Chapter 81 - Let's Go Shopping

After Xiao Tian paid the food, they left the Bamboo Restaurant. At that time, Yun Xin Er's smartphone suddenly rang, and the person who called her was her manager.

Yun Xin Er's manager informed her that she suddenly had a meeting with someone and requested her to return to the Li entertainment company immediately.

Yun Xin Er was unhappy after hearing her manager's words because she could no longer spend time with Xiao Tian and others. However, Yun Xin Er had no choice but to leave. After saying goodbye, Yun Xin Er left.

"Let's enjoy the center of Shanghai first before going home," it was the first time Xiao Tian has gone to the center of Shanghai with his mother and aunt. That was why he wanted to enjoy the beauty of Shanghai downtown with his mother and aunt before returning home.

"Yes," Ye Qingyu and Ye Xueyin replied at unison.

Ye Xueyin also thought it would be better to enjoy Shanghai downtown rather than going straight home.

Ye Qingyu was thrilled upon hearing her nephew's words because, when she lived in Beijing, the thing she wanted to do the most was to spend time with her family. Ye Qingyu was so lonely when she lived in Beijing.

Even though Ye Qingyu had friends who she could spend time with, but it couldn't be compared to the time she spends with her family. Her big sister and her nephew were everything to Ye Qingyu because they were her only family.

"So, where should we go?" even though Xiao Tian has a few places he wanted to visit, but he didn't want to be selfish. He wanted to know their opinions first because their happiness is the most important thing for him.

If he visited someplace, but his aunt and mother didn't like it, it would be meaningless because his main purpose was to make his aunt and mother happy.

At that time, Ye Xueyin was thinking about the place they should visit while they were in the center of Shanghai.

"How about we go shopping?" the reason Ye Xueyin wanted to go shopping was that she desired to buy clothes to make her look young and beautiful. It had been a long time since she bought new clothes. Even though all her outfits in her closet were excellent and she looked gorgeous when she wore it, but Ye Xueyin thought she needed to buy new clothes, the new clothes that could make her son unable to turn his gaze from her when she wore it.

When Ye Xueyin remembered that the women around her son were young and beautiful, like Yun Xin Er, who was gorgeous and young, Shi Fei, who was sexy and young, or Lin Xing Xue, who was pretty and mature, Ye Xueyin felt like her position was in danger.

Ye Xueyin was not as young as Yun Xin Er, Lin Xing Xue, or Shi Fei. That was why she needed to put more effort into securing her place in her son's heart so that her position would not change despite many beautiful and young women around her son.

Ye Xueyin thought she would start by buying clothes that could make her son stun when she wore it.

At first, Ye Xueyin wanted to ask her son to give her several clothes because her son was selling good clothes. However, every time she tried to ask her son to provide her with some clothes, she didn't know how to say that.

Ye Xueyin decided that this would be the last time buying clothes in other shops. Next time, she would ask her son if she desired some clothes because she didn't want her son to think badly about her for buying clothes at another store.

"What do you think, Qingyu?" even though Xiao Tian had guessed the answer, but he wanted to hear it from his aunt's mouth directly.

"Un. It's a good idea," Ye Qingyu said as she nodded her head, agreeing with her big sister's idea.

Upon hearing his aunt's answer, Xiao Tian could only sigh. He had no idea why his aunt always accepted his mother's words. It seemed like his aunt always prioritizes his mother's happiness over her own happiness.

Why do you always prioritize your big sister's happiness over her own happiness, aunt? Xiao Tian thought to himself.

After taking over Xiao Tian's body, he, Huang Chen, or now Xiao Tian, had never heard his aunt say NO to his mother's words. He didn't know why his aunt always relents to his mother. There was also no memory from his predecessor about that.

I'll try harder to make my aunt happier. He thought to himself.

"Do you have any other ideas?" Xiao Tian wanted to know Ye Qingyu's opinion, so he asked his aunt again, "You know, we can go to the place you want to go after we go shopping."

"How about we go to the beach after we go shopping?" Ye Qingyu voiced out her opinion, "We can see the sunset on the beach, and it will be a wonderful time for us to see the sunset together."

"That's a good idea." Ye Xueyin agreed with Ye Qingyu's opinion. She thought, seeing the sunset with her son and little sister would be a beautiful moment for them.

After hearing his aunt express her opinion, Xiao Tian was happy, so he kissed his aunt's left cheek. "That's a brilliant idea."

Upon seeing her son kissed her little sister's cheeks, Ye Xueyin grabbed her son's hands. "Tian, I want a kiss too."

Xiao Tian thought his mother also wanted a kiss on her cheeks, but he was wrong because when he was about to kiss his mother cheeks, his mother touched her lips with her left hand and said, "here. I want you to kiss my lips."

Xiao Tian had no idea that his mother was so brave, requesting to kiss her lips on the road.

However, because Xiao Tian didn't want to disappoint his mother, he brought his face closer to his mother's face.

When Ye Xueyin saw his face coming closer to her face, she pouted her lips and closed her eyes, preparing to welcome the kiss.

Xiao Tian, who saw his mother pouting her lips and closing her eyes, couldn't hold himself from laughing. Ye Qingyu was also laughing when she saw her big sister pouting her lips and closing her eyes.

Upon hearing the laugh of her son and her little sister, Ye Xueyin opened her eyes and asked, "Why? Why are both of you laughing?"

Ye Xueyin had no idea why her son and little sister were laughing. She was only pouting her lips and closing her eyes. She didn't do anything strange so, she was curious about why her son and little sister were laughing.

"Nothing, nothing." Xiao Tian said, trying not to laugh anymore.

"Tian, hurry up and kiss m-" Ye Xueyin stopped her words because she suddenly remembered something. "I demand you to kiss this big sister's lips right now."

After hearing his mother's words, Xiao Tian immediately remembered what had happened in the couple cafe.

Ye Qingyu was dumbfounded after hearing her big sister's words, "What? Big sister?"

When Xiao Tian saw his aunt's astonished face, Xiao Tian began to explain what had happened in the couple cafe.

After Xiao Tian finished explaining everything, Ye Qingyu laughed louder. Even though she once called Xiao Tian 'big brother,' but it was when they were having sex, she never called her nephew 'big brother' except when they were having sex.

That was why, after hearing her big sister call herself 'big sister' to her son, she laughed loudly.

"Qingyu, stop laughing." Ye Xueyin was unhappy after seeing her little sister laughing like that.

"Alright big sis, I'm not laughing anymore." Ye Qingyu covered her mouth, trying to hold back her laughter.

"Tian, hurry up and kiss this big sister" Ye Xueyin demand again

"Alright." Xiao Tian said as he brought his face closer to his mother's face.

When Ye Xueyin saw his face coming closer to her face again, she closed her eyes and pouted her lips again, but this time, Xiao Tian didn't stop in the middle and kissed her mother lips for around five seconds before he broke the kiss.

After he kissed his mother's lips, a beautiful smile appeared in his mother's face. When Xiao Tian saw a beautiful smile on his mother's face, his face broke into a soft smile.

Chapter 82 - You Look So Sexy

8-10 minutes

After thinking for a while, they decided to go shopping at Yuwen Mall. The distance between Yuwen Mall and Bamboo restaurant was not too far. It was only five minutes of walking.

After walking for five minutes, they arrived at Yuwen Mall, the largest Mall in Shanghai.

Yuwen Mall has four floors with 50 restaurants, 500 shops, 16 cinema halls, and a gaming center. Yuwen Mall was owned by Li Family, and one of the Li Family's highest incomes comes from Yuwen Mall.

