed Lin Xing Xue had different views because when he said that, she stared at him and pinched his nose.

"No. You take a bath first, and I will head to the kitchen to prepare breakfast" Lin Xing Xue deemed Xiao Tian desired to have sex with her in the bathroom. That was why she immediately rejected it.

"Little Xue, what should I do? I suddenly want to stay like this for another ten minutes," Xiao Tian shook his head and corrected his words "Hmmm. No. I want to cuddle with you forever. I don't want to separate from you anymore and want to feel the warmth of your body forever."

"Eh! What is this? How cute!" Lin Xing Xue's face broke into a soft smile. Actually, she also loved cuddling with him like that. But as usual, she didn't tell him about it. "Fine. Let's stay like this, but only for five minutes because I have to prepare breakfast."

"Little Xue, five minutes, is not enough. How about five hours?" of course, Xiao Tian didn't want to stay like that for another five hours, but he thought five minutes was not enough for him. At least he wanted to cuddle with her for another fifteen minutes, but after seeing that it was already 05:46 am, Xiao Tian decided against it.

"No! It's already 05:46 am, and I still haven't prepared breakfast for us," even though she knew that Xiao Tian was joking, but Lin Xing Xue still told him that she only allowed him to cuddle with her for another five minutes. "We can cuddle again tonight or tomorrow, but for now, five minutes is enough."

"Eh! Tonight?!" Xiao Tian was surprised after hearing her words. "Little Xue, does it mean that we will have sex again tonight?"

"Pervert, I said cuddle. Cuddle, not sex! Pervert! Pervert! Pervert!" Lin Xing Xue kept hitting his chest while blushing. She didn't expect that Xiao Tian kept saying something like that without feeling shy at all.

How can you say such a thing with a straight face? Lin Xing Xue thought to herself

"Little Xue, stop hitting your lover. How about giving me a good morning kiss instead?" even though he didn't feel hurt, but Xiao Tian pretended to be in pain.

"Good morning kiss? Isn't that too late to ask for a good morning kiss?" Lin Xing Xue knew that he pretended to be in pain. That was why she didn't buy it. because five minutes have passed, Lin Xing Xue wanted to get up, but Xiao Tian suddenly wrapped his hands around her waist, causing her unable to get up. "Tian, five minutes have passed. I want to prepare breakfast for us."

"Little Xue, give me a good morning kiss first, or else I won't let you go" Xiao Tian hugged her tighter so that she could not free herself from his embrace.

"Fine" Lin Xing Xue knew that he would not let her free if she didn't kiss him. That was why she kissed his lips. "There. I've kissed you. Can you let me go now?"

"But I want a French kiss" actually, Xiao Tian didn't mean it and only wanted to tease her because he really loved her expression when he was teasing her.

"No!" Lin Xing Xue then kissed his forehead and smiled, "Now let me go, or I won't have sex with you again in the future"

The corner of his lips twitched after hearing her words.

"Good boy! Good boy!" Lin Xing Xue patted his head and smiled happily. She was pleased and felt like a winner when Xiao Tian slowly unwrapped his hands.

'Little Xue, I'm not a boy. I'm an adult. Look! There is no way a boy has a huge cock like this.'

Xiao Tian shouted in his head. Suddenly, an exciting idea appeared on his mind. "Little Xue, can you not wear a piece of clothing and only wear an apron when you make breakfast later?"

"Why?" Lin Xing Xue was stunned by this. She didn't expect that he would ask her to do something weird again.

"It's because seeing a woman wear nothing but an apron while cooking is a man's DREAM" when Xiao Tian said this, his eyes shone, and a proud smile could be seen on his face. At that time, Xiao Tian wanted to see her wear nothing but an apron because, in his new life, he never had the chance to ask his women to do that.

"I don't want to" Lin Xing Xue giggled and pinched his cheeks.

Xiao Tian's smile froze on his face. He didn't expect that she rejected it without a second thought. "Little Xue, why? Why?"