After entering Yuwen Mall, Ye Qingyu and Ye Xueyin headed straight to the third floor because many clothing shops were located on the third floor.

Xiao Tian, on the other hand, didn't know why his mother and aunt headed directly to the third floor. However, because Xiao Tian didn't want to part with them, he only followed them without saying a single word.

Upon reaching on the third floor and seeing the clothing brands they fancied, Ye Qingyu and Ye Xueyin dragged Xiao Tian to the female's clothing shop.

Xiao Tian was astonished by this. He thought his mother and aunt wanted to buy shoes or bags.

Xiao Tian was also selling clothes, so he was confused regarding why his aunt and mother wanted to buy clothes. Xiao Tian immediately told them that they didn't need to buy clothes because he would give them a lot of outfits later.

Ye Qingyu and Ye Xueyin told him that it would be the last time they bought clothes at another store. Next time, if they wanted clothes, they would ask him.

After hearing that, Xiao Tian could only sigh and followed them to the female's clothing store.

After entering the female's clothing shop, Ye Xueyin and Ye Qingyu immediately chose the outfits that they fancied. After finished picking the clothes she liked, Ye Xueyin grabbed her son's right hand and headed to the fitting room.

After they were in front of the fitting room, Ye Xueyin told her son to stand in front of the fitting room so that she could ask for his opinion later.

"Wait here," Ye Xueyin entered the fitting room to change her clothes. Not long after that, Ye Xueyin opened the curtains, "Tian, what do you think?"

Ye Xueyin was wearing light orange colored sleeveless turtleneck beading chiffon blouse with pearl embellishment and sky blue colored skirt

"It suits you very well. You look gorgeous and elegant in these outfits," Xiao Tian answered honestly. Ye Xueyin looked like a beautiful and elegant lady from a wealthy family when she wore these outfits. Her beauty radiated from her body when she wore these clothes.

"Really?" Ye Xueyin was delighted because she had not chosen the wrong clothes.

"Yes" Xiao Tian answered instantly.

"Alright, I'll buy these clothes," Ye Xueyin said as she smiled. She then closed the curtain again to try on other clothes. Seven minutes later, Ye Xueyin opened the curtain again "How about this?"

Ye Xueyin was wearing light violet casual off the shoulder and white skirt

"You look beautiful. I think because you're beautiful, whatever you wear, you will still look beautiful," Xiao Tian praised his mother.

Ye Xueyin closed the curtain again. After about nine minutes, she opened the curtain a little, checking whether there were people around them or not.

After Ye Xueyin was sure that there was no one around them, she opened the curtain and said, "How about this one?"

Xiao Tian widened his eyes in surprise. His mother was wearing a very short green skirt. He could even see her purple thong because the green skirt she wore was very short. Not only that, but the white T-shirt she wore was also short. It only covered her breast, allowing him to see his mother's slim stomach and sexy navel.

Xiao Tian touched his chin and responded, "Excellent. I like these outfits the most."

"Pervert!" Ye Xueyin said as she smiled.

Ye Xueyin closed the curtain to change her clothes. After that, she came out of the fitting room to look for other clothes again.

Not long after that, Ye Qingyu came with the clothes in her hands and entered the fitting room.

After about five minutes, Ye Qingyu opened the curtain. She was wearing a purple chiffon bow tie long sleeve blouse and black skirt "What do you think?"

"I don't know any other words except gorgeous. These clothes suit you very well. These chiffon bow tie long sleeve blouse and black skirt are suited your white skin and attractive appearance," Xiao Tian answered.

Upon hearing her nephew's words, a smile appeared on Ye Qingyu's face, "Is that so? Do you like these clothes?"

"Yes, I like it," Xiao Tian answered honestly.

Ye Qingyu closed the curtain again to change into other clothes

After about nine minutes, Ye Qingyu opened the curtain. She wore a white blouse and jeans with two-layered black choker necklaces on her neck.

When Xiao Tian saw two layered black choker necklaces on her neck, coupled with her white blouse, which had two buttons-up open, Ye Qingyu looked so sexy.

Xiao Tian unconsciously walked closer to his aunt. After seeing the hickey on his aunt's neck, which he gave last night when they were having sex, Xiao Tian's heart beat faster and faster every second.

When she saw her nephew walking closer to her, Ye Qingyu forgot to ask about his opinion and stood still while looking at him.

When Xiao Tian was in front of her, he suddenly hugged his aunt and said, "You are so pretty and sexy, Qingyu."

Because she was surprised when her nephew suddenly embraced her and told her that she was pretty and sexy, Ye Qingyu was only standing like a statue without saying a single word.

After she came to her senses, Ye Qingyu smiled and said, "Thank you."

After stopping his embrace, Xiao Tian touched his chin and spoke jokingly, "But it would be better if you wear a mini-skirt."

"Pervert!" Ye Qingyu replied as she hit her nephew's chest lightly.

After changing her clothes, Ye Qingyu came out of the fitting room to look for other clothes.

Xiao Tian was curious when he saw his aunt suddenly coming out of the fitting room. Not long after that, Ye Qingyu entered the fitting room again.

Because Ye Qingyu entered the fitting room like she was in a hurry, Xiao Tian didn't know what outfits she chose.

After about ten minutes, Ye Qingyu opened the curtain again and asked for Xiao Tian's opinion, "What do you think about these clothes?"

After seeing what his aunt was wearing, Xiao Tian widened his eyes in disbelief. He had no idea that his aunt was wearing a mini skirt, like what he wanted.

At first, Xiao Tian was only joking when he told her to wear a mini skirt. He just didn't expect that his aunt would take his words seriously "Perfect. You look so sexy, Qingyu."

At this time, Ye Xueyin, who returned to the fitting room after choosing the clothes, looked at Ye Qingyu and said, "Wow! Qingyu, you're so sexy."

"Thank you," Ye Qingyu answered shyly.

After that, Ye Qingyu and Ye Xueyin tried on a few more clothes again before deciding on the clothes they wanted to buy.

After that, they headed to the cashier to pay for their clothes. When Ye Qingyu wanted to pay, Xiao Tian immediately gave his credit card to the cashier because he wanted to pay all the clothes.

"Tian, what are you doing?" Ye Qingyu was surprised when Xiao Tian gave his credit card to the cashier.

"Beautiful ladies, let me pay for the clothes. Just treat it as thanks for treating me well all this time," Of course, his primary purpose was to impress his aunt and mother and make them happy. Now that he has money, Xiao Tian didn't mind spending his money for his mother and aunt. As long as his mother and aunt were happy, money meant nothing to him.

"But you need a lot of money for your business," Ye Qingyu still had money to pay for their clothes, so she didn't want to use her nephew's money.

"You don't need to worry about that." Xiao Tian replied as he looked at his mother and aunt lovingly,

"But-" before Ye Qingyu had finished her word, she was interrupted by Xiao Tian

"No, but! Let me act like a gentleman. I also want to look cool in front of pretty ladies, you know?" Xiao Tian said.

"Alright," Ye Qingyu and Ye Xueyin said in unison

At that time, the female cashier was envy after seeing Xiao Tian wanted to pay for all those expensive clothes. She thought, not only was he handsome, but Xiao Tian also has a lot of money because the clothes that Ye Xueyin and Ye Qingyu wanted to buy were from branded clothes, and they even wanted to buy several clothes. In her heart, she hoped that one day, there would be a man like Xiao Tian who treated her like that.

After Xiao Tian paid for the clothes, they left the female's clothing shop.

Chapter 83 - Lingerie Store

7-9 minutes

After they left the women's clothing shop, they wanted to look around before going to the beach. Suddenly, Ye Qingyu and Ye Xueyin saw a lingerie shop.

After staring at each other and nodding their heads as if they agreed on something, Ye Xueyin and Ye Qingyu hugged Xiao Tian's arms and headed to the lingerie shop.

At that time, Xiao Tian had no idea what his mother and aunt wanted to do, so he only followed them with a smile on his face.

However, when Xiao Tian realized that they were walking towards the lingerie shop, his smile froze on his face.

In his two lives, Xiao Tian had never entered a lingerie shop, so when his mother and aunt dragged him to the lingerie shop, he felt his blood freeze.

In his past life, because his father was the wealthiest person in Beijing, he rarely came to the store.

Usually, every time he wanted to buy something, he only called the store manager to come to his house and bring the stuff he wanted to buy, but now, his mother and aunt even dragged him to the lingerie shop.

He was fine if it was another shop but, lingerie shop was... well, because it was the first time he entered the lingerie shop, his complicated feelings could be seen on his face.

"Beautiful ladies, suddenly, my stomach hurts a lot. I have to go to the restroom," Xiao Tian tried to give an excuse so he could leave the lingerie shop.

"Don't lie," Ye Qingyu and Ye Xueyin said at the same time.

They knew that he was lying to them. That was why they embraced his arms tighter so that he could not run away.

"I am not lying. I'm telling the truth!" Xiao Tian kept trying his best to give them an excuse so he could get away from the lingerie shop because the moment he entered the lingerie shop, almost all the women in the lingerie shop looked at him in disgust.

"Tian....." Ye Xueyin said in a sad face, trying to make her son stay.

Even though Xiao Tian knew that his mother only pretended to be sad, he could only sigh and gave in, "Alright. I won't go anywhere."

Ye Xueyin giggled the moment her son decided not to leave the lingerie store.

The corner of Xiao Tian's lips twitched upon seeing his mother giggling

After that, Ye Qingyu and Ye Xueyin began looking for lingerie for them.

"Look, that young man over there!"

"Wow! He is brave enough to enter the lingerie shop"

"What a pervert!"

"Hehe. But he is very handsome"

"What a pity, such a handsome young man but..... sigh."

"Why? There is no rule that a man can't enter this lingerie shop, right? As long as he enters the lingerie shop with a woman, it doesn't matter."

"Yes, you're right. There is no rule that a man can't enter this lingerie shop, but..... Sigh. Does he not feel ashamed to enter the lingerie shop? Young people nowadays... Forget it! Let's find sexy lingerie for our lovers."

"If only my boyfriend is as handsome as him, I would wear sexy underwear every day for him."

"You, horny girl!"

"Haha. Men and women are the same. We're all horny people who want a pleasure all the time. It's just that we, women, are better at hiding it."

"Yes, yes. Whatever you say, you, horny bitch."

"Hahaha. You're also a horny bitch."

"Yes, yes... Up to you. Let's find sexy lingerie."

"Alright"

Xiao Tian, who was the only man in the lingerie shop, closed his eyes the entire time and crossed his arms over his chest.

But suddenly, he felt someone kissing his left cheek.

Upon feeling the lips pressing against his left cheek, Xiao Tian opened his eyes and turned his head to the left. Even though Xiao Tian had guessed the person who kissed him, he wanted to make sure that what he had guessed was correct.

And what he guessed was indeed true, because as soon as he saw the person who kissed him, that person, who had just kissed him, smiled beautifully and said, "Hehe. Tian, why did you close your eyes?"

The reason Xiao Tian closed his eyes was that he didn't want to see others staring at him with disgusted eyes

"Nothing. Are you done choosing the lingerie?" Even though Xiao Tian wanted to see his mother and aunt wearing the lingerie they had chosen in the fitting room, Xiao Tian decided against it after remembering that he was the only man in the lingerie shop.

"What are you talking about, Tian? I haven't even tried a single lingerie yet!" Ye Xueyin spoke and paused for a moment. Using her right hand, Ye Xueyin grabbed her son's left hand and continued, "I want to try on this lingerie. Let's head to the fitting room. I want to know your opinion about the lingerie that I have chosen."

Forget it. Forget it. Nobody knows me here, so I'll think other people like air. Xiao Tian thought to himself,

"Wait here. I want to change first," Ye Xueyin said before she entered the fitting room and closed the curtain.

At that time, Xiao Tian was waiting for his mother in front of the fitting room. Even though he wanted to treat other people in the lingerie shop as air, he still couldn't stop himself to check whether anyone was looking at him with disgust or not.

After about ten minutes, Ye Xueyin opened the curtain. After raising her head slightly, she placed her right hand over her head and her left hand on her hips while one of her legs out to the other side. After she made a sexy pose, she said teasingly, "Tian, what do you think?"

"Sexy," Xiao Tian answered instantly. suddenly a mischief idea emerged on his mind. "Wait a minute."

Xiao Tian began looking for sexy lingerie.

He ignored all the women who stared at him and kept looking for sexy lingerie for his mother.

After he found what he wanted, an evil smile appeared on his face. Xiao Tian immediately took the lingerie and returned to the fitting room

"Xueyin, you will be sexier if you wear this lingerie," Xiao Tian said while giving the lingerie to his mother.

When Ye Xueyin saw the lingerie her son chose for her, her face turned red like a tomato.

What Xiao Tian gave to his mother was crotchless lingerie with a bra that has a vertical hole on it, so that if she wore that lingerie, he would be able to see her nipples and pussy.

"Tian, this is..." Ye Xueyin didn't know what to say. She had never worn crotchless lingerie before, so when her son gave her crotchless lingerie, she didn't know what she should do.

Ye Xueyin didn't want to disappoint her son, but wearing crotchless lingerie in that place was too much for her. It would be fine if she only wore it at home because the people who would see her were only her son and little sister.

"It's okay if you can't show it to me here. Just try and see if the size is right for your body or not. You can show it to me at home," At that time, what he had in mind was how to make sure his mother and aunt would buy crotchless lingerie because he had not seen a woman wearing crotchless lingerie for a long time.

In his past life, he often called the store manager to bring crotchless lingerie to his home and made his woman wear it. But in this life, he still hasn't had a chance to make his woman wear crotchless lingerie, so because they were in the lingerie shop, he wanted to make sure that his mother and aunt would buy crotchless lingerie.

"Alright," Ye Xueyin said before she closed the curtain and tried the crotchless lingerie.

Xiao Tian was pleased when his mother agreed to try on the crotchless lingerie

Chapter 84 - I Am So Beautiful And Sexy

5-6 minutes

After closing the curtain, Ye Xueyin tried on the lingerie.

When Ye Xueyin looked at herself in the mirror, her face turned red like a tomato "How can he become a pervert like this? He even wants his mother to wear this kind of lingerie."

When Ye Xueyin saw her nipples and pussy even though she was wearing lingerie, she suddenly wanted to touch her pussy and nipples.

"Hmmm," Ye Xueyin bit her lower lip and half-closed her eyes. "I suddenly want to have sex with him. It's because of this erotic lingerie and my pervert lover."

Ye Xueyin immediately blamed her son and the crotchless lingerie when she suddenly felt aroused.

But, if I wear this crotchless lingerie, I don't need to take off my underwear and bra when I want to have sex with my son later because my son's cock can immediately enter my pussy and he can even suck my nipples too. Un. This crotchless lingerie is not bad, and it also fits my body perfectly. I will buy these crotchless lingerie. Ye Xueyin thought to herself

imagining about what would happen when she wore the crotchless lingerie in front of her son, she felt her body suddenly itchy, and her legs turned weak.