Xiao Tian questioned her with a sad face as if she had done something terrible to him.

"No reason. I just don't want to" Lin Xing Xue got up and began wearing the clothes.

Xiao Tian immediately rose from the bed and stood in front of her. Without giving her a chance to leave the bedroom, Xiao Tian embraced her and shook his head, "No, no, no, no, no. I want you to wear nothing but an apron while cooking"

Seeing his childish behaviour, Lin Xing Xue could not help but smile. "Fine. But not today. How about tomorrow?"

The reason Lin Xing Xue didn't grant his wish was that she was afraid if she agreed, they would end up having sex again. Not only she already felt sore down there, but they could also be late for work if they have sex again.

'Hehehe. What my asshole father said was right. sometimes you can act like a child to get what you want, as long as you know when to act like a child and not act like a child forever, everything is fine.'

Xiao Tian started to smirk. But because he was hugging her, Lin Xing Xue didn't know his evil smile. Xiao Tian then touched her cheeks and looked at her lovingly "Thank you, love."

Upon seeing his mature and gentle attitude, Lin Xing Xue sighed and said, "Sigh! How can your attitude change this quickly? Who taught you like this?"

'My bastard father was the one who taught me.'

Of course, Xiao Tian didn't tell her about it and only answered her in his mind.

"Alright, you take a bath first. I want to prepare breakfast for us" Lin Xing Xue freed herself from his embrace before heading to the kitchen.

"Alright," Xiao Tian said as he nodded his head.

Ten minutes later, Xiao Tian finished taking a shower. After wearing clothes, Xiao Tian headed to the kitchen.

'What a beautiful lady! She even still looks beautiful from behind.'

Xiao Tian could not help but praise her when he saw her from behind. He then walked closer toward her and embraced her from behind. "Little Xue, do you need my help?"

"No. You don't need to help me." Lin Xing Xue replied while still cooking fried rice. She decided to cook fried rice because cooking fried rice was easy and didn't take long to cook it.

"Hmm. It looks tasty." Xiao Tian suddenly felt hungry when he saw fried rice mixed with eggs, meat, and some vegetables.

Lin Xing Xue touched his cheeks with her left hand and said, "Breakfast will be ready in five minutes. You can wait in the dining room."

"Alright," Xiao Tian kissed her right cheek, but when he was about to turn around, Xiao Tian suddenly wanted to kiss her beautiful pink lips. For this reason, Xiao Tian turned her head to the right side and kissed her lips. After that, he headed to the dining room with a smile on his face.

"You really like kissing me, huh" Lin Xing Xue's face blossomed into a smile when she saw Xiao Tian heading to the dining room. "What a naughty young man!"

Lin Xing Xue then continued cooking fried rice. Five minutes later, everything was ready, so she went to the dining room with fried rice in her hands.

Xiao Tian and Lin Xing Xue then ate breakfast together.

"Hah, I'm full," Xiao Tian said happily, "Little Xue, are you going to work at my company or the cosmetic shop today?"

"I'm going to work at the cosmetic today" Lin Xing Xue replied

"Ah, is that so?" actually, Xiao Tian planned to act lovey-dovey with her at his company today. He was pleased because their relationship had reached a new level. But because today she will work at the cosmetic shop, he will not be able to do that.

Even though she was happy that he wanted her to work at his company so badly, but she could not do that because today there will be an important customer at the cosmetic shop. Because she didn't want to see his sad face, Lin Xing Xue rose from her seat and sat on his lap. She then kissed his right cheek and said, "Tomorrow, I will work at your company, so don't be sad. If you want to see me, you can come to my house again tonight."

"Alright," Xiao Tian's mood became brighter after she kissed him. "Let me drive you to your workplace."

"Un" Lin Xing Xue nodded her head.

Somewhere else.

While Xiao Tian had a romantic moment with Lin Xing Xue, a beautiful mature lady was sitting on the couch with a sad face, "Tian, where are you?"