At the same time, Ye Qingyu, who finished choosing the lingerie, walked toward Xiao Tian. "Tian, have big sister finished trying on the lingerie?"

"No. She is still trying on the lingerie right now?" Xiao Tian pointed his index finger toward the fitting room where his mother was trying on the lingerie. "Qingyu, you will show me the lingerie later, right?"

"Dream on," Ye Qingyu said, sticking out her tongue. She then entered the fitting room and closed the curtain.

"You don't want to show it to me, huh? But... Hehe," an evil smile suddenly appeared on Xiao Tian's face.

Inside the fitting room, Ye Qingyu, who wanted to try on the lingerie, took off all her clothes.

After putting on the lingerie, Ye Qingyu looked at herself in the full-body mirror and nodded her head in satisfaction "This lingerie is good. It's suit my body very well."

Ye Qingyu, who wore black lingerie, was checking herself in many different angles. Even though the lingerie was suitable for her body, she wanted to make sure that the lingerie also feels comfortable when she made many different poses.

"I'm so beautiful and sexy," Ye Qingyu stated while making a sexy pose.

"Yes, you're right. You're beautiful and sexy." At that time, after making sure that there were no people around the fitting room, Xiao Tian decided to peep at his aunt.

At first, Xiao Tian only wanted to know what kind of lingerie his aunt had picked, but he didn't expect that his aunt would make a sexy pose while wearing the lingerie.

Because Ye Qingyu was focused on checking herself, she didn't know that Xiao Tian was peeking at her from the start.

"Kya" Ye Qingyu let out a cute voice when she saw her nephew peeking at her. Even though she was still wearing lingerie, she immediately covered her breasts and pussy using her hands. "Tian, what are you doing here?"

"Peeking at you." Xiao Tian answered honestly, "Why are you covering your breasts and pussy? You're still wearing lingerie so, I can't see your br--- wait. I've seen your naked body many times, so what's the point of covering your body? And please continue doing a sexy pose?"

"That's right, Qingyu. Tian has seen your naked body many times. Just show him the lingerie that you are wearing. Oh! And please do some sexy pose again," At that time, after Ye Xueyin came out of the fitting

room, she saw her son peeking at someone. She immediately knew that her son was peeking at her little sister. That was why she also peeped at her little sister.

Once again, Ye Qingyu was shocked after hearing her big sister's voice.

But, at that time, it wasn't just Ye Qingyu, who was shocked, Xiao Tian, who peeked at his aunt, was also shocked.

Xiao Tian thought someone saw him peeking at his aunt, but after knowing it was his mother's voice, he immediately felt relieved.

Because his mother was peeking at his aunt from under him, Xiao Tian lowered his head and said, "Are you done choosing the lingerie?"

"Yes," Ye Xueyin nodded her head.

"Can both of you leave, please?" Ye Qingyu still has two lingerie that she wanted to try. However, if her big sister and her nephew kept peeking at her, she couldn't try on the lingerie because it would be embarrassing to try on the other lingerie if her big sister and her nephew kept looking at her.

"Why?" Xiao Tian asked

"Un, why?" Ye Xueyin added

"Get out, or I will scream," Ye Qingyu hoped she would succeed in threatening them because she wanted to try on all the lingerie that she chose earlier.

"Tian, let's leave," Ye Xueyin didn't want to disturb her little sister anymore so she would give her little sister some privacy.

"Alright," Xiao Tian thought he didn't need to continued peeking at his aunt because he could ask his aunt to show the lingerie she chose at home.

Ye Qingyu was relieved when her big sister and her nephew left. She then tried on the other lingerie she chose, and of course, she also did many sexy poses again.

Chapter 85 - What Should I Do To This Bad Lady?

8-10 minutes

As Ye Qingyu was trying on the lingerie in the fitting room, Ye Xueyin and Xiao Tian were talking and joking in front of the fitting room.

Ye Xueyin and Xiao Tian didn't interrupt Ye Qingyu anymore and decided to wait in front of the fitting room.

Not long after that, Ye Qingyu came out of the fitting room with a smile on her face.

Upon seeing his aunt, Xiao Tian stopped talking with his mother and walked toward his aunt.

After Xiao Tian was in front of his aunt, he brought his face closer to his aunt's right ear and whispered, "Qingyu, you will wear this lingerie and show it to me after we get home, right?"

Hearing her nephew's words, Ye Qingyu also whispered on her nephew's right ear. "I do not want to. Hehe"

After saying that, Ye Qingyu giggled and walked towards her big sister.

Hmph! I won't take no for an answer. I will make you wear that lingerie in front of me later. Xiao Tian thought to himself

"Big sis, let's go to the cashier to pay for the lingerie." Ye Qingyu spoke after hooking arms with her big sister

"Un" Ye Xueyin nodded her head before heading to the cashier with her little sister.

A black line formed on Xiao Tian's face when he saw his mother and aunt leaving him behind. After sighing, Xiao Tian followed his mother and aunt to the cashier.

This time, Ye Qingyu immediately took out her credit card because she didn't want her nephew to pay for the lingerie that she and her big sister wanted to buy.

Ye Qingyu knew that her nephew needed a lot of money to open his first offline shop and hire the employees, that was why she immediately took out her credit card after reaching the cashier.

The corner of Xiao Tian's lips twitched after seeing that, but because Xiao Tian wanted to pay for the lingerie, he also gave his credit card to the cashier.

Ye Qingyu, who saw his nephew giving his credit card to the cashier, immediately took her nephew's credit card from the cashier hands.

Xiao Tian asked his aunt to give his credit card back to the cashier, but his aunt refused.

The cashier was dumbfounded after seeing them scrambling to pay, making her not to process the payment immediately.

After Ye Qingyu told the cashier to use her credit card, the cashier came to her senses and immediately processed the payment.

After the payment process was complete, Ye Qingyu returned her nephew's credit card to him.

Once again, the cashier felt jealous after seeing Xiao Tian keep trying to pay for the lingerie, even though, in the end, he didn't pay for the lingerie.

After that, they left the lingerie shop with a smile on their faces.

Because it was already afternoon, they went directly to the Yonhan beach. From Yuwen Mall, they needed about fifteen minutes by taxi to get to the beach.

Upon arriving at the Yonhan beach, there was one problem that they faced. They didn't know where they should put the goods they have bought. Do they have to bring their belongings to the beach, or leave their belongings at the beach storage?

Because the goods they bought were expensive, they decided to leave it at the goods storage service, even though they had to pay for it.

If they brought the goods to the Yonhan beach, they would not be able to play with their heart content because they needed to keep an eye to their belongings.

And if they left their goods in the beach storage, they were afraid something would happen to their belongings. Because the goods they bought were expensive, they thought, it would be better to be safe than sorry. That was why they decided to use the goods storage service.

After leaving their belonging at the goods storage service, they traveled to the Yonhan beach. They didn't change their clothes because they only wanted to enjoy the beautiful scenery on the beach and wait for the sunset.

Yonhan beach had a length of 7.3 kilometers and was located in the southeast of Shanghai. Yonhan Beach was a famous beach in China because it had white sands, the place was clean without scattered rubbish, and had blue water. Every day many people visited Yonhan beach, both locals and foreigners.

Even though there were several buildings not far from the beach, but there was a road and several trees which separated the building from Yonhan beach.

Because it was hard to walk with ling-back open-toed shoes in the sands, Ye Qingyu and Ye Xueyin immediately took off their ling-back open-toed shoes, while Xiao Tian was still wearing his shoes. Xiao Tian planned to take off his shoes if he wanted to play in the water later.

Because they wanted to find a place with only a few people around, they kept walking forward. After walking for about fifteen minutes, they finally found a place with only a few people around it.

At that time, it was still 05:00 pm, so they needed to wait for about thirty minutes to see the sunset.

Ye Xueyin and Ye Qingyu immediately threw their ling-back open-toed shoes to the sands and ran to the beach, intending to play with water.

As Ye Qingyu and Ye Xueyin played with the water, a smile appeared on Xiao Tian's face. Xiao Tian immediately took off his shoes and threw it on the sand.

After throwing off his shoes, Xiao Tian ran toward his aunt and his mother. When they saw Xiao Tian running toward them, Ye Qingyu and Ye Xueyin looked at each other and nodded their heads, as if they agreed on something.

Once Xiao Tian was in front of them, Ye Qingyu and Ye Xueyin splashed water on Xiao Tian's face.

Xiao Tian, who was wet because his mother and aunt had splashed water on him, laughed happily. "Bad ladies!"

After saying that, Xiao Tian splashed water on his mother and aunt with his hands.

"Kya" Ye Xueyin, who was getting wet because Xiao Tian splashed water on her, let out a cute voice. "Qingyu, let's fight back."

Ye Xueyin asked for her little sister help so she could win the water fight with her son.

"Alright, let's show him the power of us, beautiful sister." Ye Qingyu said as she nodded her head.

After saying that, Ye Qingyu and Ye Xueyin were splashing water on Xiao Tian while laughing.

They were laughing while playing with water. However, because Xiao Tian was facing his mother and aunt at the same time, he lost the water fight.

"Bad ladies! You're ganging up on me! It seems I have to punish both of you," Xiao Tian said while wiping his wet face with his right hand.

After saying that, Xiao Tian ran toward his aunt.

When Ye Xueyin saw Xiao Tian running toward Ye Qingyu, she immediately said, "Qingyu, run! The bad guy is chasing you."

Ye Qingyu, who saw her nephew running toward her, immediately ran while laughing, but she could only run for about five meters before finally, Xiao Tian caught her and hugged her from behind.

"I got you, bad lady," Xiao Tian said as he hugged his aunt tighter.

"So, because you have caught this bad lady, what do you want to do with this bad lady?" Ye Qingyu said, playing along with her nephew joke and pretending to be a bad lady.

"Hmm. What should I do to this bad lady?" Xiao Tian said as he turned his aunt's head. "I'll punish you by kissing you."

Because Xiao Tian was hugging his aunt from behind, he tilted his head to the left side so that he could kiss his aunt's lips.

When her nephew was kissing her, Ye Qingyu turned around to face her nephew without breaking the kiss.

As they kissed, Ye Qingyu wrapped her arms around her nephew's neck while Xiao Tian locked his arms around her hips.

At first, it was only a normal kiss, but it didn't last long before they started to kiss passionately.

Because there were only a few people around them and she didn't know any of those people, Ye Qingyu no longer cared about them and kissed her nephew passionately.

It was normal for lovers to kiss, so, coupled with no one knew about them, Ye Qingyu didn't want to hold back anymore because she wanted to enjoy her time with her nephew too.

After kissing for several seconds, Xiao Tian broke the kiss and looked at his aunt lovingly, "I love you, Qingyu."

Upon hearing her nephew's words, Ye Qingyu's face blossomed into a smile. "I love you too, Tian."

Chapter 86 - Tian, Do You Like It?

6-7 minutes

Upon hearing her nephew's words, Ye Qingyu's face blossomed into a smile. "I love you too, Tian."

After saying that, Ye Qingyu touched her nephew's cheeks and kissed his forehead. A beautiful smile appeared on Ye Qingyu's face after kissing her nephew's forehead.

Xiao Tian felt like the time has stopped for him after seeing the beautiful smile on his aunt's face. After a few seconds, he came to his senses and asked, "Why did you kiss my forehead? Why not kiss my lips? Hehehe"

"You are really a bad boy! We just kissed on the lips, and you already want a kiss on the lips again?" Ye Qingyu smiled while pinching her nephew's nose using her right hand.

"Hehe. It's because kissing your lips feel so good. It makes me addicted and desires to kiss your lips again and again," Xiao Tian answered honestly, even though inside his heart, he was delighted when his aunt kissed his forehead.

Upon hearing her nephew's words, Ye Qingyu was pleased and responded, "How did you become like this? In the past, you were not this kind of person."

Ye Qingyu wanted to know what made her nephew change a lot because the last time she met him, her nephew wasn't like that. That was why she asked her nephew that question, hoping her nephew would answer her question honestly.

"It's because you're so gorgeous, and in the past, you always teased me too. That's why I decided to change myself because I didn't want to become a shy person anymore. I want to become a person who can make you proud and happy," Xiao Tian said while lying to his aunt.

It was impossible for him to tell his aunt that he was not Xiao Tian but Huang Chen, who took over Xiao Tian's body. With the pieces of knowledge from his predecessor, Xiao Tian could answer his aunt's question easily, even though he has to lie to his aunt.

Ye Qingyu, who didn't know her nephew was lying to her, thought that what her nephew said was the truth. After sighing, she began to blame herself for teasing her nephew in the past, but, at the same time, she was also pleased. If she had not teased her nephew in the past, their relationship would not have been like that, where she felt happy every day.

Seeing her aunt sighing, Xiao Tian pinched her right cheek and inquired, "Why are you sighing? Do you regret it now?"

Even though Xiao Tian said that with a smile on his face but, in his heart, he was worried of his aunt's answer, afraid that his aunt would say that she regretted it.

Shaking her head, Ye Qingyu smiled and answered, "No. I don't regret it."

"So, you don't regret everything, right?" Xiao Tian wanted to make sure that his aunt was telling the truth. That was why he asked his aunt the same question.

"What do you mean by regretting everything?! I'm happy because of it. If aunt had never teased you in the past, our relationship wouldn't be like this," Ye Qingyu spoke honestly.

Xiao Tian was happy after hearing his aunt's words. Using both hands, Xiao Tian grabbed his aunt by the waist and lifted her before spinning his aunt. "I'm thrilled to hear that."

"Kya" Ye Qingyu was shocked and immediately wrapped her hands around her nephew's neck but, even though she was surprised, the surprise quickly turned into a moment of happiness, making her look at him and smile brightly.

After twirling his aunt three times, Xiao Tian stopped spinning her. With his right hand still on his aunt's waist, Xiao Tian touched her lips with his left-hand index finger, "Qingyu, how about you give me a kiss here?"

"Fine," Ye Qingyu smiled and pinched her nephew's nose gently.

After saying that, Ye Qingyu opened her mouth and brought her face closer to her nephew's face.

When Xiao Tian saw his aunt's face coming closer to his face, Xiao Tian also opened his mouth, ready to welcome his aunt kiss anytime. Two seconds later, their lips met.

As they kissed, Ye Qingyu touched her nephew's cheeks, trying to become the dominant one.

And once again, the gentle kiss turned into an intense, erotic kiss in which they exchanged saliva and lewdly wrapped their tongues.

They kissed passionately for a few minutes before finally, Ye Qingyu broke the kiss and bit her nephew's lower lip.

"Tian, do you like it?" Ye Qingyu asked as she smiled.

"You, bad lady! You dare to bite this big brother lower lip," even though his aunt bit his lower lips a little hard, Xiao Tian didn't care about it. He only wanted to tease his aunt by saying that "But this big brother loves it."

Upon hearing Xiao Tian refer to himself as a big brother, Ye Qingyu suddenly remembered the time when she was having sex with her nephew and referred her nephew as big brother. Her face immediately grew red after remembering the time when she had sex with her nephew.

"What is it? Is my lover shy right now?" Xiao Tian laughed lightly after seeing his aunt's face turn red like a tomato

"You... bad boy! It seems this bad lady needs to punish you," Ye Qingyu pinched her nephew's cheeks as she smiled softly.

"So, my lover wants to punish me, huh. Fine. If my lover desires to punish me, I'll gladly accept the punishment" Xiao Tian said while spreading his hands.

"Really? Don't regret it later because this bad lady will punish you now," even though Ye Qingyu said that she didn't intend to do anything to her nephew and only desired to kiss her nephew's lips again.

When his aunt kissed him, Xiao Tian immediately wrapped his hands around his aunt's hips, enjoying the kiss.

"I'm so envious. I want to act lovey-dovey too," Ye Xueyin, who saw her little sister and son acting lovey-dovey in front of her, felt jealous.

Chapter 87 - Thank You For Taking Care Of Me And Make Me Happy

6-7 minutes

After kissing for a few minutes, Ye Qingyu broke the kiss and smiled at her nephew. When Xiao Tian saw his aunt's smile, a beautiful smile also rose on his face.

"Tian..." Ye Xueyin shouted

When he heard his mother shouting his name, Xiao Tian immediately turned around.

"Tian..." Ye Xueyin shouted again while running toward her son. As soon as she was in front of her son, she immediately jumped on him.

After seeing his mother jump on him, Xiao Tian immediately caught his mother. He was used to his mother's behavior, who often suddenly jumped at him. Xiao Tian had told his mother many times that it was dangerous to jump on him like that but, his mother had never listened to him, making him could only sigh and hope nothing would happen to his mother when she jumps at him in the future.

"What is it, Xueyin?" Xiao Tian inquired.

Ye Xueyin didn't respond her son's question and suddenly kissed his lips.

When his mother was kissing him, Xiao Tian immediately welcomed the kiss, intertwining their tongues and exchanging saliva.

Ye Qingyu, who saw her big sister kissing her nephew hungrily, giggled and said, "It seems big sister is jealous after seeing what we did earlier"

As Ye Xueyin was kissing her son, she wrapped her legs tightly around her son's waist and touched her son's neck right under his ears, to make it easier for her to kiss her son and dominate the kiss.

Ye Qingyu, who saw her big sister kissing her nephew passionately, covered her mouth. She wondered if she was likes her big sister when she kissed her nephew earlier.

As Ye Qingyu lost in her own thought, Ye Xueyin, who was kissing her son, started breathing heavily and wringing her son's hair.

Ye Xueyin and Xiao Tian kissed for about forty seconds before Ye Xueyin broke the kiss. "Tian, I'm happy right now." Ye Xueyin voiced out her feeling to her son.

Upon hearing his mother's words, Xiao Tian smiled and said, "Me too. I'm also pleased right now because I can spend time with you two in this wonderful place,"

After Xiao Tian put her mother down, they played with water for several minutes before it was time for the sun kissing the cerulean water.

As the sun was setting, Xiao Tian, Ye Qingyu, and Ye Xueyin stopped playing with water and sat on the sands. At that time, Xiao Tian was sitting between his mother and aunt.

The sound of ocean water waves hitting the shore, the gentle breeze that makes their hair and clothes dancing along with it, and the beautiful orange-colored sky, created a relaxing atmosphere for them.

"It's beautiful!" Ye Xueyin and Ye Qingyu stated at the same time.

"Yes. it's beautiful." Xiao Tian spoke and paused for a moment. With his right hand grabbing his aunt's hips while his left hand grabbing his mother's hips, Xiao Tian then continued, "But, what makes me happy is not this beautiful atmosphere. It's because I can spend time together with you two in this magnificent atmosphere."

"Tian, we'll be together forever, right?" Ye Xueyin asked, as she leaned her head on her son's left shoulder.

Hearing his mother's words, Xiao Tian turned his head to look at his mother's eyes. "Xueyin, please don't say something like that in the future because, whatever happens in the future, I, Xiao Tian will always be by Xueyin and Qingyu's side forever and ever, until my last breath."

When her son's eyes were locked on her, Ye Xueyin knew that those words were coming out from the bottom of his heart.

"You have to remember the words you had said because I will be angry if you forget your words in the future," Ye Xueyin said, ensuring that her son has to remember all the words he had said to her.

"Do not worry, Xueyin. I'm a man of my words. Even if in the future, you two hate me or don't want me to be by your side, I will do anything, so I can be by your side again, even though I have to lose everything in the process to make it happen." Xiao Tian answered in the gentle and sincerity tone, making sure his mother to never have such thoughts in the future.

"Tian...." Ye Qingyu spoke, calling her nephew's name abruptly.

Turning his head to the right side, Xiao Tian smiled softly and said in a soft loving voice, "Mm, what is it, Qingyu?"

After locking her eyes into her nephew's eyes for about three seconds, Ye Qingyu's face broke into a soft smile, "Thank you"

"I should be the one who says that," Xiao Tian spoke and paused for a moment before he continued, "Thank you for taking care of me and make me happy. I'm so pleased having sweethearts and family, like both of you."

"If you are so happy, then you should cherish me and big sister ev—" Ye Qingyu spoke halfway before correcting her words "You should cherish us forever and ever, and don't ever make us sad, do you understand?"

"Yes. I understand. I'll cherish you two forever. If in the future, I unwittingly hurt or make both of you sad, please tell me so, I can apologize and remember not to repeat it again," Xiao Tian answered while looking at his aunt.

Xiao Tian was not a perfect human being. That was why, even though he will give his best to make his aunt and mother happy and doesn't want to hurt them; there must be a time, where he unwittingly hurts his mother's and aunt's feeling, which is why he wants his mother and aunt to tell him if one day he involuntarily hurt their feelings.

"Un" Ye Qingyu nodded her head.

'Aunt, mother, I hope I can make both of you happy forever and ever. I have promised my predecessor that I will take care of both of you and won't make both of you sad.'

Xiao Tian then hugged his mother and aunt tighter.

Ye Qingyu and Ye Xueyin leaned their heads on Xiao Tian's shoulders when he embraced them tighter.

Chapter 88 - Tian, You Are Pervert!

6-7 minutes

After seeing the sunset, Ye Qingyu, Ye Xueyin, and Xiao Tian went straight home.

They immediately took a shower after arriving at home. After bathing and eating dinner, they watched TV before going to Xiao Tian's bedroom to sleep.

In the morning

Tit.....Tit.....Tit.....Tit.....

The sound of alarm's ringing echoed in Xiao Tian's bedroom. Upon hearing the sound of the alarm, Xiao Tian slowly opened his eyes.

Xiao Tian smiled softly after seeing his mother and aunt sleeping while hugging his hands.

Because Xiao Tian didn't want to wake them up, he tried to free his hands from the grasp of his mother and aunt very carefully.

However, when he was trying to free his hands, his mother and aunt suddenly woke up. Xiao Tian, who was seeing his mother and aunt rubbing their eyes, smiled, and said, "Good morning, mother, aunt."

Ye Xueyin, who was on Xiao Tian's left side, turned Xiao Tian's head to face her and kissed his lips. After kissing him, Ye Xueyin's face broke into a smile, "Good morning, Tian."

Ye Qingyu, who was on Xiao Tian's right side, only smiled at her nephew. "Good morning, Tian."

"Aunt, are you not going to give me a good morning kiss?" Xiao Tian asked.

"No. I will pass." Ye Qingyu immediately sat upright and stretched her hands after waking up.

After freeing his hands from his mother's grasp and sitting upright, Xiao Tian wrapped his hands around his aunt's waist and pulled her closer to him, making their front bodies press against each other.

Ye Qingyu immediately wrapped her hands around her nephew's waist and raised her head slightly to look into her nephew's eyes. "What is it, Tian? Do you want to give your pretty aunt a good morning kiss?"

Xiao Tian didn't respond to his aunt's question and immediately kissed Ye Qingyu's forehead gently.

"Good morning, my gorgeous aunt." after kissing his aunt's forehead, Xiao Tian stared into her eyes and smiled.

Ye Qingyu, who was seeing her nephew's beautiful smile, also smiled, "Goo—"

However, before Ye Qingyu had finished her words, Xiao Tian kissed her forehead again, making her stop speaking halfway.

After kissing his aunt's forehead, Xiao Tian wanted to kiss Ye Qingyu's eyes.

When Ye Qingyu saw her nephew's face getting closer to her left eye, she knew that he desired to kiss her left eye. That was why Ye Qingyu closed her eyes to feel her nephew's gentle kiss.

After kissing his aunt's left eyes, Xiao Tian didn't stop there. He kissed her nose, her cheeks before working his way to her beautiful, pink lips.

Ye Qingyu opened her eyes slowly when her nephew kissed her cherry lips, but she showed no reaction of rejecting and only looked into her nephew's eyes.

As they were kissing, Xiao Tian bent over, causing them to fall into bed. Ye Qingyu broke the kiss after feeling something hard between her thighs.

Ye Qingyu was wearing thin lingerie so she could feel her nephew's long, huge cock between her thighs. "Tian, you're a pervert!"

"Aunt, don't blame me. It's because you're so pretty. That's why my little brother wakes up from his sleep," Xiao Tian said as he moved his waist up and down.

"Ah...Tian stops moving your waist, and let me go," even though Ye Qingyu requested her nephew to let her go, but her long and slender arms were wrapping around her nephew's back tightly as if her life depends on it.

"Aunt, you want me to let you go, but how can I let you go if you are wrapping your hands around my back tightly" Xiao Tian stopped move his waist and looked at his aunt with a smirk on his face. He wanted to know what his aunt's reaction would be after realizing that she was wrapping her hands around his back tightly even though she said to let her go.

Upon hearing her nephew's words, Ye Qingyu immediately let go of her grasp. She turned her head to the other side to avoid her nephew's gaze. Ye Qingyu's face quickly became red like a tomato after remembering what she was doing.

Xiao Tian smiled lightly after seeing his aunt's reaction. Using his left hand, Xiao Tian made his aunt face him "Eh! Why did you turn your head to the other side? And..... Why did your face become red, aunt?"

Xiao Tian was delighted after seeing his aunt's reaction. That was why he wanted to tease his aunt more.

"What are you talking about?" Ye Qingyu spoke and paused for a few seconds to find an excuse. "Aunt only wants to see your bedroom, and aunt's face is not red. It's because your bedroom is scorching."

After hearing his aunt's words, Xiao Tian suddenly thought about something. "Aunt, because my bedroom is hot, how about you take off your lingerie?"

Ye Qingyu suddenly thought that she chose the wrong excuse after hearing her nephew's words.

"Now that Aunt thi.....Ahhhh," when Ye Qingyu wanted to give her nephew another excuse, she moaned when her nephew suddenly started to move his waist again, rubbing his hard cock on her pussy through their thin clothes.

Ye Xueyin, who saw what her son was doing to her little sister, advanced toward them. After she was next to them, Ye Xueyin grabbed her son's face and kissed his lips.

Xiao Tian was surprised when his mother suddenly kissed him. After several seconds, Ye Xueyin broke the kiss and moved to her son's feet.

When his mother broke the kiss, Xiao Tian immediately kissed his aunt's cherry lips.

As her son was kissing her little sister, Ye Xueyin raised her son's waist slightly and pulled his short pants to his feet, allowing her to see her son's huge erect cock.

Xiao Tian, who was kissing his aunt, showed no reaction when his mother pulled his short pants to his feet. He kept kissing his aunt as if his mother had done nothing to him.

Chapter 89 - Exciting Moment

After pulling Xiao Tian's short pants to his feet, Ye Xueyin started stroking Xiao Tian's cock with her right hand.

"Hmmm..." Xiao Tian stopped kissing his aunt when his mother was stroking his cock, but it was only for three seconds before he continued kissing his aunt again.

As Xiao Tian was kissing her again, Ye Qingyu, who was starting to feel aroused, touched her nephew's cheeks before tilting her head to the left and right side, kissing her nephew hungrily.

Saliva was dripping from the corner of her mouth, but Ye Qingyu didn't care about it and kept kissing her nephew intensely. Ye Qingyu kept intertwining her tongue with her nephew's tongue before finally sucking her nephew's tongue.

Xiao Tian was surprised when his aunt sucking his tongue like there was no tomorrow.

Intending to make his aunt sucking his tongue easier, Xiao Tian opened his mouth wider and let out his tongue.

Ye Qingyu, who saw her nephew letting out his tongue, gladly accepted his offer. After sucking her nephew's tongue for several seconds, Ye Qingyu stopped sucking her nephew's tongue.

At that time, Ye Qingyu was breathing heavily and looking at her nephew lustfully.

"Aunt, you look so lewd when yo—"

Before Xiao Tian had finished his words, his aunt kissed his lips again, causing him to widen his eyes before welcoming his aunt kiss.

The reason Ye Qingyu stopped kissing her nephew was none other than to catch her breath. That was why she kissed her nephew again after catching her breath.

Ye Xueyin, who was stroking her son's cock with her right hand, lifted her son's T-shirt using her left hand, allowing her to see her son's back. After raising her son's T-shirt, Ye Xueyin started to lick her son's back while still stroking her son's huge cock.

Not long after that, Xiao Tian felt that he was about to cum.

When Ye Xueyin knew that her son was about to cum, she moved her hands faster and licked her son's lower back.

Xiao Tian wanted to break the kiss because he was about to cum, but his aunt immediately wrapped her hands around his neck tightly, causing him unable to break the kiss.

"Mmmmm.." when Xiao Tian stopped kissing his aunt due to he was in the middle of having an orgasm, his aunt forced her way to him, kissing him passionately and sucking his tongue hungrily.

Ye Xueyin immediately stopped licking her son's back when she knew that her son was having an orgasm.

Ye Xueyin immediately placed her left palm right in front of her son's cock so her son's sperm would land on her left palm.

After seeing her son's sperm on her left palm, Ye Xueyin opened her little mouth and let out her tongue.

GULP

The sound of Ye Xueyin drinking her son's sperm could be heard.

After drinking her son's sperm, Ye Xueyin licked her left palm again, even though there was no sperm left in her left palm.

Xiao Tian was unable to raise his lower body anymore after having an orgasm, causing his lower body to fall on Ye Qingyu's body.

"Hmm... It's warm" because Ye Qingyu was wearing lingerie that had an open fork up to her breasts in the middle of her lingerie, she could feel the warmth of her nephew's cock when her nephew's lower body fell on her body.

After drinking her son's sperm, Ye Xueyin decided to play with her little sister's pussy after seeing her little sister's wet thong.

"Ahhhhhh," Ye Qingyu moaned when her big sister suddenly rubbed her pussy through her thong.

Xiao Tian, who was seeing his aunt's sexy face when she was moaning, immediately kissed his aunt.

After rubbing her little sister's pussy through her thong for several seconds, Ye Xueyin slid her little sister's thong to the other side and played with her little sister's pussy directly.

"Hmmm" because Ye Qingyu was kissing with her nephew, she was unable to moan and could only widen her eyes.

However, when her big sister put a finger in her pussy and licked her clitoris, Ye Qingyu was unable to kiss her nephew anymore and started to moan.

Because he was unable to kiss his aunt anymore due to she was repeatedly moaning, Xiao Tian decided to kiss his aunt's neck.

"Ahhhhhh," Ye Qingyu moaned louder when her nephew started to kiss her neck, exploring every inch of her neck.

Because her big sister and nephew were giving her pleasure at the same time, Ye Qingyu's mind was in cloud nine. Ye Qingyu unconsciously opened her legs wider to make her big sister easier to play with her pussy.

Seeing her little sister open her legs wider, Ye Xueyin decided to add a finger in her little sister's pussy.

"Ahh... Big sister, don't add more finger" even though Ye Qingyu said that she started to move her hips up and down repeatedly.

Ye Qingyu was also tilting her head backward, allowing her nephew to kiss her neck easier.

"Tian...Tian.....Tian...More...Tian...Kiss aunt's neck more" Ye Qingyu called her nephew's name while wringing her nephew's hair.

"Qingyu, does this feel good?" Ye Xueyin asked abruptly.

"Yes...Ah.....It feels good...Ah....." Ye Qingyu immediately looked at her nephew when her nephew stopped kissing her neck. "Tian, why? Why did you stop kissing my neck?"

"Hmm, well, because I want to" Xiao Tian knew that his aunt had lost herself in pleasure. That was why he stopped kissing his aunt to tease her.

Upon hearing her nephew's answer, Ye Qingyu knew that he only wanted to tease her. That was why she grabbed her nephew's face and pulled her nephew's face to her neck again, forcing her nephew to kiss her neck again.

"Ahhhhh," before her nephew kissed her neck, Ye Qingyu started to moan again after her big sister bit her clitoris gently.

When Xiao Tian saw his aunt's lewd reaction, he started to kiss his aunt's neck again, making his aunt moan louder and faster.

A few minutes later, Ye Qingyu felt like she was about to cum. That was why she moved her hips up and down faster. She was also tilting her head back, hoping that her nephew would kiss her neck more passionately.

"Ahhhhh... I'm cummminggg" Ye Qingyu had a massive orgasm, and it hit her big sister's face, making her big sister's face wet.

After her little sister finished having an orgasm, Ye Xueyin wiped her face with her left hand.

Chapter 90 - Aunt, Drink It!

5-6 minutes

"Huft Huft Huft Huft Huft" the sound of Ye Qingyu breathing slowly could be heard on Xiao Tian's ears.

After Ye Qingyu's breathes back to normal, Xiao Tian grabbed his aunt's lingerie, intending to take off his aunt's lingerie.

Ye Qingyu immediately sat upright, cooperating with her nephew so her nephew could take off her lingerie more easily.

After taking off the nightgown and leaving nothing but a thong, Ye Qingyu laid on her back again.

"Aunt, press your breasts together." After seeing his aunt's beautiful breasts, Xiao Tian desired to fuck his aunt's pretty breasts. That was why he placed his cock between his aunt's breasts.

Upon hearing her nephew's words, using her hands, Ye Qingyu touched her breasts and pressed her breasts together.

"Ahh... It's warm" Ye Qingyu felt her breasts were hot when she pressed her nephew's cock between her breasts.

As Xiao Tian was thrusting his cock between Ye Qingyu's breasts and was treating it as if Ye Qingyu's breasts were her pussy, Ye Xueyin moved next to Xiao Tian and grabbed his face before starting to kiss his lips.

Xiao Tian, who was suddenly kissed by his mother, didn't stop thrusting his cock between his aunt's breasts.

As her nephew was thrusting his cock between her breasts, Ye Qingyu kept looking at her nephew's cock, which was in and out of her breasts as if her nephew's cock wanted to pierce her face. She then saw that there was a pre-cum on the tip of her nephew's cock, and her breasts immediately became wet because of her nephew's pre-cum.

A few minutes later, Xiao Tian has reached his limit, so he stopped kissing his mother and spoke to his aunt, "Aunt, open your mouth!"

Realizing that her nephew was about to cum and want to let out his sperm on her little mouth, Ye Qingyu slowly opened her mouth, waiting to receive her nephew's sperm on her mouth.

Xiao Tian immediately put his cock inside his aunt's mouth after seeing his aunt open her little mouth.

"I'm cummingggg" Xiao Tian grabbed his aunt's head and pulled her head to him.

Ye Qingyu widened her eyes when her nephew suddenly pulled her head. She thought her nephew only desired to release his sperm on her little mouth, but she didn't expect that her nephew would pull her head toward her nephew.

After letting out all his sperm into his aunt's mouth, Xiao Tian pulled out his cock "Aunt, open your little mouth and show me the sperm that I've released in your mouth."

Ye Qingyu was stunned after hearing her nephew's words. She didn't expect that her nephew requested her to show him the sperm in her mouth. Even though Ye Qingyu's mind was against it but her mouth slowly opened on its own, allowing her nephew to see the sperm on her mouth.

Upon seeing the white sperm on his aunt's mouth, Xiao Tian nodded his head in satisfaction as if he just did something spectacular. "Mm. Mm. Good! Aunt, drink it!"

After hearing her nephew's words, Ye Qingyu looked at her nephew for three seconds before drinking her nephew's sperm.

GULP GULP GULP

The sound of Ye Qingyu drinking her nephew's sperm could be heard in her nephew's ears.

Xiao Tian immediately kissed his aunt's forehead and smiled. "How is it, aunt? Is it delicious?"

Even though Ye Qingyu thought that her nephew's sperm was delicious, she didn't say it because she was embarrassed to say it.

Xiao Tian knew that his aunt was too shy to say it. That was why he didn't mind it and just kissed his aunt's right eye. "Aunt, let move to the main dish."

Once again, his aunt didn't answer him, but Xiao Tian noticed that his aunt showed no reaction of rejecting.

Ye Qingyu, who saw that her nephew was spreading her legs widely, didn't try to cover her pussy. She was only looking at her nephew intently as if she was waiting for her nephew to penetrate her pussy with his huge, long cock.

After placing his cock in his aunt's vagina entrance, Xiao Tian wanted to thrust his cock, but he suddenly noticed that his aunt was looking at him intently.

Xiao Tian stopped what he was doing and bent over. He touched his aunt's cheeks with his right hand and smiled. "What is it, aunt?"

Upon seeing her nephew's smile, Ye Qingyu's face broke into a smile. "Nothing"

After kissing his aunt's forehead, Xiao Tian spread her legs again. "I will put it in."

This time, even though Ye Qingyu was still shy, she nodded her head, giving her nephew a sign that she was ready to take her nephew's cock in her pussy.

When Xiao Tian saw his aunt was nodding her head, Xiao Tian started to thrust his cock.

"Mmmmm," Ye Qingyu could feel that her nephew's cock slowly entered her pussy, spreading her muscle pussy to his cock size.
